Time to Declare tells with unflinching candour Mark Taylor's story in a fascinating and revealing autobiography. Taking block, Taylor throws new light on the highs and lows, the controversies and the triumphs of a truly remarkable sporting career. By the end of his journey, which included 104 Tests for his country, 7525 runs, and 157 catches, he stood acclaimed as the 'second most important person in the land'. At the close of Australia's century there can be no finer story of grit and perseverance and inspiration than that of Mark Taylor – captain of his country. The author traces her life as the daughter of immigrants from the Dominican Republic and her efforts to assimilate and to become a writer. As a young double agent infiltrating the Soviet spy network in Nazi-occupied Paris, Andrew Hale finds himself caught up in a secret, even more ruthless war. Two decades later, in 1963, he will be forced to confront again the nightmare that has haunted his adult life: a lethal unfinished operation code-named Declare. From the corridors of Whitehall to the Arabian desert, from post-war Berlin to the streets of Cold War Moscow, Hale's desperate quest draws him into international politics and gritty espionage tradecraft -- and inexorably drives Hale, the fiery and beautiful Communist agent Elena Teresa Ceniza-Bendiga, and Kim Philby, mysterious traitor to the British cause, to a deadly confrontation on the high glaciers of Mount Ararat, in the very shadow of the fabulous and perilous Ark. Something to Declare is a collection of short stories, poetry, and non-fiction that allows students to explore personal, social, and imaginative themes in world literature. Its thematic structure also encourages students to see similarities and differences between and among literatures from around the world. The richness of these literatures is made accessible by helpful explanatory notes, a cross-reference chart that allows selection by geographical area, and concise author biographies that offer insight into the role of the writer in diverse social and cultural contexts. A bold new collection of poems of feral beauty and intense vulnerability The poems in Henri Cole's ninth book, Nothing to Declare, explore life and need and delight. Each poem starts up from its own unique occasion and is then conducted through surprising (sometimes unnerving) and self-steadying domains. The result is a daring, delicate, unguarded, and tender collection. After his last three books—Touch, Blackbird and Wolf, and Middle Earth—in which the sonnet was a thrown shape and not merely a template, Cole's buoyant new poems seem trim and terse, with a first-place, last-ditch resonance. In their sorrowful richness, they combine a susceptibility to sensuousness and an awareness of desolation. With precise reliability of detail, a supple wealth of sound, and a speculative truthfulness, Cole transforms the pain of experience into the keen pleasure of expressive language. Nothing to Declare is a rare work, necessary and durable, light in touch but with just enough weight to mark the soul. Based on a regular, favorite feature of Joel Osteen's sermons, I DECLARE helps readers claim God's blessings for their lives. Broken into thirty-one segments, this book defines the most powerful blessings in Scripture and encourages readers to declare one each day for a month. Michael Vaughan tells the full, compelling story of a remarkable career - from his early days at Yorkshire, to his emergence as a world-class batsman; from the successful partnership with Duncan

Anyone who loves France (or just feels strongly about it), or has succumbed to the spell of Julian Barnes's previous books, will be enraptured by this collection of essays on the country and its culture. Barnes's appreciation extends from France's vanishing peasantry to its hyper-literate pop singers, from the gleeful iconoclasm of nouvelle vague cinema to the orgy of drugs and suffering that is the Tour de France. Above all, Barnes is an unparalleled connoisseur of French writing and writers. Here are the prolific and priapic Simenon, Baudelaire, Sand and Sartre, and several dazzling excursions on the prickly genius of Flaubert. Lively yet discriminating in its enthusiasm, seemingly infinite in its range of reference, and written in prose as stylish as haute couture, *Something to Declare* is an unadulterated joy. Eulogy of the generation described as the Beat Generation, dissecting and revealing the inner beings of such men as Kerouac, Ginsberg, Legman and Landesman. Jesse Kerf's a good-guy restaurant owner who's got his life exactly how he wants it. Flash L.A. bistro, spiffy BMW, all-white condo overlooking the ocean. Then, boom, he receives a bombshell. He's been named next of kin to Marty Balakian, the wild man and con artist who used to be his best friend. Never mind that they haven't had a civil word in twenty years. Suddenly, Jesse's forced to reckon with the past he's been running from for more than two decades. Between a long ago love triangle, a road trip that leads from New England to Indonesia, and the voice of Marty, who may be dead but can't shut up, Jesse's got a lot to handle. It's easy to get stuck on what really went down in the turbulent 1970s, when Jesse and his friends were smashing every rule in sight. To move forward, Jesse needs to figure out not just who he was but who he wants to be from now on. It's hard to be a good guy all the time. Nothing To Declare is literary fiction that hasn't forgotten how to party. As Marty likes to say, "I don't trust anybody's politics until I've seen them dance." discriminating in its enthusiasm, seemingly infinite in its range of reference, and written in prose as stylish as haute couture, *Something to Declare* is an unadulterated joy. *Dare to Declare* combines the instructions of daily devotionals and declarations to empower a closer walk with God. Proverbs 21:18 (KJV) states that “Death and life are in the power of the tongue and they that love it shall eat the fruit thereof.” What we utter out of our mouth determines whether we abound or become bound. At times, life can become extremely overwhelming and so heavy that it weighs us down. Our emancipation is produced by our communication. If we don’t possess the faith to “say it”, we will lack the enduring faith to “see it”. The Bible