WITHERSPOON “An explosive, dynamite, down-and-dirty look at a fictional rock band told in an interview style that gives it irresistible surface energy.”—Elin Hilderbrand ONE OF THE BEST BOOKS OF THE YEAR: NPR, *The Washington Post*, *Esquire*, *Glamour*, *Real Simple*, *Good Housekeeping*, *Marie Claire*, *Parade*, *Paste*, *Shelf Awareness*, *BookRiot* Everyone knows *DAISY JONES & THE SIX*, but nobody knows the

reason behind their split at the absolute height of their popularity . . . until now. Daisy is a girl coming of age in L.A. in the late sixties, sneaking into clubs on the Sunset Strip, sleeping with rock stars, and dreaming of singing at the Whisky a Go Go. The sex and drugs are thrilling, but it's the rock 'n' roll she loves most. By the time she's twenty, her voice is getting noticed, and she has the kind of heedless beauty that makes people do crazy things. Also getting noticed is The Six, a band led by the brooding Billy Dunne. On the eve of their first tour, his girlfriend Camila finds out she's pregnant, and with the pressure of impending fatherhood and fame, Billy goes a little wild on the road. Daisy and Billy cross paths when a producer realizes that the key to supercharged success is to put the two together. What happens next will become the stuff of legend. The making of that legend is chronicled in this riveting and unforgettable novel, written as an oral history of one of the biggest bands of the seventies. Taylor Jenkins Reid is a talented writer who takes her work to a new level with *Daisy Jones & The Six*, brilliantly capturing a place and time in an utterly distinctive voice. Based on the History's series *Six*, an action-packed military thriller following the elite, legendary SEAL Team Six. The elite Navy unit known as SEAL Team Six is made up of some of the most renowned and fearsome warriors of all time, deployed for only the toughest missions in the most dangerous places on Earth. Richard "Rip" Taggart used to lead this unit, until after

seeing and experiencing too much on the battlefield he snaps and executes an American in cold blood in Afghanistan. Now, two years later, he has been exiled from his brothers in Six and works for a private security group in Nigeria until he finds himself in the wrong place at the wrong time and is captured by Boko Haram along with a group of Nigerian school girls. But the brotherhood of the SEALs runs deep. Once Rip's unit finds out that he has been taken, they demand to be the ones to bring him back home. But as they mount their rescue operations, they find themselves squaring off against an enigmatic lieutenant of a rising terrorist group, someone who seems to have a particular interest in getting to Rip first. Based off the gripping new series from creators David Broyles, Special Operations veteran, and William Broyles, and inspired by the true stories and events involving SEAL Team Six, *Six: Blood Brothers* will give readers a visceral taste of what it means to be part of this squad, balancing their own personal demons and complications of family life with the need to serve their country and be there for their brothers-in-arms. List of members in each volume (except v. 6, new ser., v. 27). "David Adjmi has written one of the great American memoirs, a heartbreaking, hilarious story of what it means to make things up, including yourself. A wild tale of lack and lies, galling humiliations and majestic reinventions, this touching, coruscating joy of a book is an answer to that perennial question: how should a person be?" — Olivia Laing,

author of *Crudo* and *The Lonely City* In a world where everyone is inventing a self, curating a feed and performing a fantasy of life, what does it mean to be a person? In his grandly entertaining debut memoir, playwright David Adjmi explores how human beings create themselves, and how artists make their lives into art. Brooklyn, 1970s. Born into the ruins of a Syrian Jewish family that once had it all, David is painfully displaced. Trapped in an insular religious community that excludes him and a family coming apart at the seams, he is plunged into suicidal depression. Through adolescence, David tries to suppress his homosexual feelings and fit in, but when pushed to the breaking point, he makes the bold decision to cut off his family, erase his past, and leave everything he knows behind. There's only one problem: who should he be? Bouncing between identities he steals from the pages of fashion magazines, tomes of philosophy, sitcoms and foreign films, and practically everyone he meets—from Rastafarians to French preppies—David begins to piece together an entirely new adult self. But is this the foundation for a life, or just a kind of quicksand? Moving from the glamour and dysfunction of 1970s Brooklyn, to the sybaritic materialism of Reagan's 1980s to post-9/11 New York, *Lot Six* offers a quintessentially American tale of an outsider striving to reshape himself in the funhouse mirror of American culture. Adjmi's memoir is a genre bending *Künstlerroman* in the spirit of Charles Dickens and Alison

