Nearly two-thirds of the New Testament—including all of the

letters of Paul, most of the book of Acts, and the book of Revelation—is set outside of Israel, in either Turkey or Greece. Although biblically-oriented tours of the areas that were once ancient Greece and Asia Minor have become increasingly popular, up until now there has been no definitive guidebook through these important sites. In *A Guide to Biblical Sites in Greece and Turkey*, two well-known, well-traveled biblical scholars offer a fascinating historical and archaeological guide to these sites. The authors reveal countless new insights into the biblical text while reliably guiding the traveler through every significant location mentioned in the Bible. The book completely traces the journeys of the Apostle Paul across Turkey (ancient Asia Minor), Greece, Cyprus, and the islands of the Mediterranean. A description of the location and history of each site is given, followed by an intriguing discussion of its biblical significance. Clearly written and in non-technical language, the work links the latest in biblical research with recent archaeological findings. A visit to the site is described, complete with easy-to-follow walking directions, indicating the major items of archaeological interest. Detailed site maps, historical charts, and maps of the regions are integrated into the text, and a glossary of terms is provided. Easy to use and abundantly illustrated, this unique guide will help visitors to Greece, Turkey, and Cyprus appreciate the rich history, significance, and great wonder of the ancient world of the Bible. Takes readers on a journey back in time in order to experience life in ancient Greece, describing clothing, accommodations, foods, local customs, transportation, a few notable personalities, and more. A new and definitive guide to the theatre of the ancient world *The Guide to Greek Theatre and Drama* is a meticulously researched and accessible survey into the place and purpose of theatre in Ancient Greece. It provides a comprehensive author-by-author examination of the surviving plays of Aeschylus, Sophocles, Euripides, Aristophanes, and Menander, as well as giving an insight into how and where the plays were performed, who acted them out, and who watched them. It includes a fascinating discussion of the function of the essential characteristics of Greek drama, including verse, rhetoric, music, comedy, and chorus. Above all it offers a fascinating viewpoint onto the everyday values of the ancient Greeks; values with a continuing influence over the theatre of the present day. Enjoy your trip to Greece with the *Greece Travel Guide: Sights, Culture, Food, Shopping & Fun*. The *Quick Trips to Greece Series* provides key information about the best sights and experiences if you have just a few days to spend in the exciting destination of Greece. So don't waste time! We give you sharp facts and opinions that are accessible to you quickly when in Greece. Like the best and most famous sightseeing attractions & fun activities (including Acropolis, Delphi, Greek Parliament Building & Syntagma Square, Ancient Corinth, Museums, Mount Olympus, Lake Kerkini, Beaches, Greek Islands, Crete, Corfu, Mykonos, Rhodes, Santorini, Skyros), where to experience the local culture, great local restaurant choices and accommodation for the budget-minded. Where to shop until you drop, party the night away and then relax and recover! Also included is information about the typical weather conditions in Greece, Entry Requirements, Health Insurance, Travelling with Pets, Airports & Airlines in Greece, Currency, Banking & ATMs, Credit Cards, Reclaiming VAT, Tipping Policy, Mobile Phones, Dialling Code, Emergency numbers, Public Holidays in Greece, Time Zone, Daylight Savings Time, School Holidays, Trading Hours, Driving Laws, Smoking Laws, Drinking Laws, Electricity, Tourist Information (TI), Food & Drink Trends, and a list of useful travel websites. The *Greece Travel Guide: Sights, Culture, Food, Shopping & Fun* - don't visit Greece without it! Available in print and in ebook formats. The most significant factors are: - This book contains all the information you'll need for a two- to three-week journey to Greece. Of course, you could apply the advice to a weekend trip to a city or an island. You may organize your own tour incorporating the attractions of Greece without using any further information sources. - I participated in each attraction and activity myself. I go into great detail on how I accomplished it so you may see the sites on your own and save a ton of money doing so. For instance, you learn how to ride ferries, use public transportation affordably, and see the Acropolis and other archaeological sites. This trip guide will provide you inspiration and tell you about hidden gems that you shouldn't miss. - You can carry it on your phone or e-reader without it adding any extra weight. - It is the top guide for visiting

