Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Cruise Ship Tourism, 2nd Edition Nov 20 2022 Completely updated and revised, Cruise Ship Tourism, 2nd Edition covers the economic, social and environmental impacts of cruising, combining the latest knowledge and research to provide a comprehensive account of the subject. Despite the industry growing rapidly, there is a substantial gap in the related literature, and this book addresses the key issues for researchers, students and industry professionals. A valuable 'one-stop-shop' for those interested in cruise ships and maritime tourism, this new edition from major names in the field is also an invaluable resource for anyone concerned more widely with tourism and business development.

Automotive Technician Certification Test Preparation Manual A-Series Jan 22 2023 One of the most trusted test preparation guides in the industry, AUTOMOTIVE TECHNICIAN CERTIFICATION TEST PREPARATION MANUAL A-SERIES, 5th Edition, will help to prepare users for the A1-A8 and L1 ASE certification exams. The guide is highly effective in covering need-to-know information to help users pass their exams. Each section starts with a complete overview of the ASE Tasks for that specific system. Next, each section includes ASE Style practice exams to test your knowledge on these critical ASE

Tasks. Finally, each section ends an explanation of answers and ASE Task remediation. The end result: is a powerful test preparation tool, filled with updated task list theory, practice tests, and abundant, demonstrative graphics, which will arm users with the knowledge they need to master the ASE certification exams. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Death Cruise Apr 25 2023 For pretty Ohioan Joan Rogers and her two teenaged daughters, a Florida sunset cruise was a dream come true. And even though all three were desperately afraid of the water, they were so taken with friendly boat owner Oba Chandler that they gladly accepted a ride with him on beautiful Tampa Bay. Little did naive mom and two daughters know that behind Chandler's mask of a gracious host lurked a daring and ruthless ex-con, a thief and a liar, a seductive Don Juan who used and discarded wives and children. As they sun serenely sank below the Gulf of Mexico, Chandler suddenly shut down the engines, dropped anchor...and turned into a sadistic torturer. Hog-tying and brutally raping all three, Chandler tossed them overboard -- alive -- with 40-pound cement blocks tied to their necks. With cruel laughter, he spoke his last words to them: "Swim for it." But the dark green waters of Tampa Bay refused to hold his monstrous secret, and after only three days, the bodies of his victims surfaced. If it hadn't been for a dedicated team of detectives and the clues provided by Chandler's neighbors, a depraved killer might have gotten away with his ghastly crime. Instead, he now paces the floors of a Florida prison awaiting his rendezvous with the electric chair.

Cruise Management Oct 27 2020 Increasingly, cruise operators are utilising information and communication technologies (ICTs) to improve service-effectiveness and process efficiency, both on- and off-board. Therefore, it is worth initiating a discussion on the potential and challenges ICTs entail for both cruise operators' back-offices and for cruisers' consumption experiences. This book documents the proceedings of the 1st e-Cruising Conference (Bremerhaven, Germany), which was aimed at discussing the possibilities and applicability of ICTs and mobile services in various aspects of cruise operations. Following a rigorous double-blind review, the best papers were chosen to be incorporated in this volume.
