Enjoy J. Vernon McGee's personable, yet scholarly, style in a 60-volume set of commentaries that takes you from Genesis to Revelation with new understanding and insight. A great choice for pastors, the average Bible reader, and students! Revelation is probably the most read, but least understood book of the Bible. History is replete with examples of how not to interpret it, and books featuring end-of-world prophecy claims based on Revelation consistently top the bestseller lists. But how can the message of such an enigmatic book be applied to our lives today? In *Discipleship on the Edge*, Darrell W. Johnson drives home the challenging and practical message of Revelation in thirty carefully crafted sermons. Paying careful attention to the original context of Revelation and the circumstances surrounding its composition, Johnson shows that the book is not a "crystal ball" but rather a "discipleship manual." Thoroughly researched and yet accessible, this collection of sermons is a helpful resource for pastors and small group leaders who are looking for models to help them preach and teach the message of Revelation in a time when there is much confusion about the end times. Darrell W. Johnson serves as Scholar-in-Residence at The Way Church and Canadian Church Leaders Network in Vancouver, British Columbia, Canada. A popular conference and retreat speaker, he has also served as the preaching pastor for a number of congregations in North America and the Philippines, as well as serving as Adjunct Professor of Preaching for the Doctor of Ministry program at Fuller Theological Seminary in Pasadena, California, and a Teaching Fellow at Regent College. His other books include *Experiencing the Trinity* and *Fifty-Seven Words That Change The World*. The symbolism of the Book of Revelation from the Bible is made clear. This helps to get an accurate view of the "big-picture" before jumping to mis-founded conclusions, or incorrect interpretations. Very well researched using the Bible, and the root meanings of the Greek & Hebrew words from which the English words were translated. The book is well written, and both fun & gripping to read. A trusted theologian analyzes what Jesus said about his return and the last days. Radio messages from J. Vernon McGee delighted and enthralled listeners for years with simple, straightforward language and clear understanding of the Scripture. Now enjoy his personable, yet scholarly, style in a 60-volume set of commentaries that takes you from Genesis to Revelation with new understanding and insight. Each volume includes introductory sections, detailed outlines and a thorough, paragraph-by-paragraph discussion of the text. A great choice for pastors - and even better choice for the average Bible reader and student! Very affordable in a size that can go anywhere, it's available as a complete 60-volume series, in Old Testament or New Testament sets, or

individually. The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance. Take in the full history of the Bible with a detailed account that focuses on its major empires, events and personalities. Written by a religious scholar who has taught at high school, college and adult levels, this historical exploration is organized around the major civilizations and epochs of the ancient world, beginning with Sumer and ending with Rome. Author Bruce W. Gore provides a thorough overview of major empires, such as the Assyrians or Babylonians, as well as more modest civilizations, such as the Phoenicians or Hittites. Learn how Cyrus the Persian, Alexander the Great, Julius Caesar, and others changed the course of Christianity. In the course of historical exploration, this account also examines questions that may have puzzled readers of the Bible in the past: * Who was Sennacherib? * To which Assyrian king did Jonah preach, and did this make any difference in history? * What did the eight night visions of Zechariah mean in light of the rule of Darius the Persian? Study the Bible with an eye on its ancient setting and develop an understanding of its key people, places and civilizations with Historical and Chronological Context of the Bible. The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self. Over 3 million copies sold! Essential reading for Catholics of all walks of life. Here it is - the first new Catechism of the Catholic Church in more than 400 years, a complete summary of what Catholics around the world commonly believe. The Catechism draws on the Bible, the Mass, the Sacraments, Church tradition and teaching, and the lives of saints. It comes with a complete index, footnotes and cross-references for a fuller understanding of every subject. The word catechism means "instruction" - this book will serve as the standard for all future catechisms. Using the tradition of explaining what the Church believes (the Creed), what she celebrates (the Sacraments), what she lives (the Commandments), and what she prays (the Lord's Prayer), the Catechism of the Catholic Church offers challenges for believers and answers for all those interested in learning about the mystery of the Catholic faith. The Catechism of the Catholic Church is a positive, coherent and contemporary map for our spiritual journey toward transformation. This document's purpose is to spell out the Church's understanding of the nature of revelation--the process whereby God communicates with human beings. It touches upon questions about Scripture, tradition, and the teaching authority of the Church. The