Forget the 10,000 hour rule— what if it's possible to learn the basics of any new skill in 20 hours or less? Take a moment to consider how many things you want to learn to do. What's on your list? What's holding you back from getting started? Are you worried about the time and effort it takes to acquire new skills—time you don't have and effort you can't spare? Research suggests it takes 10,000 hours to develop a new skill. In this nonstop world when will you ever find that much time and energy? To make matters worse, the early hours of practicing something new are always the most frustrating. That's why it's difficult to learn how to speak a new language, play an instrument, hit a golf ball, or shoot great photos. It's so much easier to watch TV or surf the web . . . In The First 20 Hours, Josh Kaufman offers a systematic approach to rapid skill acquisition— how to learn any new skill as quickly as possible. His method shows you how to deconstruct complex skills, maximize productive practice, and remove common learning barriers. By completing just 20 hours of focused, deliberate practice you'll go from knowing absolutely nothing to performing noticeably well. Kaufman personally field-tested the methods in this book. You'll have a front row seat as he develops a personal yoga practice, writes his own web-based computer programs, teaches himself to touch type on a nonstandard keyboard, explores the oldest and most complex board game in history, picks up the ukulele, and learns how to windsurf. Here are a few of the simple techniques he teaches: Define your target performance level: Figure out what your desired level of skill looks like, what you're trying to achieve, and what you'll be able to do when you're done. The more specific, the better. Deconstruct the skill: Most of the things we think of as skills are actually bundles of smaller subskills. If you break down the subcomponents, it's easier to figure out which ones are most important and practice those first. Eliminate barriers to practice: Removing common distractions and unnecessary effort makes it much easier to sit down and focus on deliberate practice. Create fast feedback loops: Getting accurate, real-time information about how well you're performing during practice makes it much easier to improve. Whether you want to paint a portrait, launch a start-up, fly an airplane, or juggle flaming chainsaws, The First 20 Hours will help you pick up the basics of any skill in record time . . . and have more fun along the way. What if you could ask God any and all questions that popped into your mind? The truth is that you can, and "The All of the All" can show you how. You are living a human experience, but you are a spiritual being whose spirit guide and soul lie within. Together they know the truth of who you are, what you want, and how to get you there. This second book in The All of Everything Series continues the conversations that started in "The All of Everything: A Spiritual Guide to Inner World Domination." The book explores our relationships with our metaphysical side--the universal energy system design to keep us on the path to enlightenment--to help us understand spiritual laws and philosophies. "The All of the All" shines a light on how fear and doubt keep us trapped in our illusion-based realities and provides a roadmap for releasing the ego and living the lives we are meant to lead. Discover that organization is the fastest way to fun with the 7 Oaks gang in this Level 2 Ready-to-Read edition of the third book in the 7 Habits of Happy Kids series from Sean Covey and Stacy Curtis. Jumper loves playing basketball, but when he wears the wrong shoes and can't find anything in his messy room, he misses the game. Can he clean up his act so this doesn't happen again? Each of the Level 2 Ready-to-Reads in this winning series focuses on one habit. A collection of short stories by writers from around the world, exploring the climate crisis and how human responses to it will shape the futures we will inhabit. Featuring stories in styles ranging from science fiction and fabulism to literary fiction, weird fiction, and action-thriller, all drawn from the 2020 Everything Change Climate Fiction Contest. The contest and anthology are presented by the Imagination and Climate Futures Initiative at Arizona State University, a partnership of the Center for Science and the Imagination and the Virginia G. Piper Center for Creative Writing. A hard-boiled pop-culture sensation re-created for comics. In L.A., there's one man you want behind the wheel. Just tell him where and when. He doesn't take part, doesn't know anyone, doesn't carry a weapon. He drives, and he's the best. Ride along as James Sallis' lean neo-noir masterpiece unfolds onto the sun-bleached streets of Los Angeles in this exciting comic book adaptation. New York Times and USA Today bestseller Roni Loren blends heat and heart in this emotionally charged story