The Girl from Baghdad Sep 01 2021

"Michelle Nouri was born in Prague but grew up in vibrant pre-war Baghdad. Her privileged Iraqi childhood was like a fable; full of sun and games with her sisters and cousins in the crowded house of Bibi, matriarch of the powerful Nouri family. As a young girl, Michelle didn't fully understand the tensions between East and West that existed in her upbringing - Muslim ceremonies, Christian friends, Communist restrictions, private ballet classes and overseas trips. Her adolescence complicated things as family tradition dictated she should marry a cousin. She resisted - and instead found herself flirting with Uday Hussein, Saddam's eldest son. He invited her into a seductive world of tennis matches and moonlit concerts. But then, without warning, her privileged world imploded. The idyllic city of her childhood was devastated by war, and her father deserted his family to take a second wife. Michelle, her mother and sisters were abandoned and left impoverished. In desperation, they fled to Czechoslovakia, and embarked on a painful and emotional journey between cultures - Arabic, Communist and Western."--Wheelers.co.nz.

Aggressor Dec 16 2022 Former covert operator Nick Stone seems to be living his dream in book eight of the best-selling series - not a care in the world as he steers his camper van around the surfing and parachuting paradise of Australia. But when he sees a news report of the massacre of women and children in a terrorist outrage on the other side of the world, long-suppressed memories are triggered, and Nick knows he must risk everything to repay a longstanding debt of friendship. As events unfold in the teeming streets of modern Istanbul and the bleak, medieval villages of Georgia, Nick finds himself catapulted once more into the murky, clandestine world he thought he'd left behind - a world in the grip of nameless enemies who linger in the shadows, and stalk the corridors of power...

Jezebel May 09 2022 A stunning novel about mothers and daughters, about vengeance, and an aging, still beautiful woman on trial for shooting her lover. In a French courtroom, the trial of a woman is taking place. Gladys Eysenach is no longer young, but she remains striking, elegant, cold. She is accused of shooting dead her much-younger lover. As the witnesses take the stand and the case unfolds, Gladys relives fragments of her past: her childhood, her absent father, her marriage, her turbulent relationship with her daughter, her decline, and then the final irrevocable act. With the depth of insight and pitiless compassion we have come to expect from the acclaimed author of *Suite Francaise*, Irene Nemirovsky shows us the soul of a desperate woman obsessed with her lost youth.

The Treatise Against Hermogenes Jun 17 2020 Hermogenes was still living when

Carthage's native son took up his pen to oppose him, but that did not make Tertullian's polemic more considerate, or his satire less passionate and biting. Hermogenes taught a form of materialism. Tertullian brilliantly convicts him of contradiction. +

Limitations Feb 23 2021 A Picador Paperback Original From the #1 New York Times bestselling author of Presumed Innocent comes a compelling new legal mystery featuring George Mason from Personal Injuries. Originally commissioned and published by The New York Times Magazine, this edition contains additional material. Life would seem to have gone well for George Mason. His days as a criminal defense lawyer are long behind him. At fifty-nine, he has sat as a judge on the Court of Appeals in Kindle County for nearly a decade. Yet, when a disturbing rape case is brought before him, the judge begins to question the very nature of the law and his role within it. What is troubling George Mason so deeply? Is it his wife's recent diagnosis? Or the strange and threatening e-mails he has started to receive? And what is it about this horrific case of sexual assault, now on trial in his courtroom, that has led him to question his fitness to judge? In *Limitations*, Scott Turow, the master of the legal thriller, returns to Kindle County with a page-turning entertainment that asks the biggest questions of all. Ingeniously, and with great economy of style, Turow probes the limitations not only of the law but of human understanding itself.

Twisted May 17 2020 TWISTED is the second Petra Connor novel and a superb example of international bestseller Jonathan Kellerman's mastery of the psychological thriller as demonstrated in his renowned Alex Delaware series, which includes KILLER and BREAKDOWN. Jonathan's tense and nail-biting writing will appeal to all fans of Karin Slaughter and Harlan Coben. 'An elaborate, tangled web . . . with unsuspected turns at every chapter break . . . this addictive tale . . . is as intricately detailed as it is tantalizingly page-turning' (Entertainment Weekly). Detective Petra Connor is struggling with a baffling drive-past murder when Isaac Gomez, a young research prodigy, tells her he's found something she might want to see. His theory that there's a connection between six unsolved murders committed in the LAPD area over the past six years, all at around midnight on June 28, seems fanciful at first - but soon the links become clearer. Something evil has managed to conceal itself between the dry pages of the files: a series of killings so meticulously constructed that the mind behind them would have remained invisible without Isaac's sharp probing. And June 28 is just a month away - will Petra be able to stop the murderer from striking again?

