*A life prolonging enzyme has been discovered deep  
in the North Atlantic, in an area known as 'Lost  
City'. Harvesting the enzyme has lead to dead  
bodies. More bodies appear in the Alps and on a  
remote Greek island. Kurt Austin and his NUMA  
team must find the connection fast! Intrepid  
detective Isaac Bell engages in his most  
dangerous case yet. It is 1910, the age of flying  
machines is still in its infancy, and newspaper  
publisher Preston Whiteway is offering \$50,000  
for the first daring aviator to cross America in  
fewer than fifty days. He is even sponsoring one*

of the prime candidates - an intrepid aviatrix named Josephine Frost - and that's where Bell, chief investigator for the Van Dorn Detective Agency, comes in. Frost's violent-tempered husband has just killed her lover and tried to kill her, and he is bound to try again. Bell has tangled with Harry Frost before, and knows the man has made his millions leading gangs of thieves, murders and thugs in every city across the country. He also knows Frost won't be after just his wife, but after Whiteway as well. And Bell knows that if he takes the case, Frost will be after him, too. Yes, Bell knows all that, but he still has no idea what he has just gotten himself into. Things are not quite what they seem to him - and over the next several weeks, that may well prove to be fatal. Filled with the intricate plotting and dazzling set pieces that are Cussler's trademarks, *The Race* is a stunning new novel from the grandmaster of adventure.

PRAISE FOR CLIVE CUSSLER 'The guy I read' TOM CLANCY 'Clive Cussler is hard to beat' DAILY MAIL 'Delivers what it promises' FINANCIAL TIMES A SUNDAY TIMES BESTSELLER 'Cussler is hard to beat' Daily Mail The superb third Dirk Pitt classic from multi-million-copy king of the adventure novel, Clive Cussler. The towering iceberg drifting in the North Atlantic was a floating tomb. Embedded in the great gleaming mass was a ship - sealed in so solidly that not even its mast protruded. Here was a sea mystery to rank alongside the Bermuda Triangle and the Marie

Celeste. But for Major Dirk Pitt, top troubleshooter for the National Underwater and Marine Agency, it was also the first link in a fantastic chain of events that would lead him too close - and too often - to violent death. And to the discovery of the most sinister and bizarre conspiracy of the century . . . ICEBERG. 'Clive Cussler is the guy I read' Tom Clancy 'The Adventure King' Daily Express Investigator Isaac Bell is on the trail of a ruthless espionage agent . . . On the ocean liner Mauretania, two European scientists with a dramatic new invention are barely rescued from abduction by the Van Dorn Detective Agency's intrepid chief investigator, Isaac Bell. Second in a two-book saga. Bronwyn McGregor has known the depths of heartache. Having lost the man she'd loved since childhood and the child their great love created, she has thrown herself into her work as a psychologist, determined to help those who cannot help themselves. The last thing on her mind is finding romance among the criminally insane at Baybridge Sanitarium. From a seething cauldron of evil, Viraidan Cree was created in the frigid winds of space. Dredged up from a bog in the wilds of Ireland where he has spent centuries of unlife, he is a Reaper, a warrior among warriors, a being so lethal, so dangerous he cannot be controlled. Yet lurking within the reborn warrior is the spirit of a dead man whose love has survived against all odds. Given the job to secure the safety of those who work at Baybridge, Cree takes

one look at Bronwyn and vows to make her his own. But the NightWind Danyon Hart is listening to the Reaper's deep desires. He too has his sights set on Bronwyn and will allow no one to get in his way...especially not a Reaper! Note: We recommend reading BlackWind: Sean and Bronwyn before reading BlackWind: Viraiden and Bronwyn. This story is not for the faint of heart. Dirk Pitt es un hombre de acción, siempre listo para cualquier reto, siempre preparado para enfrentarse con ingenio y fuerza física contra cualquier problema irresoluble. Se han producido varias muertes misteriosas en una isla de Alaska, así como un ataque por sorpresa a Dirk Pitt durante el reconocimiento de un submarino japonés hundido durante la Segunda Guerra Mundial. Se trata de hechos inconexos, pero que ponen a Pitt en el rastro de una vasta conspiración. A finales de la guerra, los japoneses habían protagonizado un último y desesperado intento de atacar Estados Unidos con el envío de dos submarinos a la costa Oeste con una peligrosa carga: un virus letal. Los submarinos se hundieron. Sin embargo, las armas bacteriológicas no perdieron su mortífera capacidad. Y no falta gente sin escrúpulos dispuesta a aprovecharse de ello. Por eso Dirk Pitt, junto con sus hijos gemelos Summer, bióloga marina, y Dirk, ingeniero marino, se dispone a localizar y aniquilar la amenaza mediante una arriesgada operación. Y ello a pesar de que nunca se había enfrentado a un enemigo tan despiadado y con tanto poder de destrucción. Reseña: «Un

