Readers save time, save money, and avoid the aggravation of buying the wrong product! Written by one of the world's leading web handling expert and experienced machine designer along with a team of specialists, this hands-on book offers a step-by-step approach to investing in, acquiring and starting up web machinery. It is designed to assist plant-based personnel in the costing and planning of major machinery investment with a rigorous analysis of what needs to be done to acquire or replace equipment with minimal expense and maximum long-term efficiency, no matter what types of webs are being handled. The book ranges over the entire spectrum of machine buying from dealing

with salespeople to the technical details of machinery design, contract formulation, financing and maintenance. Numerous case studies illustrate strategies to follow—and avoid—in purchasing standard, as well as custom designed, web machines. This compact book contains the best buying advice from Consumer Reports along with expert strategies for finding many products at the best prices. Includes advice for shopping online, by mail order, or in stores; lab test results; and a preview of the 2001 model-year vehicles. From cars and cell phones to washing machines—this book presents the most objective product information available, with Consumer Reports ratings, repair histories, product recommendations, and buying advice. The best buy is right at your fingertips with this buying guide. No longer will you be reliant on over-eager salespeople willing to say anything to move inventory. Now you have all the answers when it comes to camcorders, cameras, refrigerators, microwave ovens, telephones, cars, and much more. The authoritative consumer guide to manufactured homes and purchasing land or leasing a home site, providing up-to-date, essential information home buyers need to make an informed purchase decision. This second edition of the bestselling guide is completely revised and updated, including a new annotated construction rating table with 56 criteria you can use to evaluate any home before you buy. In this comprehensive book, John Grissim, author of the best-selling companion resource, The Grissim Ratings Guide to Manufactured Homes, gives you everything you need to safely and successfully navigate the tricky waters of the manufactured home marketplace. He explains how the manufactured home industry operates, how to find a dealer worthy of your trust, how to make the right home selection, and, as important, how to be informed, empowered and swindle-proof. Exhaustively researched, with extensive input from both industry insiders and consumer advocates, this guide contains much information that retailers, even the good guys, don't want you to know. In addition to clear step-by-step guidance in the home buying process, John Grissim provides up-to-date, essential information together with authoritative, no-nonsense insights that have made him a respected industry observer and voice for the home-buying consumer. A real estate expert's guide to taking control of the process to minimize stress—and maximize equity. Many of us want to stop throwing away money on rent—but buying a home can be an emotional rollercoaster, especially for first-timers. Homebuyer Rollercoaster helps readers navigate the ups and downs of buying a home while also helping them to save money and keep their sanity. Monica Benitez uses her real estate expertise to help homebuyers achieve their goal of owning a home, even if they've been told it's not possible. Within Homebuyer Rollercoaster, readers learn how to:

- Select the right home for themselves and their family by learning to dominate the homebuying process
- Create their Homebuyer Blueprint, which will help them reach their desired outcome
- Budget with down payments and closing costs

Monica Benitez draws on more than twenty years of experience with both residential and commercial real estate to help you make the process less overwhelming—and make your investment more rewarding. One of America's most successful real estate brokers comes to the rescue with a home-buying guide based on decades of experience in helping people find the perfect homes to fit their needs and budgets. Charts, checklists, and sample contracts demystify the home-buying process, while sidebars offer real-life anecdotes. 20 illustrations.
