From W. Bruce Cameron, the author of the New York Times and USA Today bestselling novel *A Dog's Purpose*, which is now a major motion picture! After 13-year-old Charlie Hall's mother dies and his father retreats into the silence of grief, Charlie finds himself drifting lost and alone through the brutal halls of junior high school. But Charlie Hall is not entirely friendless. In the woods behind his house, Charlie is saved from a mountain lion by a grizzly bear, thought to be extinct in northern Idaho. And this very unusual bear will change Charlie's life forever. Deeply moving, and interwoven with hope and joy, *Emory's Gift* is not only heartwarming and charming coming of age story, but also a page-turning insightful look at how faith, trust, and unconditional love can heal a broken family and bridge the gaps that divide us.

When Addie Baum's 22-year old granddaughter asks her about her childhood, Addie realises the moment has come to relive the full history that shaped her. Addie Baum was a Boston Girl, born in 1900 to immigrant Jewish parents who lived a very modest life. But Addie's intelligence and curiosity propelled her to a more modern path. Addie wanted to finish high school and to go to college. She wanted a career, to find true love. She wanted to escape the confines of her family. And she did. Told against the backdrop of World War I, and written with the same immense emotional impact that has made Diamant's previous novels bestsellers, *The Boston Girl* is a moving portrait of one woman's complicated life in the early 20th Century, and a window into the lives of all women seeking to understand the world around them.