*thriller de padre e hijo protagonizado por un equipo de padre e hijo que sabe explotar aún más la acción y los peligros marca de la casa.»*

*Kirkus Review* Le navire garde-côtes Catawaba vogue dans l'Atlantique Nord, pas très loin de l'Islande. A son bord, un scientifique, Hunnewell, spécialiste des formations glaciaires. Et Dirk Pitt, l'homme des missions aventureuses en mer, bien connu des lecteurs de *Trésor* ou de *Cyclope*. Leur objectif : un iceberg, qui dérive lentement vers le sud, emportant avec lui, nettement visible en transparence, un bateau emprisonné dans sa gangue de glace. Leur mission : percer les secrets que détient dans ses flancs cet incroyable vaisseau fantôme. Des secrets dangereux, assurément. A preuve les quinze hommes qu'ils vont découvrir à son bord et qui ont été atrocement exécutés au lance-flammes.

*Around the world* ancient artefacts are suddenly appearing, hinting at a catastrophe that will soon visit Earth... Dirk Pitt is on hand at a Colorado archaeological site where an ancient and mysterious artefact has been found - one that is perhaps linked to other strange objects turning up across the globe. Stranded in the Sahara desert, Dirk Pitt and his friends uncover the truth about the fate of 1930s aviator Kitty Mannoek and the secret behind Lincoln's assassination. Reissue. On orders from the Pentagon, marine explorer Dirk Pitt must salvage crucial material from the world's most infamous maritime disaster in this novel in the #1 New

York Times–bestselling series. The President's secret task force has developed an unprecedented defensive weapon that relies on an extremely rare radioactive element—and Dirk Pitt has followed a twisted trail to a secret cache of the substance. Now, racing against brutal storms, Soviet spies, and a ticking clock, Pitt begins his most thrilling mission—to raise from its watery grave the shipwreck of the century... December, 1941. Four brothers investigate the secrets of a treasure pit on a small island in the Pacific. But a sudden death and the coming war allow its secrets to lie forgotten . . . Present day. Juan Cabrillo and the Oregon team have been sent to locate the remains of a crashed NASA satellite in the Argentine jungle. Coming under attack, they make a mysterious discovery which sends them to a small Pacific island. There, they will discover the deadly secrets of an ancient Chinese expedition – by the lost ship *The Silent Sea*. Now Cabrillo and his team are in a race against time to find the remains of *The Silent Sea*. Because there will be terrible consequences if someone else finds it first . . . *The Silent Sea* is a gripping, white-knuckle ride of a novel, and is Clive Cussler at his brilliant best. A **PLUNDERED TREASURE IN THE PHILIPPINE ISLANDS** . . . A **NUCLEAR EXPLOSION IN THE PACIFIC** . . . **AN EVIL PLOT TO BRING THE WEST TO ITS KNEES!** A Japanese cargo ship bound for the United States is instantly, thunderously vaporized by Japanese fanatics with a chilling plan to devastate and

destroy the Western powers. While Washington bureaucrats scramble, a brutal industrialist commands his blackmail scheme from a secret island control center. But from the ocean depths, NUMA agent DIRK PITT® is igniting a daring counterattack. Battling death-dealing robots and a human-hunting descendant of samurai warriors, Pitt alone controls the West's secret ace in the hole: a tidal wave of destruction waiting to be triggered on the ocean floor! Husband-and-wife team Sam and Remi Fargo come up against an old enemy while searching for a treasure that has been lost for centuries in this exciting adventure in the bestselling series by the Clive Cussler, Grand Master of Adventure. Ten years ago, a chance meeting at the Lighthouse Café in Redondo Beach led Sam Fargo and Remi Longstreet on the adventure of a lifetime, hunting the legendary riches stolen from the Persian King Croesus in 546 B.C. But they weren't the only ones. Someone else is after the gold, and he's willing to kill anyone who gets in his way. When Sam and Remi run afoul of a criminal drug-running operation, their hopes of finding the treasure are dashed. But with Sam's ingenuity and Remi's determination, they survive their confrontation with the drug runners, and manage to send one of the key players to prison. Though the cache of gold is never found, life goes on. Sam and Remi marry--and years later return to Greece to find the one treasure that got away. Time becomes their enemy when the kingpin they helped send to

