A Beer History May 31 2021

Tasting Beer, 2nd Edition Dec 18 2022 This completely updated second edition of the best-selling beer resource features the most current information on beer styles, flavor profiles, sensory evaluation guidelines, craft beer trends, food and beer pairings, and draft beer systems. You'll learn to identify the scents, colors, flavors, mouth-feel, and vocabulary of the major beer styles — including ales, lagers, weissbeirs, and Belgian beers — and develop a more nuanced understanding of your favorite brews with in-depth sections on recent developments in the science of taste. Spirited drinkers will also enjoy the new section on beer cocktails that round out this comprehensive volume.

Short Course in Beer Sep 22 2020 Presents a guide to the enjoyment and understanding of beer and beer making around the world, with information about how to taste it, how it is made, and where to find the best.

Beer O'Clock Apr 17 2020 A perfect gift for the beer lover in your life—the history, secrets, and artistry of the world's most popular drink! Everything you need to know about the world's most popular alcoholic drink—a joy-giving, convivial, nutritious, and delicious gift from nature

and possibly the most diverse alcoholic libation with over one hundred different styles and thousands of brands. Written by the United Kingdom's 2014 Beer Sommelier of the Year, *Beer O'Clock* not only delves into the rich history of beer production and drinking but contains practical advice and explanations of beer styles, which ones to drink and why, food-matching suggestions, and the not-to-be-missed best beers in the world. Author Jane Peyton also details the basics of making beer, the ingredients required, and explains just what it is that makes hops so special. From the ancient worlds of Babylonia, Egypt, and Mesopotamia, where brewing was considered a gift from the gods, a complete breakdown of the myriad styles available to the modern beer drinker, the flavors and aromas inherent in each, and proper beers and foods for pairing, Jane Peyton has provided a complete beer course in a pocket-sized package. So sit down, open a bottle of your favorite brew, and start reading. There's no better accompaniment to the perfect pint. Skyhorse Publishing, along with our Good Books and Arcade imprints, is proud to publish a broad range of cookbooks, including books on juicing, grilling, baking, frying, home brewing and winemaking, slow cookers, and cast iron cooking. We've been successful with books on gluten-free cooking, vegetarian and vegan cooking, paleo, raw foods, and more. Our list includes French cooking, Swedish cooking, Austrian and German

cooking, Cajun cooking, as well as books on jerky, canning and preserving, peanut butter, meatballs, oil and vinegar, bone broth, and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

Teachings from the Tap Mar 09 2022 After nearly 20 years of visiting breweries as a hobby, Merideth Canham-Nelson and her husband Chris embarked on their most ambitious adventure yet: a year-long journey discovering the world through beer culture. Aiming to fulfill their fantasy of becoming professional beer travelers, the couple spent a year visiting a major beer event or destination each month. What started out as a lofty escapade turned into a year of Canham-Nelson's self-discovery, conquering insecurities and coming into her own. Narrated in the first person, Teachings from the Tap explores one or more journeys each month and pairs those beer travel tales with a corresponding life lesson. The result is a detailed account with one-of-a-kind stories that cover the range of emotions created by interesting encounters and new experiences.

The Year in Beer 2017 Diary Jan 07 2022 This calendar journal is based around 52 full-page features linking each week of the year to a beer, brewing, or pub theme. This beautiful, practical diary is supplemented by a

wealth of further information, including CAMRA's beer festivals, beer storage tips, beer's patron saints, and much more. An essential and attractive publication for the traditional real ale drinker as well as the most style-conscious of beer hipsters.

Beer - Its History and its Economic Value as a National Beverage Oct 04 2021 This vintage book contains a detailed treatise on beer, being an exploration of its history and commercial value. This volume is highly recommended for those with an interest in the development of the beer industry, and is not to be missed by the discerning collector. Contents include: "Preliminary View of the Subject", "Early History of Beer", "Early History of Beer, continued", "Modern History of Beer", "How Beer is Made, and what it is", "The Development of Ale, Porter and Lager Beer", "The Condition and Prospects of the Beer Trade", "Comparative Advantages of Beer over Distilled or Spirituous Liquors", et cetera. Many old works such as this are increasingly scarce and expensive. We are republishing this volume now in an affordable, modern edition complete with a specially commissioned new introduction on brewing beer. First published in 1880.

