**The Book of Venice** Jul 11 2022 An inspector rages against the announcement that police HQ is to relocate - the way so many of the city's residents already have - to the mainland... An aspiring author struggles with the inexorable creep of rentalisation that has forced him to share his apartment, and life, with 'global pilgrims'... An ageing painter rails against the liberties taken by tourists, but finds his anger undermined by his own childhood memories of the place... The Venice presented in these stories is a far cry from the 'impossibly beautiful', frozen-in-time city so familiar to the thousands who flock there every year - a city about which, Henry James once wrote, 'there is nothing new to be said.' Instead, they represent the other Venice, the one tourists rarely see: the real, everyday city that Venetians have to live and work in. Rather than a city in stasis, we see it at a crossroads, fighting to regain its radical, working-class soul, regretting the policies that have seen it turn slowly into a theme park, and taking the pandemic as an opportunity to rethink what kind of city it wants to be.

**Venice & Food** Apr 20 2023 In this book, Sally Spector, who is from Chicago and now lives in Venice, takes us on a mouth-watering culinary trip; her historical love affair with food quite literally gives us a taste of Venice.

**Venice: A History** Feb 23 2021 Rarely in history has a great city arisen in a less likely place than the islands and mud flats of the Venetian lagoon. But they provided the city's founders with a refuge from the barbarians who had invaded their mainland homes. With energy and ingenuity, these displaced people created a maritime empire of unequalled splendor. At its height, the Republic of Venice was said to encompass "one quarter and one half of one quarter" of the known world. During those years, its merchant princess lived more lavishly than many kings. With the discovery of the New World, however, Venice's trading monopolies were broken. The long, slow decline that followed was protracted and infinitely poignant. Today, the decaying buildings adjoining the Rialto Bridge serve as haunting reminders of the bygone age of La Serenissima, the Most Serene Republic. Here is the dramatic story of the city that was once known as the most beautiful in the world - the bride of the Adriatic and the unchallenged mistress of the Mediterranean.

**The Harry's Bar Cookbook** Jul 31 2021 There is only one Harry's Bar. Located on Venice's Calle Vallaresso, near the Piazza San Marco, this legendary restaurant has been, for five decades, the meeting place for artists, writers, royalty, maestros, divas, celebrities, the very rich, and lots of ordinary—but very wise—Americans and Europeans. Everyone from the Windsors and the Onassises and the Burtons to Cole Porter; Ernest Hemingway, and Joan Crawford has come here for great food, fine drinks, and the incomparable ambiance. Now, to the delight of his legions of customers, Arrigo Cipriani shares his favorite stories about Harry's Bar and its secrets—and reveals for the first time his treasured recipes for the restaurant's most popular dishes. Harry's Bar above all, is a bar. Its distinctive mixed drinks were created by its founder, Arrigo's father, Giuseppe Cipriani, and they remain the social center of the establishment. Therefore, you'll find careful instructions for making the world-famous Belini—the frosty, frothy combination of rose-colored peach elixir and Prosecco (the Italian champagne)—and the secret of making the Montgomery, named by Hemingway himself, which is nothing less than the driest, most delicious martini in the world. Harry's Bar is also famous for its sandwiches—mouth-watering, overstuffed, unique concoctions: pale yellow egg sandwiches spiked with anchovies; chunks of freshly poached chicken or shrimp bound with creamy, newly made mayonnaise. The Harry's Bar club sandwich is a legend in itself, knife-and fork food that's simply superb. But the bar's famous risottos and the dozens of pasta dishes—including ravioli, cannelloni, and tagliolini—are the house specialties. Potato gnocchi and simple country food such as polenta, squid, baccala, and beans are transformed into elegant dishes by skillful chefs. Cipriani also invented the sublime dish known as carpaccio and the glorious risotto alla primavera, brilliant ideas that have been imitated all over the world; the original appear here for the first time. The secret of Harry's Bar is not only its great drinks and magnificent food, but also its extraordinary atmosphere, in which high spirits pour forth happily. Arrigo Cipriani captures this spirit and tradition, and delivers it all in his own inimitable style. The Harry's Bar Cookbook is much more than a cookbook: it's an enduring experience to be savored and enjoyed.