prison over a decade ago is released--and he has two goals in mind. Find the legendary hoard of King Croesus, and kill Sam and Remi Fargo. The Fargos know that as long as this gold is out there, no one is safe. They return to Greece for a final showdown--and one last chance to find that elusive treasure. Fearless adventurer Dirk Pitt must unravel a historical mystery of epic importance in the latest novel in the beloved New York Times bestselling series created by the "grand master of adventure" Clive Cussler. When NUMA director Dirk Pitt discovers a forgotten plane crash in the Philippine Sea, he unearths clues pointing to an invaluable Buddhist artifact that has been lost for decades. But soon, he will learn that he's not the only one making earthshattering discoveries. During a mission to recover a failed hypersonic missile from Luzon Strait, Pitt finds himself racing against a rogue Chinese military team...who have hijacked a ship strong enough to stir the ocean into a veritable Devil's Sea. From the cold depths of the Pacific to the dizzying heights of the Himalayas, only Pitt and his children can unravel the mysteries that will preserve a religion, save a nation...and save the world from war. A Dirk Pitt adventure. When a key element of a new and powerful attack submarine goes missing and ships begin disappearing in mid-ocean, NUMA director Dirk Pitt and his team embark on an international chase to discover the truth. September 1858: An Antarctic whaler stumbles upon an aged wreck, its

grisly frozen crew guarding crates of odd antiquities including a beautifully carved obsidian skull. March 2001: A team of anthropologists gaze in awe at a well of strange inscriptions, moments before a blast seals them deep within the Colorado rock. April 2001: A research ship in the Antarctic is set upon and nearly sunk by an impossibility—a Nazi submarine thought to have been destroyed 56 years ago. Dirk Pitt knows that somehow these incidents are connected, and his investigations soon land him in the midst of an ancient mystery with very modern consequences, racing to save not only his own life but the future of the world itself. Juan Cabrillo and the Oregon crew return in Clive Cussler's "Dark Watch". A deadly band of pirates is terrorizing the waters of the Far East — and the crew of the Oregon may be the only people who can stop them... Juan Cabrillo and his expert team on the Oregon are used to working dirty, dangerous jobs. While thwarting terrorist missiles, Cabrillo and the crew stumble on pirates in the seas of China — men who are more concerned with destroying ships with their Shock and Awe attacks than plundering their valuables. April 1950: The rusting hulk of a steam locomotive rises from the deep waters of a Montana lake. Inside is all that remains of three men who died forty-four years before. But it is not the engine nor its grisly contents that interest the people watching nearby. It is what is about to come next. Oceanic explorers Dirk

*Pitt and Al Giordino find intrigue, adventure, and peril while collecting clues to the mysterious treasure of Xanadu, the famed capital of Kublai Khan's empire. When Dirk Pitt is nearly killed rescuing an oil survey team from a freak wave on Russia's Lake Baikal, it appears a simple act of nature. But when the survey team is abducted and Pitt's research vessel nearly sunk, it becomes clear this is no run of bad luck, but the influence of something, or someone, more sinister. In fact, Pitt and the NUMA crew have inadvertently stepped between a Mongolian tycoon and his plans to corner the global oil market, beginning with covert negotiations in China. To ensure the deal goes through, this mysterious businessman will encourage ever-escalating acts of sabotage and violence. Pitt and Giordino soon learn the magnate's fury and his power both stem from the same source: a dark secret about Genghis Khan, the greatest conqueror the world has ever known. To Pitt and Giordino the famed Khan's empire is nearly the stuff of legend and his tomb a forgotten mystery. But the Khan's legacy is very real. And it's the treasure of his grandson Kublai Khan that holds the key to stopping this modern-day oil baron from restoring the conquests of his ancestors. That is, if Pitt and Giordino get there first.... A dangerous Soviet plot looming behind the evil plans of a great Asian shipping family, challenges Dirk Pitt to action Dirk Pitt—"oceanography's answer to Indiana Jones"\*—responds to a Mayday signal from a*