instructs us to “shout unto to God with the voice of Triumph” (Psalms 47:7 KJV). Your victory is in your voice. *Dare to Declare* quips the reader to navigate through life’s journey on a daily basis and overcome every obstacle that stands in their way. During the 1980’s and 90’s, there was a television show on Nickelodeon called *Double Dare*. The object of the game was to dare you to do things you normally wouldn’t do. The word dare means “to be challenged or have the courage to do something”. This book is designed to dare you to possess the undeniable boldness to declare victory over every area of your life. After reading *Dare to Declare*, you will be challenged to never settle for mediocracy or defeat. “Julia Alvarez has suitcases full of history (public and private), trunks full of insights into what it means to be a Latina in the United States, bags full of literary wisdom.” —Los Angeles Times From the internationally acclaimed author of the bestselling novels *In the Time of the Butterflies* and *How the García Girls Lost Their Accents* comes a rich and revealing work of nonfiction capturing the life and mind of an artist as she knits together the dual themes of coming to America and becoming a writer. The twenty-four confessional, evocative essays that make up *Something to Declare* are divided into two parts. “Customs” includes Alvarez’s memories of her family’s life in the Dominican Republic, fleeing from Trujillo’s dictatorship, and arriving in America when she was ten years old. She examines the effects of exile--surviving the shock of New York City life; yearning to fit in; training her tongue (and her mind) to speak English; and watching the Miss America pageant for clues about American-style beauty. The second half, “Declarations,” celebrates her passion for words and the writing life. She lets us watch as she struggles with her art--searching for a subject for her next novel, confronting her characters, facing her family’s anger when she invades their privacy, reflecting on the writers who influenced her, and continually honing her craft. The winner of the National Medal of Arts for her extraordinary storytelling, Julia Alvarez here offers essays that are an inspiring gift to readers and writers everywhere. “This beautiful collection of essays . . . traces a process of personal reconciliation with insight, humor, and quiet power.” —San Francisco Examiner and Chronicle “Reading Julia Alvarez’s new collection of essays is like curling up with a glass of wine in one hand and the phone in the other, listening to a bighearted, wisecracking friend share the hard-earned wisdom about family, identity, and the art of writing.” —People Nothing to Declare traces the story of Mila, a victim of the poverty of post-WWII Finland. Sold by her mother, sent alone across the world to a seemingly better life, she is adopted into a family ruled by a malevolent woman who makes Mila’s growing-up years a living hell. The book alternates between Mila’s life in America and her beloved brother’s life in Finland where he fights a deadly disease. An uplifting story of the bonds of family and hope. Forces the reader to keep turning the pages, searching for the next event. A life-sized painting. Layer by layer you discover darkness, a ray of light. The colors, the smells, the past and present, come to life. I feel powerfully connected to the little girl. Her pain makes me weep, her spirit is strong. Marianne Friberg, Finnish artist: hemp weaving, metal sculpture. A penetrating psychological portrait of the bond between brother and sister. Frightened, isolated, Mila fights fate’s cruelty as her brother struggles for his life. Their resolve, not only to endure life’s hardships, but to transcend them, is remarkable and compelling. Fay E. Kagan, M.D., Child Psychiatrist, Los Angeles, CA Young people lived with the shadow of death during Finland’s tuberculosis epidemic. Some found a way to live, and to love, in the midst of despair. Powerful. Teems with life, determination, hope. Raimo A. Andersson, Finland Traveling from the highland desert of northern Mexico to the steaming jungles of Honduras to the seashore of the Caribbean, Mary Morris confronts the realities of place, of poverty, of machismo, and of self. “One gutsy woman and one fantastic writer”.--“Cosmopolitan”. Editor Gillian Kendall has brought together in *Something to Declare* a collection of impressionistic, literary travel essays that explore the sense of place and the pull of wanderlust, and reveal what happens when a traveler follows her heart. On these pages, established and emerging lesbian travel writers present accounts ranging from the poetic and internal to the exhilarating and life-altering. Rather than reporting on places to stay, local fare, or politics, these women share personal stories of exploration and adventure. Lucy Jane Bledsoe

and her partner camp out and negotiate their way through the Tierra del Fuego in “Fruits at the Border.” Lesléa Newman’s “Bashert” tells the retrospective journey of a college graduate undergoing a simultaneous awakening of her sexuality and artistic talent while working on a kibbutz in Israel. Lori Soderlind’s “Hot Springs, Montana” describes her return—with the help of a native woman—to the place in Montana where her family once made their home. Whether set in Italian changing rooms, a Cadillac hearse, an ashram, a medieval labyrinth, a wheelchair, or a kayak, and whether amid Japanese typhoons, Caribbean rain, or rare Irish sunshine, Something to Declare offers stories of reflection, challenge, and growth. World-class athlete, playboy, war correspondent, and heir to a Greek shipping fortune, Taki has over the last three decades moved among the rich, the powerful, the titled and the celebrated in London, New York, Gstaad, the Rivierawherever fun or stimulation was to be had. But in 1984, while passing through Heathrow Airport, Taki was arrested for possession of cocaine and summarily sent to jail. Nothing to Declare is the hilarious and surprisingly wise account of the three months Taki spent in prison, a story filled with perilous day-to-day events as well as reflections on the glamorous life he has led." Offers an account of the three months the author, an aristocratic journalist, spent in jail and his musings on his experiences living among the jet set
