Freewater Jan 13 2022 Winner of the John Newbery Medal Winner of the Coretta Scott King Author Award Award-winning author Amina Luqman-Dawson pens a lyrical, accessible historical middle-grade novel about two enslaved children's escape from a plantation and the many ways they find freedom. After an entire young life of enslavement, twelve-year-old Homer escapes Southerland Plantation with his little sister Ada, leaving his beloved mother behind. Much as he adores her and fears for her life, Homer knows there's no turning back, not with the overseer on their trail. Through tangled vines, secret doorways, and over a sky bridge, the two find a secret community called Freewater, deep in the recesses of the swamp. In this new, free society made up of escaped slaves and some born-free children, Homer cautiously embraces a set of spirited friends, almost forgetting where he came from. But when he learns of a threat that could destroy Freewater, he hatches a plan to return to Southerland plantation, overcome his own cautious nature, and free his mother from enslavement. Loosely based on a little-mined but important piece of history, this is an inspiring and deeply empowering story of survival, love, and courage.

Swamp Dwellers Feb 23 2023

Death and the King's Horseman Jan 30 2021 Elesin Oba, the King's Horseman, has a single destiny. When the King dies, he must commit ritual suicide and lead his King's favourite horse and dog through the passage to the world of the ancestors. A British Colonial Officer, Pilkings, intervenes to prevent the death and arrests Elesin. The play is a set text for NEAB GCSE, NEAB A Level and NEAB A/S Level. 'A masterpiece of 20th century drama' - Guardian "A transfixing work of modern world drama" (Independent); "clearly a masterpiece. . . he achieves the full impact of Greek tragedy" (Irving Wardle, Independent on Sunday); "the action of the play is as inevitable and eloquent as in Antigone: a clash of values and cultures so fundamental that tragedy issues: a tragedy for each individual, each tribe" (Michael Schmidt, Daily Telegraph)

Collected Plays: A dance of the forests. The swamp dwellers. The strong breed. The road. The Bacchae of Euripides Jul 31 2023 The five plays in this collection are linked by their concern with the spiritual and the social, with belief and ritual as integrating forces for social cohesion.--

Okefinokee Album Oct 10 2021 Portrays, from the photographs and notebooks of Francis Harper, the ballad singers, fiddlers, hunters, and down home philosophers of the Okefinokee Swamp.

Where the Crawdads Sing Deluxe Edition Sep 28 2020 A beautiful, deluxe edition of the #1 New York Times bestseller—with over 15 million copies sold—that will make the perfect holiday gift or treat for yourself. A Reese Witherspoon x Hello Sunshine Book Club Pick A Business Insider Defining Book of the Decade “I can't even express how much I love this book! I didn't want this story to end!”—Reese Witherspoon At once an exquisite ode to the natural world, a heartbreaking coming-of-age story, and a surprising tale of possible murder, *Where the Crawdads Sing* has touched the hearts of millions of readers around the world, and this beautiful deluxe edition features: • new, personal note from the author • updated linen jacket with foil • foil-stamped case with cloth spine • four-color endpapers • premium interior stock • four-color map and newly colored interior illustrations For years, rumors of the “Marsh Girl” have haunted Barkley Cove, a quiet town on the North Carolina coast. So in late 1969, when handsome Chase Andrews is found dead, the locals immediately suspect Kya Clark, the so-called Marsh Girl. But Kya is not what they say. Sensitive and intelligent, she has survived for years alone in the marsh that she calls home, finding friends in the gulls and lessons in the sand. Then the time comes when she yearns to be touched and loved. When two young men from town become intrigued by her wild beauty, Kya opens herself to a new life—until the unthinkable happens. Through Kya's story, Owens reminds us that we are forever shaped by the children we once were, and that we are all subject to the beautiful and violent secrets that nature keeps.

The Fifth Head of Cerberus Apr 03 2021 First published in 1972, this SF masterpiece has been out of print for most of a decade. Now, this "subtle, ingenious, and poetic book" (Ursula Le Guin) entertains a new generation of readers with the story of two far-flung sister planets and a man's quest to find remnants of a lost.

Wole Soyinka, Three Short Plays Jun 17 2022

Three Short Plays Sep 01 2023 Swamp dwellers: The play focuses on the struggle between the old and the new ways of life in Africa. It also focuses on the struggle between human beings and unfavorable sources of nature.

