Murder by Milk Bottle Jan 15 2023 ***Shortlisted for the Comedy Women in Print Prize 2021*** THE ACCLAIMED MURDER MYSTERY FROM SUNDAY TIMES BESTSELLING AUTHOR, PERFECT FOR FANS OF RICHARD OSMAN 'Funny, clever, charming, imaginative and nostalgic' The Times 'Terrific' Mail on Sunday 'A giddy spell of sheer delight' Daily Mail The August bank holiday is approaching and after two extremely high-profile murder cases, Constable Twitten is eagerly anticipating a quiet spell at work. But then they find the bodies – and the milk bottles. Three seemingly unconnected victims – a hard-working AA patrolman, a would-be Beauty Queen, a catty BBC radio personality – have all been killed with the same, highly unusual murder weapon. Constable Twitten, Sergeant Brunswick and Inspector Steine are initially baffled, the town is alarmed, and the local newspaper is delighted: after all, what sells papers better than a killer on the loose? Can our redoubtable trio solve the case and catch this most curious of killers before they strike again? 'The glorious return of Constable Twitten is a cause for celebration... the fun is in Truss's keen ear for dialogue, original comic characters and affectionate(ish) recreation of a seaside resort in its slightly sleazy heyday' Sunday Times Crime Club The Billionaire's Vinegar May 19 2023 The rivetingly strange story of the world's most

expensive bottle of wine, and the even stranger characters whose lives have intersected with it. The New York Times bestseller, updated with a new epilogue, that tells the true story of a 1787 Château Lafite Bordeaux—supposedly owned by Thomas Jefferson—that sold for \$156,000 at auction and of the eccentrics whose lives intersected with it. Was it truly entombed in a Paris cellar for two hundred years? Or did it come from a secret Nazi bunker? Or from the moldy basement of a devilishly brilliant con artist? As Benjamin Wallace unravels the mystery, we meet a gallery of intriguing players—from the bicycle-riding British auctioneer who speaks of wines as if they are women to the obsessive wine collector who discovered the bottle. Suspenseful and thrillingly strange, this is the vintage tale of what could be the most elaborate con since the Hitler diaries. “Part detective story, part wine history, this is one juicy tale, even for those with no interest in the fruit of the vine. . . . As delicious as a true vintage Lafite.” —BusinessWeek

The Book in the Bottle Nov 13 2022 A family finds a mysterious bottle. Within the bottle, a book. Within the book, a story. And within the story their own adventure. Supposing a book were to appear sewn from all the different parts of your favorite stories. What could it be, but a tale of change? .Frogs become princes, orphans become kings, kings become beggars, milkmaids become knights. Duels become dances, tombs become houses, a deathly chase becomes a coronation. We read to children bedtime stories that warn them and promise them: all thing change. Then we click off the light, expecting them to be unchanged when they wake in the morning. In a bottle is a book, and in the book is a city built of pieces. In that city is a beggar who became a duke, a rat who becomes a cat, a song that became a promise. Ghosts, assassins, kings and cobblers shift and dance across this city, finding who they are by what story they tell of themselves. And in the very center of the dance, a man stands balanced on a wheel. From the book: I consider. "A good adventure story has a chase through a graveyard. There shall be a duel on a cliff by moonlight or firelight or lightning. There must be treasure. A magic ring. A haunted tomb and a ruined castle. Guards tricked, villains confounded. A lost heir, disguises, an assassin, ghosts, revenge, mutant tigers -" "What?" I ignore that. "- mutant tigers, an ancient battle between good and evil, an execution, a daring escape. There must be a prophecy that actually surprises, a final battle with an unexpected ending. There must be dull villagers, street-smart

orphans and an impossibly clever-but-wicked noble villain." "What book is this?" I brush that aside. "No one book. It is my list of pieces from the best. Adventures by night in a graveyard are in Tom Sawyer, in Great Expectations, The Horse and His Boy, in Harry Potter. Duels are in The Three Musketeers and The Princess Bride. The Westing Game and The Three Musketeers have mystery and disguises. The Treasure of Alpheus Winterborn and The Hobbit and Treasure Island and Tom Sawyer have treasures and a mystery. The High King and The Mouse and His Child have a prophecy that actually surprises. Lord of The Rings has magic rings and ghosts and the lost heir and mutant tigers -" "Does not!" " - and The Beggar Princess and The Prince and The Pauper have the clever street-wise kids. Harry Potter and The Black Cauldron and The Sword in the Stone and Momo and The Wizard of Oz all have the crazy wizard and the orphan with a destiny and The Last Unicorn and Lud in the Mist and The Thirteen Clocks and Three Musketeers and The Princess Bride have the sly noble villain." "I have to stop for breath. I must be getting old.