San Francisco Beer Mar 21 2023 The story of beer in San Francisco is as old as the city itself. San Francisco had its first commercial brewery by 1847, two years before the gold rush, and went on to reign as the major

brewing center in the American West through the nineteenth century. From the 1930s to the early 1950s, iconic San Francisco – based breweries Lucky and Acme owned the statewide California market. In the 1960s, Fritz Maytag transformed San Francisco's tiny and primitive Anchor Brewing into America's first craft brewery. Now, well into its fourth generation of craft breweries, San Francisco has seen more new breweries open in the second decade of the twenty-first century than were opened in the entire previous century, proving that tech is not San Francisco's only booming industry. Join local author and beer enthusiast Bill Yenne as he explores San Francisco's rich tapestry of beers and breweries that have made it a brewing capital in the West.

Beer School Jun 12 2022 What do you get when you cross a journalist and a banker? A brewery, of course. "A great city should have great beer. New York finally has, thanks to Brooklyn. Steve Hindy and Tom Potter provided it. Beer School explains how they did it: their mistakes as well as their triumphs. Steve writes with a journalist's skepticism-as though he has forgotten that he is reporting on himself. Tom is even less forgiving-he's a banker, after all. The inside story reads at times like a cautionary tale, but it is an account of a great and welcome achievement." —Michael Jackson, *The Beer Hunter*(r) "An accessible and insightful case study with

terrific insight for aspiring entrepreneurs. And if that's not enough, it is all about beer!" —Professor Murray Low, Executive Director, Lang Center for Entrepreneurship, Columbia Business School "Great lessons on what every first-time entrepreneur will experience. Being down the block from the Brooklyn Brewery, I had firsthand witness to their positive impact on our community. I give Steve and Tom's book an A++!" —Norm Brodsky, Senior Contributing Editor, Inc. magazine "Beer School is a useful and entertaining book. In essence, this is the story of starting a beer business from scratch in New York City. The product is one readers can relate to, and the market is as tough as they get. What a fun challenge! The book can help not only those entrepreneurs who are starting a business but also those trying to grow one once it is established. Steve and Tom write with enthusiasm and insight about building their business. It is clear that they learned a lot along the way. Readers can learn from these lessons too." —Michael Preston, Adjunct Professor, Lang Center for Entrepreneurship, Columbia Business School, and coauthor, *The Road to Success: How to Manage Growth* "Although we (thankfully!) never had to deal with the Mob, being held up at gunpoint, or having our beer and equipment ripped off, we definitely identified with the challenges faced in those early days of cobbling a brewery together. The revealing story Steve and Tom tell about two partners

entering a business out of passion, in an industry they knew little about, being seriously undercapitalized, with an overly naive business plan, and their ultimate success, is an inspiring tale." —Ken Grossman, founder, Sierra Nevada Brewing Co.

Brooklyn Brew Shop's Beer Making Book Jan 19 2023
Brooklyn Brew Shop's Beer Making Book takes brewing out of the basement and into the kitchen. Erica Shea and Stephen Valand show that with a little space, a few tools, and the same ingredients breweries use, you too can make delicious craft beer right on your stovetop.

Greenmarket-inspired and seasonally brewed, these 52 recipes include Everyday IPA and Rose Cheeked & Blonde for spring; Grapefruit Honey Ale and S'More Beer for summer; Apple Crisp Ale and Peanut Butter Porter for fall; Chestnut Brown ale and Gingerbread Ale for winter; and even four gluten-free brews. You'll also find tips for growing hops, suggestions for food pairings, and recipes for cooking with beer. Brooklyn Brew Shop's Beer Making Book offers a new approach to artisanal brewing and is a must-own for beer lovers, seasonally minded cooks, and anyone who gets a kick out of saying "I made this!"

Sacramento Beer: A Craft History May 11 2022
Historically speaking, Sacramento benefited from a gold rush, an agricultural boom and, more recently, a brewing renaissance. The region's craft beer scene exploded

from six to more than sixty breweries in about a decade, and the roots of that culture stretch back more than a century. Before Prohibition, thousands of acres of local hops supplied brewers across the country. Local farms are once again taking advantage of the temperate climate. In 1958, the University of California-Davis started America's foremost brewing science program, producing some of California's top brewers. Rubicon's 1989 award-winning IPA was just the beginning for the current, innovative resurgence. Author Justin Chechourka explores the complexities and nuance of this fermenting heritage.