of: A frightened woman longing to break free A wounded man searching for his purpose An unexpected friendship turned sizzling hot connection And an emotional climax that'll have them both learning to let go The world can be a scary place. At least, that's what Andi Lockley's anxiety wants her to believe. It doesn't help that she narrowly escaped a dangerous man years ago, or that every relationship since has been colored with that lingering fear. But things are better now—she's channeling everything into her career as a horror novelist and true crime podcaster, and her next book may be the breakthrough she needs. If only her grumpy new neighbor would stop stomping around at all hours of the night. Former firefighter Hill Dawson can't sleep. After losing part of his leg in a rescue gone wrong, he's now stuck in limbo. He needs to figure out what he's supposed to do with his life, and he can't let himself get distracted by the pretty redhead next door. But when someone breaks into Andi's place, Hill can't stop himself from rushing in to play the hero. Soon, a tentative bond forms between the unlikely pair. But what starts out as a neighborly exchange quickly turns into the chance for so much more...if Andi can learn to put aside her fear and trust in herself—and love—again. Gita Trelease's *Everything That Burns* is the transporting sequel to *All That Glitters*, hailed by NPR as a "soaring success"! Camille Durbonne gambled everything she had to keep herself and her sister safe. But as the people of Paris starve and mobs riot, safety may no longer be possible... ..Not when Camille lives for the rebellion. In the pamphlets she prints, she tells the stories of girls living at society's margins. But as her writings captivate the public, she begins to suspect a dark magic she can't control lies at the heart of her success. Then Louis XVI declares magic a crime and all magicians traitors to France. As bonfires incinerate enchanted books and special police prowl the city, the time for magic—and those who work it—is running out. In this new Paris where allegiances shift and violence erupts, the answers Camille seeks set her on a perilous path, one that may cost her the boy she loves—even her life. If she can discover who she truly is before vengeful forces unmask her, she may still win this deadly game of revolution. Six years after he was lost at sea, James emerges from a dissociative fugue state to find he's a widower with two sons, but as James tries to unravel the mystery of his fractured identity, something he witnessed six years ago puts his family in danger. *JUST LOVE, Volume 2*, is the second in a series of extraordinary spiritual books from an extraordinary spiritual Master. Although you may be familiar with the wisdom of the Holy Scriptures of both East and West, the concept of Love is described in this book in a refreshing new way. *JUST LOVE* is expressed by someone who knows about the all-pervading, life-sustaining force that forms the creation of the universe because He is completely one with it in every moment. This volume is a collection of 59 talks given around the world by Paramahansa Sri Swami Vishwananda where the simple yet profound message is clear: Love is all there is. Love is all you have to do. Just Love, and the rest will take care of itself. From the New York Times bestselling author of *How We Got To Now* and *Farsighted* Forget everything you've ever read about the age of dumbed-down, instant-gratification culture. In this provocative, unfailingly intelligent, thoroughly researched, and surprisingly convincing big idea book, Steven Johnson draws from fields as diverse as neuroscience, economics, and media theory to argue that the pop culture we soak in every day—from *Lord of the Rings* to *Grand Theft Auto* to *The Simpsons*—has been growing more sophisticated with each passing year, and, far from rotting our brains, is actually posing new cognitive challenges that are actually making our minds measurably sharper. After reading *Everything Bad is Good for You*, you will never regard the glow of the video game or television screen the same way again. With a new afterword by the author. Packed with the silly jokes that kids love—including knock-knocks, tongue twisters, riddles, traditional question and answer jokes and more—a fun-filled book will keep readers laughing page after page. "There are moments when a story shakes you...Barely Missing Everything is one of those stories, and Mendez, a gifted storyteller with a distinct voice, is sure to bring a quake to the literary landscape." —Jason Reynolds, New York Times bestselling author of *Long Way Down* In the tradition of Jason Reynolds and Matt de la Peña, this heartbreaking, no-holds-barred debut novel told from three points of view explores how difficult it is to make it in life when you—your life, brown lives—don't matter. Juan has plans. He's going to get out of El Paso, Texas, on a basketball