Bechdel, a portrait of the artist in the throes of a life and death crisis of identity. Raw and lyrical, and written in gleaming prose that veers effortlessly between hilarity and heartbreak, *Lot Six* charts Adjmi's search for belonging, identity, and what it takes to be an artist in America. Darcy Pennington hates her life. She is an insufferably average teenager with no true friends, crushing social anxiety, and an indescribable sense of not fitting in anywhere. When her parents force her to attend Cedar Cove Family Camp the summer before her eighth-grade year, Darcy once again finds herself on the outside of an established social circle. But the camp holds secrets, and when Darcy begins to have strange experiences, she comes to believe she's either losing her mind or on the brink of a discovery that could give her life purpose. An unwitting tumble through a magical gateway lands her in a new world called Alitheia, and Darcy must convince five other teenagers at the camp to not only befriend her but follow her on a journey beyond their world and their wildest dreams to save Alitheia from an ancient, shadowy foe.

The King James Version of the Bible (KJV) is a foundation stone of the English language. The KJV was composed as a collective project and written to be spoken. *Sixty-Six Books* has been created, in the spirit of the original, in the same way. Pulpit to print; stage to page; mediated through many forms oral and written this is a work that has travelled to every continent of the globe. It has been shared as a melodic instrument of inspiration,

illumination and mutual understanding; and it has also been wielded as a tool of colonial oppression. *Sixty-Six Books* is a fresh interpretation of the KJV for the new millennium, celebrating and challenging the traditions and achievements of this great work on the occasion of its 400th anniversary. The curators of this project have gathered together a formidable and inspiring line-up of the best established and emerging writing talent to respond to create a new a book of the KJV, speaking back to the KJV with untrammelled inventiveness of the imagination. The voices of *Sixty-Six Books*, drawn from across five continents, innovate, transmute, transpose, reinvent and talk back to four hundred years of history. Authors include: Kwame Kwei-Armah, Neil Bartlett, Billy Bragg, Laura Dockrill, Carol Ann Duffy, Stella Duffy, David Eldridge, Naomi Foyle, Nancy Harris, Jackie Kay, Neil LaBute, Nick Laird, Stewart Lee, Kate Mosse, Andrew Motion, Paul Muldoon, Anya Reiss, Tim Rice, Michael Rosen, Wole Soyinka, Enda Walsh, Rowan Williams, Jeanette Winterson and many more. "It's been around nine long months since the United States spiraled into chaos due to a cascading systems failure. The die-off everyone predicted has begun and after a hard winter nearly every other house sits empty with the owners dead or unaccounted for. Lately the power has flickered on and off a few times, raising hopes that power restoration is coming soon. But how do you put the genie back in the bottle? Violence is everywhere. Disease is rampant.

Hundreds of thousands are dead. Insurance can never pay for the damage and loss that has occurred. The economy will take years to restore, if it can be restored at all. From the recesses of a fractured government comes a plan to restore order and rescue what remains of the population. The first step comes with restoring power. But what if having access to electricity came at such a price that many -- like Jim Powell, his friends, and his neighbors -- would rather face a future in the dark."--Back cover. To save humanity, they must give up their own. Adam's muscular dystrophy has stolen his mobility, his friends, and in a few short years, it will take his life. Virtual reality games are Adam's only escape from his wheelchair. In his alternate world, he can defeat anyone. Running, jumping, scoring touchdowns: Adam is always the hero. Then an artificial intelligence program, Sigma, hacks into Adam's game. Created by Adam's computer-genius father, Sigma has gone rogue, threatening Adam's life-and world domination. Their one chance to stop Sigma is using technology Adam's dad developed to digitally preserve the mind of his dying son. Along with a select group of other terminally ill teens, Adam becomes one of the Six who have forfeited their bodies to inhabit weaponized robots. But with time running short, the Six must learn to manipulate their new mechanical forms and work together to train for epic combat...before Sigma destroys humanity. In this #1 New York Times bestselling John Clark thriller, author Tom Clancy takes readers into the shadowy world

