Explains how to use handwriting analysis to interpret people's character traits, personalities, and backgrounds, and examines the handwriting of such dangerous individuals as Ted Bundy, Jack the Ripper, and Osama bin Laden. Howard Tumber is Professor in the Department of Journalism at City, University of London, UK. He is a founder and co-

editor of *Journalism: Theory, Practice and Criticism*. He has published widely in the field of the sociology of media and journalism. Silvio Waisbord is Professor in the School of Media and Public Affairs at George Washington University, USA. He was the editor-in-chief of the *Journal of Communication*, and he has published widely about news, politics and social change. This book is a study of the 'Reality TV' format which, in less than a decade, has transformed network programming schedules, branded satellite and digital stations, become a favourite target for anti-television campaigners, and turned viewers into savvy r

HOLLYWOOD LIFE OR ROYAL WIFE? By Fiona Hood-Stewart
What goes down in Memphis stays in Memphis. Many men and women have come up off of their lovers. Some were wolves in sheep clothing, and some genuinely loved. In this book of sex, lies and scandal, these wolves have names. Meet Serenity, Lanett, Brandon, Memphis and Young Zay. Watch as the drama unfolds before your eyes. Many portray themselves as bosses but believe that they are living the American dream with their fictional life. They aren't who they pretend to be. Memphis exposed. Take a journey with these characters into a world of deceit, murder and betrayal. Everyone is not down for the ride and everyone that had a rider didn't appreciate it. On an ordinary January afternoon, a disturbing revelation about his wife hurls one man into a maelstrom of public humiliation and heartbreak, and eventually on a spree of run-ins with lawyers, judges, therapists, and law enforcement.

Land of July tells the true story of a teacher/student sex scandal that not only shocked an entire school and small suburban community, but made national news. It's a story filled with countless anecdotes about marriage, trust, infidelity, grief, and the desperate search for hope and family in the face of ruin. Practically ripped from the daily headlines, *Land of July* is as salacious as it is sobering. At its best, it's a cautionary tale that might just inspire an awakening of morality; at its worst, it's one man's tumultuous journey to hell...and possibly back. When a series of sexual and corruption scandals rocks a Catholic diocese, the parishoners fight back to restore dignaty to their community. Original. The basis for the Emmy award-winning limited series starring Hugh Grant and Ben Whishaw A behind-the-scenes look at the desperate, scandalous private life of a

British MP and champion manipulator, and the history-making trial that exposed his dirty secrets While Jeremy Thorpe served as a Member of Parliament and Leader of the Liberal Party in the 1960s and 70s, his bad behavior went under the radar for years. Police and politicians alike colluded to protect one of their own. In 1970, Thorpe was the most popular and charismatic politician in the country, poised to hold the balance of power in a coalition government. But Jeremy Thorpe was a man with a secret. His homosexual affairs and harassment of past partners, along with his propensity for lying and embezzlement, only escalated as he evaded punishment. Until a dark night on the moor with an ex-lover, a dog and a hired gun led to consequences that even his charm and power couldn't help him escape. Dubbed the "Trial of the Century," Thorpe's climactic case at the Old Bailey in London was the first time that a leading British politician had stood trial on a murder charge, the first time that a murder plot had been hatched in the House of Commons. And it was the first time that a prominent public figure had been exposed as a philandering gay man, in an era when homosexuality had only just become legal. With the pace and drama of a thriller, *A Very English Scandal* is an extraordinary story of hypocrisy, deceit and betrayal at the heart of the British Establishment. In *Sex, Lies, and Autobiography* James O'Rourke explores the relationships between literary form and ethics, revealing how autobiographical texts are able to confront readers with the moral complexities of everyday life. Tracing the ethical legacy of Jean-Jacques Rousseau's *Confessions* in a series of English-language texts, the author shows how Rousseau's doubts about the possibility of ethical behavior in everyday life shadows the first-person narratives of five canonic works: William Wordsworth's *Prelude*, Charlotte Brontë's *Jane Eyre* and *Villette*, Mary Shelley's *Frankenstein*, and Vladimir Nabokov's *Lolita*. Offering a fascinating new way of thinking about ethics through literature, *Sex, Lies, and Autobiography* challenges the most fundamental principles of the philosophical study of ethics, revealing the innate difference between morality in life and morality in literature. O'Rourke begins with Rousseau's inability to reconcile his intuitive belief that he is a good person with the effects that his actions have on others, and he goes on to show how this same ethical

