It's time: The new girls are taking the spotlight at Canterwood Crest! Lauren has moved around enough to have the "new girl" code down: 1. Lay low. 2. But not too low. 3. Don't ambush the in crowd. But Canterwood isn't just any school. And Lauren is about to face an initiation unlike any she's ever encountered. Bon chance, Lauren--you're going to need it! The final book in the Canterwood Crest series is packed with more horses and more drama. Lauren's BFFs, BFs, former friends, and foes alike are hitching a sleigh ride to her hometown in Union, Connecticut...which also happens to be home to Sasha Silver, one of the best equestrians in Canterwood history. Once there, Lauren, Sasha, and all their friends and frenemies find themselves one place they thought they'd never be: on the same team! Call it a truce or a Christmas miracle, but everyone gets in the holiday spirit to help heal retired racehorses—a cause they all believe in more than Santa himself. Get ready to watch the reindeer fly! Lauren & Co. will be unwrapping more drama, joy, secrets, and, of course, competition than ever before. Whose stockings will be filled with candy cane lip

gloss, and whose will be filled with coal? In Chasing Blue, Sasha and her horse, Charm, have proven that they're worthy competitors for the elite Canterwood Crest equestrian team. Things are definitely looking up . . . until Sasha finds out who her riding partner for the semester is: her archnemesi, Queen Bee Heather. Not. Good. And when Heather starts spending a little too much QT with Sasha's almost-boyfriend, Jacob, the partnership is put to the ultimate test. The tension builds in Behind the Bit when Sasha and her team are accepted to a prestigious horse clinic. Can Sasha and Callie work together when it counts? Bella feels jealous for the first time when her cousin visits Crystal Castle and gets along a little too well with Glimmer in the third book in the Unicorn Magic series! Princess Bella is super excited to have her favorite cousin, Violet, visit her at the Crystal Castle! Bella can't wait to introduce Violet to her best friends, and of course, her unicorn, Glimmer. When Sofia arrives, everyone loves her—especially Glimmer and her BFFs, Ivy and Clara. Soon, Bella feels something she has never felt before: jealousy! Will Violet have Bella seeing green for the entire visit? When Sasha Silver and her horse, Charm, arrive on the campus of the elite Canterwood Crest Academy, Sasha knows that she's in trouble. She's not exactly welcomed with open arms. One group of girls in particular is used to being the best, the brightest, and the prettiest on the team, and when Sasha shows her skills in the

arena, the girls' claws come out. Sasha is determined to prove that she belongs at Canterwood. Will she rise to the occasion and make the advanced riding team by the end of her first semester? Or will the pressure send Sasha packing? Sasha and Heather have a rocky friendship, to say the least. But it's Heather who Sasha must turn to when she and her best friend, Paige, have a huge fight right before Fall Break. The problem? Sasha was supposed to spend the vacation with Paige in New York City. And since Heather also lives in Manhattan...The solution may not be pretty, but Sasha doesn't have much choice. Can she and Heather put aside their differences and enjoy their time away from school? "This rich volume is a national treasure." —Kirkus Reviews (starred review) "Captivating, informative, and inspiring...Easy to follow and hard to put down." —School Library Journal (starred review) The inspiring autobiography of NASA mathematician Katherine Johnson, who helped launch Apollo 11. As a young girl, Katherine Johnson showed an exceptional aptitude for math. In school she quickly skipped ahead several grades and was soon studying complex equations with the support of a professor who saw great promise in her. But ability and opportunity did not always go hand in hand. As an African American and a girl growing up in an era of brutal racism and sexism, Katherine faced daily challenges. Still, she lived her life with her father's words in mind: "You are no better than anyone else, and nobody else is

better than you." In the early 1950s, Katherine was thrilled to join the organization that would become NASA. She worked on many of NASA's biggest projects including the Apollo 11 mission that landed the first men on the moon.

