YVWAJI0hm4_XA/videos FROM THE BESTSELLING AUTHOR OF THE CARTEL. Frankie Machianno, a hard-working entrepreneur, passionate lover, part-time surf bum, and full-time dad, is a pillar of his waterfront community—and a retired hit man. Once better known as Frankie Machine, he was a brutally efficient killer. Now someone from his past wants him dead, and after a botched attempt on his life, Frankie sets out to find his potential killers. However, the list of suspects is longer than the California coastline. With the mob on his heels and the cops on his tail, Frankie hatches a plan to protect his family, save his life, and escape the mob forever. Then things get really complicated. Fashion designer Bridgett Artise believes in second chances--a philosophy that extends all the way to her clothing line, B. Artise Originals. Fashion gave her a second chance at happiness and success, and, in turn, she gives vintage garments that have lost their luster another chance at being fashionable. Mixing contemporary clothing with the best elements of a vintage piece--like the collar of a funky fifties housedress or the pockets of a seventies-style jacket--and piecing them back together in a

whole new way, she creates one-of-a-kind garments that are both trend setting and timeless. An old-fashioned ruffled shirt with terrific buttons, plus an inexpensive tank top, can become a unique top. A poodle skirt and that so-last-year's knee-length cardigan sweater can be turned into anything from a mini-poncho to a structured tube top. With fashions for every season, Born-Again Vintage contains patterns for: *Pants that pair perfectly with winter boots and a sweater dress that's sexy and simple *A cropped jacket + sweater corset that are perfect for a flirty spring fling *Dresses + bags to keep summer easy and breezy *Pretty-in-a-blink dresses + accessories for a big night out Born-Again Vintage updates the trends of fashion eras gone by and brings the unparalleled quality of vintage into a new age. Complete with a vintage shopping guide, handy style tips, and ideas for reinventing disused cast-offs, Born-Again Vintage is a must-have for vintage shoppers and sewers alike. The Vintage Journal Winter Sledding pocket journal features an illustration of 4 people doing Winter Sledding . Charming, spirited and exquisitely lovely, she is beset on all sides by suitors, any one of whom would pay a king's fortune for a place in her heart. But

Erienne has eyes for only one: the dashing and witty young Yankee, Christopher Seton. But marriage for love is not to be, for her irresponsible and unscrupulous father, crippled by gambling debts, is intent on auctioning off his beautiful daughter to the highest bidder. And in the end, Erienne is devastated to find it is the strange and secretive Lord Saxton who has purchased her--a mysterious, tragic figure who wears a mask and a cloak at all times to hide disfiguring scars gained in a terrible fire some years back. But in the passing days, Saxton's true nature is revealed to her. A gentle and adoring soul, he treats his new bride with warmth and abiding tenderness, yet appears to her only by daylight. She, in turn, vows to be a good and loyal wife to him. And then Christopher Seton reenters Erienne's world. Conflicted by emotions she cannot suppress, Erienne valiantly attempts to remain honorable to her elusive, enigmatic husband but feels herself irresistibly drawn to Seton's passion, his fire, and his secrets. Entangled in intrigues she doesn't yet understand, Erienne Fleming will soon have to make a devastating choice: between love and honor...between her duty and her heart. Add a little Italian magic to the season! Let go of all the anxiety, forget about the shopping rush and dedicate your time to MAKING Christmas. Cook, gather and give something homemade. It's time to bloom, and Italy can show you the way! Hello and welcome to the Vintage Gold Issue of the Gourmet Mag, a seasonal Italian cookbook and lifestyle magazine with Italian food recipes, Italian culture, traditions, and customs. It is an indie magazine made in Rome, Italy. In this issue we will explore Italian Christmas. Italian Christmas dishes, gifts, and traditions. I chose my favorite recipes from North to South and created an Italian Christmas menu for

you. Next, I collected 4 homemade Christmas gifts ideas that are super easy, but very cute and delicious! You'll also find a collection of Winter activities and DIY inspiration for the cold Winter days and a tiny guide to Orvieto, a small Italian town near Rome. Finally, for New Year's resolutions, I added simple healthy Italian recipes that are also good and tasty. You'll adore them! That's it! Ready for an Italian Winter experience? Drawing on old photographs, films and archives of knitting patterns to bring this period look alive, the designers whose work is featured in this book have updated and adapted classic designs to make them easy to wear, while at the same time being true to the spirit of the age. The collection encapsulates the feel for quality materials, lasting craftsmanship, classic looks and,

above all, a real sense of style. The knitwear found here won't date in the passing of a season; it will improve with time and become a treasure in its own right. It features 30 original knitted pieces for women and men from top designers. It includes colored charts and diagrams, and clear knitting instructions. Beautiful photographs throughout capture the spirit of the post-war era and places it in a contemporary framework."--Publisher description.