impasse recurs in the five aforementioned texts. The ethical crises these texts describe, such as when Jane Eyre's happiness can be purchased only at the cost of Bertha Mason's suicide, or when Humbert Humbert's artistry demands the sacrifice of Dolores Haze, are not instances of authorial ethical blindness, O'Rourke says, but rather are ethical challenges that force us as readers to consider our own lives. In each of these works, a narrator attempts to justify his or her behavior and fails; in each case, the rigorous narrative of self-examination demands a similar effort from the reader, whose own sense of moral rectitude is put into question. Confronting the long-held philosophical construction that links ethical principles and life choices, thereby reassuring us of the ethical coherence of everyday life, the narrators of these literary autobiographies come to a very different conclusion; by looking back on their lives, they cannot understand how their most benevolent desires led to such damaging life stories. By leaving meaning inexplicit, O'Rourke argues, these texts are able to recover traumatic material that is ordinarily repressed and then bring that repressed knowledge to bear on self-justifying narratives. For readers interested in autobiographical studies, ethical criticism, and trauma and literary studies, *Sex, Lies, and Autobiography* provides a groundbreaking analysis of the role of ethics in literature. In this riveting popular history, the creator of *You Must Remember This* probes the inner workings of Hollywood's glamorous golden age through the stories of some of the dozens of actresses pursued by Howard Hughes, to reveal how the millionaire mogul's obsessions with sex, power and publicity trapped, abused, or benefitted women who dreamt of screen stardom. In recent months, the media has reported on scores of entertainment figures who used their power and money in Hollywood to sexually harass and coerce some of the most talented women in cinema and television. But as Karina Longworth reminds us, long before the Harvey Weinsteins there was Howard Hughes—the Texas millionaire, pilot, and filmmaker whose reputation as a cinematic provocateur was matched only by that as a prolific womanizer. His supposed conquests between his first divorce in the late 1920s and his marriage to actress Jean Peters in 1957 included many of Hollywood's most famous actresses, among them Billie Dove, Katharine

Hepburn, Ava Gardner, and Lana Turner. From promoting bombshells like Jean Harlow and Jane Russell to his contentious battles with the censors, Hughes—perhaps more than any other filmmaker of his era—commoditized male desire as he objectified and sexualized women. Yet there were also numerous women pulled into Hughes’s grasp who never made it to the screen, sometimes virtually imprisoned by an increasingly paranoid and disturbed Hughes, who retained multitudes of private investigators, security personnel, and informers to make certain these actresses would not escape his clutches. Vivid, perceptive, timely, and ridiculously entertaining, *The Seducer* is a landmark work that examines women, sex, and male power in Hollywood during its golden age—a legacy that endures nearly a century later. The allegations Larry Sinclair makes in this book about our current president should be sending shock-waves through our national media. Consider that on November 6 A shocking family scandal has flipped heiress Lily Kincaid's world upside down. But she has her own secret to keep. How can she avoid telling the truth to the father of her unborn baby—sexy, larger-than-life CEO Daniel Addison? Especially when being near Daniel is unavoidable, his touch irresistible... And even if his powerful, old-money family is running interference at every turn. Daniel knows all about boardrooms and bedrooms—but not babies. Still, the wealthy businessman is ready to claim what's his. That includes Lily. The problem is convincing her that his feelings run deeper than just a Southern seduction. “Current fans and recovering Hulkamaniacs alike should find [*Sex, Lies, and Headlocks*] as gripping as the Camel Clutch.” —Maxim *Sex, Lies, and Headlocks* is the ultimate behind-the-scenes look at the backstabbing, scandals, and high-stakes gambles that have made wrestling an enduring television phenomenon. The man behind it all is Vince McMahon, a ruthless and entertaining visionary whose professional antics make some of the flamboyant characters in the ring look tame by comparison. Throughout the book, the authors trace McMahon’s rise to power and examine the appeal of the industry’s biggest stars—including Ed “Strangler” Lewis, Gorgeous George, Bruno Sammartino, Ric Flair, and, most recently, Stone Cold Steve Austin and The Rock. In doing so, they show us that while WWE stock is traded to