of anti-terrorism and gets closer to reality than any government would care to admit... Ex-Navy SEAL John Clark has been named the head of Rainbow, an international task force dedicated to combating terrorism. In a trial by fire, Clark is confronted with a violent chain of seemingly separate international incidents. But there is no way to predict the real threat: a group of terrorists like none the world has ever encountered, a band of men and women so extreme that their success could literally mean the end of life on earth as we know it. Set in the near future, this action-packed YA novel—already optioned by Sony Pictures—will take readers out of this world and on a quest to become one of six teens sent on a mission to Jupiter’s moon. This is the next must-read for fans of *Illuminae* and *The Martian*. When Leo and Naomi are drafted, along with twenty-two of the world’s brightest teenagers, into the International Space Training Camp, their lives are forever changed. Overnight, they become global celebrities in contention for one of the six slots to travel to Europa—Jupiter’s moon—and establish a new colony, leaving their planet forever. With Earth irreparably damaged, the future of the human race rests on their shoulders. For Leo, an Italian championship swimmer, this kind of purpose is a reason to go on after losing his family. But Naomi, an Iranian-American science genius, is suspicious of the ISTC and the fact that a similar mission failed under mysterious circumstances, killing the astronauts onboard. She fears something

equally sinister awaiting the Final Six beneath Europa's surface. In this cutthroat atmosphere, surrounded by strangers from around the world, Naomi finds an unexpected friend in Leo. As the training tests their limits, Naomi and Leo's relationship deepens with each life-altering experience they encounter. But it's only when the finalists become fewer and their destinies grow nearer that the two can fathom the full weight of everything at stake: the world, the stars, and their lives. "A masterpiece of thriller and mystery. Blake Pierce did a magnificent job developing characters with a psychological side so well described that we feel inside their minds, follow their fears and cheer for their success. Full of twists, this book will keep you awake until the turn of the last page." -- Books and Movie Reviews, Roberto Mattos (re *Once Gone*)

THE PERFECT LOOK is book #6 in a new psychological suspense series by bestselling author Blake Pierce, whose #1 bestseller *Once Gone* (a free download) has over 1,000 five-star reviews. When a man winds up dead in a hotel room in LA after a night with a prostitute, no one thinks much of it – until what seems like an isolated case turns into a pattern. It soon becomes clear that a prostitute has turned serial killer—and that criminal profiler and FBI agent Jessie Hunt, 29, may be the only one who can stop her. A fast-paced psychological suspense thriller with unforgettable characters and heart-pounding suspense, **THE PERFECT LOOK** is book #6 in a riveting new series that will leave you turning pages late

into the night. Books #7-#24 are also available! Budget report for 1929/31 deals also with the operations of the fiscal year ended June 30, 1928 and the estimates for the fiscal year ending June 30, 1929. "In a tiny settlement on the west coast of Greenland, 11-year-old Aleq and his best friend, frequent trespassers at a mining site exposed to mountains of long-buried and thawing permafrost, carry what they pick up back into their village, and from there Shepard's harrowing and deeply moving story follows Aleq, one of the few survivors of the initial outbreak, through his identification and radical isolation as the likely index patient. While he shoulders both a crushing guilt for what he may have done and the hopes of a world looking for answers, we also meet two Epidemic Intelligence Service investigators dispatched from the CDC--Jeannine, an epidemiologist and daughter of Algerian immigrants, and Danice, an MD and lab wonk. As they attempt to head off the cataclysm, Jeannine--moving from the Greenland hospital overwhelmed with the first patients to a Level 4 high-security facility in the Rocky Mountains--does what she can to sustain Aleq."--Publisher's description. The second book of the #1 New York Times bestselling I Am Number Four series! In the beginning, nine aliens left their home planet Lorien when it fell under attack by the evil Mogadorians. They scattered on Earth and went into hiding. They look like ordinary teenagers but have extraordinary powers. The Mogs have come for them.

