*Picturing the Cosmos Mar 03 2022 Picturing the Cosmos elucidates the complex relationship between visual propaganda and censorship in the Soviet Union in the Cold War period, focusing on the 1950s and 1960s. Drawing from a comprehensive corpus of rarely seen photographs and other visual phenomena narrating the Soviet Union's 1957 victory in the 'Race for Space', the author illustrates the media's role in cementing the way for Communism whilst retaining top-secret information. Each photo is examined as a deliberate, functioning part of a specific political, ideological and historical situation that helped to anchor the otherwise abstract political and intellectual concepts of the future and modernization.*

*Unconventional Warfare (Special Forces, Book 1) Jan 21 2021 Discover the secret missions behind America's greatest conflicts. Danny Manion has been fighting his entire life. Sometimes with his fists. Sometimes with his words. But when his actions finally land him in real trouble, he can't fight the judge who offers him a choice: jail... or the army. Turns out there's a perfect place for him in the US military: the Studies and Observation Group (SOG), an elite volunteer-only task force comprised of US Air Force Commandos, Army Green Berets, Navy SEALs, and even a CIA agent or two. With the SOG's focus on covert action and psychological warfare, Danny is guaranteed an unusual tour of duty, and a hugely*

*dangerous one. Fortunately, the very same qualities that got him in trouble at home make him a natural-born commando in a secret war. Even if almost nobody knows he's there. National Book Award finalist Chris Lynch begins a new, explosive fiction series based on the real-life, top-secret history of US black ops.*

*Grid of the Gods Aug 08 2022 By Joseph P. Farrell with Scott D. de Hart*  
*Physicist and Oxford-educated historian Farrell continues his best-selling book series on ancient planetary warfare, technology and the energy grid that surrounds the earth. Farrell looks at Ashlars and Engineering; Anomalies at the Temples of Angkor; The Ancient Prime Meridian: Giza; Transmitters, Temples, Sacred Sites and Nazis; Nazis and Geomancy; the Lithium-7 Mystery; Nazi Transmitters and the Earth Grid; The Grid and Hitler's East Prussia Headquarters; Grid Geopolitical Geomancy; The Astronomical Correlation and the 10,500 BC Mystery; The Master Plan of a Hidden Elite; Moving and Immovable Stones; Uncountable Stones and Stones of the Giants and Gods; Desecration, Inhabitation and Treasure Traditions; Divination, Animation, Healing and Numerical Traditions; Gateway Traditions; The Grid and the Ancient Elite; Finding the Center of the Land; The Ancient Catastrophe, the Very High Civilization, and the Post-Catastrophe Elite; The Meso- and South-American "Pyramid Peoples"; Tiahuanaco and the Puma Punkhu Paradox: Ancient Machining; The Mayans, Their Myths and the Mounds; The Aztec Anomaly: The Black Brotherhood and Blood Sacrifices; The Mesopotamian "Pyramid Peoples": The Pythagorean and Platonic Principles of Sumer, Babylonia and Greece; The Gears of Giza: the Center of the Machine; Alchemical Cosmology and Quantum Mechanics in Stone: The Mysterious Megalith of Nabta Playa; The Physics of the "Pyramid Peoples"; tons more.*

*Cleansing the Cosmos Apr 23 2021 Understanding evil spiritual forces is essential for Christian theology, yet discussion is almost always phrased in terms of "spiritual warfare." Warfare language is problematic, being dualistic, assigning a high degree of ontology to evil, and poorly applicable to ministry. This unique study proposes a biblically based model as the first alternative to a "spiritual warfare" framework for dealing with the demonic, thus providing insights for preaching, counseling, and missiology. Warren develops this model using metaphor theory and examining four biblical themes: Creation, Cult, Christ, and Church. Metaphors of cleansing, ordering, and boundary-setting are developed in contrast to battle imagery, and relevant theological issues are engaged (Boyd's warfare imagery, Barth's ideas of evil as "nothingness," and Eliade's notion of the sacred and the profane). The role of the Holy Spirit is emphasized and the ontology of evil minimized. This model incorporates concentric circles, evil being considered peripheral to divine reality, and provides a refreshing alternative to current "spiritual warfare" models.*