the public on Wall Street, wrestling remains a shadowy world guided by a century-old code that stresses secrecy and loyalty. With a new afterword, this is the definitive book about the history of pro wrestling. "Reading this excellent behind-the-scenes look at wrestling promoter McMahon . . . is almost as entertaining and shocking as watching the most extreme antics of McMahon's comic-book style creations such as Steve Austin and The Rock." —Publishers Weekly "A quintessentially American success story of a cocky opportunist defying the odds and hitting it big . . . Sparkling cultural history from an author wise enough to let the facts and personalities speak for themselves."—Kirkus Reviews

This book provides a much-needed analysis of the changing representation of gay politicians in the UK's newspapers. The book focuses on the 1950s onwards, a time when the press became more personal, and gay politicians, as well as politicians involved in gay scandals, came to the forefront of media attention. The book uses case studies and socio-political analysis to develop a frame of representation which shows how a move from intolerance to tolerance to partial recognition of homosexuality has impacted the acceptability of homosexuality in 'heterosexual public space,' which then affected the representation of gay politicians in the press. What was private has now become public, pointing to the fact that gay politicians have mediated personas: their private lives, and sexualities, are lived in/presented through the media. *Sex, Lies and Politics* reveals insights about representation and the construction of identity through its focus on sexuality, politicians, and the media, with the changing line between the private and public as an essential concept. Sensationalism and scandal are key issues explored in the text. The representation of gay politicians in the UK press has so far been underrepresented in media and political studies. Lack of discussion is strange, considering that gay politicians have been at the forefront of the media's attention over the last 50 years. *Sex, Lies and Politics* provides a much needed contribution to political, media, and social history.

Hotter than hell and half of Alabama, FBI Agent, Mac Callahan is thirsty for everything except love. Coming home to bust a white-collar crime ring, Mac intends to execute his usual practice with work and women get in, get it on and get out. Instead, he

finds himself unexpectedly drawn to the legacy of his family, his plantation, and the charms of a Southern girl. Samantha Peterson possesses everything he needs in a woman, including the evidence to wrap his case. As the investigation heats up, so does their passion and a dangerous game ignites. But, then again, everything's hotter in the South. A 2way Love Affair is definitely a page tuner, it's filled with drama, sex, lies and scandal. In this story Tyran, a married man finds himself in a situation that will ultimately cost him his marriage and possibly his life. On the other hand, his wife Miranda gets a rude awakening and the only way to forget her past, she has to keep moving forward, and leaving the people she once loved behind. As this story unfolds, Tisa, Tyran's mistress is trapped in a world of her own. Her heart has been broken too many times by too many men. She cannot afford it to be broken again. Tempest is the only daughter of billionaires. Even though she's trying to work as a serious actress, she's treated as a C-lister, and reported to be involved in scandal after high-society scandal. If only someone would see her for who she really is someday. Tempest takes countless private lessons to prepare for a coveted movie audition...but the director of that movie just happens to be her ex-boyfriend Colin. Three years ago, he believed a story the media was spreading about Tempest and dumped her. So she can forget about that audition, because even now Colin stares at her with hate-filled eyes. She just can't take it anymore! She decides to make him acknowledge her...no matter what it takes! **HAVE YOU EVER WONDERED...** ... what emotions really influence where your cross goes on the ballot paper? ... whether people are claiming to vote when they haven't? ... which party's supporters are the kinkiest in bed? In the run-up to the most hotly contested and unpredictable election in a generation, this exhilarating read injects some life back into the world of British electoral politics. Sex, Lies and the Ballot Box sheds light on some of our more unusual voting trends, ranging from why people lie about voting to how being attractive can get you elected. Each of the fifty accessible and concise chapters, written by leading political experts, seeks to examine the broader issues surrounding voting and elections in Britain. It is not just about sexual secrets and skewed surveys: it illustrates the importance of women and ethnic minorities; explains why

parties knock on your door (and why they don't); and shows how partisanship colours your views of everything, even pets. This fascinating volume covers everything you need to know (and the things you never thought you needed to know) about the bedroom habits, political untruths and voting nuances behind the upcoming election. 'This book is such an utterly brilliant idea it is ridiculous that no one has thought of it before ... I cannot recommend it highly enough.' John Rentoul