The Beer Devotional Sep 15 2022 As Ben Franklin said, beer is a sign that God loves us and wants us to be happy. Now beer lovers everywhere can hoist a cold one while browsing this informative guide to their favorite beverage. For each day of the year, beer expert and homebrewer Jess Lebow lists a beer, information on its history, taste, price, and where to find it. He suggests food pairings and includes trivia, brewing tips, and information about beer-related events, as well as quotations about the ease and contentment beer brings to our lives. Every state in the union is represented in this book, which unlocks the secrets of stouts, lumbics, IPAs, and porters. The Beer Devotional offers you an inspirational daily guide to the joys of beer.

Guinness Oct 16 2022 A perfectly poured history of the

world's greatest beer. "Joseph Conrad was wrong. The real journey into the Heart of Darkness is recounted within the pages of Bill Yenne's fine book. Guinness (the beer) is a touchstone for brewers and beer lovers the world over. Guinness (the book) gives beer enthusiasts all the information and education necessary to take beer culture out of the clutches of light lagers and back into the dark ages. Cheers!" -Sam Calagione, owner, Dogfish Head Craft Brewery and author of *Brewing Up a Business*, *Extreme Brewing*, and *Beer or Wine?*

"Marvelous! As Bill Yenne embarks on his epic quest for the perfect pint, he takes us along on a magical tour into the depths of all things Guinness. Interweaving the tales of the world's greatest beer and the nation that spawned it, Yenne introduces us to a cast of characters worthy of a dozen novels, a brewery literally dripping with history, and-of course-the one-and-only way to properly pour a pint. You can taste the stout porter on every page." -Dan Roam, author of *The Back of the Napkin: Solving Problems and Selling Ideas with Pictures*

[Boutique Beer](#) Jun 19 2020 'A glass in one hand and a pen in the other, Ben's writing deftly captures the passion, humour and insight from the front line of the global craft brewing revolution.' Mikkel Borg Bjergsø, *Mikkeller Boutique Beers* captures the people, the places and the passion that have inspired a worldwide craft brewing revolution. More than just another

compendium of the globe's greatest brews, this book ventures off the well-trodden drinking path and takes the adventurous beer connoisseur deeper into the world of today's most compelling craft brewers. Celebrating both the characters at the cutting edge of the contemporary craft beer scene and the pioneers of the past that inspired them, Ben McFarland's imbibing adventure stretches from Amsterdam's Red Light District to the far reaches of the Faroe Islands via ale-making iconoclasts of Oregon, Danish gypsy brewers, some monks (obviously) and law-bending, lederhosen wearing Bavarians. There's even a guy who makes beer from his beard. The award-winning writer talks of the tales and the tastes of more than five hundred beers ranging from legendary lambics and heinously hopped India Pale Ales to sublime session brews, sexy stouts, cellar-dwelling Barley wines, funky farmhouse beers, collaboration ales, cult classics, sours and saisons, beers made with wild yeast, barrel-aged beers and more. Amusing, enlightening and absorbing, Boutique Beers belongs on the bookshelf of discerning drinkers everywhere and ensures that you'll never look at your beer in the same way again.

500 Beers Aug 14 2022 Whether you want a light lager perfect for summer drinking, a rich stout or a full-bodied ale, there is a beer in this volume for every occasion. Featuring a beer for every day of the year with plenty to

spare, follow the friendly, expert guidance provided by the author to develop your tastes and find which type of beer suits you best. This comprehensive collection will inspire every beer drinker to venture beyond their comfort zone and try out some of the finest beers in the world. If you've always wanted to know the difference between a lager and an ale, wondered how beer is produced, or needed advice on how to match beer with food, here is the book for you. *500 Beers* takes the guesswork out of fixing drinks, with tips on everything from selecting glasses to storing, pouring and tasting. About the author Zak Avery is a beer expert and freelance journalist. Having worked in specialist beer retail for many years, he has carved a niche for himself as one of the best beer writers in the UK. He serves on the committee of the British Guild of Beer Writers, and in 2008 won their highest award: Beer Writer of the Year. He is regularly asked to judge beer competitions, most notably the International Beer Challenge, a London-based competition that annually establishes the best 50 beers in the world. Zak lives in Leeds.