scholarship and make something of himself—or at least find something better than his mom Fabi's cruddy apartment, her string of loser boyfriends, and a dead dad. Basketball is going to be his ticket out, his ticket up. He just needs to make it happen. His best friend JD has plans, too. He's going to be a filmmaker one day, like Quentin Tarantino or Guillermo del Toro (NOT Steven Spielberg). He's got a camera and he's got passion—what else could he need? Fabi doesn't have a plan anymore. When you get pregnant at sixteen and have been stuck bartending to make ends meet for the past seventeen years, you realize plans don't always pan out, and that there are some things you just can't plan for... Like Juan's run-in with the police, like a sprained ankle, and a tanking math grade that will likely ruin his chance at a scholarship. Like JD causing the implosion of his family. Like letters from a man named Mando on death row. Like finding out this man could be the father your mother said was dead. Soon Juan and JD are embarking on a *Thelma and Louise*—like road trip to visit Mando. Juan will finally meet his dad, JD has a perfect subject for his documentary, and Fabi is desperate to stop them. But, as we already know, there are some things you just can't plan for... Crossword enthusiasts will love this book. Our largest collection of easy crosswords yet, it's packed with more than 300 crosswords from puzzlemaster Charles Timmerman. While perfect for beginners, these puzzles will also appeal to more advanced fans who enjoy a light and easy crossword every once in a while. In the wake of a prophecy that says they have the power to bring about great change, genius Conrad Harrington III teams up with Piper McCloud, the girl who could fly, to try to save the world and themselves. The acclaimed debut novel by the author of *Little Fires Everywhere* and *Our Missing Hearts* "A taut tale of ever deepening and quickening suspense." —O, the Oprah Magazine "Explosive . . . Both a propulsive mystery and a profound examination of a mixed-race family." —Entertainment Weekly "Lydia is dead. But they don't know this yet." So begins this exquisite novel about a Chinese American family living in 1970s small-town Ohio. Lydia is the favorite child of Marilyn and James Lee, and her parents are determined that she will fulfill the dreams they were unable to pursue. But when Lydia's body is found in the local lake, the delicate balancing act that has been keeping the Lee family together is destroyed, tumbling them into chaos. A profoundly moving story of family, secrets, and longing, *Everything I Never Told You* is both a gripping page-turner and a sensitive family portrait, uncovering the ways in which mothers and daughters, fathers and sons, and husbands and wives struggle, all their lives, to understand one another. This two-book e-bundle includes Nicola Yoon's #1 New York Times bestsellers, *EVERYTHING, EVERYTHING* and *THE SUN IS ALSO A STAR*. *Everything, Everything* is now a motion picture starring Amandla Stenberg and Nick Robinson, and the film of *The Sun Is Also a Star* is coming to theaters in May 2019! Maddy and Olly. Natasha and Daniel. This e-book collection contains Nicola Yoon's two captivating love stories: *Everything, Everything*, a #1 New York Times bestseller, and *The Sun Is Also a Star*, a #1 New York Times bestseller, National Book Award Finalist, and Printz Honor Book. In *Everything, Everything*, Maddy is a girl who's literally allergic to the outside world, and Olly is the boy who moves in next door . . . and becomes the greatest risk she's ever taken. In *The Sun Is Also a Star*, Natasha and Daniel are brought together just when it seems like the universe is sending them in opposite directions. Falling in love doesn't seem possible, but fate has something extraordinary in store. Praise for *Everything, Everything*: "Gorgeous and lyrical." --The New York Times Book Review "[A] fresh, moving debut."--Entertainment Weekly, A- "YA book lovers, your newest obsession is here."--MTV.com Praise for *The Sun Is Also a Star*: "Beautifully crafted."--People Magazine "Fans of Yoon's first novel, *Everything Everything*, will find much to love--if not, more--in what is easily an even stronger follow up." --Entertainment Weekly "Transcends the limits of YA as a human story about falling in love and seeking out our futures." --POPSUGAR.com I'm that teenaged girl who has MS. You haven't met me, but you've seen me around. You probably know my sister. We're twins, and she's the pretty one. Maybe you've heard about my reputation, how much I like to hook up at parties—how easy it is to get me in bed, get what you want, and forget about me after. Forget what you think you know. I'm leaving that girl behind. College is all about new beginnings. So from now on—I'm just Cass. And the rest...it isn't written yet. And no one else gets to write my story for me. ----- "Tyson Preeter doesn't do can't." That's exactly what I want people to think when they see me. I am strong, invincible, confident,