major concern of the document is to proclaim a Catholic understanding of the Bible as the "word of God." Key elements include: Trinitarian structure, roles of apostles and bishops, and biblical reading in a historical context. This tremendous exposition of the capstone of Scripture issues from years of teaching, dedicated study, and sound evangelical scholarship. The author defends the premillennial position, but at crucial points considers other views as well. Jesus Christ is arguably the most famous man who ever lived. His image adorns countless churches, icons, and paintings. He is the subject of millions of statues, sculptures, devotional objects and works of art. Everyone can conjure an image of Jesus: usually as a handsome, white man with flowing locks and pristine linen robes. But what did Jesus really look like? Is our popular image of Jesus overly westernized and untrue to historical reality? This question continues to fascinate. Leading Christian Origins scholar Joan E. Taylor surveys the historical evidence, and the prevalent image of Jesus in art and culture, to suggest an entirely different vision of this most famous of men. He may even have had short hair. There's no doubt the world is in trouble. We see tragedy in the streets and violence in the news—but what can we do about it? And how can we find peace amid the chaos? We hear increasingly divisive political debates that spotlight the deep and bitter divisions in our society. We feel the pain and confusion of a culture that seems to be coming apart at the seams. It can be difficult to find a way forward,

trusting that God will protect and care for us amid the struggles of life. In this updated edition of *Escape the Coming Night*, Dr. Jeremiah walks through the perfect Scriptures for these uncertain times, exploring The Book of Revelation in a practical way. For those who have wanted to know more about Book of Revelation but didn't know how to get started, the book answers key questions like: How do we explain so much continuous chaos? How do we live with such turmoil? Is there any hope for peace in our lifetime? As one of the world's most beloved Bible teachers, Dr. David Jeremiah is the perfect voice to help answer these questions. This exploration of Revelation is shocking and eye-opening, but also consistently uplifting—and a vital message for our time. The Doctrine and Covenants of the Church of Jesus Christ of Latter Day Saints is a part of the open scriptural canon of several denominations of the Latter Day Saint movement. The book contains revelations on numerous topics, most of which were dictated by the movement's founder Joseph Smith. The Doctrine and Covenants was first published as a later version of the Book of Commandments. This earlier book contained 65 early revelations to church leaders, including Joseph Smith and Oliver Cowdery, and before it was released it was destroyed by a mob in Missouri. The committee of Presiding Elders, led by Smith, began to review and revise numerous revelations for inclusion in the new work which contained a total of 103 revelations. These 103 revelations contain items or principles for the regulation of the church, as taken from the revelations which have been given since its organization, as well as from former ones. The national directory addresses the dimensions and perspectives in the formation of deacons and the model standards for the formation, ministry, and life of deacons in the United States. It is intended as a guideline for formation, ministry, and life of permanent deacons and a directive to be utilized when preparing or updating a diaconate program in formulating policies for the ministry and life of deacons. This volume also includes Basic Standards for Readiness for the formation of permanent deacons in the United States, from the bishops' Committee on the Diaconate, and the committee document Visit of Consultation Teams to Diocesan Permanent Diaconate Formation Programs. This book is intended to be a simple but inspiring verse-by-verse guide to the book of Revelation. Mike Bickle's straightforward approach brings the message to life and emphasizes its relevance for us today. With a glossary of terms and symbols, and in-depth articles and charts, this verse-by-verse study guide makes the end times easy to understand. Discover why this will truly be the Church's greatest hour. Combining supreme premium bonded leather with rich colors, unique textures, and interesting stitching patterns, this special new edition of the Zondervan NIV Study Bible exemplifies elegance. This special Bible will appeal to the discriminating buyer looking for a sophisticated choice in a best-selling study Bible. No book in the scripture reveals the glory of God and Christ in more splendor than Revelation. At the same time, no book has been more misunderstood or neglected. Yet God wants His children to know this book, and blessings are stored up for those who study its riches. Join John MacArthur as he explains each verse in a way that is both doctrinally precise and intensely practical. Taking into account the cultural, theological, and Old Testament contexts of each passage, MacArthur tackles interpretive challenges and fairly evaluates differing views, giving the reader confidence in his conclusions. The MacArthur New Testament Commentary series comes from the experience, wisdom, and insight of one of the most trusted ministry leaders and Bible scholars of our day. Each volume was written to be as comprehensive and