In You Make it Feel Like Christmas, Donna Hill and Francis Ray bring us holiday cheer with two novellas in one volume: Rockin' Around That Christmas Tree and The Wish. Rockin' Around That Christmas Tree by Donna Hill Denise has always been the faithful wife and dutiful mother for the twenty-plus years she's been married to Edward. But now, she's ready to live a few dreams of her own. When Denise drops the bomb at Thanksgiving dinner that she is leaving Edward and selling the house, everyone is stunned, and her announcement opens the door to Morrison Family Dysfunction 101. But Edward is not ready to give up on them. Not only does he plan to be back at home and in their bed, but he also knows that, come Christmas, he and Denise will be rockin' around that Christmas tree. The Wish by Francis Ray Be careful what you wish for. That's the lesson brokenhearted Nicholas Darling learns when an eccentric old woman grants him a wish for true love—if he doesn't fail to see it. The first Umbrella Academy spin off series! Umbrella Academy creators Gerard Way and Gabriel Bá are joined by Way's Killjoys cowriter Shaun Simon (Collapser, Electric Century) and artist INJ Culbard (Everything, At the Mountains of Madness), for a supernatural adventure featuring the breakout character from the hit Netflix show, now on Season 3! When 18-year-old Klaus gets himself kicked out of the Umbrella Academy and his allowance discontinued, he heads to a place where his ghoulish talents will be appreciated—Hollywood. But after a magical high on a stash stolen from a vampire drug lord, Klaus needs help, and doesn't have his siblings there to save him. Collecting issues #1–#6 of the first Umbrella Academy

spinoff miniseries, with a foreword by Robert Sheehan, portrayal of Klaus in the hit Netflix series! “Full of revealing, instantly applicable ideas for leveraging your strengths and overcoming your weaknesses.” —Adam Grant, author of *Think Again* and *Originals*, and host of the TED podcast *WorkLife* For many of us, listening is simply something we do on autopilot. We hear just enough of what others say to get our work done, maintain friendships, and be polite with our neighbors. But we miss crucial opportunities to go deeper—to give and receive honest feedback, to make connections that will endure for the long haul, and to discover who people truly are at their core. Fortunately, listening can be improved—and Ximena Vengoechea can show you how. In *Listen Like You Mean It*, she offers an essential listening guide for our times, revealing tried-and-true strategies honed in her own research sessions and drawn from interviews with marriage counselors, podcast hosts, life coaches, journalists, filmmakers, and other listening experts. Through Vengoechea’s set of scripts, key questions, exercises, and illustrations, you’ll learn to:

- Quickly build rapport with strangers
- Ask the right questions to deepen a conversation
- Pause at the right time to encourage vulnerability
- Navigate a conversation that’s gone off the rails

Now more than ever, we need to feel heard, connected, and understood in a world that keeps turning up the volume. Warm, funny, and immensely practical, this book shows you how. Presents an efficient method for reading body language in first encounters, daily encounters, and even watching the news, explaining how the messages and emotions that people are really sending can be spotted and interpreted. Don't Look Like a Lawyer: Black Women and Systemic Gendered Racism highlights how race and gender create barriers to recruitment, professional development, and advancement to partnership for black women in elite corporate law firms. More often than not, leaders make the mistake of assuming that they know everything, when in fact they don't. They make the assumption that as long as the numbers and output are good, that all is well. In this book by Daniel K. Schotter, leaders and aspiring leaders alike are taught that there is more to leadership and management than meets the eye. Schotter puts into the spotlight the concept of Relational Leadership, which he says is the key to improving productivity through building personal

With this book, Cheryl Hicks brings to light the voices and viewpoints of black working-class women, especially southern migrants, who were the subjects of urban and penal reform in early twentieth-century New York. Hicks compares the ideals of racial uplift in the United States. The land of unimagined opportunities. A place of longing for many Germans for decades. This book describes why people from the Bavarian Forest emigrated to the United States from 1841 to 1931. Diverse documents from German and American archives, historical records, and maps, assembled over many years, are augmented by a wealth of authentic, fascinating letters, photographs, and diary entries from the emigrating families. Vivid conversations and meetings with present-day descendants bring the story full circle! You will experience

- the hard life in the Bavarian Forest villages
- the hopeful letters from America
- the attempts of the authorities to thwart emigration plans
- the arduous and often painful preparations for the trip
- the adventure-filled, transatlantic crossing 'tween deck
- the critical examinations on Ellis Island and
- the difficult new beginning in the New World