*The Origin of Evil Jul 27 2021 When did Satan fall? We know that the angels were created prior to the Earth. We find Satan had already fallen in Genesis 3. The mystery is, when did he fall? It appears that there are substantial Scriptural references to his rebellion, his agenda, and the subsequent catastrophic judgment that ensued. This raises the whole issue of the origin of evil. And why hasn't God simply wiped him, and sin, out completely? It is also disturbing to recognize that Satan tempted Jesus by offering him the kingdom, power and the glory in the temptations recorded in Luke 5. How could Satan lay a legitimate claim to these?*

*The Higher Soldiership Nov 11 2022*

*Essentials of Spiritual Warfare Oct 10 2022 There's a war going on . . . and you have what it takes to win. Christians are engaged in a cosmic war between good and evil, a war waged on many fronts -- in our hearts and minds, in our churches, and in our world. How can we be equipped for the fight? Is God still in control? How did Jesus engage in spiritual warfare? How powerful is Satan, and how can we resist him? With clarity and depth, Scott Moreau answers these questions and more as he maps out a biblical overview of spiritual warfare. He encourages us to put truth into action and to stand firm in our personal battles and against evil in the world.*

*The Cosmic Puppets Jan 01 2022 A fantastical, fast-paced science fiction novel of mystery and action from award-winning novelist Philip K. Dick.*

*I, Jesus: An Autobiography Jul 15 2020*

*Tempted and Tried Oct 18 2020 Although temptation is a common and well-acknowledged part of the human experience, few realize the truth behind temptation and fewer still know how to defeat it. Tempted and Tried will not reassure Christians by claiming that temptation is less powerful or less prevalent than it is; instead, it will prepare believers for battle by telling the truth about the cosmic war that is raging. Moore shows that the temptation of every Christian is part of a broader conspiracy against God, a conspiracy that confronts everyone who shares the flesh of Jesus through human birth and especially confronts those who share the Spirit of Christ through the new birth of redemption. Moore walks readers through the Devil's ancient strategies for temptation revealed in Jesus' wilderness testing. Moore considers how those strategies might appear in a contemporary context and points readers to a way of escape. Tempted and Tried will remind Christians that temptation must be understood in terms of warfare, encouraging them with the truth that victory has already been secured through the triumph of Christ.*

*War in Space Dec 20 2020 Applying strategic theory to outer space and drawing out the implications for international relations Offers a definitive and original vision of space warfare that theorises often-overlooked aspects of contemporary space*

*activities based in the discipline of Strategic Studies. This original research draws out the implications of spacepower for wider debate in grand strategy and IR. Applies the theory in a topical and contentious area within contemporary grand strategy - anti-access and area-denial warfare in the Taiwan Strait between China and America. Key principles are summarised in seven propositions to make the key take-aways of theory applicable and memorable for researchers and practitioners. This book presents a theory of spacepower and considers the implications of space technology on strategy and international relations. The spectre of space warfare stalks the major powers as outer space increasingly defines geopolitical and military competition. As satellites have become essential for modern warfare, strategists are asking whether the next major war will begin or be decided in outer space. Only strategic theory can explore the decisiveness and effects of war in space upon 'grand strategy' and international relations. The author applies the wisdom of military strategy to outer space, and presents a compelling new vision of Earth orbit as a coastline, rather than an open ocean or an extension of airspace as many have assumed. Rooted in the classical military works of Clausewitz, Mahan, and Castex to name a few, this book presents comprehensive principles for strategic thought about space that explain the pervasive and inescapable influence of spacepower on strategy and the changing military balance of the 21st century.*