accurate as possible, dealing thoroughly with every key phrase and word in the Scripture without being unnecessarily technical. This commentary will help to give a better, fuller, richer understanding of God's Word, while challenging the reader to a vibrant personal spiritual walk. A great resource for pastors, teachers, leaders, students, or anyone desiring to dig deeper into Scripture By God's design, the desire to be wanted and loved runs deep inside everyone He created. In an engaging and down-to-earth way, author Kim Cash Tate encourages you to satisfy that desire by living in the fullness of God's love. Cling shares wisdom from biblical examples and the author's personal experiences to help you cultivate an ongoing closeness with the Lord through prayer and Bible study. Discover how to have an intimacy with God that will sustain you through the imperfect, the disappointing, and the trying times of life. The NIV is the world's best-selling modern translation, with over 150 million copies in print since its first full

publication in 1978. This highly accurate and smooth-reading version of the Bible in modern English has the largest library of printed and electronic support material of any modern translation. Shows, with solid reasons, that the Book of Revelation has a literary form, similar to the short story. This book is disturbing yet profoundly comforting. Its message is unique, controversial and insightful. Michael Biehler pilots an intellectual adventure while challenging every reader to reexamine his core beliefs. This game-changing, subversive Christian crossover book will at first confound and then delight all who love the truth. Condemned to hell by the thought police of his little Baptist church, Biehler responds with a brave book that illuminates many taboo passages of Scripture. Bamboozled Believers makes sense and it will help you to make to make sense of the Bible too. Every chapter of the Bible summarised in 140 characters or less. These summaries originally appeared as the @biblesummary project on Twitter. For three-and-a-half years, Chris Juby posted one tweet per chapter, one chapter per day to 30,000 followers, finishing the project in November 2013. This edition is the full archive of all 1,189 summaries. The end of the world is coming. From roadside signs to science fiction films, this slogan underscores our society's nervous fascination with the future. Whether it's a giant asteroid, a worldwide plague, or some other global catastrophe, the end of the world is a terrifying prospect—at least for those who have no idea what it will be like. For Christians, however, the end of the world should be anything but dreadful. In fact, it should be something we actually look forward to. Why? Because God has told us how the world will end. And He has assured us that the end of this age will mark the beginning of a new, glorious one in which we will serve and worship Him in sinless perfection. Our eternal hope, as believers, is intimately tied to the end of this world. All of this is laid out in the book of Revelation. Not only is Revelation the inspired Word of God, it is also the only New Testament book that includes a promised spiritual blessing for those who study and apply its message. As such, it is an essential part of every Christian's devotional life. Those who ignore Revelation deprive themselves of a rich treasure of divine truth, and the promised blessings that come from understanding that truth. Join John MacArthur as he explains the book of Revelation in a way that is both doctrinally precise and intensely practical. "Artist Pat Marvenko Smith has created this series of full color artwork that brings to life all the major visions described in the prophetic last book of the New Testament. Read the amazing story of how Pat was inspired to create the body of artwork titled "Revelation Illustrated"...View all of Pat's illustrations in this series of artwork accompanied by the complete scripture text from the Book of Revelation. You can read the scripture and see it at the same time, through the eyes of an artist who was truly inspired by God to create this amazing series of art. The purpose of this book is to serve as a companion supplement to any study on the Book of Revelation regardless of doctrinal or millennial viewpoint, because it is quite simply the word of God in 42 full color pictures"--Publisher's description. The ESV Study Bible was created to help people understand the Bible in a deeper way. Combining the best and most recent evangelical Christian scholarship with the highly regarded ESV text, it is the most comprehensive study Bible ever published. The ESV Study Bible features more than 2,750 pages of extensive, accessible Bible resources, including completely new notes, full-color maps, illustrations, charts, timelines, and articles created by an outstanding team of 93 evangelical Christian scholars and teachers. In addition to the 757,000 words of the ESV Bible itself, the notes and resources of the ESV Study Bible comprise an additional 1.1 million words of insightful explanation and teaching-equivalent to a 20-volume Bible resource library all contained in one volume. (Please note this edition does not come with free access to the Online ESV Study Bible resources.) 9-point Lexicon type (single-column Bible text); 7-point Frutiger type (double-column study notes) Black letter text Concordance Extensive articles 240 full-color maps and illustrations The first in a new Bible study series from Verse By Verse Ministry International (vbvmi.org). This 12-week VBVM Group Study on End Times features thought-provoking teaching of core biblical concepts in prophecy. The workbook prepares both individual students and small groups for a deeper study of eschatology by examining key ideas and highlights from the book of Revelation, Daniel and other scripture. Students will gain a foundational understanding of God's plan for Israel, the Church and the end of the age. The VBVM Group Study

