Nothing Stays Buried Jun 22 2020 The Monkeewrench crew returns to face the city of Minneapolis's worst nightmare--a rampant serial killer on the loose--in this electrifying thriller from the author of *The Sixth Idea*. When Minneapolis homicide detectives Leo Magozzi and Gino Rolseth are called to a crime scene in a heavily wooded city park, everything about the setting is all too familiar. And when they discover a playing card on the victim's body, their worst fears are confirmed--there's a serial

killer operating in the city for the first time in years. Across town, Grace MacBride and her unconventional partners at Monkeewrench Software find themselves at both personal and career crossroads. Weary of the darker side of their computer work for law enforcement, they agree to take on a private missing-persons case in a small farming community in southwestern Minnesota. As the violence accelerates in Minneapolis, Magozzi and Gino soon realize their killer is planning to complete the deck, and they enlist Monkeewrench to help stop the rampage. As a baffling tangle of evidence accumulates, the cops and Monkeewrench make the unlikely connections among a farmer's missing daughter, a serial killer, and a decades-old stabbing that brings them face-to-face with pure evil.

Crave Me Oct 07 2021 RT Book Reviews proclaims that the O'Brien Family series from award-winning author Cecy Robson "has the hottest brothers ever!" And in *Crave Me*, it's

time for the sole sister in the family to discover love. Wren O'Brien isn't your typical female. As the only girl from a loud Irish family with seven siblings, she prefers fast cars to lip gloss and bad boys to good men. It's the reason she's nursing a wounded soul and keeping her distance from a dangerous ex. Evan Jonah is running an empire and just moved from the lavish thoroughfares of London to the gritty streets of Philadelphia. When he walks into the nearest dealership, he's expecting to find a reliable vehicle to handle the brutal winters, not a sexy female car rep with killer legs. Wren doesn't know why "Hotness in a Suit" asked her out. She doesn't expect a great time or a night of passion that knocks her on her ass. But that's exactly what Evan shows her. She also never counted on how hard and fast she'd fall. But men like Evan—good men with even better hearts—don't desire tough-talking Philly girls for long. Evan has never met a woman like Wren. But he's up for the challenge and ready to prove

her wrong.

Wheeler had it all: a gorgeous wife, Sierra, whom he passionately loved, and a respectable job that allowed him to keep her living in the style to which she was accustomed. The good life wasn't handed to him on a silver platter, though. Growing up in the Cleveland ghetto, his father was shot by a drug addict, he worked the streets to help his sister through college, and he made his fair share of enemies along the way. Yet not even his tough upbringing prepared him for the mysterious DVD that showed up on his doorstep, its contents revealing an explicit sexual encounter between his wife and another man, whose face was purposely blurred. Sierra's betrayal is heart wrenching, and Denmark's on the warpath to find out the identity of the man behind it. One thing's sure: It's someone close to

him. Suddenly everyone is suspect, especially his two best buddies, and he'll stop at nothing to exact his revenge—even if it means sleeping with their wives to get it. But when Denmark takes justice into his own hands, he discovers a truth even more shocking than his wife's infidelity. . . . In this gritty revenge tale, Freddie Lee Johnson III takes us into the mind of a man consumed with grief and rage. Full of jump-off-the-page characters and fast-paced drama, *Other Men's Wives* is an explosive ride fueled by love, lust, and deceit.

The First Conspiracy May 22 2020 Taking place during the most critical period of our nation's birth, *The First Conspiracy* tells a remarkable and previously untold piece of American history that not only reveals George Washington's character, but also illuminates the origins of America's counterintelligence movement that led to the modern day CIA. In 1776, an elite group of soldiers were handpicked to serve as George Washington's bodyguards. Washington trusted them; relied on them. But unbeknownst to Washington, some of them were part of a treasonous plan. In the months leading up to the Revolutionary War, these traitorous soldiers,

along with the Governor of New York, William Tryon, and Mayor David Mathews, launched a deadly plot against the most important member of the military: George Washington himself. This is the story of the secret plot and how it was revealed. It is a story of leaders, liars, counterfeiters, and jailhouse confessors. It also shows just how hard the battle was for George Washington and how close America was to losing the Revolutionary War. In this historical page-turner, New York Times bestselling author Brad Meltzer teams up with American history writer and documentary television producer, Josh Mensch to unravel the shocking true story behind what has previously been a footnote in the pages of history. Drawing on extensive research, Meltzer and Mensch capture in riveting detail how George Washington not only defeated the most powerful military force in the world, but also uncovered the secret plot against him in the tumultuous days leading up to July 4, 1776. Praise for *The First Conspiracy*: "This is

American history at its finest, a gripping story of spies, killers, counterfeiters, traitors?and a mysterious prostitute who may or may not have even existed. Anyone with an interest in American history will love this book." —Douglas Preston, #1 bestselling author of *The Lost City of the Monkey God* "A wonderful book about leadership?and it shows why George Washington and his moral lessons are just as vital today. What a book. You'll love it." —President George H.W. Bush "This is an important book: a fascinating largely unknown chapter of our hazardous beginning, a reminder of why counterintelligence matters, and a great read." —President Bill Clinton