Sicilian Tragedee Feb 18 2023 Balding, forty-something Mister Alfio Turrisi, an up-and-coming mafioso in Catania, has the deep pockets that London's financial world loves. He, in turn, loves Betty, the spoiled young daughter of Turi Pirrotta, a rival Catanian mobster. Alfio and Betty would seem to be the Romeo and Juliet of this poison-pen valentine to Ottavio Cappellani's native Sicily. That is, until we meet another pair of star-crossed lovers: gay theater director Tino Cagnotto and his bored and sexy young amore, Bobo. Because the way Tino sees it, the real heat in Shakespeare's tragedy is between Romeo and Mercutio, not Romeo and Juliet . . . Set in a twenty-first-century Sicily rife with moody aristocrats, vain politicians, inept gangsters, shabby theater actors, and high-tech killers, Cappellani's hilarious second novel—part Tarantino-style operetta, part soap opera—is also a surprising tribute to the Bard.

Drawing a Tree Jun 29 2021 For *Drawing a Tree*, Bruno Munari proposes: "When drawing a tree, always remember that every branch is more slender than the one that came before. Also note that the trunk splits into two branches, then those branches split in two, then those in two, and so on, and so on, until you have a full tree, be it straight, squiggly, curved up, curved down, or bent sideways by the wind."

Marrying the Mistress Aug 20 2020 "Just as one has forgotten the intense pleasure of reading Trollope, along comes another flawless novel." —*Library Journal* (starred review) "A pleasure to read." —*The Washington Post* "Despite its title, *Marrying the Mistress* is no mere sexy romp detailing the lurid details of a juicy affair. Instead, Joanna Trollope offers a domestic drama that gives us an insider's view of what happens to a family when the respected head of the household—60-year-old judge Guy Stockdale—announces he is leaving his wife of 40 years to marry his much younger mistress, Merrion. From his teenage grandson who thinks it's cool that Gramps can still snag a hot young babe to his feisty daughter-in-law who sets up a secret meeting to check out the Other Woman, this is a nuanced tale that manages to be both familiar and surprising. What makes the situation complex—and the book beach-bag worthy—is that Merrion is far from the stereotypical villain/slut/husband stealer. She is intelligent, independent, successful and impossible not to like. Reading *Marrying the*

Mistress is like spying on the neighbors that everyone on the street is gossiping about—without the guilt.” —Salon.com “A modern-day Austen.” —Library Journal (starred review) “Masterful storytelling and memorable characters...a wise and gently truthful take on a highly charged subject.” —Kirkus Reviews (starred review) “This novel should easily vault onto the bestseller lists.” —Publishers Weekly (starred review) “[Marrying the Mistress] must be the popular British writer’s most daring novel, as well as one of her most interesting...bracing and original...Trollope at her most challenging and thought-provoking.” —The Cleveland Plain Dealer “Entertaining...great beach reading.” —USA Today “A novel rich in accurate, piercing detail of domestic life and populated with strongly developed, realistic characters...absorbing and excellent.” —Booklist “Splendidly nuanced.” —Kirkus Reviews (starred review) “A great beach or vacation read.” —The Baltimore Sun “Trollope again displays her extraordinary gift for representing the intricacies of familial relationships and the vicissitudes of domestic life...None of the themes here—betrayal and anger, the lovers’ age difference, the grasping mother, the daughter-in-law’s resentment—are terribly unusual, but Trollope’s proven ability to present them intelligently, as moral and emotional tangles faced by thinking, interesting people, satisfyingly combines the universally recognizable and the intellectually engaging.” —Publishers Weekly (starred review)