This book forms the basis of the exhibits in the "Born in Schiefweg" Emigration Museum in the Bavarian Forest. It also found its way into the permanent exhibition of the German Emigration Center in Bremerhaven, Germany. “Pfeffer [blends] academic rigor and practical genius into wonderfully readable text. The leading thinker on the topic of power, Pfeffer here distills his wisdom into an indispensable guide.” —Jim Collins, author of *New York Times* bestselling author *Good to Great* and *How the Mighty Fall*

Some people have it, and others don't—Jeffrey Pfeffer explores why in *Power*. One of the greatest minds in management theory and author or co-author of thirteen books, including the seminal business school text *Managing With Power*, Pfeffer shows readers how to

succeed and wield power in the real world. A beautiful half Native American, half-Scottish orphan raised by a harsh Mexican ranchera, Ramona enters into a forbidden love affair with a heroic Mission Indian named Alessandro. The pair's adventures after they elope paint a vivid portrait of California history and the woeful fate of Native Americans and Mexicans whose lands and rights were stripped as Anglo-Americans overran southern California. "The most crucial relationship advice book since Men Are from Mars."—Erin Meanley, Glamour.com

A groundbreaking, interactive relationship tool that literally places in the hands of couples the power to transform chronically frustrating relationship dynamics. We've all been there. A conversation with a loved one escalates into conflict. Voices rise to a fever pitch and angry, accusative words fly through the air. At times like these, it seems impossible to find the magic words that will lead to healing. Enter *Talk to Me Like I'm Someone You Love*. A psychotherapist with decades of experience in counseling couples, Nancy Dreyfus hit upon the revolutionary practice outlined in this book during a couples-therapy session in which a wife's unrelenting criticism of her husband was causing him to become emotionally withdrawn. In the midst of this, Dreyfus found herself scribbling on a scrap of paper, "Talk to me like I'm someone you love," and gestured to the husband that he should hold it up. He did and within seconds the familiar power differential between the two shifted, and a gentler, more genuine connection emerged. Dreyfus was startled, then intrigued, and then motivated to create a tool that could help others. This book features more than one hundred of Dreyfus's "flash cards for real life," written statements that express what we wish we could communicate to the person we love, but either can't find the right words or the right tone in which to say it. The statements include:

- Taking responsibility: "I realize I'm overreacting. Can you give me a minute to get sane again?"
- Apologizing: "I know I've really hurt you. What can I do to help you trust me again?"
- Loving: "You are precious, and I get that I haven't been treating you like you are."

A one-of-a-kind, practical relationship tool, *Talk to Me Like I'm Someone You Love* will help couples to stop arguing and begin healing.

Alexis's long-awaited second novel follows his award-winning *Childhood*. Set in Ottawa during the Mulroney years, *Asylum* is André Alexis's sweeping, edged-in-satire, yet deeply serious tale of intertwined lives and fortunes, of politics and vain ambition, of the building of a magnificent prison, of human fallibility, of the search for refuge, of the impossibility of love, and of finding home. Whether he is taking us

