The Parents' Guide to Boys Jan 19 2023 Raising a boy poses unique challenges. This entertaining and informative user's manual will help you work with your son to prepare him for school. Abigail James's experiences as a teacher, mother of a son, and lifelong learner confirm her belief that parents want to give their children the best preparation for life they possibly can. If you have a son—or know someone who's raising a boy—here's the book you've been looking for. Its clear, practical advice will guide you through preparing your child for school and for life. Packed with activities you can implement immediately, humorous examples you'll remember forever, and wisdom Abigail has acquired in the trenches, *The Parents' Guide to Boys* is a book you'll quote often and go back to again and again. No matter whether your son is eight months or eighteen years old, Abigail has tips for giving him a great head start, keeping him engaged in the classroom, and creating a happy, self-sufficient young man.

[The Parent's Guide to Birdnesting](#) Apr 29 2021 Take coparenting to the next level and provide a stable environment for your children as you and your spouse begin tackling your separation or divorce. For parents who are separating and want to put their children first, birdnesting could be the interim custody solution you've been looking

for. Instead of the children splitting their time being shuttled between mom and dad's separate homes, birdnesting allows the children to stay in the "nest" and instead, requires mom and dad to swap, allowing each parent to stay elsewhere when not with the children. Initially popularized by celebrities, this method of coparenting is now becoming more mainstream as a way to help ease children into a new family dynamic. Birdnesting takes work and commitment but with Dr. Ann Gold Buscho's guidance, you'll learn everything you need to know about this revolutionary method. In *The Parent's Guide to Birdnesting*, you will discover the pros and cons, the financial and interpersonal considerations, and if it's the right decision for you and your family. [Miss Peregrine's Peculiar Children Boxed Set](#) Nov 24 2020 *The New York Times* #1 best-selling series. Includes 3 novels by Ransom Riggs and 12 peculiar photographs. Together for the first time, here is the #1 *New York Times* best seller *Miss Peregrine's Home for Peculiar Children* and its two sequels, *Hollow City* and *Library of Souls*. All three hardcovers are packaged in a beautifully designed slipcase. Also included: a special collector's envelope of twelve peculiar photographs, highlighting the most memorable moments of this extraordinary three-volume fantasy. *MISS PEREGRINE'S HOME FOR PECULIAR CHILDREN*: A mysterious island. An abandoned orphanage. A strange collection of very curious photographs. It all waits to be discovered in this groundbreaking novel, which mixes fiction and photography in a thrilling new kind of reading experience. As our story opens, a horrific family tragedy sets sixteen-year-old Jacob Portman journeying to a remote island off the coast of Wales, where he discovers the crumbling ruins of *Miss Peregrine's Home for Peculiar Children*. *HOLLOW CITY*: September 3, 1940. Ten peculiar children flee an army of deadly monsters. And only one person can help them—but she's trapped in the body of a bird. The extraordinary adventure continues as Jacob Portman and his newfound friends journey to London, the peculiar capital of the world. There, they hope to find a cure for their beloved headmistress, *Miss Peregrine*. But in this war-torn city, hideous surprises lurk around every corner. *LIBRARY OF SOULS*: A boy, a girl, and a talking dog. They're all that stands between the sinister wights and the future of peculiar children everywhere. Jacob Portman ventures through history one last time to rescue the peculiar children from a heavily guarded fortress. He's joined by girlfriend and firestarter *Emma Bloom*, canine companion *Addison MacHenry*, and some very unexpected allies.

The Hollywood Parents Guide Mar 09 2022 Accurate, experience-tested information on every step needed to give your child the best possible opportunity to make it in Hollywood. Inspiration. Resources to help you on your own journey, and even help you decide if this dream is right for you and your family to pursue at all. My daughter *Dove* and I moved to Los Angeles from an island in Washington State when she