Beer, Chicks and Wargames Apr 29 2021 It is the fall of 1991 at the University of South Carolina. The world is changing. Enter Bart, a stubborn, opinionated and fiercely independent kid who goes to college to get away from his home town and push back adulthood for as long as possible. *Beer, Chicks and Wargames: The 6-Year*

College Plan is his memoir. While getting a degree would certainly be a plus, that goal quickly becomes secondary as Bart discovers Beer, Chicks and Wargames, as well as a myriad of other temptation along the way. He also has a knack for getting into all sorts of trouble. Bart fails in almost everything, yet stubbornly refuses to adapt or mature to meet the academic, fiscal and social challenges facing him. Only desperation and sheer luck keep him afloat from one misadventure to the next until he finds his true calling. In this bitingly honest and humorous look at college life in America, Gregory Spikeman takes the reader on a nostalgic ride through the 90s - the music, culture, technology, and the dysfunctional youth of Generation X. Publisher's website: <http://sbpra.com/gregoryspikeman>

Ale, Beer, and Brewsters in England Jul 21 2020

Women brewed and sold most of the ale drunk in medieval England, but after 1350, men slowly took over the trade. By 1600, most brewers in London - as well as in many towns and villages - were male, not female. Ale, Beer, and Brewsters in England investigates this transition, asking how, when, and why brewing ceased to be a women's trade and became a trade of men. Drawing on a wide variety of sources - such as literary and artistic materials, court records, accounts, and administrative orders - Judith Bennett vividly describes how brewsters (that is, female brewers) slowly left the

trade. She tells a story of commercial growth, guild formation, changing technologies, innovative regulations, and finally, enduring ideas that linked brewsters with drunkenness and disorder. Examining this instance of seemingly dramatic change in women's status, Bennett argues that it included significant elements of continuity. Women might not have brewed in 1600 as often as they had in 1300, but they still worked predominantly in low-status, low-skilled, and poorly remunerated tasks. Using the experiences of brewsters to rewrite the history of women's work during the rise of capitalism, *Ale, Beer, and Brewsters in England* offers a telling story of the endurance of patriarchy in a time of dramatic economic change.

A Year Without Beer Apr 10 2022 He was overweight, barely able to surf, in chronic pain and in the doghouse... *A Year Without Beer* is the journey of a man standing at the crossroads. The choice was to be this person for the foreseeable future or to change habits, the habit being drinking way too much, way too often. Written in real time over a three-year period, this is the journey of failure, heartache, hope and hard work into a seemingly impossible goal of achieving three hundred and sixty-five days of sobriety in order to get a life back. *A Year Without Beer* is a collection of funny stories, tips and tricks to cut back or give up, all whilst still maintaining a social life and contact with friends and family that don't

mind a drink. Or three.

Guinness Jul 01 2021

A Year in Food and Beer Jun 24 2023 With the explosion in craft beers and interest in seasonal cuisine, A Year in Food and Beer perfectly fills a niche. Boasting 40 enticing recipes and more than 100 beer-pairing suggestions, it instructs readers how to identify flavors in specific beers and how to complement those with gourmet foods and cooking techniques by season.

Beer in America: The Early Years--1587-1840 Feb 08 2022 A definitive and fresh account of the role of beer in our country's founding and formative years. Beginning with the colonial era and ending with America's emergence as an industrial power, Beer in America contains many surprising revelations, including the reason the Mayflower really landed at Plymouth, George Washington and Thomas Jefferson as homebrewers, and forging the Constitution after hours over beer.

Beer Here Sep 03 2021 A Style and a Sampler to Celebrate Every Week of the Year, a unique and celebratory guide that beer fans can enjoy the whole year, every year.

Columbus Beer Nov 24 2020 Brewing in Columbus began more than two centuries ago. The taps were only turned off during Prohibition and the short pause that preceded the modern craft beer explosion. For generations, names such as Hoster, Born, Schlee and

Wagner secured staunch local loyalty for their brands and earned national acclaim for their brewmasters. Today, more than thirty craft breweries ply a prosperous trade in the capital city. After huge California craft brewery Stone became serious about Columbus for its East Coast expansion, Scotland's successful BrewDog chose central Ohio for its U.S. beachhead. Author Curtis Schieber celebrates the rise, fall and triumphant return of brewing in Ohio's capital.