*Spillover Sep 16 2020 The dark powers of the Second Heaven battle the Third Heaven's angelic warriors for the destiny of the First Heaven-where we live. The result: the 'spillover' of furious spiritual warfare in our world. Then comes the most powerful shout ever: 'Tetelestai... It is finished!' As you read this book, you will... \* Be unable to put it down as you are fascinated chapter by chapter \*Get a sweeping overview of God's Cosmic Plan and The Book of Revelation \*Comprehend how time works and opens fresh understanding of The Revelation \* Discover the meaning of the three 'Heavens' \*See clearly the driving forces behind current events \*Receive stunning insight into the chaos of our times \* Learn about the powerful forces at work in the unseen world \*Understand how the 'spillover' from the War in Heaven impacts your life right now \*Explore the fascinating link between visions of Daniel and those John recorded in The Revelation \*Gain new hope as you gain vision of the wonderful victory ahead*

*The Cosmic War Jul 19 2023 Presents the history of the Exploded Planet hypothesis. Rejecting naturalist and materialist assumptions of catastrophism forwarded by other researchers, this work asserts that the causes are based in ancient myths of a Cosmic War in the heavens.*

*The Redeemed Good Defense Jun 25 2021 "Why God?" Everyday this question is uttered in sorrow, bewilderment, or anger. This cry is the problem of suffering. It*

*is also known as the problem of evil. It asks why a good, all-powerful God allows evil and pain. Theodicy is the name of the theological responses that seek to defend God against charges of unfairness. Traditional theodicies have been accused of intensifying the problem by claiming that God is justified in allowing evil because he uses it to bring about a greater good. This greater-good approach has been criticized in more recent times. It seems to uncomfortably align God and evil too closely together. Does God need evil in order to bring good? This study explores an alternative stream of theodicy found in the idea of cosmic warfare. In this theodicy God fights evil in its moral, physical, spiritual, and supernatural forms. This book explores the world of theodicy and its cosmic warfare forms. It navigates the theological and ethical minefields involved. Building on the idea that God is in the midst of a great cosmic controversy, it seeks to further the conversation and articulates a new alternative "redeemed good defense."*

*Hidden Treasures in the Biblical Text May 13 2020*

*Fields of Blood Feb 19 2021 A sweeping exploration of religion and the history of human violence—from the New York Times bestselling author of The History of God • "Elegant and powerful.... Both erudite and accurate, dazzling in its breadth of knowledge and historical detail." —The Washington Post In these times of rising geopolitical chaos, the need for mutual understanding between cultures has never been more urgent. Religious differences are seen as fuel for violence and warfare. In these pages, one of our greatest writers on religion, Karen Armstrong, amasses a sweeping history of humankind to explore the perceived connection between war and the world's great creeds—and to issue a passionate defense of the peaceful nature of faith. With unprecedented scope, Armstrong looks at the whole history of each tradition—not only Christianity and Islam, but also Buddhism, Hinduism, Confucianism, Daoism, and Judaism. Religions, in their earliest days, endowed every aspect of life with meaning, and warfare became bound up with observances of the sacred. Modernity has ushered in an epoch of spectacular violence, although, as Armstrong shows, little of it can be ascribed directly to religion. Nevertheless, she shows us how and in what measure religions came to absorb modern belligerence—and what hope there might be for peace among believers of different faiths in our time.*

*God at War Nov 30 2021 Modern Christians are often baffled by the problem of evil, frequently attributing pain and suffering to some mysterious "good" purposes of God. Gregory Boyd instead declares that biblical writers did not try to intellectually understand evil but rather grappled to overcome it.*

*When Giants Were Upon the Earth Sep 28 2021 The Biblical fantasy novel series Chronicles of the Nephilim has changed the landscape of Evangelical imagination. Author Brian Godawa shares the Biblical and ancient historical and mythical*

*research that undergirds the fiction. For those who want serious study of the topics of the Watchers, Nephilim, and the Biblical Cosmic War of the Seed.*

*Kepler's Witch May 25 2021 Detailed account of the life and times of Johannes Kepler, who made his pioneering scientific discoveries while living in a seventeenth century society divided by intense religious and political conflicts.*