deserted ship and gets drawn towards a deadly Cold War secret in this thriller in Clive Cussler's #1 New York Times–bestselling series. Dirk Pitt, the director of the National Underwater and Marine Agency, is on the Black Sea, helping to locate a lost Ottoman shipwreck, when he responds to an urgent Mayday—"Under attack!"—from a nearby freighter. But when he and his colleague Al Giordino arrive, there is nobody there. Just dead bodies and a smell of sulfur in the air. As Pitt and Giordino explore, a blast from the stern scuttles the ship swiftly, almost taking them with it. The more the two of them search for the secret of the death ship, the deeper they descend into an extraordinary series of discoveries. A desperate attempt in 1917 to preserve the wealth and power of the Romanov Empire. A Cold War bomber lost with a deadly cargo. A brilliant developer of advanced drone technology on an unknown mission. Modern-day nuclear smugglers, determined Ukrainian rebels, a beautiful anti-terrorism agent from Europol—all will combine to present Pitt with the most dangerous challenge of his career. And not only Pitt. His two children, marine engineer Dirk and oceanographer Summer, are exploring a mysterious shipwreck of their own, when they are catapulted into his orbit. The three of them are used to perilous situations—but this time, they may have found their match. In *Final Option*, Juan Cabrillo fights the worst enemy from his past to the terrifying and unexpected ending created by the

*Grand Master of Adventure, Clive Cussler, in the latest action-packed thriller in his #1 New York Times-bestselling series. When the CIA realizes the identities of three American spies in Brazil have been compromised, they turn to Juan Cabrillo and the crew of the Oregon to rescue the agents. What seems a routine operation turns out to be a trap designed by Juan Cabrillo's greatest enemy, a man driven by hate to seek the ultimate revenge. At the heart of the plot is a state-of-the-art ship that is identical to the Oregon: same weaponry, same technology, same ability to evade capture. The only thing it doesn't have is Cabrillo and his talented crew. But will they be enough to go up against the one ship that rivals their own? The crew of the Oregon must piece together a series of disturbing events, including the mysterious sinking of a nuclear attack submarine and the possible discovery of a WWII-era weapon that was thought to be lost in the jungles of Brazil, in the ultimate game of cat and mouse. Includes photographs, summaries of each Dirk Pitt novel, an interview with Cussler, and Dirk Pitt trivia questions. Legendary oceanographer Dirk Pitt must work with his children to unravel old battle plans from WWII to prevent a present-day massacre in this novel in the #1 New York Times-bestselling adventure series. In the waning days of World War II, the Japanese tried a last desperate measure. Kept secret from all but a few select officials, two submarines were sent to the West Coast of the*

United States, their cargo a revolutionary new strain of biological virus, their mission to unleash hell. Neither sub made it to the designated target. But that does not mean they were lost. Someone knows about the subs and what they carried, knows too where they might be, and has an extraordinary plan in mind for the prize inside—a plan that could reshape America, and the world, as we know it. All that stands in the way are three people: a marine biologist named Summer, a marine engineer named Dirk . . . and their father, Dirk Pitt, the new head of NUMA. Pitt has faced devastating enemies before, has even teamed up with his children to track them down. But never before has he encountered such pure evil—until now.

In the first novel in the #1 New York Times bestselling Oregon Files series, Chairman Juan Cabrillo and his crew are hired by the US government to free Tibet from Chinese control... The Corporation, a group of highly intelligent and skilled mercenaries, under the leadership of Juan Cabrillo, board a brand new ship. It's a state-of-the-art seagoing marvel with unthinkable technology at its disposal. And it's designed to look like a rusty old lumber hauler. But if Cabrillo and his team plan to make this spy ship their new headquarters, their first mission had better be a success. With the secret backing of the US government, Cabrillo sets out to put Tibet back in the hands of the Dalai Lama by striking a deal with the Russians and the Chinese. His main negotiating chip is knowledge of a golden Buddha containing records of vast oil reserves in the disputed land. But first, he'll have to locate—and steal—the all-important artifact. And there are certain people who would do anything in their power to see him fail... No