was fourteen, armed only with her head shot, resume of community theater roles, and her dream. What I didn't know about what we were doing would fill a large book. Today, *Dove* is a grounded, successful young woman with her own show on the Disney Channel, and four films to her credit, as well as numerous other TV and music credits. We have been incredibly fortunate, and this book is my way of sharing what we've learned—and what some other parents of young stars have learned—in the hope that more families might save themselves some pain and precious time. Hollywood is filled with tragic stories of people who crashed on the edge of this dream. It doesn't have to be that way. I can help you navigate this world with your child. Features interviews with industry experts and the parents of other young Hollywood stars, including *Olivia Holt*, *Luke Benward*, *Cameron Boyce*, *Ryan McCartan*, *Jordan Fisher*, and more. Visit my website for updated resources and helpful information: <http://www.HollywoodParentsGuide.com> "If you have a child who is interested in getting into 'the business' *THE HOLLYWOOD PARENTS GUIDE* is an absolute MUST READ. *Bonnie* writes from the heart and the result is not only warm and funny, but full of useful information. Real stories from real parents of real kids working in the industry - tips and advice from casting directors, agents and other industry professionals. It's like arming yourself with a mini toolbox full of all the tools that you'll need to help guide you as you venture along this journey with your child. I should make it required reading for the parents of all of my clients! "Pamela Fisher Vice President Abrams Artists Agency - Head of Youth and Young Adult" "From A to Z *The Hollywood Parents Guide* answers every question I have received as a Casting Director and more. If your child wants to be a professional actor, the first thing you need to realize is that acting is a business and as in any business, there are rules to help guide you. *Bonnie Wallace* has given parents a *How to Guide* that is a must read." *Suzanne Goddard-Smythe* Casting Director Nominated for two Artios Awards for Outstanding Achievement in Casting "First let me say that *The Hollywood Parents Guide* is a fantastic book! Finally there is a guide to help parents steer their kids performing career. Thousands of parents have asked me for just such a book. There are a couple on the market already but they are written by agents or acting coaches. What parents have needed is a book written by one of them! And *Bonnie* has done a superb job writing it. The information is not only current but from the heart. If you have a little tyke that is driving you crazy to be on TV pick this one up!" *Chambers Stevens*, Author of the *Hollywood 101 Series* 5-time winner of the Backstage Readers Choice Award "An absolute play by play of how to best help your young, budding artist become a healthy, fully-functioning Hollywood success. Not only is my mother an incredible writing talent, but she also possesses a true depth of experience in parenting a Hollywood hopeful. User-friendly and guided by an open, generous voice with first

hand knowledge of the industry, this book is one I can truly call 'masterful'. "Dove Cameron Actor and singer Star of Liv and Maddie, Disney Descendants, and Barely Lethal
The Parent's Guide to Storytelling Jun 12 2022 A quick and easy guide to storytelling for parents and grandparents. Includes nineteen easy-to-tell stories and lists of story sources to help find more.

We're Parenting a Toddler! Dec 26 2020 The essential guide to parenting toddlers—strategies, humor, and support for new parents
Toddlers don't come with a manual, but here's the next best thing. *We're Parenting a Toddler!* is a comprehensive guide to parenting toddlers, with tons of practical strategies and sympathy for first-time parents. Get sound advice and funny stories from a four-time parent who's been in the toddler trenches, covering key situations from eating, sleeping, and tantrums, to potty training, communication, and so much more. This book about parenting toddlers includes: Toddler psychology—Better understand your little one's behavior with explanations from their perspective and developmental standpoint. Taking time out—Explore valuable tips for calmly and effectively parenting toddlers, including how to regulate your own emotions. Age-specific insights—Discover tips and insights for 1-2 year-olds as well as 2-3 year-olds for each issue, helping you confront challenges like discipline and respecting boundaries as your toddler grows. Parenting toddlers isn't for the weak, but you can get through the tantrums and tough times with this helpful guide.

The Parent Guide to Our Whole Lives May 23 2023

Listen to Your Child Mar 29 2021 Learning to talk is probably the greatest milestone in a child's development, a deeply moving and often hilarious experience for all parents. It is also a process which has been intensively studied by psychologists and linguists in recent years; this charming and informative book by one of Britain's best known writers on linguistics shows us what they have discovered.