From New York Times best-selling author Thea Harrison comes a vintage contemporary romance, as originally published under the pen name Amanda Carpenter in 1994. Yvonne Trent was born into the world of Hollywood royalty. Effortlessly ascending to the family throne at a young age, she enjoyed a lavish lifestyle on par with her fortune and critical acclaim. From the outside, Yvonne was living the dream. Inside, she felt hollow. In search of a more meaningful life, Yvonne walked away from it all, determined never to return. Dubbed the Winter King due to his cold and ruthless manner, Adam Ruarke is the most sought-after director in Hollywood. His projects garner both popular and professional praise. Adam knows how to make an award-winning film and he knows Yvonne is the perfect actress to star in his next project—whether she wants to or not. An ultimatum may have brought Yvonne out of her self-imposed exile, but the sparring match between Yvonne and Adam has just begun. How long can they fight the growing attraction between them? When filming is over, will Yvonne leave again, taking Adam's heart with her when she goes? "The perfume of the orange blossoms . . . the beauty of every scene, combine to make me wonder whether I am not in Paradise," wrote one visitor to Winter Park, Florida, in 1918. Just five miles north of Orlando, Winter Park's oak-lined

brick streets and its quiet lakes have been attracting visitors since the late 19th century, when U.S. president Chester A. Arthur declared, "This is the prettiest spot I have seen in Florida." The New Englandlike city in the heart of the subtropics was once home to the Seminole Hotel, the largest resort south of Jacksonville. In 1885, prestigious Rollins College was founded here, the first institution of higher learning in Florida. This book is a love story. It does not resemble any character. It is a pure imagination of the author. It tells about the importance of a partner in everyone's life. The collection in this book documents the stylistic development of artistically designed posters to express the ideals of winter vacations in top Alpine locations. For more than 100 years, winter sports have been an integral part of the image of mountainous regions. Skiing in particular became the "in" activity for the rich and beautiful during the "roaring twenties". The sport was as much about competition as it was about an exclusive lifestyle. Since that time, winter sports destinations have advertised their assets through artistically designed posters. Renowned artists have used pencils and water colors to express the ideals of winter vacations in top Alpine locations such as St. Moritz, Chamonix and Gröden, as well as dream places like Vail and Whistler in the Rocky Mountains. The collection in this book documents the stylistic development while presenting in different chapters the most beautiful and exceptional posters of the era. First published in 1956, *What Shall I Wear?* is revolutionary fashion designer Claire McCardell's collection of fashion wisdom and philosophy, and a vivacious guide to looking effortlessly stylish. This new edition of the sought-after classic features a foreword by iconic designer Tory Burch and a color

insert of photos from McCardell's collections. "The testament to great design, Claire McCardell's dresses look fresh, contemporary, and desirable eight decades after they were made, as the Costume Institute's 2022 exhibit In America: An Anthology of Fashion demonstrated." "Nicole Phelps, global director, Vogue Runway and Vogue Business "Among the many surprises and insights I discovered in McCardell's valuable book is that she wanted to call it Fashion is Fun. That may also be the secret behind her genius and enduring influence—she refused to take fashion too seriously." "Cathy Horyn, New York Magazine "The first designer to create a cohesive vision rooted in the American lifestyle of ease, McCardell and her contributions as a designer and a woman in business are often overlooked. Tory Burch's new foreword . . . puts this American treasure in her rightful place." "Constance White, fashion editor and author of How to Slay: Inspiration from the Queens and Kings of Black Style "Claire McCardell's guiding philosophy of dressing with ease in a functional, fashionable American look was groundbreaking—and feminist—for her times. And it continues to resonate globally on the runways and in closets today." "Booth Moore, executive editor, Women's Wear Daily Inspired by Christmas themed images of children, the full-page grayscale illustrations in this VINTAGE CHILDREN Christmas adult coloring book will provide hours of calming relaxing fun that will clear your mind and enhance your creativity. College Ruled Color Paperback. Size: 6 inches x 9 inches. 55 sheets (110 pages for writing). Cold Winter Night Retro Vintage Style. 157923224987 This vivid, moving and provocative novel presents a story of a whole society caught up in national turmoil. Told through the experiences of one family, the Shubins, and their city of Leningrad, their story of love and heartbreak is universal. Starting with Hitler's invasion of the Soviet Union on 22 June 1941, the novel moves both back and forward in time, following three generations of the Shubins as they face the horrors of war, political upheaval, imprisonment and famine. Their experiences are harsh, but their spirit remains undaunted and their family ties unbreakable. The legacy of hardship never quite relaxes its grip, but what endures is their humanity. This book contains a brilliant selection of vintage machine knitting patterns for women's clothing for Winter, and is clearly written in step-by-step instructions and with explanatory diagrams. With garments for many occasions, from a 'Go Anywhere Suit' to a 'Slim-Line Sweater with a Sparkling Plus', this book ensures that any woman can dress beautifully and snugly throughout the whole Winter. The content has been carefully selected for its interest and relevance to a modern

audience.