**Shakespeare and the Italian Renaissance** Feb 06 2022 Shakespeare and the Italian Renaissance investigates the works of Shakespeare and his fellow dramatists from within the context of the European Renaissance and, more specifically, from within the context of Italian cultural, dramatic, and literary traditions, with reference to the impact and influence of classical, coeval, and contemporary culture. In contrast to previous studies, the critical perspectives pursued in this volume's tripartite organization take into account a wider European intertextual dimension and, above all, an ideological interpretation of the 'aesthetics' or 'politics' of intertextuality. Contributors perceive the presence of the Italian world in early modern England not as a traditional treasure trove of influence and imitation, but as a potential cultural force, consonant with complex processes of appropriation, transformation, and ideological opposition through a continuous dialectical interchange of compliance and subversion.

**Venice and the Islamic World, 828-1797** Jul 19 2020 From 828, when Venetian merchants carried home from Alexandria the stolen relics of St. Mark, to the fall of the Venetian Republic to Napoleon in 1797, the visual arts in Venice were dramatically influenced by Islamic art. Because of its strategic location on the Mediterranean, Venice had long imported objects from the Near East through channels of trade, and it flourished during this particular period as a commercial, political, and diplomatic hub. This monumental book examines Venice's rise as the "bazaar of Europe" and how and why the city absorbed artistic and cultural ideas that originated in the Islamic world. Venice and the Islamic World, 828-1797 features a wide range of fascinating images and objects, including paintings and drawings by familiar Venetian artists such as Bellini, Carpaccio, and Tiepolo; beautiful Persian and Ottoman miniatures; and inlaid metalwork, ceramics, lacquer ware, gilded and enameled glass, textiles, and carpets made in the Serene Republic and the Mamluk, Ottoman, and Safavid Empires. Together these exquisite objects illuminate the ways Islamic art inspired Venetian artists, while also highlighting Venice's own views toward its neighboring region. Fascinating essays by distinguished scholars and conservators offer new historical and technical insights into this unique artistic relationship between East and West.

d'oeuvres – but cicchetti are undeniably, distinctly Venetian and a delicious nod to Venice's casual way of life. In *Cinnamon and Salt*, Italy-based food writer Emiko Davies delves into the rich, multicultural history of Venice and its unique cuisine, detailing more than sixty classic and modern recipes, from fried to sweet and from small plates to drinks. Try sweet and sour radicchio, the legendary fried meatballs, or creamy whipped cod on squares of polenta. **A Table in Venice** Apr 08 2022 'A real and rare gem, this is the must-have book on Venice and its cooking' – Anna del Conte Skye McAlpine, author of the successful blog *From My Dining Table*, offers an insider's perspective on Venetian home cooking, illustrated with her stunning photographs. Hundreds of thousands of tourists pass through the city of Venice each year, eat at trattorie, and leave having dined in Venice, but not having eaten well. It is the food cooked in homes and made with local ingredients, the recipes passed down through generations that is real Venetian food. It is romantic and it is exotic. It dabbles in spices, and delightfully foreign flavours. It's pine nuts and raisins, bay leaves and sweet vinegar, heady saffron and creamy mascarpone. Some of the recipes in *A Table in Venice* are translated and barely adapted from old Venetian cookbooks, while other dishes are more loosely inspired by the ingredients, the flavours and the everyday life of Venice. All of the recipes are typical of Skye's cooking style: simple, fresh, colourful and always plentiful, whether it's quick-to-assemble cicchetti – the small plates accompanying an afternoon spritz – or a hearty serving of risotto topped with an extra grating of Parmesan. From Apricot and raisin sticky pastries with a morning espresso, to dinner of Roast duck with apples, pears and chestnuts, *A Table in Venice* offers a rare glimpse into the tastes and secrets of a true Venetian kitchen.

**Brunetti's Cookbook** Nov 15 2022 “Fans of Donna Leon's mysteries set in Venice and starring her cosmopolitan detective, Commissario Guido Brunetti, will be delighted to have this cookbook” (Milwaukee Journal Sentinel). Aside from their puzzling mysteries, Donna Leon's novels featuring Commissario Guido Brunetti have long been celebrated for their mouth-watering descriptions of food: multicourse lunches at home with Paola and the children, snacks grabbed at a bar with a glass of wine or two, a quick sandwich during a busy day, or a working lunch at a neighborhood trattoria in the course of an investigation have all delighted Brunetti, as well as Leon's readers and reviewers. In *Brunetti's Cookbook*, Leon's best friend and favorite cook Roberta Pianaro brings to life these fabulous Venetian meals. Eggplant crostini, orrechiette with asparagus, pumpkin ravioli, roasted artichokes, baked branzino, pork ragu with porcini these are just a few of the over ninety recipes for antipasti, primi, secondi, and dolci. The recipes are joined by excerpts from the novels, four-color illustrations, and six original essays by Donna Leon on food and life in Venice. Charming, insightful, and full of personality, they are the perfect addition to this “enticing” volume of delicious delights (The New York Times Book Review).