Katherine Johnson's story was made famous in the bestselling book and Oscar-nominated film *Hidden Figures*. Now in *Reaching for the Moon* she tells her own story for the first time, in a lively autobiography that will inspire young readers everywhere. Welcome to Canterwood Crest! The first four titles in the popular Canterwood Crest series are now available as a collectible boxed set. Find out how it all began for Sasha Silver and her horse, Charm, as they arrive on the campus of Canterwood Crest Academy. New friendships, new drama, and new experiences await behind the gates for Sasha—and life will never be the same. This boxed set includes the first four books in the Canterwood Crest series: *Take the Reins*, *Chasing Blue*, *Behind the Bit*, *Triple Fault*. *Heartland* is a horse farm nestled in the hills of Virginia, but it's much more than that.

*Heartland* is a place like no other -- a place where the scars of the past can be healed, a place where frightened and abused horses learn to trust again. When Amy finds out her sister, Lou, is trying to get in touch with their estranged father, she doesn't know how to feel. She isn't willing to let her father into her life again. Forcing herself to forget about it, Amy focuses her attention on the new horse, Melody. But when complications develop with Melody's

unborn foal, it takes nothing short of a miracle to help Amy realize that life is not about the pain you've felt in the past, but the hope you hold for the future. Some Girls Just Have To Be The Best At Everything. If any two girls know about being the best, it's Heather Fox and Jasmine King. Just ask them; they'll be happy to tell you. But every girl knows that there can only be one "best." Can Sasha keep the girls from turning the arena into a war zone and still snag a spot on the coveted Youth Equestrian National Team? The new exchange student means serious competition for Lauren and her friends—because at Canterwood Crest, only one rider can be at the top. Rankings on Canterwood's intermediate team are falling into place—in Lauren's favor. Then blond, beautiful foreign exchange student Carina arrives. The new girl puts on a million-watt smile, but it doesn't dazzle LT. Carina is out to show Canterwood students just how riders from her home country of Sweden take the arena. And with a local show on the horizon, Carina's especially ready to impress—which means Lauren and her friends better be especially ready to represent, because Carina's in place to steal the spotlight. *Mean Girls* meets *Black Beauty* in *Horse Girl* by celebrated author Carrie Seim--a funny and tender middle-grade novel about finding your forever herd. "This book is funny and exciting. Beautifully portrays both the pleasures and risks of riding horses and also of being a teen. Very original, and a great pleasure to read."--Jane Smiley, Pulitzer

Prize-winning author Wills is a seventh grader who's head-over-hoof for horses, and beyond excited when she gets the chance to start training at the prestigious Oakwood Riding Academy. But Amara--the Queen of the #HorseGirls--and her posse aren't going to let the certifiably dork-tagious Wills trot her way into their club so easily. Between learning the reins of horse riding, dealing with her Air Force pilot mom being stationed thousands of miles from home, and keeping it together in front of (gasp!) *Horse Boys*, Wills learns that becoming a part of the #HorseGirl world isn't easy. But with her rescue horse, Clyde, at her side, it sure will be fun. Complete with comedic, original hoof notes to acquaint the less equestrian among us, *Horse Girl* delivers everything a young readers wants: mean girls, boy problems, and embarrassingly goofy dad jokes. And it does so on the back of a pony. Donovan Morgan rules his billion-dollar international company with an iron fist. But in the privacy of his bedroom, he hungers for an iron lady to rule his body. Lilly Harrison helps her clients tame their personal demons by taming them. Lots of men—blue collar to white collar—enjoy female domination. But the ultra-rich and powerful CEO is alpha to the core. In public, that is. Donovan selects his potential Mistress as carefully as a prime investment opportunity, and negotiates a contract as tight and binding as any corporate takeover. He must ensure his privacy at all cost—even if he has to resort to a little blackmail to ensure her