intelligent—arrogant. I'm the man who always finds a way around, over and through—until there's nothing left. Since losing my ability to walk six years ago, I've relearned life. I don't need sympathy. I don't want charity. And I don't do love. It's better this way, saves my disappointments for me, and me alone, and it saves my strength for everything I want. But Cass Owens is about to wreck everything. She's about to steal all of my strength away from me, because she needs it more. She's about to break all of my rules, and break down all of my walls. She's about to own me...completely. And I'm about to let her. * This is the second book in the Falling Series. Book 1, This Is Falling, is out now. Each book can be read as a standalone and will focus on a different couple. The NIV is the world's best-selling modern translation, with over 150 million copies in print since its first full publication in 1978. DON'T MISS PHOEBE ROBINSON'S COMEDY SERIES EVERYTHING'S TRASH—NOW ON FREEFORM! New York Times bestselling author and star of 2 Dope Queens Phoebe Robinson is back with a new, hilarious, and timely essay collection on gender, race, dating, and the dumpster fire that is our world. Wouldn't it be great if life came with instructions? Of course, but like access to Michael B. Jordan's house, none of us are getting any. Thankfully, Phoebe Robinson is ready to share everything she has experienced to prove that if you can laugh at her topsy-turvy life, you can laugh at your own. Written in her trademark unfiltered and witty style, Robinson's latest collection is a call to arms. Outfitted with on-point pop culture references, these essays tackle a wide range of topics: giving feminism a tough-love talk on intersectionality, telling society's beauty standards to kick rocks, and calling foul on our culture's obsession with work. Robinson also gets personal, exploring money problems she's hidden from her parents, how dating is mainly a warmed-over bowl of hot mess, and definitely most important, meeting Bono not once, but twice. She's struggled with being a woman with a political mind and a woman with an ever-changing jeans size. She knows about trash because she sees it every day--and because she's seen roughly one hundred thousand hours of reality TV and zero hours of Schindler's List. With the intimate voice of a new best friend, Everything's Trash, But It's Okay is a candid perspective for a generation that has had the rug pulled out from under it too many times to count. For fans of Christina Lauren and Jodi Ellen Malpas comes the next novel in M. O'Keefe's breathtakingly sexy series about a woman called into a journey of the heart, body, and soul. We played our roles, told each other lies. But now Dylan is no longer just a mysterious deep voice on the other end of the line. We're face-to-face and our relationship is very, very real. We still have secrets—but so much is crystal clear: The thrilling danger. The raw, naked desire. The need to keep feeling the way he makes me feel. Forever. Dylan is putting up walls, trying to keep me safe, but he can't shut me out. He has seen my darkness and rescued me. Now it's my turn, if only he will let me. Praise for The Truth About Him "M. O'Keefe blew me away with The Truth About Him, the conclusion to the dark, emotional, and dangerously sexy story of Annie and Dylan that began with the brilliant Everything I Left Unsaid. Wonderfully compelling and absolutely one-click worthy, this duet by M. O'Keefe is tops of my 2015 favorites list!"—New York Times bestselling author J. Kenner "The Truth About Him is one of the most gorgeous books I've ever read. Dark, sexy and emotionally haunting, it has stayed with me long after I turned the last page."—New York Times bestselling author Tracy Wolff "O'Keefe weaves a complex, poignant tapestry of character, emotion, and action."—Kirkus Reviews "O'Keefe composes riveting scenarios. . . . Readers seeking exhilarating sex along with thrilling conflicts won't be able to put it down."—Publishers Weekly "The conclusion to O'Keefe's dark and spellbinding . . . Everything I Left Unsaid jumps off the cliff into a raging sea of passion and danger as she continues to push our couple through the darkness that consumes them. . . . Suspense and intrigue play a larger role, with the romance flowing right along . . . as Dylan and Annie fight to hold on to the love they have built."—RT Book Reviews "I loved the way this couple fit together, the way they understood each other. . . . The Truth About Him is a worthy sequel to Everything I Left Unsaid, with a similarly thoughtful and nuanced portrayal of the main characters. . . . The romance is emotional, surprising, and moving. . . . Together the two books make a beautiful, smart whole, and I recommend them both."