A Parent's Guide to Asperger Syndrome and High-Functioning Autism, First Edition Aug 14 2022 Asperger Syndrome and high-functioning autism are detected earlier and more accurately today than ever before. Children and teens with these disorders often stand out for their precocious intelligence and language abilities--yet profound social difficulties can limit every aspect of their lives. This hopeful, compassionate guide shows parents how to work with their child's unique impairments and capabilities to help him or her learn to engage more fully with the world and live as self-sufficiently as possible. From leading experts in the field, the book is packed with practical ideas for helping children relate more comfortably to peers, learn the rules of appropriate behavior, and participate more fully in school and family life. It also explains what scientists currently know about autistic spectrum disorders and how they are diagnosed and treated. Real-life success stories, problem-solving ideas, and matter-of-fact advice on everything from educational placements to career planning make this an indispensable reference that families will turn to again and again.

The Baffled Parent's Guide to Coaching Youth Soccer Oct 16 2022 Written by soccer great and championship Stanford coach Bobby

Clark, *COACHING YOUTH SOCCER: THE BAFFLED PARENT'S GUIDE* tells you how, starting at point zero, an uninitiated coach can meld kids into a team and help them enjoy one of the most rewarding experiences of their youth. (In the end, you may be the one who reaps the biggest reward, as you watch kids learn and grow in an experience they'll treasure for a lifetime.)

The Parent's Guide to the U.S. Navy Aug 22 2020 Military ways are quite enigmatic, resulting in an alien world where acronyms often replace words and where "1330" is a time of day. Add to that, the Navy is not only military, it is nautical, which means that centuries of sea-going terminology and practices are added to the confusion. While the young men and women who sign on to become Sailors in the United States Navy receive extensive indoctrination and training, their parents do not. As their sons and daughters are becoming uniformed, the parents soon find themselves rapidly becoming uninformed. This book serves as the antidote to that debilitating disease of "uninformativity." In these pages parents will find many of the mysteries of the Navy explained. It is both a translation guide—helping parents to understand the many new terms they will be hearing—and also a cultural guide, an explanation of their son's or daughter's chosen new world that includes high standards and a level of dedication not found in most walks of life. Alongside chapters covering uniforms, ranks, ships, and aircraft, parents will find explanations and guidance as to what to expect when their child first joins the Navy, the many benefits their Sailor will enjoy, and what parents should bring and do when visiting their Sailors in their new and somewhat alien world. Derived from another Naval Institute Press book by the same author, *The Citizen's Guide to the U.S. Navy*, this informative book is a highly accessible guide that explains the strange ways of the Navy in terms that non-Sailors can understand. In nine short chapters, the author reveals such things as the many titles that military people have, the various alphanumeric designations that military personnel use to identify and distinguish themselves, the organization of the Navy and the Department of Defense, the origins and practices of such things as saluting, flag etiquette, side boys, and odd language (such as "aye-aye"), and an explanation of the many missions of the Navy. Also included is a primer on the various ships and aircraft that make up today's fleet, a guide to "reading" a uniform, and the demystification of such things as the phonetic alphabet and military time. Designed to be an easy read for those who want the whole story, *The Parent's Guide to the Navy* is also a useful reference work, easily "navigated" to find needed information. While parents need not be experts on the Navy, there is a middle ground that this book serves by providing a readable, edifying, and often entertaining explanation of this important but sometimes mysterious branch of the U.S. armed forces.
A Parents' Guide to the Middle School Years Dec 18 2022 OMG PAW G2G. Oh my god, parents are watching, got to go. Today's text-messaging middle schoolers may seem like a different species from how parents remember themselves as sixth, seventh, and eighth graders. Children are often forced to confront serious issues like drugs, violence, sexuality, and technology at an age that would have

been unthinkable even a decade ago. So it's natural for parents to worry about these crucial years. Still, educator Joe Bruzzese believes that this time can be full of positive transformation as your child gains independence and your parental role shifts from omnipresent manager to supportive coach. Timely topics include cyberbullying, depression, and choosing realistic and rewarding extracurricular activities. The middle school years can and should be a time of exciting change and opportunity; *A Parents' Guide to the Middle School Years* presents what you need to know to survive and thrive as a family.

Nerdy Parent's Guide to Raising a Nerdy Child Nov 17 2022 Once upon a time, you were a nerdy child, and now that you're a parent, let's make sure your kid can be a nerdy child too! In a world filled with superheroes, wizards, spaceships, and magical telephone booths, everyone should be part of a fandom, and you can never start too early. This is for the parents who want to share their fantastical interest with their children in hopes that they too will grow up to become little nerds.