The Absurd in Wole Soyinka's Apr 15 2022

From Swamp Dwellers to Madmen and Specialists Oct 22 2022

Okefinokee Album Mar 03 2021 Based on the photographs and writings of Francis Harper, a naturalist who visited the Okefinokee Swamp repeatedly between 1912 and 1951, Okefinokee Album is filled with profiles of the swamp dwellers, their wisdom, superstitions, songs, stories, and folkways, as well as a wealth of information about the natural history of the swamp.

Collected Plays Apr 27 2023 The Lion and the Jewel alone is enough to establish Nigeria as the most fertile new source of English-speaking drama since Synge's discovery of the Western Isles.' The Times The ironic development and consequences of progress' may be traced through both the themes and the tone of the works included in this second volume of Wole Soyinka's plays. The Lion and the Jewel shows an ineffectual assault on past tradition soundly defeated. In Kongi's Harvest, however, the pretensions of Kongi's regime are also fatal. The denouement points the way forward. The two Brother Jero plays pursue that way, the comic propheteering' of the earlier play giving way to the sardonic reality of Jero's Metamorphosis . Madmen and Specialists, Soyinka's most pessimistic play, concerns the physical, mental, and moral destruction of modern civil war.

Swamp Monster Massacre Sep 08 2021 The swamp belongs to them. Humans are only prey. Deep in the overgrown swamps of Florida, where humans rarely dare to enter, lives a race of creatures long thought to be only the stuff of legend. They walk upright but are stronger, taller and more brutal than any man. And when a small boat of tourists, held captive by a fleeing criminal, accidentally kills one of the swamp dwellers' young, the creatures are filled with a terrifyingly human emotion—a merciless lust for vengeance that will paint the trees red with blood.

Three Plays Mar 15 2022

A Product of Defoliation Jul 07 2021 The swamp dwellers of Oturuba, a village in the near-uninhabitable swamps of the Niger Delta, were not known to be lovers of education, let alone higher education. In that harsh environment, everybody's main concern was how to eke out a living from the environment. It was therefore not surprising that education took the back burner. Most of the children who attended the local elementary school were not interested in schooling and dropped out of school within a few years of their enrollment. But Allison St. John was different. Against all odds, he strove to break the jinx of backwardness associated with the swamp dwellers when he took his destiny in his hands by seeking to have a good education. For him education is the catalyst that will transform the Niger Delta. For him, receiving a good education is a do-or-die affair...

Background Guide for the Study and Production of Soyinka's The Swamp Dwellers and Other Dramas Dec 24 2022

Black Swamp Wolf Oct 29 2020 There really was a Great Black Swamp, although nearly all vestiges of it have long since disappeared. Thousands of years ago, the last great glacier, grinding its way southward, finally stopped and began to recede. Earth and gravel pushed before it resulting in uneven ridges called kames. Generally lying in an east/west direction, they interrupted the natural drainage of the area. The swamp was the result. Comprised of an elongated triangle, the swamp was roughly bounded on the south by a line from Sandusky, Ohio, to Fort Wayne, Indiana, and the north by the Ohio-Michigan border. It was an area of forests, reeds, pools, and sandy ridges, which provided excellent habitat for a variety of creatures. There were deer, bear, elk, bobcat, lynx, wolves, as well as even a few forest buffalo. Smaller animals, such as rabbits, beaver, snakes, coyotes, and foxes, populated the area in great numbers. Birds of every type abounded, as did biting flies and mosquitoes. Perhaps the most spectacular dwellers of the Great Black Swamp were the gigantic and dangerous cousins of the elephant, the mastodon. That they were really living in that swampy environment cannot be contested as more than four hundred of their massive skeletons have been unearthed throughout Ohio. In a few cases, Paleo Indian artifacts have been discovered in association with the remains, proving that toward the end of the last ice age, early man successfully hunted them. During the westward movement following the revolution, the area was almost impassable. So bad were travel conditions at that time that a border war over a proposed boundary line between Michigan and Ohio never came about, partly because it was impossible for the Ohio militia to move its ordnance northward through the swamp! In the early eighteen hundreds, after some of the most grueling labor imaginable, much of the Great Black Swamp was effectively drained, resulting in some of the most productive agricultural acreage in the Midwest.

