Destined for Me: A Come Back for Me/Say You'll Stay Crossover Novella Jun 19 2022 From New York Times
Bestselling author Corinne Michaels comes an Arrowood-Hennington crossover next generation novella. No one makes my blood boil like Cayden Hennington. When I finished second in my class in law school, he finished first. We interned at the same firm—he got hired while I didn't. Now we're opposing

counsel on my first big solo case, and I refuse to lose to him. I will not think about the way his lips taste or how he makes my heart race. I won't dream of that night we argued until our clothes came off. That night is irrelevant because I am over him. (I'm also lying to myself). However, we're both professionals, right? Wrong. One stupid drink is all it takes after six hours of intense negotiations to find myself right back in his arms and in a world of trouble. There is a thin line between love and hate, and we are destined to choose a side. **Every 1001 Dark Nights novella is a standalone story. For new readers, it's an introduction to an author's world. And for fans, it's a bonus book in the author's series. We hope you'll enjoy each one as much as we do.** Reviews for *Destined for Me*: “Destined for Me by Corinne Michaels packed the tension of an enemies to lovers workplace romance, the angst of finding love in the enemy and then the sweet surprise twist! This novella was spicy, emotional and irresistible!” ~ PP's Bookshelf “Funny, witty, and an oh-so-enjoyable read, Cayden and Hadley set the sheets on fire in this short story.” ~ A Wanton Book Lover “As I have come to expect from Corinne Michaels, *Destined For Me* was a well written, entertaining story that left me with a smile on my face.” ~ Erin, Thelma and Louise Book Blog “I love, love, love that Corinne Michaels gave us this story – a crossover of two of her much-loved books as Hadley from *Come Back for Me* and Cayden from *Say You'll Stay*, come together in a chemistry-filled enemies-to-lovers romance that brings all the feels!” ~ The Escapist Book Blog

Return to Us Oct 31 2020 From New York Times Bestselling author Corinne Michaels comes a new second chance standalone love story. At eighteen, I walked away from Willow Creek Valley for good. I was young, scared, and stupid, and it cost me the love of my life-Grayson Parkerson. Fourteen years later, a

crash sends me back home to recover. Back to where we met, fell in love, and planned a future. The one he's now living as a single dad to his daughter. Working at The Park Inn together gives us a chance to reconnect, and seeing him with his little girl makes me long for the days when he was mine. One look in his gorgeous blue-green eyes, and it's like I never left. One kiss, and my world is upside down. One night together, and I know without a doubt, in his arms is where I belong. I'm not the girl I was-intimidated by his wealthy family and desperate to escape our small town. I can imagine a new life for us here. But he's learned to guard his heart, and trust won't come easily. How can I convince him to give first love a second chance?

We Own Tonight May 31 2023 I'm not a one-night stand kind of woman. I'm especially not the woman who has a few drinks at a concert and ends up in bed with my childhood celebrity crush, Eli Walsh. However, that's exactly where I find myself. What's a girl to do after a drunken mistake? Run. I grab my clothes and get away from the powerful, irresistible, and best-sex-of-my-life superstar as fast as I can. His gorgeous green eyes, rock-hard body, and cocky smile have no place in my world. My life is complicated enough. Someone forgot to tell him that. Eli is relentless. Pushing his way into my heart, wearing me down, proving he's nothing like I assumed, and everything I need. But when my world shatters to pieces, he holds the broken bits together. Unwillingly, I fall desperately in love with him. He made me think we'd have forever . . . I should've listened when he said we could only own tonight.

Imperfect Match Jul 09 2021 From NYT Bestseller Corinne Michaels & USA Today Bestseller Melanie Harlow, comes a sexy friends to lovers standalone romance. Rule number one for a professional matchmaker? Don't fall in love with your client. I screwed that up when I fell for my best friend, Reid Fortino.

He's gorgeous, successful, and sexy as hell. I figured it would be easy to find him a match-and save the family business at the same time. But the more time I spend attempting to find the perfect girl, the more I realize how much I want him for my own. What's the harm if we give in for just one night? I should have known that would never be enough. Now I'm on the verge of losing my job and my heart. We were an imperfect match from the start, but I don't know how to let him go.

