It is so hard to juggle work, home, and spiritual life. As working women, we've wrestled with tough questions: · How can I be effective in my work, and stay committed to the Gospel? · How can I be dedicated to my family, when my job is so demanding? · Why am I working so hard, and still so unfulfilled? Sound familiar? Like you, we see a culture that promotes success at all costs, and working women are falling for it. It's happening every day. Priorities are shifting. Things are getting done . . . but are we doing what matters most? And that's why we wrote this book. This is the story of how we traded the lies of the world for the truth of our loving Father--the lessons we learned that challenged culture's "good things" so we could find the greatest thing. The book you're holding in your hands is really a conversation--a conversation that pushes back against our culture with a Gospel-centered approach to work and womanhood, for the glory of God and

the good of others. Let's get to work. His way.