—Dear Author "Every choice, every reaction, every emotion plays out on the page as the couple stumbles forward, only to jump back two steps, driven by fear and lust and vulnerability. The unflinchingly realistic events make their reactions hit hard. And carrying it all is O'Keefe's beautiful language. . . . Dylan and Annie painfully ripped my heart out and then put it back together again. Now excuse me, I have a book to reread."—Heroes and Heartbreakers "The drama was out of control, as was the heat between Annie and Dylan, in this explosive conclusion. . . . O'Keefe has yet again given us a dark-yet-hopeful romance that will keep you on the edge of your seat."—Harlequin Junkie "Raw [and] emotional, with an amazing heroine and a cast of characters that give this book an exciting edge. Grade: A"—Smexy Books The Truth About Him is intended for mature audiences. A collection of quirky, fun facts. NEW YORK TIMES BESTSELLER • "A meditation on sense-making when there's no sense to be made, on letting go when we can't hold on, and on being unafraid even when we're terrified."—Lucy Kalanithi "Belongs on the shelf alongside other terrific books about this difficult subject, like Paul Kalanithi's When Breath Becomes Air and Atul Gawande's Being Mortal."—Bill Gates NAMED ONE OF THE BEST BOOKS OF THE YEAR BY REAL SIMPLE Kate Bowler is a professor at Duke Divinity School with a modest Christian upbringing, but she specializes in the study of the prosperity gospel, a creed that sees fortune as a blessing from God and misfortune as a mark of God's disapproval. At thirty-five, everything in her life seems to point toward "blessing." She is thriving in her job, married to her high school sweetheart, and loves life with her newborn son. Then she is diagnosed with stage IV colon cancer. The prospect of her own mortality forces Kate to realize that she has been tacitly subscribing to the prosperity gospel, living with the conviction that she can control the shape of her life with "a surge of determination." Even as this type of Christianity celebrates the American can-do spirit, it implies that if you "can't do" and succumb to illness or misfortune, you are a failure. Kate is very sick, and no amount of positive thinking will shrink her tumors. What does it mean to die, she wonders, in a society that insists everything happens for a reason? Kate is stripped of this certainty only to discover that without it, life is hard but beautiful in a way it never has been before. Frank and funny, dark and wise, Kate Bowler pulls the reader deeply into her life in an account she populates affectionately with a colorful, often hilarious retinue of friends, mega-church preachers, relatives, and doctors. Everything Happens for a Reason tells her story, offering up her irreverent, hard-won observations on dying and the ways it has taught her to live. Praise for Everything Happens for a Reason "I fell hard and fast for Kate Bowler. Her writing is naked, elegant, and gripping—she's like a Christian Joan Didion. I left Kate's story feeling more present, more grateful, and a hell of a lot less alone. And what else is art for?"—Glennon Doyle, #1 New York Times bestselling author of Love Warrior and president of Together Rising Fans of Jodi Ellen Malpas, K. Bromberg, and Joanna Wylde will be unable to resist this sexy, deeply intimate tale of a woman running from her past, and the darkly mysterious man who sets her free. I didn't think answering someone else's cellphone would change my life. But the stranger with the low, deep voice on the other end of the line tempted me, awakened my body, set me on fire. He was looking for someone else. Instead he found me. And I found a hot, secret world where I felt alive for the first time. His name was Dylan, and, strangely, he made me feel safe. Desired. Compelled. Every dark thing he asked me to do, I did. Without question. I longed to meet him, but we were both keeping secrets. And mine were dangerous. If I took the first step, if I got closer to Dylan—emotionally, physically—then I wouldn't be hiding anymore. I would be exposed, with nothing left to surrender but the truth. And my truth could hurt us both. Praise for Everything I Left Unsaid "Exquisite, thrilling, and toe-curlingly sensual . . . a delicious guilty pleasure I never wanted to end!"—New York Times bestselling author Katy Evans "I am head over heels in love with Everything I Left Unsaid by M. O'Keefe. Everything about this book hits

