**Astrology, Almanacs, and the Early Modern English Calendar Jun 23 2023 Astrology, Almanacs, and the Early Modern English Calendar is a handbook designed to help modern readers unlock the vast cultural, religious, and scientific material contained in early modern calendars and almanacs. It outlines the basic cosmological, astrological, and medical theories that undergirded calendars, traces the medieval evolution of the calendar into its early modern format against the background of the English Reformation, and presents a history of the English almanac in the context of the rise of the printing industry in England. The book includes a primer on deciphering early modern printed almanacs, as well as an illustrated guide to the rich visual and verbal iconography of seasons, months, and days of the week, gathered from material culture, farming manuals, almanacs, and continental prints. As a practical guide to English calendars and the social, mathematical, and scientific practices that inform them, Astrology, Almanacs, and the Early Modern English Calendar is an indispensable tool for historians, cultural critics, and literary scholars working with the primary material of the period, especially those with interests in astrology, popular science, popular print, the book as material artifact, and the history of time-reckoning.**

**24 Year Hebrew - English Calendar Dec 25 2020 This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.**

**Dreyer's English Apr 21 2023 NEW YORK TIMES BESTSELLER • A sharp, funny grammar guide they'll actually want to read, from Random House's longtime copy chief and one of Twitter's leading language gurus NAMED ONE OF THE BEST BOOKS OF THE YEAR BY O: The Oprah Magazine • Paste • Shelf Awareness "Essential (and delightful!)"—People We all write, all the time: books, blogs, emails. Lots and lots of emails. And we all want to write better. Benjamin Dreyer is here to help. As Random House's copy chief, Dreyer has upheld the standards of the legendary publisher for more than two decades. He is beloved by authors and editors alike—not to mention his followers on social media—for deconstructing the English language with playful erudition. Now he distills everything he has learned from the myriad books he has copyedited and overseen into a useful guide not just for writers but for everyone who wants to put their best prose foot forward. As authoritative as it is amusing, Dreyer's English offers lessons on punctuation, from the underloved semicolon to the enigmatic en dash; the rules and nonrules of grammar, including why it's OK to begin a sentence with "And" or "But" and to confidently split an infinitive; and why it's best to avoid the doldrums of the Wan Intensifiers and Throat Clearers, including "very," "rather," "of course," and the dreaded "actually." Dreyer will let you know whether "alright" is all right (sometimes) and even help you brush up on your spelling—though, as he notes, "The problem with mnemonic devices is that I can never remember them." And yes: "Only godless savages eschew the series comma." Chockful of advice, insider wisdom, and fun facts, this book will prove to be invaluable to everyone who wants to shore up their writing skills, mandatory for people who spend their time editing and shaping other people's prose, and—perhaps best of all—an utter treat for anyone who simply revels in language. Praise for Dreyer's English "Playful, smart, self-conscious, and personal . . . One encounters wisdom and good sense on nearly every page of Dreyer's English."—The Wall Street Journal "Destined to become a classic."—The Millions "Dreyer can help you . . . with tips on punctuation and spelling. . . . Even better: He'll entertain you while he's at it."—Newsday**

**English Bulldog Coloring Calendar Jun 30 2021 A super fun English Bulldog coloring calendar in book form. You can start this calendar in any month. **Saints of the Roman Calendar: Including Recent Feasts Proper to the English-Speaking World Dec 05 2021** The Catholic Church has always placed before the eyes of the faithful the example of holiness set by the saints. In the first Preface of the Mass for Holy Men and Women we read: "In their lives on earth you give us an example. In our communion with them you give us their friendship. In their prayer for the Church you give us strength and protection." Moreover, as the Second Vatican Council put it, "every act of love offered by us to those who are in heaven tends to and terminates in Christ, 'the crown of all the saints, ' and through him in God who is wonderful in his saints and is glorified in them." This book, then, should be a welcome addition to the ever increasing number of volumes that treat of the lives of the saints. With the addition of feast days proper to the United States, it is offered to the English-speaking public in the hope that it will foster greater devotion to the saintly men and women who are not only historical figures worthy of our veneration but models worthy of our imitation.

**English Setter Coloring Calendar Nov 04 2021** A super fun English Setter coloring calendar in book form. You can start this calendar in any month. The child will write in the months, the days of the months and year. They'll get hands on experience learning about a calendar. Plus there are different English Setter pictures for them to color each month. Only the outlines of the English Setter are drawn. Encourage the child to color them in the typical colors of this gorgeous breed. A nice keepsake for years to come. The little note section on each month can help them stay organized with their activities. No holidays are depicted on the calendar. The child can write in any birthdays or holidays as they desire.