**Venice** Apr 27 2021 In this magisterial history, National Book Award winner William H. McNeill chronicles the interactions and disputes between Latin Christians and the Orthodox communities of eastern Europe during the period 1081–1797. Concentrating on Venice as the hinge of European history in the late medieval and early modern period, McNeill explores the technological, economic, and political bases of Venetian power and wealth, and the city's unique status at the frontier between the papal and Orthodox Christian worlds. He pays particular attention to Venetian influence upon southeastern Europe, and from such an angle of vision, the familiar pattern of European history changes shape. “No other historian would have been capable of writing a book as direct, as well-informed and as little weighed down by purple prose as this one. Or as impartial. McNeill has succeeded admirably.”—Fernand Braudel, *Times Literary Supplement* “The book is serious, interesting, occasionally compelling, and always suggestive.”—Stanley Chojnacki, *American Historical Review*

**The Taste of Conquest** May 21 2023 *The Taste of Conquest* offers up a riveting, globe-trotting tale of unquenchable desire, fanatical religion, raw greed, fickle fashion, and mouthwatering cuisine—in short, the very stuff of which our world is made. In this engaging, enlightening, and anecdote-filled history, Michael Krondl, a noted chef turned writer and food historian, tells the story of three legendary cities—Venice, Lisbon, and Amsterdam—and how their single-minded pursuit of spice helped to make (and remake) the Western diet and set in motion the first great wave of globalization. Sharing meals and stories with Indian pepper planters, Portuguese sailors, and Venetian foodies, Krondl takes every opportunity to explore the world of long ago and sample its many flavors. Along the way, he reveals that the taste for spice of a few wealthy Europeans led to great crusades, astonishing feats of bravery, and even wholesale slaughter. As stimulating as it is pleasurable, and filled with surprising insights, *The Taste of Conquest* offers a compelling perspective on how, in search of a tastier dish, the world has been transformed. Praise for *The Taste of Conquest* "An altogether rich, perfectly seasoned slice of world history." —*The Boston Globe* "As a chef I have always been deeply intrigued by the mystique of spices. Michael Krondl's book awakens and transports the reader into this mysterious world, showing us how our lives and history have been transformed by the sensuous odors of cardamom, nutmeg, and turmeric." —Gray Kunz, chef and owner of Café Gray and Grayz, co-author of *The Elements of Taste* "Fascinating . . . spicy reading for food and history lovers alike." —Associated Press "A delicious treat." —*The Vancouver Sun* "Witty and erudite." —*Financial Post* "Enticing." —*Chicago Tribune*

Francesco's Kitchen Sep 01 2021 Francesco da Mosto follows his bestselling books on Venice and Italy with his personal quest for the authentic flavours and food of Venice. In this superbly illustrated book Francesco invites us into his family's kitchen in his 16th-century Palazzo in the heart of the city where he acts as the perfect guide to the unique culinary character of traditional Venetian cooking. Francesco shows us how to prepare 150 classic Venetian recipes ranging from Antipasti, sauces, soups and fish, to meats, pasta and puddings. He demonstrates how Venetian food is a fabulous fusion of ingredients brought together over centuries as merchants and traders travelled the Mediterranean. The ancient broeto (stock) and mollusc soups testify to this, as does the richness and variety of dishes based on fish, roasts, grills, tasty deep fried delicacies and sauces. Each chapter is introduced with the history and origins of the recipes and throughout there are personal reminiscences by Francesco of his first encounters with his favourite dishes. As Francesco is keen to tell, his passion for cooking authentic Venetian food comes from home: 'When I start talking about cooking, it is impossible to forget my father, his love and imagination for all things culinary. He has never feared unusual combinations of ingredients and seasonings, and I have always been a willing guinea pig.'