*The War of the Worlds Oct 30 2021 They came from outer space...When four Martian spaceships land on Earth, masses of people flee the cities, hoping to escape from the hostile alien creatures sweeping across the countryside. With deadly heat-rays and giant fighting machine they want to conquer Earth and keep humans as their slaves. So begins The War of the Worlds, the science fiction classic that first suggested the possibility of intelligent life on other planets and has fascinated readers for generations. This compelling tale describes the Martian invasion of Earth. When creatures land in England, complete chaos erupts. Using their fiery heat rays and crushing strength, the aliens just may succeed in silencing all opposition. Is life on earth doomed? Will mankind survive? A timeless view of a universe turned upside down, The War of the Worlds is an imaginative look into the possibilities of the future and the secrets yet to be revealed. The War of the Worlds has thrilled countless readers since it was first published in 1891. (The story even caused widespread panic among a radio audience listening to a dramatization of the tale in 1938.) This gripping tale will thrill new generations with its exciting accounts of interplanetary travel and cosmic warfare.*

*Family Portraits May 05 2022 Pastor and Bible teacher Randy McCracken offers an intimate look at lesser-known members of 1 and 2 Samuel's four main families--those of Samuel, Eli, Saul, and David. Examining characters unfamiliar to many Bible readers, he reveals important lessons for today.*

*Revelations Aug 16 2020 A startling exploration of the history of the most controversial book of the Bible, by the bestselling author of Beyond Belief. Through the bestselling books of Elaine Pagels, thousands of readers have come to know and treasure the suppressed biblical texts known as the Gnostic Gospels. As one of the world's foremost religion scholars, she has been a pioneer in interpreting these books and illuminating their place in the early history of Christianity. Her new book, however, tackles a text that is firmly, dramatically within the New Testament canon: The Book of Revelation, the surreal apocalyptic vision of the end of the world . . . or is it? In this startling and timely book, Pagels returns The Book of Revelation to its historical origin, written as its author John of Patmos took aim at the Roman Empire after what is now known as "the Jewish War," in 66 CE. Militant Jews in Jerusalem, fired with religious fervor, waged an all-out war against Rome's occupation of Judea and their defeat resulted in the desecration of Jerusalem and its Great Temple. Pagels persuasively interprets*

*Revelation as a scathing attack on the decadence of Rome. Soon after, however, a new sect known as "Christians" seized on John's text as a weapon against heresy and infidels of all kinds-Jews, even Christians who dissented from their increasingly rigid doctrines and hierarchies. In a time when global religious violence surges, Revelations explores how often those in power throughout history have sought to force "God's enemies" to submit or be killed. It is sure to appeal to Pagels's committed readers and bring her a whole new audience who want to understand the roots of dissent, violence, and division in the world's religions, and to appreciate the lasting appeal of this extraordinary text.*

*Cosmic Warfare Mar 15 2023 This thesis is an analytical and interpretive reading of C.S. Lewis's writings. In various genres he presents Christian cosmology as a rational alternative to the seeming meaninglessness of space. His arguments are a synergy of philosophy, science and theology, and provide a critique of anti-theistic attempts to discredit religious faith.*

*Holy War and Cosmic Conflict in the Old Testament Apr 04 2022*

*Satan and the Problem of Evil Apr 16 2023 Where does evil come from? If there is a sovereign creator God, as Christian faith holds, is this God ultimately responsible for evil? Does God's sovereignty mean that God causes each instance of sin and suffering? How do Satan, his demons and hell fit into God's providential oversight of all creation and history? How does God interact with human intention and action? If people act freely, does God know in particular every human decision before the choice is made? In this important book Gregory A. Boyd mounts a thorough response to these ages-old questions, which remain both crucial and contentious, both practical and complex. In this work Boyd defends his scripturally grounded trinitarian warfare theodicy (presented in God at War) with rigorous philosophical reflection and insights from human experience and scientific discovery. Critiquing the classical Calvinist solution to the problem of evil, he advocates an alternative understanding of the sovereignty of the trinitarian God and of the reality of Satan that sheds light on our fallen human condition. While all may not agree with Boyd's conclusions, Satan and the Problem of Evil promises to advance the church's discussion of these critical issues.*