Beer Lover's Mid-Atlantic Feb 20 2023 Beer Lover's Mid-Atlantic features regional breweries, brewpubs and beer bars in New Jersey, Pennsylvania, Delaware, and Maryland for those looking to seek out and celebrate the best brews--from bitter seasonal IPAs to rich, dark stouts. With quality beer producers popping up all over the nation, you don't have to travel very far to taste great beer; some of the best stuff is brewing right in the Mid-Atlantic. This comprehensive guides covers the entire beer experience for the proud, local enthusiast and the traveling visitor alike, including information on: - brewery and beer profiles with tasting notes- brewpubs and beer bars- events and festivals- food and brew-your-own beer recipes- city trip itineraries with bar crawl maps- regional food and beer pairings

Barrel-Aged Stout and Selling Out Dec 26 2020 Goose Island opened as a family-owned Chicago brewpub in the late 1980s, and it soon became one of the most

inventive breweries in the world. In the golden age of light, bland and cheap beers, John Hall and his son Greg brought European flavors to America. With distribution in two dozen states, two brewpubs and status as one of the 20 biggest breweries in the United States, Goose Island became an American success story and was a champion of craft beer. Then, on March 28, 2011, the Halls sold the brewery to Anheuser-Busch InBev, maker of Budweiser, the least craft-like beer imaginable. The sale forced the industry to reckon with craft beer's mainstream appeal and a popularity few envisioned. Josh Noel broke the news of the sale in the Chicago Tribune, and he covered the resulting backlash from Chicagoans and beer fanatics across the country as the discussion escalated into an intellectual craft beer war. Anheuser-Busch has since bought nine other craft breweries, and from among the outcry rises a question that Noel addresses through personal anecdotes from industry leaders: how should a brewery grow?

Beer Lover's Southern California Apr 22 2023 The Beer Lover's series features regional breweries, brewpubs and beer bars for those looking to seek out and celebrate the best brews--from bitter seasonal IPAs to rich, dark stouts--their cities have to offer. With quality beer producers popping up all over the nation, you don't have to travel very far to taste great beer; some of the best stuff is brewing right in your home state. These

comprehensive guides cover the entire beer experience for the proud, local enthusiast and the traveling visitor alike, including information on: - brewery and beer profiles with tasting notes- brewpubs and beer bars- events and festivals- food and brew-your-own beer recipes - city trip itineraries with bar crawl maps- regional food and beer pairings

My Beer Year May 23 2023 A love note to beer--appreciating the history, craftsmanship, and taste of craft beer as told by a woman striving for beer-expert status. As a journalist spurred by curiosity and thirst, Lucy Burningham made it her career to write about craft beer, traveling to hop farms, attending rare beer tasting parties, and visiting as many taprooms, breweries, and festivals as possible. With this as her introduction, Lucy decided to take her relationship with beer to the next level: to become a certified beer expert. As Lucy studies and sips her way to becoming a Certified Cicerone, she meets an eclectic cast of characters, including brewers, hop farmers, beer sommeliers, pub owners, and fanatical beer drinkers. Her journey into the world of beer is by turns educational, social, and personal—just as enjoying a good beer should be.

A Brief History of Lager Nov 05 2021 In this fascinating book, beer expert Mark Dredge dives into the history of lager, from how it was first brewed to what role was played by German monks and kings in the creation of

the drink we know so well today. From the importance of 500-year-old purity laws to a scrupulously researched exploration of modern beer gardens (it's a hard life), Mark has delved deep into the story of the world's favourite beer. From 16th Century Bavaria to the recent popularity of specialist craft lagers, *A Brief History of Lager* is an engaging and informative exploration of a classic drink. Pint, anyone?

One Hundred Years of Brewing Aug 02 2021

The Oxford Companion to Beer Jan 27 2021 "The first major reference work to investigate the history and vast scope of beer, *The Oxford Companion to Beer* features more than 1,100 A-Z entries written by 166 of the world's most prominent beer experts"--Provided by publisher.

