An infant left in the trash to die. A teenage mother who never knew she was pregnant . . . Before That Morning, these were the words most often used to describe straight-A student and star soccer player Devon Davenport: responsible, hardworking, mature. But all that changes when the police find Devon home sick from school as they investigate the case of an abandoned baby. Soon the connection is made? Devon has just given birth; the baby in the trash is hers. After That Morning, there?s only one way to define Devon: attempted murderer. And yet gifted author Amy Efaw does the impossible? she turns Devon into an empathetic character, a girl who was in such deep denial that she refused to believe she was pregnant. Through airtight writing and fast-paced, gripping storytelling, Ms. Efaw takes the reader on Devon?s unforgettable journey toward clarity, acceptance, and redemption. The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts. The book consists of thirteen chapters, a summary page and a poem. Chapter one explores the different avenues man uses to find meaning and happiness in life. Chapter two discusses the importance of prayer and encourages readers to engage in daily prayer. It shares true stories of answered prayers. Chapter three encourages readers to explore possible unresolved issues in ones life, so we are better able to move forward in our life. Chapter four discusses the importance of forgiveness in our life. Chapter five outlines the importance of taking care of ones health. Chapter six identifies different stressors in our life and suggest ways to cope. In chapter seven readers are encouraged to go after their dreams no matter their age. Chapter eight urges everyone to find a job they enjoy doing. Chapter nine implores parents to take parenting seriously, realizing the long-term effect on society. Chapter ten encourages readers to learn from their mistakes and setbacks. Chapter eleven draws the readers attention to some positive things in life. Chapter twelve shows readers how one can make a difference in the lives of others. Chapter thirteen ask readers to celebrate being alive. A Daily Reminder is in fact a summary of the book. The poem outlines a mans journey from infant to finding true happiness and contentment. On that night he was driven out to the street, Ritsuya met his eternal admiration, Mayato. It was just a short meeting, but these two boys in pain finally found the best comfort on each other, sealing their bond for the years after. But, how would they survive in the world of irresponsible adults? "Matching our Answers" is a modern BL with a taste of classic unfortunate children folk tales that resolves on the idea of love and pain...