*The Household and the War for the Cosmos Jan 13 2023 Your household is not just a shelter from a war zone; it is the command center from where you launch your attacks. It's this vision of the world, with the Christian family at the heart, that modern parents desperately need to recover.*

*Angels Volume I Aug 20 2023 Angels Volume I: Cosmic Warfare Adapted from Dr. Chuck Missler's 6 Hour Angels DVD briefing pack series. For thousands of years most of us have either had or still hold to misconceptions, myths, legends, or traditions about Satan and the 'underworld'. What is Hell, Hades and Gehenna?*

*How do Demons differ from Angels and what are their limitations and agenda? What is Satan's origin, agenda and destiny? What is the Age of Hybrids? How do we prepare ourselves through Spiritual hygiene and the Armor of God? Join Dr. Chuck Missler as he breaks through misinformation and misconceptions about Angels and provides insights into the Cosmic War.*

*The Cosmic War Jun 18 2023 There is ample evidence across our solar system of cataclysmic and catastrophic destruction events. The asteroid belt, for example, may be the remains of an exploded planet! The known planets are scarred from incredible impacts, and teeter in their orbits due to causes heretofore inadequately explained. Rejecting the naturalist and materialist assumptions of catastrophism forwarded by other researchers, Farrell asserts that it is time to take the ancient myths of a Cosmic War in the heavens seriously. Incorporating extraterrestrial artifacts, cutting-edge ideas in contemporary physics, and the texts of ancient myths into his argument, Farrell maintains that an ancient interplanetary war was fought in our own solar system with weapons of extraordinary power and sophistication. In doing so, he offers a solution to an enigma that has long mystified researchers, disclosing a cause of that ancient war, the means by which it was waged, and the real nature of the secret technology behind the ancient "Tablets of Destinies." It is all here, folks! The history of the Exploded Planet hypothesis, and what mechanism can actually explode a planet. The role of plasma cosmology, plasma physics (even plasma paleophysics) and scalar physics. The ancient texts telling of such destructions: from Sumeria (Tiamat's destruction by Marduk), Egypt (Edfu and the Mars connections), Greece (Saturn's role in the War of the Titans) and the ancient Americas.*

*Secret Societies and Psychological Warfare Mar 23 2021*

*Understanding Spiritual Warfare Jun 06 2022 The topic of spiritual warfare is an issue of ongoing interest in a number of sectors of the contemporary church. This four-view work brings together leading theologians and ministry leaders to present major views on spiritual warfare in dialogical fashion--all authors present their views and then respond to each of the other views. Contributors include: • Walter Wink with Gareth Higgins and Michael Hardin • David Powlison • Gregory Boyd • C. Peter Wagner and Rebecca Greenwood This volume provides a balanced, irenic approach to a much-discussed and often controversial topic. Offering a model of critical thinking and respectful dialogue, it highlights the differences between contributors, discusses a full range of important topics on the subject, and deploys biblical as well as theological arguments.*

*Hollow Men, Strange Women Feb 02 2022 In Hollow Men, Robin Baker provides a reappraisal of the Book of Judges account of Israel's Settlement of Canaan. Written under Assyrian suzerainty in Manasseh's reign, Judges is a theological*

*commentary on the Settlement and an esoteric work of prophecy.*

*Cosmic Codes Sep 09 2022*

*Breakthrough Power Apr 11 2020 A war has been raging since the beginning of time and we need tools to fight in this war. Our adversary, the devil, prowls around like a roaring lion seeking whom he can devour. If we are not equipped for battle, we will become a casualty in this cosmic war. Though our enemy may seem powerful, there is a much greater power that exists; God, also know as Yahweh, Creator of heaven and earth! There is no greater power than his in all of the universe. God has given us the power and the necessary tools to fight in this war against Satan, but not only to fight, but to win! What will you do when the enemy comes against you and your family? Will you cower down and allow the enemy to have his way with you? Or will you align yourself with God, put on your armor, and fight the enemy? This book contains practical, yet power tools to use to defeat the devil. You will have the victory!*