series is designed to suit the needs of students new to a study of end times while still offering a challenge to experienced Bible students. Each lesson in this study includes a video available to stream for free over the internet. The videos feature the teaching of Stephen Armstrong, acclaimed for his unique and gifted approach to explaining the Bible. The 12 videos are available for viewing or download for free at: <http://www.vbvmiendtimesstudy.org>. A printable PDF copy of the workbook may also be downloaded for free. The Book of Revelation contains some of the most difficult passages in Scripture. Grant Osborne's commentary on Revelation begins with a thorough introduction and the many difficulties involved in its interpretation. He also examines elements that complicate the interpretation of apocalyptic literature. As with all volumes published in the BECNT series, Revelation seeks to reach a broad audience with scholarly research from a decidedly evangelical perspective. Key messages by today's leading Christian voices on what it means to possess a passion for Jesus Christ What exactly is it that instills passion in a person's soul? What brings the fire to make a difference, the desire for significance, the power to live a life that matters? And who will lead us in this quest toward the future of the Church? In this remarkable book, some of today's most gifted communicators highlight the dedicated generation that is rising up to show us how to lean toward the centrality of Jesus Christ and His bright light of glory that brings purpose to our own lives and proper glory to God the Father. Since it first began in 1995, Passion has had the privilege of encountering millions of believers under the age of 25, a sea of men and women whose lives have been transformed by the power of the Holy Spirit. Their voice is getting louder as they rise, united as a generation, bringing hope and light to the world. Author and general editor Louie Giglio has brought together these incredible authors to share their thoughts on what it means to burn with a passion for Christ. As delivered to Passion Conferences, the book includes contributions from Giglio himself as well as multiple chapters from: Francis Chan John Piper Beth Moore Judah Smith Christine Caine The wave is growing into a global awakening. Join the movement. The Revelation of Jesus Christ - King James Version - Compact Travel Pocket Book Halley's Bible Handbook, the classic layperson's companion text, includes a concise Bible commentary, important discoveries in archaeology, related historical data, church history, maps, and more. A startling exploration of the history of the most controversial book of the Bible, by the bestselling author of Beyond Belief. Through the bestselling books of Elaine Pagels, thousands of readers have come to know and treasure the suppressed biblical texts known as the Gnostic Gospels. As one of the world's foremost religion scholars, she has been a pioneer in interpreting these books and illuminating their place in the early history of Christianity. Her new book, however, tackles a text that is firmly, dramatically within the New Testament canon: The Book of Revelation, the surreal apocalyptic vision of the end of the world . . . or is it? In this startling and timely book, Pagels returns The Book of Revelation to its historical origin, written as its author John of Patmos took aim at the Roman Empire after what is now known as "the Jewish War," in 66 CE. Militant Jews in Jerusalem, fired with religious fervor, waged an all-out war against Rome's occupation of Judea and their defeat resulted in the desecration of Jerusalem and its Great Temple. Pagels persuasively interprets Revelation as a scathing attack on the decadence of Rome. Soon after, however, a new sect known as "Christians" seized on John's text as a weapon against heresy and infidels of all kinds-Jews, even Christians who dissented from their increasingly rigid doctrines and hierarchies. In a time when global religious violence surges, Revelations explores how often those in power throughout history have sought to force "God's enemies" to submit or be killed. It is sure to appeal to Pagels's committed readers and bring her a whole new audience who want to understand the roots of dissent, violence, and division in the world's religions, and to appreciate the lasting appeal of this extraordinary text. This item is part of: Lenski New Testament: In Twenty Volumes. Pastors and students of the Bible who seek deep and detailed engagement with the text of the New Testament have long relied on R.C.H. Lenski's classic text now available again. Even though its historical-critical work has been surpassed, the strong narrative quality, accessibility, and "holy reverence for the Word of God" (Moody Monthly) of Lenski's work have allowed his commentary to continue as an excellent resource for serious study of the New Testament and sermon preparation. This prophetic book depicts the ultimate victory of

Christ.