They killed Number One in Malaysia, Number Two in England, and Number Three in Kenya. They tried to get John Smith, Number Four, in Ohio—but they failed. Now John has joined forces with Number Six, and they are on the run. But they are not alone. Already John and Six have inspired Marina, Number Seven, who has been hiding in Spain. She's been following the news of what's happening, and she's certain this is the sign she's been waiting for. It's time to come together. Michael Bay, director of Transformers, raved: "Number Four is a hero for this generation." This epic story is perfect for fans of action-packed science fiction like The Fifth Wave series by Rick Yancey, The Maze Runner series by James Dashner, and Orson Scott Card's Ender's Game. The battle for Earth's survival wages on. Don't miss the rest of the series: #3: The Rise of Nine, #4: The Fall of Five, #5: The Revenge of Seven, #6: The Fate of Ten, and #7: United as One. Don't miss the first book in the brand-new I Am Number Four spin-off series: Generation One. (Vocal Selections). Six has received rave reviews around the world for its modern take on the stories of the six wives of Henry VIII and it's finally opening on Broadway! From Tudor queens to pop princesses, the six wives take the mic to remix five hundred years of historical heartbreak into an exuberant celebration of 21st century girl power! Songs include: All You Wanna Do * Don't Lose Ur Head * Ex-Wives * Get Down * Haus of Holbein * Heart of Stone * I Don't Need Your Love * No

Way * Six. This companion to both series explores the shows' histories and influences. Includes interviews with cast members, creators and crew as well as complete episode guide. Gift/Coffee Table book. A nostalgic review of Iowa's unique contribution to sports history-- six-on-six girls' basketball. While most books written about basketball focus on special players or teams or important coaches, this one is about an era and the people in it, written by a pioneer coach who grew up when basketball did. Coach Tomlinson developed the plays and the players and wrote his own rules for success. A group of orphans on the run search for a new home among the stars. When a group of orphans discover they have a common connection, plucky heroine Phoebe leads them in a daring escape from their orphanage to an uninhabited moon. But their idyllic paradise is shattered when the powerful corporate boss who caused the deaths of their parents sends a relentless henchman to track them down. Now, with nowhere left to turn and tired of being on the run, these resourceful kids decide there's only one thing left to do: Fight back! An inspiring picture-book biography of Louis Braille—a blind boy so determined to read that he invented his own alphabet. **Winner of a Schneider Family Book Award!** Louis Braille was just five years old when he lost his sight. He was a clever boy, determined to live like everyone else, and what he wanted more than anything was to be able to read. Even at the school for the blind in Paris, there were no books for him.

And so he invented his own alphabet—a whole new system for writing that could be read by touch. A system so ingenious that it is still used by the blind community today. Award-winning writer Jen Bryant tells Braille's inspiring story with a lively and accessible text, filled with the sounds, the smells, and the touch of Louis's world. Boris Kulikov's inspired paintings help readers to understand what Louis lost, and what he was determined to gain back through books. An author's note and additional resources at the end of the book complement the simple story and offer more information for parents and teachers. Praise for *Six Dots*: "An inspiring look at a child inventor whose drive and intelligence changed to world—for the blind and sighted alike."—Kirkus Reviews "Even in a crowded field, Bryant's tightly focused work, cast in the fictionalized voice of Braille himself, is particularly distinguished."—Bulletin, starred review "This picture book biography strikes a perfect balance between the seriousness of Braille's life and the exuberance he projected out into the world." — School Library Journal, starred review

Runaways is a collection of songs, dances, and spoken word pieces performed by children who have run away from their homes. Initially created from interviews with homeless children and those in orphanages, Liz Swados' unique piece weaves songs about personal struggle and the world at large through the eyes of youth in New York City in the '70s. The show blends different musical styles, from pop to hip-hop and