A Chance for Us - Special Edition Apr 05 2021 New York Times Bestselling author Corinne Michaels returns to the small town of Willow Creek Valley in this stunning fake marriage romance. My marriage started as a lie. But some lies are worth telling. My father's dying wish was to walk me down the aisle, and I'd do anything for him. Even marry a man I don't love. So when my fiancé jilts me only days before the ceremony, I turn to my college friend, Oliver Parkerson, and convince him to marry me. My family hasn't met either man, so I'm confident we can pull this off. But the feelings, our touches, the way my heart beats for him... none of it feels pretend. The way he holds me at night and carries me through loss tells me he's not acting either. I didn't mean to fall for my fake husband, but real love was the one thing I couldn't predict. Except, nothing built on lies can last-I know that better than anyone. But the truth might tear us apart forever.

One Last Time Aug 02 2023 I'm getting really good at cutting my losses. First, the husband. Divorcing him was the best decision I ever made. But between single-parenting and job-hunting, I can't catch my breath. When a celebrity blogging position falls into my lap, I'm determined to succeed. That is, until I get my first assignment and actually see Noah Frazier for the first time . . . practically naked and dripping wet. My heart races and I forget how to form complete sentences. His chiseled

abs, irresistible smirk, and crystal blue eyes are too perfect to be real. So, what do I do? Get drunk and humiliate myself, of course. I'm ready to forget the awkward night, yet Noah has no intention of allowing me to move on. Instead, he arranges for me to write a feature on him, ensuring a lot more time together. One embarrassing moment after another, one kiss after another, and before I can stop myself, I realize-I'm falling in love with him. But when the unthinkable happens, can I even blame him for cutting his losses? What I wouldn't give for just one last time . . .

Keep This Promise - Special Edition Jul 29 2020 Special Edition Cover with Bonus Material included! I am about to lose everything. My home. My name. My future. My husband was involved in something that could cost us our lives, and on his deathbed, he demands my daughter and I flee Britain. I had no idea he found her biological father, Holden James, in Rose Canyon, and that's where we'd start over. The moment we see each other, feelings I'd long forgotten rush over me. Holden doesn't hesitate to care for us. We find ourselves reaching for each other, even when we should hold back. His smile warms me, his arms protect me, and against my better judgement, I fall for him. All the possibilities of a future are threatened by a looming past. I'm being hunted, and it's just a matter of time before someone finds me guilty of crimes I didn't commit. Whatever trouble my husband was involved in won't evade me forever. I am trying to keep my promise and stay for Holden, but I don't know how long it'll be before we have to run. My name was Sophie Pearson, but I vanished, just like my hope to ever find love again.

If I Only Knew Feb 25 2023 My life was perfect - until a shocking tragedy pulled the rug out from underneath me. My children were left without a father. I was without a husband and a provider. Instead of wallowing in my grief, I buried myself in

my work at Dovetail Enterprises. Landing the promotion as the CEO's right hand was exactly what I needed. Getting saddled with Milo Huxley as an assistant is exactly the opposite. I can't stand him. He's arrogant, irresponsible, and out for my job. As if that's not bad enough, he has to be devastatingly sexy, and have a posh English accent that makes me squirm on top of it all. I've had enough unpredictability for one lifetime, thank you. But soon enough, we're fighting less and laughing more. He's there for me when no one else is. And those good looks aren't the only panty-dropping thing about him. If I only knew what to do about it . . .

So I quit, waving my middle finger on my way out. Now the only things I'm poised for are unemployment and loneliness. When an opportunity with Cole Security arises, it seems like the perfect way to run, all the way to Virginia Beach. I wasn't expecting my childhood sweetheart to be there. I definitely wasn't prepared that when we saw each other again, Benjamin Pryce would be so grown-up. So gorgeous. So Navy SEAL-ish. And still the same guy who broke my heart when I was fifteen--and could do it again. They say if you're fooled once, shame on them. The second time, it's on you. The third time, it's going to