Beyond Scandal will give you the resources to talk to your kinds about: Sex, Gossip, Lying, Politics, Scandal, Friendship, Values, Leadership, Dirty Jokes. Gossip flies in a small Iowa town when Mulligan, the town mutt, is seen laying in the middle of Main Street chewing on a human bone. Lies are told, secrets revealed and scandal runs amuck. From Gertie Mae with her daddy's trusty Colt .45 tucked away in her purse to the skinny dipping ladies at the lake, everyone has something to hide. The real story behind "ex-gay" ministries and reparative therapy! Nationally known activist Wayne Besen spent four years examining the phenomenon of "ex-gay" ministries and reparative therapies—interviewing leaders, attending conferences, and visiting ministries undercover as he accumulated hundreds of hours of research. The result is *Anything but Straight: Unmasking the Scandals and Lies Behind the Ex-Gay Myth*, a groundbreaking exposé of the controversial movement that's revered by independent religious groups and reviled by gay and lesbian organizations. The book presents a historical perspective on the dispute, examining "ex-gay" groups such as Love In Action, Exodus International, Homosexuals Anonymous, and profiling a cast of characters that includes Pat Robertson, the Rev. Jerry Falwell, "ex-gay" poster boy John Paulk, National Association of Research and Therapy of Homosexuality activist Richard Cohen, and psychiatrist Dr. Robert Spitzer. An in-depth, well-researched, and historically significant account, *Anything but Straight* is full of startling facts and alarming surprises. The original content and novel material in the book includes: a first-ever comprehensive history of the "ex-gay" ministries and "reparative therapy" the inside story of the night the author photographed "ex-gay" poster boy John Paulk inside a gay bar the author's discovery that Anne Paulk lied about being a lesbian and has

admitted to having a strong attraction to men BEFORE she became “ex-gay” previously undisclosed bizarre techniques used by the “ex-gay” ministries and “reparative therapists” the author's exclusive in-depth interviews with leading “ex-gay” leaders—they disclose their deepest secrets, hidden desires, and true motivations an extraordinary new study that shows that most “ex-gay” leaders have suffered from substance abuse or severe emotional problems—while many “ex-gay” leaders claim they were “unhappy being gay,” this report helps prove that their dissatisfactions came not from their homosexuality, but from poor life choices and irresponsible behavior new revelations that one of the nation's leading “reparative therapists” hailed from a secretive cult that was scandalized for practicing nude therapy From the author: Through my extensive experience, I have learned that the extraordinary claims made by the “ex-gay” groups are without merit and the efficacy of their programs is dubious at best and harmful at worst . . . One frequent question I get is, “Why can't gay activists simply leave 'ex-gay' groups alone and let them go about their business?” This is exactly what happened for nearly three decades while “ex-gay” groups labored in near anonymity. But all this recently changed when the “ex-gay” groups intricately aligned themselves with the anti-gay political agenda of the Religious Right. With “ex-gays” added to their arsenal, the Right could disingenuously claim to love gay people and offer them “hope for change,” while simultaneously fighting for punitive legislation. Their insidious message: Since gays and lesbians can change, there is no need for laws that protect them against arbitrary prejudice. Anything but Straight: Unmasking the Scandals and Lies Behind the Ex-Gay Myth is an essential read for activists on both sides of the “ex-gay” fence, family members of gays and lesbians, Gay, Bisexual, Lesbian, and Transgender church members, psychiatric and social science professionals, and anyone who has dealt with “coming out” issues. An appendix of resources and a helpful bibliography make it easy to find additional information on this fascinating topic. It's no wonder Angela Rivers feels satisfied—maybe a little too satisfied—with her life. Married to handsome congressman Will, with a successful career as an investigative reporter turned talk-show host, Angela has everything under control.

Then a tape surfaces of Will having sex with an underage girl. Suddenly, Will is in jail, Angela is broke and jobless, and their marriage is over. Humiliated to be in the middle of a media firestorm after turning the spotlight on others for so long, Angela flees California for Chicago. There, with the support of her friend Regina, she begins to get her career back on track. Dating is the furthest thing from her mind—until she meets marathon coach Jesse, who's also piecing his life together after a breakup. In spite of their wariness, and the problems caused by Jesse's teenage daughter, the attraction blossoms. And when Will returns, vengeful after losing everything, Angela must find a way to defend her good name, her reputation and the unexpected love that has come to mean so much....