Greece. This guidebook offers 35 day walks across the four Cycladic islands of Paros, Naxos, Amorgos and Santorini. Best explored in spring and autumn, each island offers a unique walking experience and the walks range from easy 4km town tours to 16km hikes visiting remote peaks in wild interiors. This is the first guide to feature the new 50km Naxos Strada, which is introduced as a series of five day walks. The walks often follow traditional paved paths which have been used by locals for centuries and the guide offers a wealth of insights into the history, geology and wildlife of the areas travelled through. Dotted amongst rugged mountains and working farmland are historic sites dating back to the height of Ancient Greece and impressive rural monasteries. On the coast, white sand bays and dramatic cliffs frame the expansive blue Aegean sea. For each walk, this guide includes detailed route description and Anavasi mapping to aid navigation. It also contains information about getting to the Cyclades and island hopping, along with an English-Greek glossary of key words and phrases and an appendix full of useful contacts. The fundamental distinctive of this textbook is its spiral, rather than linear, methodology of teaching the Greek language. The student is introduced to all the essential grammar quite rapidly in order to develop an overall understanding of the structure of the language. The grammatical details, which cannot be fully mastered in the initial overview, are revisited in succeeding lessons to fill in gaps of understanding and to build memory. Much time is devoted to reading and analyzing Greek text; thus reinforcing grammatical learning with practical experience. This stands in contrast to the linear method, found in most Greek textbooks, which takes a slower approach by spreading exposure to the grammar over the whole learning period, but then suffers from a lack of sufficient practise in Greek text. The structure of this textbook needs to be understood from the perspective of its teaching methodology. In addition to the spiral methodology, this textbook offers a number of useful paedagogical features. * Clear advice on the most important learning at every stage. * Immediate use of the Greek New Testament text. * Focus on transfer of learning rather than excessive memorization. * Explanation of English grammar at relevant points. * Special techniques and descriptions to aid learning. * Vocabulary learning based on word frequency. * Adaptability to various course structures. This book offers a fresh methodology to teaching Greek, born of much experience and success in the classroom. It blends deductive and inductive instruction together efficiently to make learning Greek manageable and enjoyable. This volume is the best book available for building New Testament Greek vocabulary with new improvements to make it even better! Publisher description Three-dimensional cutaway illustrations and floor plans of key landmarks complement these richly illustrated, fully updated travel handbooks that also include enhanced maps, street-by-street guides, background information on a host of popular sights, and an expanded traveler's survival guide providing tips on hotels, restaurants, local customs, transportation, medical services, museums, entertainment, and more. Insight Guide to Greece is a pictorial travel guide in a magazine style providing answers to the key questions before or during your trip: deciding when to go to Greece, choosing what to see, from exploring the Peloponnese to discovering Rhodes or creating a travel plan to cover key places like Athens and Crete. DK Eyewitness Travel Guides: the most maps, photographs, and illustrations of any guide. Visit TravelDK.com to learn more. Reviews: "Known... for its four-color maps, photos and illustrations, the [DK] Eyewitness Guides are extremely user-friendly for travelers who want their information delivered in a concise, visual way." - Chicago Tribune "The best option... Color photos, maps, and diagrams bring the place to life." - The Philadelphia Inquirer Awards: Wanderlust Travel Awards 2009-2016 Greece Mineral, Mining Sector Investment and Business Guide Volume 1 Strategic Information and Basic Regulations In this InterAct, Benjamin Broome examines the communication style and cultural patterns in contemporary Greece, known to its residents as Ellada. He deciphers the complexity of Greek culture, providing the reader with an accurate guide for navigating the unknown terrain of its social landscape. Enriched with numerous examples from the author's travels and sojourns in the country, Exploring the Greek Mosaic is highly readable, yet it presents as in-depth treatment of many key subjects, including the Greek view of history; the importance of village, family and religion; the role of conversation and conflict in interpersonal relations; and the characteristics of the work environment. Particular attention is given to similarities and differences in perception between Greeks and Americans, and sound advice is presented to those attempting to enter the Greek social world. Managers, diplomats, students and serious travelers will find this insightful examination of Greek culture an especially useful guide to interaction with Greeks, and those teaching intercultural relations will appreciate its refreshing approach to cultural analysis. Lonely Planet Greece is your most up-to-date advice on what to see and skip, and what hidden discoveries await you. Stand in the shadow of the Acropolis, compare sunsets and beaches as you hop from island to island, or sample the freshest flavours and most succulent seafood; all with your trusted travel companion. The Eleusian mysteries, the Sanctuary of Apollo, the Theatre of Dionysus, the labyrinths of Knossos, the Delphic oracle---the book leads us to such sacred sites in the ancient way of spiritual pilgrimage. "The gods have not totally vacated the holy places," says Richard Geldard. "Any 'vacating' has to do with our own lack of awareness." He brings to life the mythology that shaped the brilliance of Greek architecture and art, integrating rare historical material with the most recent archeological data. The result is a specialty guidebook comprehensive enough to be the only one you pack, with commentary on: Major and lesser sites of the palace and temple cultures; Greek drama, philosophy, art, and sculpture; Sacred geometry and architecture; Gallery collections in three major museums. Whether you're an armchair or actual traveler, Traveler's Key opens access to the fabled wisdom enjoyed by pilgrims of old and to the living mythology that still has power to transform lives.