The Cave Dwellers Nov 30 2020 A compulsively readable novel in the vein of The Bonfire of the Vanities—by way of The Nest—about what Washington, DC's high society members do away from the Capitol building and behind the closed doors of their suburban mansions. They are the families considered worthy of a listing in the exclusive Green Book—a discriminative diary created by the niece of Edith Roosevelt's social secretary. Their aristocratic bloodlines are woven into the very fabric of Washington—generation after generation. Their old money and manner lurk through the cobblestone streets of Georgetown, Kalorama and Capitol Hill. They only socialize within their inner circle, turning a blind eye to those who come and go on the political merry-go-round. These parents and their children live life free of consequences in a gilded existence of power and privilege. But what they have failed to understand is that the world is changing. And when the family of one of their own is held hostage and brutally murdered, everything about their legacy is called into question. They're called The Cave Dwellers.

The Children of the Swamp May 24 2020 Never in my life have I seen such political chaos and ugliness coming from the Democrat party. When I was growing up, the Democrat party stood for laudable principles, which represented the best interest of the working people. Now they are hell-bent on destroying the very foundations of our country. We are in a fight for the very survival of our

constitutional republic, a battle against the Swamp Dwellers that are working behind the scenes in our government in a coup attempt to reverse the 2016 election. These non-elected bureaucrats, 90 percent of which are Democrats, have been scheming to impeach President Trump since the moment he was elected. Why are they doing this? What is behind their visceral hatred for our President and even our country? In *The Children of the Swamp*, I dig deep into the origins of the godless evolutionary swamp and reveal the substance that drives their bitterness and hatred for our country. I believe that the Democrat Party is the single biggest threat to the continued existence of our nation. Unless we recognize this for what it is, we will lose our country as we know it and become a socialist country, one that will be at war against anyone who loves God and loves the United States of America.

Postcolonial Identity in Wole Soyinka Dec 12 2021 Soyinka's representation of postcolonial African identity is re-examined in the light of his major plays, novels and poetry to show how this writer's idiom of cultural authenticity both embraces hybridity and defines itself as specific and particular. For Soyinka, such authenticity involves recovering tradition and inserting it in postcolonial modernity to facilitate transformative moral and political justice. The past can be both our enabling future and our nemesis. In a distinctive approach grounded in cultural studies, *Postcolonial Identity in Wole Soyinka* locates the artist's intellectual and political concerns within the broader field of postcolonial cultural theory, arguing that, although ostensibly distant from mainstream theory, Soyinka focuses on fundamental questions concerning international culture and political identity formations - the relationship between myth and history / tradition and modernity, and the unresolved tension between power as a force for good or evil. Soyinka's treatment of the relationship between individual selfhood and the various framing social and collective identities, so the book argues, is yet another aspect linking his work to the broader intellectual currents of today. Thus, Soyinka's vision is seen as central to contemporary efforts to grasp the nature of modernity. His works conceptualize identity in ways that promote and modify national perceptions of 'Africanness', rescuing them from the colonial and neocolonial logic of cultural denigration in a manner that fully acknowledges the cosmopolitan and global contexts of African postcolonial formation. Overall, what emerges from the present study is the conviction that, in Soyinka's work, it is the capacity to assume personal and collective agency and the particular choices made by particular subjects at given historical moments that determine the trajectory of change and ultimately the nature of postcolonial existence itself. *Postcolonial Identity in Wole Soyinka* is a major and imaginative contribution to the study of Wole Soyinka, African literature, and postcolonial cultural theory and one in which writing and creativity stand in fruitful symbiosis with the critical sense. It should appeal to Soyinka scholars, to students of African literature, and to anyone interested in postcolonial and cultural theory.

Swamper Jun 25 2020 Through a series of twelve letters, a swamp rabbit tells about himself and his life in a northern Louisiana swamp. Each letter is followed by questions and activities; Includes glossary and answer key.

Ivory Shoals Jul 27 2020 In *Ivory Shoals*, twelve-year-old Gussie Dwyer--audacious, resilient, determined to adhere to the morals his mother instilled in him--undertakes to trek across the sumptuous yet perilous peninsula of post-Civil War Florida in search of his father, a man who has no idea of his son's existence. Gussie's journey sees him cross paths with hardened Floridians of every stripe, from the brave and noble to a bevy of cutthroat villains, none worse than his amoral shark of a stepbrother. Rich in visceral details and told with a pulse-quickenning pace, *Ivory Shoals* is a distinctly American story, in the tradition of Mark Twain and Cormac McCarthy. The novel is also a timeless epic, tracking Gussie's odyssey from childhood toward adulthood. Will he survive his quest, and at what cost?