Active Parenting Feb 08 2022 Dr. Michael Popkin--one of the nation's foremost experts on parent education--explains positive discipline and communication techniques to help your family run more smoothly. This guide shows you why children misbehave and how to redirect them, nonviolent discipline that really works, how to prevent future problems with drugs, and much more. Millions of parents have used this "active" approach to raise courageous, cooperative children--and now you can, too!

A Parents' Guide to the Middle School Years Jul 13 2022 OMG PAW G2G. Oh my god, parents are watching, got to go. A roadmap to a common--but complicated--disorder. Is there a cure for ADHD? What symptoms should you be looking for? Could your child be misdiagnosed? When your child is diagnosed with ADHD, you want to do all you can to get the help you need to support your child.

Unfortunately, the vast amount of information on ADHD can be overwhelming and leave you feeling frustrated, stressed, and powerless to help. But with the professional, accessible advice presented here, you can get the one-stop support you need to: Obtain and understand a diagnosis Find the right treatment Discipline your child effectively Get your child to focus at home and school Stay positive, and encourage your child This guide provides an all-encompassing look at ADHD so that you can feel confident about taking the necessary steps to create a better future for your child.

Education Begins at Birth Jan 07 2022 From birth to age six, children have an extraordinary capacity to learn. EDUCATION BEGINS AT BIRTH offers advice to parents on how to maximize potential and raise smart kids. If you are a parent of an infant, toddler, or preschooler, this is the perfect book to help you foster your little one's intellectual, physical, emotional, and social development. It includes essential tips, strategies, and practical things you can do to: (1) create early educational experiences in your home; (2) encourage discovery through play and investigation; (3) nurture a life-long

learner; (4) establish an environment that values growth; and (5) inspire curiosity and creativity. Dr. Jeff and Annie Wiesman teach parents how to create a language-rich environment where young children learn beginning concepts in math, science, literacy, social studies, and the arts. They include a wide variety of engaging activities and a detailed description of what you should teach at different developmental stages. Connect the principles in this guide with the teachable moments that occur in everyday life and you will help your kids develop essential skills for success in school and beyond.

[The Ordinary Parent's Guide to Teaching Reading \(The Ordinary Parent's Guide\)](#) Apr 17 2020

A plain-English guide to teaching phonics. Every parent can teach reading--no experts need apply! Too many parents watch their children struggle with early reading skills--and don't know how to help. Phonics programs are too often complicated, overpriced, gimmicky, and filled with obscure educationese. The Ordinary Parent's Guide to Teaching Reading cuts through the confusion, giving parents a simple, direct, scripted guide to teaching reading--from short vowels through supercalifragilisticexpialidocious. This one book supplies parents with all the tools they need. Over the years of her teaching career, Jessie Wise has seen good reading instruction fall prey to trendy philosophies and political infighting. Now she has teamed with dynamic coauthor Sara Buffington to supply parents with a clear, direct phonics program--a program that gives them the know-how and confidence to take matters into their own hands.

By approaching potty training with a proven program, first-time tips and tricks, the right tools, and a

confident mindset, you can cross dirty diapers off your endless to-do list and celebrate your child's transition to the toilet. Here's everything you need to know to get your child out of diapers once and for all! *The First-Time Parent's Guide to Potty Training* features: • An easy, step-by-step, 3-day program for ditching diapers, including nap and nighttime training, day care strategies, and on-the-go potty training • Troubleshooting advice for accidents, backsliding, temper tantrums, and more • Guidance for your child if they're anxious, willful, or simply reluctant You can potty train your child, and this book will guide you and cheer you on every step of the way.

