As the last hour approaches, it's time to topple misconceptions and
discern God's plan. We all have questions about the end times. But as
Israeli Christian and respected Bible teacher Amir Tsarfati explains,
biblical prophecy is a mystery, not a secret. Understanding is available to
anyone who takes the time to study it. Designed as a companion to the
bestselling and eye-opening book *The Last Hour*, this study guide is full
of thought-provoking · reflection questions · discussion starters ·
Scripture studies · bonus reading material · and practical application As
the last hour approaches, rather than engaging in speculation and
playing on people's fears, Amir poses real-life scenarios grounded in
biblical truth and helps you explore biblical prophecy--and its modern-
day application and fulfillment--in fresh and fascinating ways. Praise for
The Last Hour: "This timely book is a well-written, thrilling, thought-
provoking, challenging, encouraging must-read."--Anne Graham Lotz
"What God has promised to His people, He is fulfilling. I believe that God
is going to use *The Last Hour* to open hearts to the Gospel."--Dr. David
Jeremiah To make the journey into the Now we will need to leave our
analytical mind and its false created self, the ego, behind. From the very
first page of Eckhart Tolle's extraordinary book, we move rapidly into a
significantly higher altitude where we breathe a lighter air. We become
connected to the indestructible essence of our Being, "The eternal, ever
present One Life beyond the myriad forms of life that are subject to birth
and death." Although the journey is challenging, Eckhart Tolle uses
simple language and an easy question and answer format to guide us. A
word of mouth phenomenon since its first publication, *The Power of Now*
is one of those rare books with the power to create an experience in
readers, one that can radically change their lives for the better. Now
faith is... Study Guide is intended to help you gain an understanding of
faith defined. During this study you will learn, what faith is as
interpreted in Scripture; how faith works, the measure of faith, examples
of faith, making faith work for you, and what it means to stand firm in the
faith. You will also acquire insight on why modern day faith is an action,
and without it our works are dead. This Study Guide has an
accompanying *Now Faith Is...Notebook* for taking and organizing your
notes. This Study is a part in a series of study guides from the Evangel
Bible Academy's courses specifically aimed to assist you in your spiritual
development. The foundation Scripture for the Academy is Colossians
4:6, "Let your speech be always with grace, seasoned with salt, that ye
may know how ye ought to answer every man." "The Time Is Now Study
Guide" is designed to guide readers through the ideas and concepts at
the foundation of "The Time Is Now", a book which calls the church in
America to awaken and respond....before its too late.Praise for "The Time
Is Now": "Ryan Dobbs writes with an urgency and passion I find
refreshing. He's a young man who recognizes not just America's woes,
but the underlying spiritual darkness and despondency within the
church. It's encouraging to read the words of someone who seeks to
honor Christ not by rewriting Scripture, but by submitting to it. Ryan
takes sin seriously, and believes in the true Jesus, full of grace and truth,
the only Savior who can transform our hearts and deliver people from
Hell to Heaven. You don't have to agree with everything in this book in
order to benefit from it. I'm glad to recommend 'The Time is
Now'." "Randy Alcorn Bestselling author of "Heaven" and "Why
Prolife?" "Ryan Dobbs has performed an invaluable service to the Body of
Christ by writing THE TIME IS NOW. This compelling book reminds
those of us in the church of our reason - our only reason - for being left
on earth before Christ returns. I enthusiastically recommend this book as
essential reading for every genuine disciple of Jesus Christ." "Dr. Robert
Jeffress Senior Pastor First Baptist Church, Dallas Author, "Twilight's Last
Gleaming" Life has a way of taking the life out of us. Often we go through
situations where the challenge seems so much greater than our strength.
During such times, we can find hope and inspiration from the story of
Joshua. God had called Joshua to take over from Moses and lead the
Israelites into a paradigm shift from wilderness wandering to promise-
believing. In Canaan, they would not fight for victory but fight from
victory. God had a Promised Land in store for them, but they had to
grasp that reality, change their mindsets, and take action to receive it.
The same is true for us today. God is telling us that our best days--our
"glory days"--are still ahead of us. We only need to grasp that truth and
live in faith to realize this promise. This study guide includes leader
helps, discussion questions, conversation starters, and between-session

activities to enhance your understanding and application of Max's teaching. Sessions include: These Days Are Your Glory Days (26:00) Inherit Your Inheritance (30:00) Walk Circles Around Jericho (24:00) Pray Audacious Prayers (22:00) No Falling Words (23:00) God Fights for You (22:00) This pack contains one study guide and one DVD. The Perfect Follow-up to *The Screwtape Letters*! Only the imaginative mind of C.S. Lewis could create as short story about a demon offering the after-dinner speech at the graduation ceremony at the Tempters' Training College for young demons. Nearly two decades after the release of *The Screwtape Letters* and to the delight of his fans, Lewis wrote a sequel that he never intended to create. In fact, he never imagined the original book would become a classic and that his readers would continue to enjoy it so many years later. Now almost 50 years later after the sequel's release, *Screwtape Proposes a Toast Study Guide* digs deep into Lewis' almost prophetic declaration of how the underworld seeks to corrupt education, democracy, social politics, and directly shift a cultural worldview. For those who have completed *The Screwtape Letters Study Guide* or *The Screwtape Letters Study Guide for Teens*, this study is the perfect follow up, but it can be done independent of the others. This flexible study can be used in one long setting or divided up over several sessions. *Screwtape Proposes a Toast Study Guide* includes:

- Comprehensive Bible study workbook with flexible study sessions
- Complete character sketches and summaries to go deeper
- Bible study questions that are ideal for group discussion
- Answer Guide for all questions and Scripture Reference Guide available for free online
- Perfect for book clubs, small groups, or individual Bible study

Available in print or e-book formats *Screwtape* has a compelling yet subtle strategy for continuing to attack God's people. Understand those strategies and learn to fight back with the *Screwtape Proposes a Toast Study Guide*. In this six-session video Bible study, bestselling author Max Lucado examines Jesus' miracles in the Gospel of John to show how God loves us, cares for us, and comes to our aid. *A Closer Look at the Signs of the Times* How can we know when we're drawing near to the rapture and the second coming of the Lord Jesus Christ? Jesus Himself answered that question, revealing to all Christians the signs we are to watch for—signs that will alert us to the imminence of His return. Scripture also gives us a fascinating preview of what life will be like in Jesus' millennial kingdom on earth. In *The Day Approaching Study Guide*, you'll get an up-close look at God's plans for what is to come, and how that affects you today. Designed for use alongside Amir Tsarfati's book *The Day Approaching*, this study guide will take you through Jesus' own prophecies and many others so that you can gain greater clarity on what to expect—as well as explore the amazing future that awaits you! A great resource for either individual or group study. In this five-session video Bible study, Levi Lusko shows how we can come face-to-face with the reality of our life circumstances, see God in the midst of our trials, identify internal battles we need to overcome, and ultimately become the difference-makers in the world that God created us to be. *Is Reading the Bible the Fastest Way to Lose Your Faith?* For centuries, the Bible was called "the Good Book," a moral and religious text that guides us into a relationship with God and shows us the right way to live. Today, however, some people argue the Bible is outdated and harmful, with many Christians unaware of some of the odd and disturbing things the Bible says. Whether you are a Christian, a doubter, or someone exploring the Bible for the first time, bestselling author Dan Kimball guides you step-by-step in how to make sense of these difficult and disturbing Bible passages. Filled with stories, visual illustrations, and memes reflecting popular cultural objections, *How (Not) to Read the Bible* is a lifeline for individuals who are confused or discouraged with questions about the Bible. It also works great as a small-group study or sermon series. *A Study Guide for Susan Sontag's "Way We Live Now,"* excerpted from Gale's acclaimed *Short Stories for Students*. This concise study guide includes plot summary; character analysis; author biography; study questions; historical context; suggestions for further reading; and much more. For any literature project, trust *Short Stories for Students* for all of your research needs. This study guide is designed to help students prepare for quizzes and exams. For every chapter in the text it contains a chapter summary, lists of key terms and people, a practice test with 25 multiple-choice questions and an answer key, and a set of PowerPoint lecture outlines. Packaged at no additional cost on request with the text. *Face the Truth* Life is full of defining moments. Like landmarks on a road map, these moments mark key points along your life's journey. A defining moment happens when you come face-to-face with a truth that invites you to change the way you live. It demands that you make a decision. And regardless of the choice you make, you will never be the same. In this