At the age of 82, Rupert Murdoch is divorcing his third wife Wendi Deng and gearing up for the toughest challenge of his life: to hand his empire on to his children. But is this the end of the Murdoch dynasty? Lachlan doesn't want to succeed him. James is in disgrace. And Elisabeth is not a serious contender. His grip on the group has also been weakened by scandal. His British tabloids have been caught hacking phones and bribing officials on an industrial scale. At least twenty journalists will soon face trial for hacking and corruption and could be jailed. But Rupert thrives on crisis. He has recently split News Corp in two, doubled his fortune to US\$9 billion, and is bouncing around like a man in his prime. So can he win this one last battle and keep it all in the family? The concept of obscenity is an ancient one. But as Joan DeJean suggests, its modern form, the same version that today's politicians decry and savvy artists exploit, was invented in seventeenth-century France. *The Reinvention of Obscenity* casts a fresh light on the mythical link between sexual impropriety and things French. Exploring the complicity between censorship, print culture, and obscenity, DeJean argues that mass market printing and the first modern censorial machinery came into being at the very moment that obscenity was being reinvented—that is, transformed from a minor literary phenomenon into a threat to society. DeJean's principal case in this study is the career of Molière, who cannily exploited the new link between indecency and female genitalia to found his career as a print author; the enormous scandal which followed his play *L'école des femmes* made him the first

modern writer to have his sex life dissected in the press. Keenly alert to parallels with the currency of obscenity in contemporary America, *The Reinvention of Obscenity* will concern not only scholars of French history, but anyone interested in the intertwined histories of sex, publishing, and censorship. Two sisters roll up their sleeves to run a dilapidated, beach town inn but must learn to work with the locals in this deliciously spicy *Sense and Sensibility* inspired rom-com by Nikki Payne. There's never a good time to learn you're your father's secret second family—especially not at the reading of the will. To add insult to injury, Nora's racy leaked videos just went viral. Nora Dash has got no reputation, no dad, and only a forgotten beach house in rural Maine to her name. There are no other Black people for miles, the place is abandoned, but at least no one will recognize her O face in the backwoods. She and her free-spirited sister Yanne haven't even knocked the traveling dust off last season's designer boots when the first problem pops up: a fake park ranger giving tours of their property like it's his own—and he's hotter than the local lobster boil. Ennis "Bear" Freeman is used to people showing up unannounced on his land. So when a beautiful city girl shows up with the deed to his unofficial headquarters in one manicured hand, he gives it a week before their whole crew packs up and leaves. But it isn't long before they find out they work better together than apart. To his surprise, Nora's damned good for Bear's business, and his own secrets might turn out to be the thing that sends them packing. Includes a short story by Day Leclair: *The Kincaids: Jack and Nikki*, part 1 (p. [173]-186). Examines the life and presidency of the only man to serve two non-consecutive terms, reveals what really happened on the night President Grover Cleveland's illegitimate son was conceived, and explores the scandal surrounding the child. A firsthand account of how public officials and other well-connected individuals have been compromised or blackmailed by their sexual improprieties, *Confessions of a D.C. Madame* relates the author's time running the largest gay escort service in Washington, DC, and his interactions with VIPs from government, business, and the media who solicited the escorts he employed. The book details the federal government's pernicious campaign waged against the author to ensure his silence and