[The Everything Parent's Guide to Common Core ELA, Grades K-5](#) May 11 2022 "A guide for parents hoping to prepare their children for the Common Core English Language requirements. Intended to help children in grads K-5"--

Getting to 30 Apr 22 2023 "This is the book parents have been waiting for"--Michael Thompson, coauthor of *Raising Cain*. The book that is "helpful, hopeful, and engaging"--Jeanne Brooks-Gunn, Ph.D., Columbia University. It is the book that addresses the new reality for parents of kids in their 20s and the issues that everyone in the media is talking about: When will this new generation of 20-somethings leave home, find love, start a career, settle down--grow up? And it's the book that will soothe your nerves. It's loaded with information about what to expect and guidance on what to do when problems arise (as they probably will). In other words, this is the book parents need--*Getting to 30*, by Jeffrey Jensen Arnett, the world's leading authority on the post-adolescent phase he named emerging adulthood, and Elizabeth Fishel, author of *Sisters* and other books. As *Getting to 30* shows, the road to adulthood is longer than we think--and, for parents, bumpier. It explains what's really happening to your 18- to 29-year-old, including the story behind your child's moods. The phenomenon of the boomerang child--and why it's actually a good thing, for parents and kids. The new landscape of 20-something romance. And it gives all the tools parents need to deal with the challenges, from six ways to listen more than you talk, to knowing when to open (and close) the Bank of Mom and Dad while saving for retirement, to figuring out the protocol for social media. Published in hardcover as *When Will My Grown-Up Kid Grow Up?*, *Getting to 30* includes the latest research on the optimistic and supportive attitude most parents have regarding their 20-something children.

Ages and Stages Oct 04 2021 A comprehensive parent's guide to your child's psychological development from birth through age 10 Written in an engaging, practical style, *Ages and Stages* offers you the benefits of the most current research on child development, featuring helpful tips and techniques to foster your child's maturation. Charles Schaefer and Theresa Foy DiGeronimo tell you what behaviors you can expect as your child grows and how you can help him or her to advance to the next level of development. They include numerous examples, stories, and activities you can use immediately to positively influence your child's development. The book's structure (divided into four stages of child development--birth to 18 months, 18 to 36 months, 36 months to age six, and six to ten years) allows you

to monitor your child's progress, identify the reasons for emotional and psychological differences in siblings, and even determine how your parenting strategies should change as your child grows. * Covers all five areas of psychological health--emotional, cognitive, friendship/relationships, personal growth, and morality * Filled with easy-to-follow Do's and Don'ts, plus fun activities and exercises to encourage your child's development * Helps you assess if and when your child may need professional intervention

The Everything Tween Book Sep 15 2022 Has your daughter started wearing makeup and thinking about boys - years before you dreamed it could happen? Are you concerned that your son has been acting up and talking back - while you're sure you should still be his hero? As you know, the "tween" years, which fall between the ages of eight and twelve, can often be a challenging time for both you and your child. The Everything Tween Book, written by child psychologist Dr. Linda Sonna, helps you navigate the trying years between childhood and adolescence. From addressing such serious issues as eating disorders and school violence to learning tolerance for pink and blue hair, The Everything Tween Book helps you understand and cope with your child's psychological, social, and emotional needs. The Everything Tween Book provides sound, professional advice on: Understanding - and dealing with - rebellion Improving communication Disciplining Managing sibling spats Helping your tween face peer pressure Ensuring good health Teaching sex education Packed with practical advice and reliable tips to help you get through the worst conflicts, The Everything Tween Book ensures that you stay sane while your tween blossoms into a healthy, happy, and mature young adult.

The Everything Parent's Guide to Raising a Successful Child Nov 05 2021 As parents struggle with these questions on a daily basis, The Everything Parent's Guide to Raising a Successful Child helps put their fears to rest, providing them with professional, reassuring advice on how to raise a "successful" child according to their own standards. The Everything Parent's Guide to Raising a Successful Child walks parents through all emotional, intellectual, and physical aspects of development. It's the first step in establishing realistic expectations, setting boundaries, and helping shape the mind of a responsible, well-rounded, happy young adult.

The Secret Lives of Toddlers Jun 19 2020 Why do they rub food in their hair? Why do they want to hear the same book over and over? Why do they love being naked? Between the ages of one and three, children can be delightful, affectionate, intelligent explorers of their newfound world. They can also be holy terrors. Grounded in up-to-date research, The Secret Lives of Toddlers demystifies 52 common behaviors of toddlers, while helping parents appreciate the miraculous development of their children. An entertaining, reassuring guide to toddler behavior, this book shows parents how to get through their kids' toddlerhood with affection, humor, and authority. With explanations from pediatricians, child development experts, and behavioral psychologists, parents will learn to: - Understand the world from a child's point of view - Learn which bad behaviors need intervention and which can be ignored - Cultivate good manners and

reward good behavior - Reduce their own frustration - Play, speak, read, and interact with their toddler in healthy ways

A Parent's Guide to Gifted Children Aug 26 2023 Practical guidance in key areas of concern for parents, such as peer relations, siblings, motivation and underachievement, discipline, intensity and stress, depression, education planning, and finding professional help.