eight-part companion study guide to the *Defining Moments* DVD, bestselling author Andy Stanley examines several such moments as depicted in the lives of people from Scripture—the kinds of moments many of us will experience in our lifetimes. And if you're willing to look at truth honestly, these moments can change your life forever. *Story Behind the Book* While working to develop a series that would introduce people to a new mind-set about the way they live their lives, Andy Stanley discovered the influence that defining moments have. Now, after teaching this principle to his staff, church, and through the extended home study groups of North Point Community Church, this DVD and study guide material are releasing to a national audience through North Point's relationship with Multnomah. Another classic from the author of the internationally bestselling *The Outsiders* Continue celebrating 50 years of *The Outsiders* by reading this companion novel. *That Was Then, This is Now* is S. E. Hinton's moving portrait of the bond between best friends Bryon and Mark and the tensions that develop between them as they begin to grow up and grow apart. "A mature, disciplined novel which excites a response in the reader . . . Hard to forget."—*The New York Times* In this revised and expanded edition of *UDL Now!* Katie Novak provides practical insights and savvy strategies for helping all learners meet high standards using the principles of Universal Design for Learning (UDL). UDL is a framework for inclusive education that aims to lower barriers to learning and optimize each individual's opportunity to learn. Novak shows how to use the UDL Guidelines to plan lessons, choose materials, assess learning, and improve instructional practice. Novak discusses key concepts such as scaffolding, vocabulary-building, and using student feedback to inform instruction. She also provides tips on recruiting students as partners in the teaching process, engaging their interest in how they learn. *UDL Now!* is a fun and effective Monday-morning playbook for great teaching. In this new edition that includes a study guide, popular author Walter Brueggemann writes that the Sabbath is not simply about keeping rules but rather about becoming a whole person and restoring a whole society. Brueggemann calls out our 24/7 society of consumption, a society in which we live to achieve, accomplish, perform, and possess. We want more, own more, use more, eat more, and drink more. Brueggemann shows readers how keeping the Sabbath allows us to break this restless cycle and focus on what is truly important: God, other people, all life. Perfect for groups or self-reflection, *Sabbath as Resistance* offers a transformative vision of the wholeness God intends, giving world-weary Christians a glimpse of a more fulfilling and simpler life through Sabbath observance. Everywhere You Go, There You Are When you were young, you were told, "You are special!" and were encouraged to become anything you wanted. The future held unlimited options. But then life happened. And now you look

around feeling, thinking, looking, and acting basically the same as the next guy. You can't help but feel trapped and hemmed in. Unfortunately, many try to break out of the suffocating sameness by making the same bad decisions over and over again. This Breakaway DVD and study guide are designed to renovate your thinking by illustrating four core beliefs that dictate the decisions shaping the outcome of your life. This study will help you break out of the crowd and away from bad patterns for good! Break out of the crowd. None of us sets out to be like everybody else, but it happens. Unfortunately many people think that the answer is to run away, but they only end up making the same bad decisions over and over again. So how do you break the cycle and break out of the crowd? In this six-session companion study guide to the Breakaway DVD, Andy Stanley will expose you to four core beliefs that have the power to renovate your thinking and change the trajectory of your life. Story Behind the Book Andy Stanley is the senior pastor of three North Point Ministries campuses, with a cumulative congregation of more than twenty thousand. Much of the brokenness he sees in the lives of his congregants results from the herd mentality that makes them feel completely blah. He often hears comments like, "Life is just more of the same, only with more candles on my birthday cake," and, "Even my problems are the same as everyone else's—from dealing with debt to my marital problems. There's nothing unique about me." Culture has shaped and molded the zest out of life, and this DVD and study guide are designed to open the door to freedom! In the twentieth century, psychologists came up with five markers of adulthood: finish your education, get a job, leave home, marry, and have children. Since then, every generation has been held to those same markers. Yet so much has changed about the world and living in it since that sequence was formulated. All of those markers are choices, and they're all valid, but any one person's choices along those lines do not make them more or less an adult. A former Stanford dean of freshmen and undergraduate advising and author of the perennial bestseller How to Raise an Adult and of the lauded memoir Real American, Julie Lythcott-Haims has encountered hundreds of twentysomethings (and thirtysomethings, too), who, faced with those markers, feel they're just playing the part of "adult," while struggling with anxiety, stress, and general unease. In Your Turn, Julie offers compassion, personal experience, and practical strategies for living a more authentic adulthood, as well as inspiration through interviews with dozens of voices from the rich diversity of the human population who have successfully launched their adult lives. Being an adult, it turns out, is not about any particular checklist; it is, instead, a process, one you can get progressively better at over time—becoming more comfortable with uncertainty and gaining the

knowhow to keep going. Once you begin to practice it, being an adult becomes the most complicated yet also the most abundantly rewarding and natural thing. And Julie Lythcott-Haims is here to help readers take their turn. Perhaps you have read It Is Always NOW! and you found it to be a bit cryptic. You may feel you could use a little more substance. Enter the Study Guide. This book follows the same topics as It IS Always NOW! and fills in more of the blanks. Some have said they would like to have more Bible verses. It is my intent that each reader would search the Bible for themselves and discuss what they find with others. In my experience, nothing sinks deeper into the mind and heart than your own personal discoveries. BibleGateway.com is easy to use and has many, many versions available. For each passage you find, look at it in several different versions. Personally, I like The New International Version and The Voice. Remember - this is your journey. No one has all of the answers. Never lose that spark of curiosity! People plan to spend eternity with God, but they are not spending every day with Him now. Do you feel like God is distant and uninvolved in your life? Do you find it difficult to express your love to Him? Do you hide from His presence until you fix your issues? God has given you everything you need to live in His presence right now! This study guide is a companion to the DVD series and is designed for group discussion or individual reflection. The sessions will help you change the way you think about your relationship with God and start walking with Him, regardless of your circumstances. You will learn how to overcome any strongholds of sin and express your love to God through worship. Curriculum guide for use with the author's Nate Saint, on a wing and a prayer.