My 30 Year Love Affair with Food in Vermont Aug 22 2020 This book is a result of a two-year "research study," done with many hours of Queen City beer sampling, cooking experiments and recipe creation. It is also my first in a planned series of cookbooks that chronicle *My 30-Year Love Affair With Food in Vermont*. After hours of long conversations about how the beers are made--while listening to Frank Zappa and eating endless bowls of pretzels--with Paul Hale, Managing Partner, Brewmaster and one of the co-founders of Queen City Brewery, I decided to put this collection of recipes into a book and do some good with it. I asked Paul and Ellen Zeman, Paul's lovely wife, what local

charities and nonprofit organizations are near and dear to their hearts. Without hesitation, Ellen said the Vermont Family Network (VFN). VFN is an organization that empowers and supports families that have children born with special needs. They work to assist them in obtaining the necessary resources they need to help their children live healthy lives and reach their potential. A portion of the proceeds from the sale of this book will go to benefit the VFN. I am so happy to be doing this fundraiser for a local organization with such a far-reaching impact on the lives of so many Vermonters. I feel passionate about bringing light to the needs of the VFN, and organizations like them in Vermont, and the good work they are doing in their local communities. I plan to continue to support these organizations and agencies through future cookbook endeavors. Two other books are already in the works. Stay tuned for more information.

300 Years of Beer Feb 25 2021 FINALIST for Best Illustrated Book of the Year, Manuela Dias Book Design of the Year, Mary Scorer Award for Best Book by a Manitoba Publisher (Manitoba Book Awards 2013)

I Drank Beer and I Had a Career Year Oct 24 2020 Do you love beer? I mean really, really love beer? And, especially love tasting new beers and keeping track of the taste tests? Then the Beer Tasting Log Book is for you. Perfect if you like to host, or participate in, beer

tasting parties. With the Beer Tasting Logbook write down how this beer tastes compared to others. List what food would be the perfect complement to the beer you just tasted. Did you share this beer with family and/or friends? Give your recommendation and your 1 through 5 star rating. Then summarize the overall taste of this beer. Record the following on the pre-formatted pages: Beer Name Brewery Location Hops Barley Appearance Aroma Body Taste Finish Participants Additional Notes Get the Beer Tasting Log and keep track of your beer tasting episodes.

Alaska Beer May 19 2020 Alaska's fermented legacy retains the fiercely independent spirit that propelled the state's beer drinkers through the gold rush and sustained them through Prohibition. Today, craft brewers produce outstanding suds in some of the harshest and most remote locations on the planet. And while the beer scene in Alaska has roots that trace back to days when spirits had to have "medicinal, mechanical, and scientific purposes," the contemporary crop of breweries can thank industry pioneers like the Alaskan Brewing Company for staying on the cutting edge of beer-making technology. Join beer columnist and historian Bill Howell on an exploration through this hop-filled history of the Last Frontier.

A Year in Beer Jul 25 2023

The Beer Stein Book Jul 13 2022

A Year of Beer Nov 17 2022 Each chapter begins with a description of a beer style, with recipes for every level of brewer--from extract to all-grain.

Beer for All Seasons Aug 26 2023 For everything there is a season — and beer is no exception. Best-selling author Randy Mosher leads you on a delicious tour of beer-tasting opportunities throughout the year, guiding you through all the best seasonal beer releases and festivals. Discover which beers are best to drink on warm spring afternoons or icy winter nights, and learn to make the most out of Craft Beer Week and Oktoberfest. Fun, fresh, and full of insider information, Beer for All Seasons will have you enjoying the varied delights of your favorite beverage year-round.

The Beer Lover's Table Dec 06 2021 Craft beer is changing everything about how people drink — and it's high time it was invited to the dinner table. The growth in craft beer is a full-blown phenomenon that is also making waves in the culinary sphere. Here, food writer and beer expert Claire Bullen answers the question: how do you successfully pair craft beer with food? Inside, 65 inspiring recipes — from cast-iron skillet pizza to harissa roast chicken — are matched with a diverse range of craft beers to enjoy with your meal. Soon you will see beer as not just a prelude to a meal, but rather as a drink that can work as well as wine when partnered with food.

Upper Peninsula Beer Mar 29 2021 Brewing came to

the Upper Peninsula in the 1600s, when French fur traders substituted pine needles for hops in batches of spruce beer. Promoted as a health drink, the evergreen suds remained in favor with the British army when it occupied the region. German immigrants drawn in by the mining boom introduced more variety to the area's fermented beverage selection, and the first of many commercial breweries opened in Sault Ste. Marie in 1850. Today, Keweenaw, Blackrocks and Ore Dock Brewing Companies are a few of the local craft brewers canning, bottling and shipping the malty flavor of the Peninsula throughout Michigan, Wisconsin and beyond.