In the middle of its maiden voyage the luxury cruise ship Emerald Dolphin suddenly catches fire and sinks. What caused it? Why didn't the alarms go off? What was its connection to the revolutionary new engines powering the ship? NUMA special projects director Dirk Pitt races to rescue the passengers and investigate the disaster, but he has no idea of the bizarre chain of events about to engulf him. In the next few weeks, Pitt will find himself confronted by an extraordinary series of monsters, both human and mechanical, modern and ancient. He will tread upon territory previously known only to legend. At the end of it all, though many lives will be lost, and many saved, it is Pitt's own life that will change for ever ... Dirk Pitt battles his most dangerous foe ever - with help from a very unexpected source. Long hailed as the grandmaster of adventure fiction, Clive Cussler has continued to astound with the intricate plotting and astonishing set pieces of his novels. Now, with a surprising twist, he gives us his most audacious work of all. At the end of Valhalla Rising Dirk Pitt discovered, to his shock, that he had two grown children he had never known, 23-year-old fraternal twins born to a woman he thought had died in an underwater earthquake. Both have inherited his love of the sea- the girl, Summer, a marine biologist- the

boy, himself named Dirk, a marine engineer. And now they are about to help their father in the adventure of a lifetime. In the middle of the Indian Ocean, a NUMA research vessel is taking water samples at sunset, when a crew member spots a sheen of black oil ahead of them. But it is not oil. Like a horde of army ants, a swarm of black particles suddenly attacks the ship, killing everyone aboard, while the ship itself goes up in flames. A few hours later, Kurt Austin and Joe Zavala are on their way to the Indian Ocean. What they will find there on the smoldering hulk of the ship will eventually lead them to the discovery of the most audacious scheme they have ever known: a plan to permanently alter the weather on a global scale. It will kill millions . . . and it has already begun. A Luftwaffe ace, a Nazi war criminal, a beautiful and untrustworthy brunette, and a deadly billion-dollar cargo become the objects of a desperate search as Dirk Pitt matches wits with the elusive leader of an international smuggling ring. It is up to Juan Cabrillo and the crew of his ship, the Oregon, to stop a terrorist plot to release a deadly chemical weapon across the globe in the explosive new novel in Clive Cussler's #1 New York Times bestselling series. While interrupting an attack on a Kuwaiti oil tanker, Juan Cabrillo and his team discover something even more dangerous: a ruthless billionaire's dying wish has allowed a paralyzing chemical to end up in the hands of a terrorist group. When an Oregon

crew member falls victim to the poison, Juan Cabrillo will stop at nothing to find an antidote before it is too late. He and his team must connect an ancient mystery with a cunning modern enemy in order to save millions of innocent lives, including their own. "A weapon of unspeakable power... paces to the rescue. He's too late to save the engineer behind the ship's new technology, but helps the man's daughter, Kelly Egan, escape with her father's work in a leather briefcase. While Ms. Egan strives to uncover the hidden value in her father's inventions, Pitt is hired on by maritime insurers to investigate the wreckage. Neither are prepared for the mechanical marvels they'll soon be forced to confront. The machines could only be the stuff of legend, described in the tales of Viking explorers or the accounts of Jules Verne. And they may be Pitt and Egan's only hope when an oil tycoon with a plan of his own appears on the scene. Before journey's end, Pitt will take on a power-mad millionaire, tread upon territory previously known only to Verne's illustrious Captain Nemo, and make shocking discoveries about his own past. May 1902: a volcano erupts on the French island of Martinique with devastating force. But the local population are not its only victims. Also destroyed is a ship carrying a German scientist on the verge of an astonishing breakthrough. More than a century later, Juan Cabrillo and the crew of the Oregon are about to confront that scientist's terrifying legacy. Cabrillo and his crew are forced to meticulously fake the sinking of the Oregon during a covert operation. But when an unknown adversary tracks them down despite their best-laid plans, Cabrillo and his team struggle to fight back against this would-be assassin who seems able to anticipate their every move.

Meanwhile it appears that a traitorous American weapons designer has completed the long dead German's work, and now wields an extraordinary power. This discovery forces the Oregon out of the shadows to prevent an attack that would lead the largest one man empire the world has ever known . . .