jazz to reggae, while asking why children can't remain children. The licensed version of *Runaways* reflects the version performed by Encores in 2016. "Based on extensive interviews with today's . . . corporate leaders, this look at how the best CEOs do their jobs focuses on the mindsets and actions that foster an environment of excellence"-- NEW YORK TIMES BESTSELLER • OVER ONE MILLION COPIES SOLD! Taylor Jenkins Reid is a talented writer who takes her work to a new level with *Daisy Jones & The Six*, brilliantly capturing a place and time in an utterly distinctive voice. Honored as one of "10 Favorite Books of 2014" —Dwight Garner, *The New York Times* Honored as a "Standout Book of 2014" —*American Poet* magazine "Belieu oscillates between dark humor, self-consciousness, and pointed satire in a fourth collection that's equal-opportunity in its critique. In the world of these poems, no one is innocent; everyone is confined to the complexity, absurdity, and, above all, fallibility of their human condition.... Anchoring the work is a conversational, lyrical speaker willing to implicate herself as part of the political and social constructs she criticizes, as when she depicts a Southern American culture still

reeling from its history of social injustice, and even the Civil War: “Don’t tell us/ history. Nobody hearts a cemetery/ like we do.” It’s a fantastic collection; Belieu desires not to dress issues up but confront them.”—Publishers Weekly, starred review “A smart and nettling book of poems — about love, sex, social class and our free-floating anxieties — from a writer who is a comedian of the human spirit. Her crisp free verse has as many subcurrents as a magnetic field.”—Dwight Garner, The New York Times “Politics, pop culture, and parenthood appear here along with reflections on our collective moments of hypocrisy and hope. ‘12-Step,’ one of the most resonant entries, begins innocuously with a meditation about lighthouses, then the speaker gathers speed and confidence and reaches a risky but profound one-word stanza—‘myself’—before ending with a haunting inversion of the Serenity Prayer used by Alcoholics Anonymous. Amid the quips and the elegant observations about immortality, Belieu’s speakers never forget their responsibilities, or their possibilities.” —Booklist “From poem to poem in the smart, savvy Slant Six, Belieu channels an updated American idiom, one of stubborn in-betweenhood. Like the plain-spoken poetry that plumbed the depths of American consciousness in the 20th century, Belieu trawls the shallows of today’s America and finds just as much caught in its oily reflections as in its murkier subcurrents. It’s ‘[b]etter,’ she suggests, ‘to forget perfection.’” —The Boston Globe

“I’ve never read a poem by Erin Belieu that I didn’t want to immediately rip from its bindings so I could fold it up and carry around in my pockets and read so many times that the paper turned back into pulp. She’s just that good. That honest and brave and beautiful and wise and funny. She writes poems we need. Poems that say who I am and who you are and how and why we got to be this way. Poems that wonder if we can ever change. Poems that know us and show us and grace us. Poems that remember us and forget us and leave us dazzled in their dust. In *Slant Six*, she’s outdone herself. It’s a spellbinding, heart-opening beauty of a book.” —Cheryl Strayed "Erin Belieu . . . is always ready to surprise, to astonish, and, ultimately, to defy comparison." —Boston Book Review "[One] of America's finest poets." —Robert Olen Butler

Erin Belieu's fourth collection, *Slant Six*, is an inundation of the humor and horror in contemporary American life—from the last saltine cracked in the sleeve, to the kitty-cat calendar in an office cubicle. With its prophecies of impending destruction, and a simultaneous flood of respect for Americans, *Erin Belieu's* poems close like Ziploc bags around a human heart. From "12-Step": I am considering lighthouses in a completely new light—their butch neutrality, their grand but modest surfaces. A lighthouse could appear here at any moment. I have been making this effort, placing myself in uncomfortable positions, only for the documented health benefits . . . This isn't just another case. This is family. How far will

Stephanie Plum go to protect the one person who means the most to her? The stakes have never been higher in this #1 New York Times bestseller from Janet Evanovich. Grandma Mazur has decided to get married again - this time to a local gangster named Jimmy Rosolli. If Stephanie has her doubts about this marriage, she doesn't have to worry for long, because the groom drops dead of a heart attack 45 minutes after saying, "I do." A sad day for Grandma Mazur turns into something far more dangerous when Jimmy's former "business partners" are convinced that his new widow is keeping the keys to a financial windfall all to herself. But the one thing these wise guys didn't count on was the widow's bounty hunter granddaughter, who'll do anything to save her. A collection of intimate portraits told directly by people whose lives have been devastated by solitary confinement in America.