how he withstood relentless, fabricated attacks by the government, which included incarceration rooted in trumped up charges and outright lies. This fascinating and shocking facet of government malfeasance reveals the integral role blackmail plays in American politics and the unbelievable lengths the government perpetrates to silence those in the know. *Sex, Lies, and Rabbis: Breaking a Sacred Trust* by Charlotte Rolnick Schwab, Ph.D. is a powerful book, a combination of memoir and nonfiction, about what happens when clergy, specifically, rabbis, are defied. It is about the betrayal and the cover up of the betrayal of teen aged girls and women by male rabbis, and thereby, the betrayal of these rabbis wives, families, congregations, communities, denominations, and all Judaism. Two murders are connected to rabbis sexual abuse. One rabbi is awaiting retrial for allegedly hiring a hit man to murder his wife because of his sexual misconduct. This author writes about her own frightening, shocking experience as the wife of a rabbi-perpetrator of sexual abuse of other women, his violence toward her, and threat to kill her if she told about his nefarious double life. The book delineates in one volume: the crisis in the rabbinate, in congregational Judaism; what needs to be done to bring about healing and change; gives description of cases of rabbis sexual abuse as told to the author (these cases are all composites; the victims/survivors identities are disguised), and as reported in the media, including the two murders related to rabbis sexual abuse; the alarming extent of this problem; outlines policies that synagogues and denominations need to adopt; provides definitions of sexual abuse; discusses the kinds of personalities of rabbis which can lead to rabbis becoming sexual predators; and offers some suggestions for prevention. The book offers a Resources List and extensive Bibliography, including articles from Jewish and secular newspapers around the country, about rabbis sexual abuse. The book provides a healing program geared toward Jewish victims/survivors or rabbis sexual abuse; it can be adapted for victims/survivors of abuse by other clergy and of other kinds of abuse, including abuse by batterers. Women who suffered abuse of any kind will find this book validating and helpful for healing and recovery. "12 Steppers" will be especially interested in this book. The book is helpful to people of all religions who are experiencing

the crisis of their religious authorities sexual abuse and covering up of that abuse, including Buddhists, Catholics, and Protestants. It is an urgent read for all Jewish people concerned about the safety of their teen aged children and women, and about the future of their religious organizations and communities. Books have been written about Catholic priests and Protestant ministers and sexual abuse; this is the first about rabbis sexual abuse. Rabbis Arthur Gross-Schaefer and Marcia Zimmerman, and Rev. Nils Friberg praise the book on the book jacket. Maj-Britt Rosenbaum, MD, psychiatrist and former Director of the Long Island Hillside Medical Center Sexuality Center, wrote the Preface. Gary Schoener, Ph.D., clinical psychologist, who treat both clergy-perpetrators and victims, wrote the Foreword. When Mulligan, the town mutt, is seen on Main Street chewing on a human bone rumors begin to fly in the small Iowa town of Two Rivers. Everyone has skeletons in their closets and there is plenty of sex, lies and scandal going on but nobody wants to fess up to murder. From the Chocolate Diva of Two Rivers Temptation Company, a gun-toting granny and the skinny-dipping ladies of the lake, there's something for everyone. Nine individual stories by nine individual authors of Two Rivers Romance Authors. Back in Washington D.C. for the funeral of his college roommate, Mac Callahan reluctantly agrees to spend one night in Senator Price Redding's apartment before flying home to Alabama. But when a dead, naked woman falls from the closet of Redding's secret bachelor pad and into Mac's arms, someone must atone for the sins of the sitting senator. The perfect set up for murder will lead to an immaculate warrant for the arrest of former FBI agent, Mac Callahan. But the scandal he stumbled into wasn't meant for him. And now an elaborate blueprint devised by an online architect to expose corruption on Capitol Hill, must be solved in order to clear his name. With Samantha by his side, they must elude not only the press, but the corrupt officers of the D.C. Metro Police and the Washington fixers set up to protect the leaders of the country. Dr. King Giles is in D.C. tracking a hacker calling himself, Monarch. Restless to put a ring on Reagan Weatherford's finger, their secret life of espionage has taken precedence over marriage. Now an online scavenger hunt filled with coded clues,

geolocations and the dark web will draw them into the veiled lifestyle of BDSM. Unaware of the depths or complexities Monarch is will take them, they'll need the assistance of a new friend, Rory Iverson and the white-hat hacking crew of Tartarus. Together they must piece together Monarch's puzzle to clear the name Mac Callahan before they're all charged with murder. Hell hath no fury like a woman scorned. Even a dead one. Move over Jackie Collins, there's a new blockbuster star in town.' New! Magazine Lovers and liars, divas and sinners, welcome to a world of scandal... **SUSPENSE:** Georgia's best friend, ballroom dancing sensation Mitzi, has vanished with boyfriend Foster while on holiday in California.