full cooperation. When the indomitable Miss Harrison laughs in his face, tears his contract up, and walks out without a backward glance, it seals the deal. Donovan will have her. Even if she makes him crawl to her side. Each story in the Billionaires in Bondage series is a standalone story that can be enjoyed in any order. Series order: Book #1: The Billionaire Submissive Book #2: The Billionaire's Ink Mistress Book #3: The Billionaire's Christmas Bargain Canterwood Crest Academy cordially invites you to a costume party—with a special sweetheart surprise. Canterwood is known for its fabulous parties, and Halloween is no exception. Lauren Towers is especially excited for the big day. Not only is it her favorite holiday, it's also her birthday! And this year, she and her friends will celebrate in style—by attending Canterwood's first-ever masquerade ball. What Lauren doesn't know is that there's a special someone behind a mask, just waiting to be revealed. Will this mysterious guest make this masquerade magnifique, or will her perfect birthday bash become a bummer? In *Rival Revenge*, the truth is out about whether Julia and Alison really cheated on the test that got them kicked off the riding team. Now they're back, and this time, they're not just in it to win it—they're out for revenge. A dish that's definitely best served cold. "Who better to raise teens' awareness of mental illness and health than the YA authors they admire?" —Booklist (starred review) "[A] much-needed, enlightening book." —School Library Journal

(starred review) Your favorite YA authors including Ellen Hopkins, Maureen Johnson, and more recount their own experiences with mental health in this raw, real, and powerful collection of essays that explores everything from ADD to PTSD. Have you ever felt like you just couldn't get out of bed? Not the occasional morning, but every day? Do you find yourself listening to a voice in your head that says "you're not good enough," "not good looking enough," "not thin enough," or "not smart enough"? Have you ever found yourself unable to do homework or pay attention in class unless everything is "just so" on your desk? Everyone has had days like that, but what if you have them every day? You're not alone. Millions of people are going through similar things. However issues around mental health still tend to be treated as something shrouded in shame or discussed in whispers. It's easier to have a broken bone—something tangible that can be "fixed"—than to have a mental illness, and easier to have a discussion about sex than it is to have one about mental health. *Life Inside My Mind* is an anthology of true-life events from writers of this generation, for this generation. These essays tackle everything from neurodiversity to addiction to OCD to PTSD and much more. The goals of this book range from providing a home to those who are feeling alone, awareness to those who are witnessing a friend or family member struggle, and to open the floodgates to conversation. A brave teen recounts her debilitating struggle with

obsessive-compulsive disorder—and brings readers through every painful step as she finds her way to the other side—in this powerful and inspiring memoir. Until sophomore year of high school, fifteen-year-old Allison Britz lived a comfortable life in an idyllic town. She was a dedicated student with tons of extracurricular activities, friends, and loving parents at home. But after awakening from a vivid nightmare in which she was diagnosed with brain cancer, she was convinced the dream had been a warning. Allison believed that she must do something to stop the cancer in her dream from becoming a reality. It started with avoiding sidewalk cracks and quickly grew to counting steps as loudly as possible. Over the following weeks, her brain listed more dangers and fixes. She had to avoid hair dryers, calculators, cell phones, computers, anything green, bananas, oatmeal, and most of her own clothing. Unable to act "normal," the once-popular Allison became an outcast. Her parents questioned her behavior, leading to explosive fights. When notebook paper, pencils, and most schoolbooks were declared dangerous to her health, her GPA imploded, along with her plans for the future. Finally, she allowed herself to ask for help and was diagnosed with obsessive-compulsive disorder. This brave memoir tracks Allison's descent and ultimately hopeful climb out of the depths. In the next two installments of the four-book arc that began with *City Secrets*, the tide has turned at the elite Canterwood Crest Academy....Will Sasha Silver

"The bitingly hilarious, heartfelt This May End Badly takes your favorite fake dating trope and adds plenty of downright delightful shenanigans that'll have readers tearing through the pages."—Emma Lord, New York Times bestselling author of You Have a Match Pranking mastermind Doe and her motley band of Weston girls are determined to win the century-long war against Winfield Academy before the clock ticks down on their senior year. But when their headmistress announces that The Weston School will merge with its rival the following year, their longtime feud spirals into chaos.