A Parent's Guide to Early Education May 31 2021

A Parent's Guide to Raising Grieving Children Mar 21 2023 When children lose someone they love, life is never the same. In this sympathetic book, the authors advocate an open, honest approach, suggesting that our instinctive desire to "protect" children from the reality of death may be more harmful than helpful.

A Parent's Guide to Autism Diagnosis Apr 10 2022 Everything parents need to know about the process of autism diagnosis for a child, from referral to assessment and beyond. Combining information on medical diagnosis, educational needs and more, it answers common questions from parents, with quotes and case studies throughout.

Getting to 30 Feb 20 2023 "This is the book parents have been waiting for"—Michael Thompson, coauthor of *Raising Cain*. The book that is "helpful, hopeful, and engaging"—Jeanne Brooks-Gunn, Ph.D., Columbia University. It is the book that addresses the new reality for parents of kids in their 20s and the issues that everyone in the media is talking about: When will this new generation of 20-somethings leave home, find love, start a career, settle down—grow up? A Parent's Guide to Mandarin Immersion Jul 25 2023 Whether you're a preschool parent looking towards elementary school or a long-time Mandarin immersion family, this book will help explain how Mandarin immersion programs work and what you can expect from them. A Mandarin immersion parent herself, Elizabeth Weise gives families the background they need to make the most of the tremendous educational opportunity immersion represents. What the experts are saying: "Weise combines journalistic writing talents with a longstanding interest in Chinese language learning to offer current

and prospective parents an engaging and informative guide to Mandarin immersion education in the U.S. This handbook serves as an excellent resource—chock full of news and information about how to get the most from your child's Mandarin immersion experience." Dr. Tara W. Fortune, Director, Immersion Projects, Center for Advanced Research on Language Acquisition, University of Minnesota "If you'd like to understand the dynamics of Chinese immersion education, look no further. Beth Weise is a prescient and astute guide through this often confusing and misunderstood world. Her book is required reading for parents, administrators, and practitioners—a major contribution to the field." Chris Livaccari, Chinese Program Director, International School of the Peninsula, Palo Alto, California "This book addresses issues of concern not only to parents but anyone involved in Chinese language education. It provides amazingly complete information and statistics about Chinese immersion programs. Painfully honest, it tells us about school and school district politics surrounding the implementation of these programs. Weise's insights make it a must-have guidebook for anyone interested in Chinese immersion." Dr. Christy Lao, Professor of Education and expert on second language acquisition at San Francisco State University, California Chapters include: A history of language immersion How Mandarin immersion works Immersion and your child's academic career Being bilingual is better Do they learn English? How much Chinese will they learn? Why schools choose Mandarin immersion Tips from parents Parent, student and school profiles

A Parent's Guide to Managing Childhood Grief Jun 24 2023 Help your child navigate feelings of sadness and loss with 100 unique, activity-based approaches that help them manage their childhood grief in a healthy and constructive way. The loss of a loved one is a complex, confusing experience for a child to understand. Children may struggle to express, process, and manage their complicated and conflicting feelings, whether the loss is a parent, grandparent, sibling, or even a pet. So, what should you do to help your child process their sadness, loss, and frustration in a more healthy, positive way? In *A Parent's Guide to Managing Grief*, you'll learn everything you need to know about how children grieve and what you can do to support them during their most difficult moments. From there, you'll find 100 activities that you can use in a group setting, activities that you (or another caregiver) can do alone with your child, and ways to make the most of virtual interactions to support a grieving child. Explore activities like: -Making a scream box -Playing with clay -Feelings charades game -Making a memory bracelet -And many more! It can feel difficult to connect with your child as you process your own complicated emotions surrounding loss. Use these activities to help bridge the gap between you and your child and to help you both find comfort in a difficult situation. You'll find all the tools you need to help your child (and even yourself) healthily process your grief and move towards happiness, understanding, and acceptance together.
