Easter Is Coming! Oct 27 2020 Mommy and her little ones are settling in for story time, and this time it's the biblical story of Easter that she's telling. As the youngsters hear God's tale unfold with its sometimes somber notes about sin and death, they are softly and continually reminded, "But Easter is coming!" By the end of the book, the anticipation has built and the children can celebrate the ending and the glory of Easter Sunday. In a time when children's Easter excitement often focuses on only egg hunts and candy, this book offers a different—and true—reason for joy and expectancy. It's designed to be read and reread on the days leading up to Easter, telling the greatest story and building a sense of anticipation and celebration in little hearts. Go to bhkids.com to find this book's Parent Connection, an easy tool to help moms and dads (or anyone else who loves kids) discuss the book's message with their child. We're all about connecting parents and kids to each other and to God's Word.

The Case for Easter Aug 25 2020 Of the many world religions, only one claims that its founder returned from the grave. The resurrection of Jesus Christ is the very cornerstone of Christianity. But a dead man coming back to life? In our sophisticated age, when myth has given way to science, who can take such a claim seriously? Some argue that Jesus never died on the cross. Conflicting accounts make the empty tomb seem suspect. How credible is the evidence for the resurrection? Focusing his award-winning skills as a legal journalist on history's most compelling enigma, Lee Strobel retraces the startling findings that led him from atheism to belief. Drawing on expert testimony first shared in his blockbuster book *The Case for Christ*, Strobel examines: The Medical Evidence -- Was Jesus' death a sham and his resurrection a hoax? The Evidence of the Missing Body -- Was Jesus' body really absent from his tomb? The Evidence of Appearances -- Was Jesus seen alive after his death on the cross? Written in a hard-hitting journalistic style, *The Case for Easter* probes the core issues of the resurrection. Jesus Christ, risen from the dead: superstitious myth or life-changing reality? The evidence is in. The verdict is up to you. Book jacket.