“Essential.” —Library Journal (starred review) **The Religion of the Manichees** Nov 15 2022 **Little Black Book of Stories** Jan 05 2022 Like Hans Christian Andersen and the Brothers Grimm, Isak Dinesen and Angela Carter, A. S. Byatt knows that fairy tales are for grownups. And in this ravishing collection she breathes new life into the form. Little Black Book of Stories offers shivers along with magical thrills. Leaves rustle underfoot in a dark wood: two middle-aged women, childhood friends reunited by chance, venture into a dark forest where once, many years before, they saw—or thought they saw—something unspeakable. Another woman, recently bereaved, finds herself slowly but surely turning into stone. A coolly rational ob-gyn has his world pushed off-axis by a waiflike art student with her own ideas about the uses of the body. Spellbinding, witty, lovely, terrifying, the Little Black Book of Stories is Byatt at the height of her craft. *Dualist Heresy in the Middle Ages* Apr 27 2021 Spis se v podstatě zabývá dualistickou heretikou středověku a vychází ze základních medievalních doktrín. Věnuje pozornost paulikiánskému hnutí, které vzniklo v sedmém století v Západní Arménii. Studuje toto hnutí a v něm se projevující protifeudální boj mas, hlavně rolnictva a jeho vliv na bogomilství. Probírá z historického hlediska heretický a dualistický charakter bogomilství, které vzniklo v Bulharsku v 10. století, stavělo se proti církvi a jejím obřadům i proti soukromému vlastnictví. [A Study in Anti-Gnostic Polemics](#) Jul 11 2022 Gnostic beliefs presented themselves as a major challenge to Irenaeus of Lyons (Against Heresies, ca. A.D. 180), Hippolytus of Rome (the presumed author of the Elenchos Against All Heresies, post-A.D. 222), and Epiphanius of Salamis (Panarion, A.D. 374-77). What was at stake for them were life-and-death issues; the nature of Christianity and the question of truth. While recent manuscript finds shed new light on gnostic thought, the writings of the heresiologists are still indispensable—for knowledge of gnostic teaching but also of "what certain influential authors in the emergence of catholic Christianity considered ... the pivotal point on which Christianity would stand or fall." The writings of these three heresiologists, observes Vallée, offer "excellent illustrations of what heresiology was in three successive centuries" and how it developed. Their influence on the style of Christian polemics was decisive and lasting. Vallée analyzes the arguments of each of the three heresiologists in order to discern the central concerns of each. **Nag Hammadi Codex I (the Jung Codex)** Nov 03 2021 [The Devil's City](#) Jul 19 2020 In the latter half of the 19th century Chicago grew from a town of a few thousand farmers to a sprawling metropolis of skyscrapers and a population of over 500,000. Those final decades were associated

with rampant growth, progress, and innovations culminating in the World's Exposition of 1893. Yet Chicago's emergence to prominence was not without tragedy. The Great Chicago Fire of 1871 nearly reduced the city to embers. Riots and strikes broke out. And there was the World's Exposition. The bustle of the World's Expo hid an appalling snake in the grass, Mr. Herman Webster Mudgett, aka Dr Henry Howard Holmes. Holmes would become infamous as America's first serial killer and proprietor of The Murder Castle. He confessed to 27 murders, and was purported to have killed as many as 200 victims before his capture. Some believed he may have been Jack the Ripper. Others knew him as a devil. *The Devil's City* is an illustrated novella by Sara Tantlinger and Matt Corley. Within its pages the book follows H.H. Holmes as he stalks and captures five victims through chaos and confusion of the 1893 World's Exposition. "The Devil's City is a helluva thrill ride, delving deep into the sick history of serial killer HH Holmes, brutally peeling back the layers of his evil legacy through a series of surprising character studies, viciously unraveling Holmes' evil blood lust, victim after victim, until it reveals an unexpected core lurking behind it all. Holmes experts Sara Tantlinger and Matt Corley have built a whole new underworld around the killer's infamous Murder Castle at turn of the century Chicago, and this book takes you straight down into the twisted intricacies its darkest abyss. LOVED IT." - Michael Arnzen,

Bram Stoker Award-winning author of *Play Dead* "In *The Devil's City*, Sara Tantlinger & Matt Corley have created a phantasmagoric fun house of a novel, heavy on the gore. The novella takes the story of H.H. Holmes and gives it an even darker twist. A suspenseful, highly recommended read." - John F.D. Taff, Multiple Bram Stoker Award Nominee, author of *The Fearing*. The book is illustrated by Daniele Serra, Francois Vaillancourt, Sam Araya, and others. To bring the reader further into the Holmes' lair, an appendix of exquisitely detailed hand drawn maps of the World's Fair Hotel are included.