into the machinations of a government office or into the mysterious workings of the human heart, Alexis is always alert to the humour and the profound truth of any situation. His cast of characters is eccentric and unforgettable, all recognizable in one way or another as aspects of ourselves or people we know well. At the centre of the story, which covers almost a decade, is a visionary project to build an ideal prison, a perfect metaphor for the purest aspects of artistic ambition and for all that is great and flawed in the world. André Alexis is a true original, one of the most talented and astute writers writing in Canada today. This dazzling novel is filled with tragedy, dry wit, intellectual grist. It is playful, linguistically accomplished, and psychologically profound. Its yearnings constitute the highest level of human concerns and pursuits. Alexis has written *The Great Canadian Novel*, with a twist. "It's fun to find ways I'm like you and you're like me. It's fun to find ways we're different." In this colorful, inviting book, kids from preschool to lower elementary learn about diversity in terms they can understand: hair that's straight or curly, families with many people or few, bodies that are big or small. With its wide-ranging examples and fun, highly detailed art, *I'm Like You, You're Like Me* helps kids appreciate the ways they are alike and affirm their individual differences. A two-page adult section in the back provides tips and activities for parents and caregivers to reinforce the themes and lessons of the book. Praise is the only path to God--at least this is what many of us have been taught. But the notion that we have to be positive all the time, putting on a happy face through anger, frustration, and pain, hinders our ability not only to heal ourselves and society, but to have an authentic relationship with the Divine. We long to connect with God over the very real sorrow in our lives and in the world around us, but so many of us were never shown how. This lack of knowing how to lament--an ancient practice of expressing anger and pain to God--damages us personally and spiritually. Pastor Abby Norman is here to tell us that we can talk to God like that. In her fresh, tell-it-like-it-is voice, she unpacks the power of lament, providing us with the tools and the grace-filled permission to heal the problems we have been ignoring for too long. She shows us how to express our laments to God and to each other when things are definitely not okay. And through this process we will discover a richer connection with God--who has wanted nothing more than our whole selves from the start. These eighteen tales of the macabre show Dahl's dark brilliance as a short-story writer. They are wicked (as an old man attracts the attentions of those more interested in his skin than his wellbeing), shocking (as distasteful bets are made ? a daughter's hand on the identity of a glass of claret, a finger risked for a Cadillac) and blackly humorous (as a cuckolded husband receives a chance to take his revenge out on his wife's neck). *Someone Like You* is as devilishly ingenious and suspenseful as writing gets. From the chief architect of the Pandora Radio's Music Genome Project comes a definitive and groundbreaking examination of how your mind, body, and upbringing influence the music you love. Everyone loves music. But what is it that makes music so universally beloved and have such a powerful effect on us? In this sweeping and authoritative book, Dr. Nolan Gasser—a composer, pianist, and musicologist, and the chief architect of the Music Genome Project, which powers Pandora Radio—breaks down what musical taste is, where it comes from, and what our favorite songs say about us. Dr. Gasser delves into the science, psychology, and sociology that explains why humans love music so much; how our brains process music; and why you may love Queen but your best friend loves Kiss. He sheds light on why babies can clap along to rhythmic patterns and reveals the reason behind why different cultures around the globe identify the same kinds of music as happy, sad, or scary. Using easy-to-follow notated musical scores, Dr. Gasser teaches music fans how to become engaged listeners and provides them with the tools to enhance their musical preferences. He takes readers under the hood of their favorite genres—pop, rock, jazz, hip hop, electronica, world music, and classical—and covers songs from Taylor Swift to Led Zeppelin to Kendrick Lamar to Bill Evans to Beethoven, and through their work, Dr. Gasser introduces the musical concepts behind why you hum along, tap your foot, and feel deeply. Why You Like It will teach you how to follow the musical discourse happening within a song and thereby empower your musical taste, so you will never hear music the same way again. A thoroughly comprehensive toolkit to help you develop all the networking skills you want to know, practice, and utilize. The art of effective networking is absolutely vital to building solid business relationships and to finding, growing, and keeping your business and enhancing your life. You will find the answers to important networking questions and topics, with advice on how to achieve your goals within each, such as: How do I start a conversation with someone I find intimidating? How do I ask tough questions tactfully? How do I start and exit a conversation at internal and external business events? How do I “network” with someone I may not like, but who is key in the department or industry? What are some of the topics to avoid? What are examples of great opening lines, icebreakers, and small talk when I'm networking? How do I follow-up? How do I establish and create advocates and referral opportunities? How do I know when I'm networking? Where can I find a systematic approach to networking? How can I keep all of my contacts organized and easy to reach? How can I continue to find, keep, and grow my business all the time? How do I develop my own "self-brand"? You can read the whole book or pick and choose topics as you need them as a lifelong reference. One frozen embryo. Two families with life-long secrets. And a guy who never planned to fall in love again. Maddie Baxter West is shaken to the core when she finds out everything she believed about her life was a lie. Her parents had always planned to tell her the truth about her past: that she was adopted as an embryo. But somehow the right moment never happened. Then a total stranger confronts Maddie with the truth and tells her something else that rocks her world—Maddie had a sister she never knew about. Betrayed, angry, and confused, Maddie leaves her new job and fiancé, rejects her family's requests for forgiveness, and moves to Portland to find out who she really is. Dawson Gage's life was destroyed when London Quinn, his best friend and the only girl he ever loved, is killed. In the hospital waiting room, London's mother reveals that London might have had a sibling. The frozen embryo she and her husband donated decades ago. When Dawson finds Maddie and brings her to Portland, the Quinns—her biological parents—welcome her into their lives and hearts. Maddie is comforted by the Quinns' love and intrigued by their memories of London, who was so much like her. Is this the family and the life she was really meant to have? Now it will take the love of Dawson Gage to help Maddie know who she is...and to help her find her way home. Explores the universal enjoyments of childhood that all children can realize and share with a handicapped child.
