provides an up-to-date resource for information on legal  
ethics. Federal, state and local courts in all jurisdictions  
look to the Rules for guidance in solving lawyer  
malpractice cases, disciplinary actions, disqualification  
issues, sanctions questions and much more. In this  
volume, black-letter Rules of Professional Conduct are  
followed by numbered Comments that explain each Rule's  
purpose and provide suggestions for its practical

define the nature of the relationship between you and your