Retroviruses 1 Apr 20 2023 1. 1 Scope of the Review This review was intended initially as a reference source for those interested in the origins and FITst descriptions of the defective avian sarcoma viruses. Quite a few of these viruses have been characterized in the past few years and their varied nomenclature according to source, discoverer, date of isolation or biological properties could result in some confusion among those attempting to follow the literature. Information will be included on the molecular biology of the sarcoma viruses, rather more of which is available than when the review was FITst conceived, although in this respect the review will inevitably be out of date by the time of publication. If any bias of content is introduced, this will be towards a more detailed coverage of the author's own area of interest, the gene products of the defective sarcoma viruses. Rous sarcoma virus (RSV) serves as the model for much of this work and will frequently be referred to for comparative purposes, as will the mammalian defective transforming viruses. Recent reviews provide more complete coverage of these topics (1-4a). This review is complemented by a discussion of the avian acute leukaemia viruses, which appears elsewhere in this volume [5]. As will be seen, concentrating primarily on the defective sarcoma viruses and comparing them to RSV can be justified in terms of their biochemical properties as well as their similar biology. Borrowed Finery Aug 12 2022 An exotic,

heartbreaking memoir that should finally earn Paula Fox, a distinguished novelist and children's book writer, the audience she has for decades deserved. Paula Fox has long been acclaimed as one of America's most brilliant fiction writers. *Borrowed Finery*, her first book in nearly a decade, is an astonishing memoir of her highly unusual beginnings. Born in the twenties to nomadic, bohemian parents, Fox is left at birth in a Manhattan orphanage, then cared for by a poor yet cultivated minister in upstate New York. Her parents, however, soon resurface. Her handsome father is a hard-drinking screenwriter who is, for young Paula, "part ally, part betrayer." Her mother is given to icy bursts of temper that punctuate a deep indifference. How, Fox wonders, is this woman "enough of an organic being to have carried me in her belly"? Never sharing more than a few moments with his daughter, Fox's father allows her to be shunted from New York City, where she lives with her passive Spanish grandmother, to Cuba, where she roams freely on a relative's sugar-cane plantation, to California, where she finds herself cast upon Hollywood's grubby margins. The thread binding these wanderings is the "borrowed finery" of the title—a few pieces of clothing, almost always lent by kind-hearted strangers, that offer Fox a rare glimpse of permanency. Vivid and poetic, *Borrowed Finery* is an unforgettable book which will swell the legions of Paula Fox's devoted admirers.

Burning Bright Dec 04 2021 From the author

of the international bestseller *Girl With a Pearl Earring* and *At the Edge of the Orchard*, comes a stirring eighteenth-century coming-of-age tale. In the waning days of eighteenth-century London, poet, artist, and printer William Blake works in obscurity as England is rocked by the shock waves of the French Revolution. Next door, the Kellaway family has just moved in, and country boy Jem Kellaway strikes up a tentative friendship with street-savvy Maggie Butterfield. As their stories intertwine with Blake's, the two children navigate the confusing and exhilarating path to adolescence, and inspire the poet to create the work that enshrined his genius.

[Ethan Stowell's New Italian Kitchen](#) Aug 24 2023 Welcome to Ethan Stowell's *New Italian Kitchen*--not so much a place as a philosophy. Here food isn't formal or fussy, just focused, with recipes that honor Italian tradition while celebrating the best ingredients the Pacific Northwest has to offer. We're talking about a generous bowl of steaming handmade pasta--served with two forks for you and a friend. Or perhaps an impeccably fresh crudo, crunchy cucumber and tangy radish accenting impossibly sweet spot prawns. Next up are the jewel tones of a beet salad with lush, homemade ricotta, or maybe a tangle of white beans and clams spiked with Goat Horn pepper--finished off with a whole roasted fish that begs to be sucked off the bones. Oh, some cheese, a

gooseberry compote complementing your Robiola, or the bittersweet surprise of Campari sorbet. This layered approach is a hallmark of Ethan's restaurants, and in his *New Italian Kitchen*, he offers home cooks a tantalizing roadmap for re-creating this style of eating. Prepare a feast simply by combining the lighter dishes found in "Nibbles and Bits"—from Sardine Crudo with Celery Hearts, Pine Nuts, and Lemon to Crispy Young Favas with Green Garlic Mayonnaise—or adding recipes with complex flavors for a more sophisticated meal. Try the luscious Corn and Chanterelle Soup from "The Measure of a Cook;" or the Cavatelli with Cuttlefish, Spring Onion, and Lemon from "Wheat's Highest Calling." Up the ante with a stunning Duck Leg Farrotto with Pearl Onions and Bloomsdale Spinach from "Starches to Grow On," or choose one of the "Beasties of the Land," like Skillet-Roasted Rabbit with Pancetta-Basted Fingerlings. Each combination will nudge you and your guests in new, unexpected, and unforgettable directions. Every page of Ethan Stowell's *New Italian Kitchen* captures the enthusiasm, humor, and imagination that make cooking one of life's best and most satisfying adventures.