the mark—the exceptional prose, the brilliantly defined characters, the delicious plot, and all the wonderful, dangerous secrets. It’s an absolute must-read keeper-shelf book!”—New York Times bestselling author J. Kenner “I couldn’t put this book down. Annie’s story is heartbreaking, liberating, sweet, and sexy—I want more!”—New York Times bestselling author Monica Murphy “Sweet, sizzling, sexy, and heart-wrenching, Everything I Left Unsaid broke my heart and left me yearning for more.”—New York Times bestselling author Megan Hart “The mystery, the excitement, and not to mention the elusive and very demanding Dylan Daniels will leave you breathless!”—New York Times bestselling author Lisa Renee Jones “O’Keefe is one of the best contemporary romance authors writing today. . . . Elegantly sensual and blisteringly sexual, the story immediately hooks readers and keeps them captivated with help from beautiful writing, complex characters, and a healthy dose of secrets, while a cliffhanger ending will have them eagerly awaiting Book 2. Breathtaking and passionately intense—a must-read.”—Kirkus Reviews “[O’Keefe] moves skillfully into . . . romantic suspense with this excellent series launch. . . . [She] infuses the situation with distinctive life and absorbing detail. Captivating characters and a cliffhanger ending will keep readers coming back for more.”—Publishers Weekly Everything I Left Unsaid is intended for mature audiences. "A sharp fantasy thriller." -- People "Swoonworthy." --Time "Sharp, dark, thoughtful and romantic." --Cassandra Clare, #1 New York Times bestselling author When their worlds collide, X and Zoe are pushed to the edge of everything in this much-buzzed-about tour de force YA fantasy from Entertainment Weekly veteran Jeff Giles. For the perfect love, what would you be willing to lose? It's been a shattering year for seventeen-year-old Zoe, who's still reeling from her father's shocking death in a caving accident and her neighbors' mysterious disappearance from their own home. Then on a terrifying subzero, blizzardy night in Montana, she and her brother are brutally attacked in the woods--only to be rescued by a mysterious bounty hunter they call X. X is no ordinary bounty hunter. He is from a hell called the Lowlands, sent to claim the soul of Zoe's evil attacker and others like him. X is forbidden from revealing himself to anyone other than his prey, but he casts aside the Lowlands' rules for Zoe. As they learn more about their colliding worlds, they begin to question the past, their fate, and their future. But escaping the Lowlands and the ties that bind X might mean the ultimate sacrifice for them both. Gripping and full of heart, this epic start to a new series will bring readers right to the edge of everything. What is life like for workers in the gig economy? Is it a paradise of flexibility and individual freedom? Or is it a world of exploitation and conflict? Callum Cant took a job with one of the most prominent platforms, Deliveroo, to find out. His vivid account of the reality is grim. Workers are being tyrannised by algorithms and exploited for the profit of the few - but they are not taking it lying down. Cant reveals a transnational network of encrypted chats and informal groups which have given birth to a wave of strikes and protests. Far from being atomised individuals helpless in the face of massive tech companies, workers are tearing up the rulebook and taking back control. New developments in the workplace are combining to produce an explosive subterranean class struggle - where the stakes are high, and the risks are higher. Riding for Deliveroo is the first portrait of a new generation of working class militants. Its mixture of compelling first-hand testimony and engaging analysis is essential for anyone wishing to understand class struggle in platform capitalism. In his highly anticipated sequel to The Elements, Theodore Gray demonstrates how the elements of the periodic table combine to form the molecules that make up our world. Everything physical is made up of the elements and the infinite variety of molecules they form when they combine with each other. In Molecules, Theodore Gray takes the next step in the grand story that began with the periodic table in his best-selling book, The Elements: A Visual Exploration of Every Known Atom in the Universe. Here, he explores through fascinating stories and trademark stunning photography the most interesting, essential, useful, and beautiful of the millions of chemical structures that make up every material in the world. Gray begins with an explanation of how atoms bond to form molecules and compounds, as well as the difference between organic and inorganic chemistry. He then goes on to explore the vast array of materials molecules can create, including: soaps and solvents; goops and oils; rocks and ores; ropes and fibers; painkillers and dangerous drugs; sweeteners; perfumes and stink bombs; colors and pigments; and controversial compounds including asbestos, CFCs, and thimerosal. Big, gorgeous photographs, as well as diagrams of the compounds and their chemical bonds, rendered with never before seen beauty, fill the pages and capture molecules in their various states. As he did in The Elements, Gray shows us molecules as we've never seen them before. It's the perfect book for his loyal fans who've been eager for more and for anyone fascinated with the mysteries of the material world. You have questions!
