Christmas--the very word conjures up memories of the most wondrous childhood holiday of all--filled with the glitter of colorfully-wrapped presents, family visits, carols, photographs, decorating the tree, attendance at church to celebrate the birth of the Christ child, and tummy-stuffing dinners tucked with treats seen at no other time of the year. But the yule holiday has been celebrated for at least two centuries in North America, and our writers have been producing memorable stories about this unique day for almost as long. Here are 29 Christmas stories old and new, tales to delight, to entrance, to beguile, and even to sadden a whole new generation of readers. From C. C. MacApp's view of a Christmas future to Jacob A. Riis's gut-wrenching portraits of the holiday in the 1890s slums of New York to William J. Locke's reenactment of the tale of the Three Wise Men, we experience every possible facet of this most precious day of the year. So sit back and relive your memories once again, as recreated through the eyes of some of the finest writers of their time! Included in this volume:

This world famous book tells biographies of the greatest pirates who ruled the seas in 18th century. The author, Captain Charles Johnson, was crucially influential in shaping popular conceptions of pirates and more importantly he inspired the classics such as Treasure Island, Peter Pan, On Stranger Tides...; and more recently the movie saga Pirates of the Caribbean and the series Black Sails. This history introduced many features which later became common in pirate literature, such as pirates with missing legs or eyes, the notion of pirates burying treasure, and the name of the pirate flag the Jolly Roger. The book covers the lives and incredible exploits of the following pirates and their crew: Captain Avery Captain Martel Captain Teach, alias Blackbeard Major Stede Bonnet Edward England Charles Vane Captain John Rackam Captain John Phillips The Life of Mary Read & Anne Bonny Captain Howel Davis Captain Bartho Roberts Captain Anstis Worley George Lowther Edward Low John Evans Captain Spriggs An Account of the Pyracies and Murders committed by Philip Roche, &c. October 1946, Clanton, Mississippi Pete Banning was Clanton, Mississippi's favorite son—a decorated World War II hero, the patriarch of a prominent family, a farmer, father, neighbor, and a faithful member of the Methodist church. Then one cool October morning he rose early, drove into town, and committed a shocking crime. Pete's only statement about it—to the sheriff, to his lawyers, to the judge, to the jury, and to his family—was: "I have nothing to say." He was not afraid of death and was willing to take his motive to the grave. In a major novel unlike anything he has written before, John Grisham takes us on an incredible journey, from the Jim Crow South to the jungles of the Philippines during World War II; from an insane asylum filled with secrets to the Clanton courtroom where Pete's defense attorney tries desperately to save him. Reminiscent of the finest tradition of Southern Gothic storytelling, *The Reckoning* would not be complete without Grisham's signature layers of legal suspense, and he delivers on every page. Cromwell's Convicts not only describes the Battle of Dunbar but concentrates on the grim fate of the soldiers taken prisoner after the battle. On 3 September 1650 Oliver Cromwell won a decisive victory over the Scottish Covenanters at the Battle of Dunbar – a victory that is often regarded as his finest hour – but the aftermath, the forced march of 5,000 prisoners from the battlefield to Durham, was one of the cruellest episodes in his career. The march took them seven days, without food and with little water, no medical care, the property of a ruthless regime determined to eradicate any possibility of further threat. Those who survived long enough to reach Durham found no refuge, only pestilence and despair. Exhausted, starving and dreadfully weakened, perhaps as many as 1,700 died from typhus and dysentery. Those who survived were condemned to hard labour and enforced exile in conditions of virtual slavery in a harsh new world across the Atlantic. Cromwell's Convicts describes their ordeal in detail and, by using archaeological evidence, brings the story right up to date. John Sadler and Rosie Serdiville describe the battle at Dunbar, but their main focus is on the lethal week-long march of the captives that followed. They make extensive use of archive material, retrace the route taken by the prisoners and describe the recent archaeological excavations in Durham which have identified some of the victims and given us a graphic reminder of their fate. On November 13, 2002, the author decided to write a play every day for a year. She began that same day. The result, completed exactly one year later, is this collection of 365 plays. 'Beautifully constructed . . . weaves a truly magical spell' - Daily Mail 'May be his greatest work yet' - David Grann, New York Times bestselling author of Killers of the Flower Moon In his unforgettable new novel, John Grisham tells the story of an unthinkable murder, the bizarre trial that followed it, and its profound and lasting effect on the people of Ford County. Pete Banning was Clanton's favourite son, a returning war hero, the patriarch of a prominent family, a farmer, father, neighbour, and a faithful member of the Methodist Church. Then one cool October morning in 1946. he rose early, drove into town, walked into the church, and calmly shot and killed the Reverend Dexter Bell. As if the murder wasn't shocking enough, it was even more baffling that Pete's only statement about it - to the sheriff, to his defense attorney, to the judge, to his family and friends, and to the people of Clanton - was 'I have nothing to say'. And so the murder of the esteemed Reverend Bell became the most mysterious and unforgettable crime Ford County had ever known. Further praise for The Reckoning 'In this saga of love and war, John

Grisham has given us a sprawling and engrossing story about a southern family, a global conflict, and the kinds of secrets that can shape all of us. From the courtrooms and jails of rural Mississippi to the war-torn Pacific, Grisham spins a tale that is at once entertaining and illuminating' - Jon Meacham, New York Times bestselling author of The Soul of America 'John Grisham is the master of legal fiction, and his latest starts with a literal bang - and then travels backward through the horrors of war to explore what makes a hero, what makes a villain, and how thin the line between the two might be' - Jodi Picoult, internationally bestselling author of A Spark of Light and Small Great Things 'When a master of storytelling and suspense takes on one of the most wrenching stories in history, the result is a book that will break your heart, set your blood pumping and your mind racing, and leave you gasping for breath by the final page. I'm still trying to recover from The Reckoning' - Candice Millard, New York Times bestselling author of The River of Doubt and Destiny of the Republic Fast, simple games that foster and encourage creativity in the workplace and at home. Sarah fights back with the aid of a mysterious monk named Thalanes, who is one of the not-quite-human Firstborn, the Moundbuilders of the Ohio. It is Thalanes who reveals to Sarah a secret heritage she never dreamed could be hers. Now on a desperate quest with Thalanes to claim this heritage, she is hunted by the Emperor's bodyguard of elite dragoons, as well as by darker things—shapeshifting Mockers and undead Lazars, and behind them a power more sinister still.