*The Higher Soldiership (Classic Reprint) Jul 07 2022 Excerpt from The Higher Soldiership Given a universe in which the chief activities of man (the highest creature and the highest known product of the cosmic process) seem to be summed up in war-preparedness, Problem - to find whether such a universe is rational and moral, or irrational and immoral, or non-moral; and, if said universe is proved or assumed to be rational and moral then to account for the evolution of the war system, or to discover some higher warfare to which the present war system shall be but a prelude and for which the present war habit shall be but a preparation. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. *Genes, Giants, Monsters, and Men Dec 12 2022 In this sourced work, Dr. Farrell brings up the possibility that Earth may have been occupied by a race of tyrannical giants.*

*Cosmic Conflict Nov 18 2020*

*How to Win a Cosmic War Feb 14 2023 \*Why do they hate us? An entire cottage industry has arisen to answer this question. But what no one has really figured out is, who exactly are they? Is it al-Qaeda? Islamic nationalists? The whole Muslim world? \*HOW TO WIN A COSMIC WAR lays out, for the first time, a*

*comprehensive definition of the movement behind and surrounding al-Qaeda and the like, a global ideology properly termed Jihadism. \*Contrasting twenty-first-century religious extremism across Christianity, Judaism and Islam with its historical antecedents, Aslan demonstrates that while modern Jihadis may have legitimate social grievances - the suffering of the Palestinians, American support for Arab dictators, the presence of foreign troops in Muslim lands, to name a few - they have no real goals or actual agenda. \*So, what do the Jihadists want? Aslan's answer is: Nothing. The Jihadists have no earthly agenda; they are fighting a metaphysical conflict, a theological war. And ever since 9/11, we have unfortunately been fighting the same cosmic war, the war they want: the so-called 'War on Terror'. \*How do we win a Cosmic War? By refusing to fight in one. And in this stunning new work, Aslan reveals surprising conclusions about how we can deal with this predicament.*

*Spillover: War in Heaven Jun 13 2020 The dark powers of the Second Heaven battle the Third Heaven's angelic warriors for the destiny of the First Heaven where we live. The result: the spillover of furious spiritual warfare in our world. Then comes the most powerful shout ever: Tetelestai It is finished! As you read this book, you will be unable to put it down as you are fascinated chapter by chapter Get a sweeping overview of God's Cosmic Plan and The Book of Revelation Comprehend how time works and opens fresh understanding of The Revelation Discover the meaning of the three Heavens See clearly the driving forces behind current events Receive stunning insight into the chaos of our times Learn about the powerful forces at work in the unseen world Understand how the spillover from the War in Heaven impacts your life right now Explore the fascinating link between visions of Daniel and those John recorded in The Revelation Gain new hope as you gain vision of the wonderful victory ahead"*

*Angels Volume II May 17 2023 Chuck explores the contradictory behavior of UFOs and other demonic deceptions characteristic of the End Times. Are they real? Why do UFOs enjoy a military classification higher than our most sensitive weapons systems? Why are the events which occurred in Roswell New Mexico still classified since 1947? Why is the Vatican openly preparing to receive an Alien Visitor? How should a Christian deal with the occurrences of Alien abductions? Jesus admonished us to "Be not deceived." How? How do we prepare for the deception which, "if it were possible, would deceive the very elect"?*

*Accessory to War: The Unspoken Alliance Between Astrophysics and the Military Aug 28 2021 "Extraordinary.... A feast of history, an expert tour through thousands of years of war and conquest." —Jennifer Carson, New York Times Book Review In this far-reaching foray into the millennia-long relationship between science and military power, acclaimed astrophysicist Neil deGrasse Tyson and co-author Avis*

*Lang examine how the methods and tools of astrophysics have been enlisted in the service of war. Spanning early celestial navigation to satellite-enabled warfare, Accessory to War is a richly researched and provocative examination of the intersection of science, technology, industry, and power that will introduce Tyson's millions of fans to yet another dimension of how the universe has shaped our lives and our world.*
