Through an integrated, personalized digital learning program, students gain the insight they need to study smarter and improve performance.

Human Adjustment

Apr 28 2021 The first edition of [the book] was a unique departure from the standard adjustment text. How the sociocultural contexts in which we live influence the way we adjust in our lives was woven throughout the book. The

emphasis on sociocultural contexts, culture, ethnicity, and gender, has been retained in the second edition....

An important change in the second edition is the dramatic increase in emphasis on critical thinking. -Pref.

Development Aug 21 2020

As a master teacher, John Santrock connects current research with real-world application, helping students see how developmental psychology plays a role in their own lives and future careers. Through an integrated learning goals system, this comprehensive and

chronological approach to lifespan development helps students gain the insight they need to study smarter, stay focused, and improve performance.

Educational

Psychology Aug 13 2022 Santrock's Educational Psychology emphasizes the application of theory to real classroom practice. With richly evocative classroom vignettes from practicing teachers and a wealth of case studies, Educational Psychology helps students think critically about the research basis for best practices. Santrock's hallmark Learning System organizes the

content into manageable chunks under learning goals, supporting retention and mastery, so that students will have an engaging and successful course experience. The Connect course for this offering includes SmartBook, an adaptive reading and study experience which guides students to master, recall, and apply key concepts while providing automatically-graded assessments.

Digital

• Connect®—The Connect Suite effectively engages students in the course so they are better prepared for class, more active in discussion, and achieve better

results. Its innovative and adaptive technology addresses a wide variety of student and instructor needs with a rich database of assignable and assessable activities, each attached to learning objectives. Connect, part of the Connect suite, is a web-based assignment and assessment platform that features a number of powerful tools that make managing assignments easier for instructors and learning and studying more engaging and efficient for students. • Connect Insight™—As part of the Connect Suite, Insight™ puts real-time analytics in your

hands so you can take action early and keep struggling students from falling behind. Designed for your tablet or desktop computer, Insight is a series of visual displays providing at-a-glance information regarding how your section, students, and assignments are doing. • SmartBook—As part of the Connect Suite, SmartBook is the first and only adaptive reading and learning experience that changes the way students read. It creates a personalized, interactive reading environment like no other by highlighting important concepts, while helping students identify

their strengths and weaknesses. This ensures that he or she is focused on the content needed to close specific knowledge gaps, while it simultaneously promotes long term learning. • LearnSmart—As part of the Connect Suite, LearnSmart is an adaptive learning program designed to help students learn faster, study smarter, and retain more knowledge for greater success. Millions of students have answered billions of questions in LearnSmart, making it the most widely used tool that's proven to strengthen memory recall, retain student attendance, and boost grades. **Loose Leaf for**

Loose Leaf for Essentials of Life-Span Development
Jun 18 2020
Essentials of Life-Span Development is organized chronologically and covers all periods of the human life span, from the prenatal period through late adulthood and death. Providing a broad overview of life-span development, this text especially gives

attention to the theories and concepts that students seem to have difficulty mastering.
Psychology Nov 23 2020
Life-Span Development 17e
Sep 02 2021 As a master teacher, John Santrock connects current research with real-world application, helping students see how developmental psychology plays a role in their own lives and future careers. Through an integrated learning goals system, this comprehensive and chronological approach to lifespan development helps students gain the insight they need to study smarter, stay

focused, and improve performance.

Child Development: An Introduction Sep 14 2022 Thorough. Accurate. Reliable. Engaging. These are just a few of the words used by adopters and reviewers of John Santrock's Child Development. Child Development is widely considered the most accurate and up-to-date topically-organized text in the field. Used by hundreds of thousands of students over eleven editions, its learning goals-driven learning system provides a clear roadmap to student understanding of the content. The fully revised twelfth edition reinforces

the highly contemporary tone and focus by featuring hundreds of new citations. Psychology Apr 16 2020 Based on the extensively revised Santrock's Psychology 6e, Psychology Brief Edition" is a highly readable, practical and research oriented introduction to the discipline. The Brief Edition was developed to satisfy the demand for a shorter text that could easily be covered in one semester. Chapters were rewritten to maintain the continuity and pedagogy that has made Santrock a student and market favorite. Memory, Language, and Intelligence have been combined to

form one cohesive chapter and the health psychology and statistics coverage has been moved into an appendix. Santrock provides faculty and students with the most relevant introduction to psychology available, no other Introductory text provides a better balance of research vs. pedagogy, content vs. applications, depth vs. breadth, and theoretical vs. practical information. All of this is presented in the clearly understandable and straightforward prose that Santrock is renowned for and in a highly visual design that is pedagogically sound and engaging without being

distracting.

Psychology Feb 24

2021 The second

edition of this

introductory

psychology

textbook enables

the reader to

analyse and better

understand

themselves and

others by increasing their awareness of the diversity of human behaviour. The book stresses critical thinking about all aspects of behaviour and emphasizes the sociocultural perspective throughout, providing students with a broader, global view of the science of psychology.

Children Aug 25 2023 John Santrock's *Children* combines proven pedagogy and the most current research to provide a market leading presentation of child development. This time tested text provides compelling contemporary research, including updates from eight

leading experts in the field. The text's accessible presentation, plentiful applications and engaging writing foster increased mastery of the content. The new edition includes substantially expanded material on subjects including children's health and well-being, parenting and education, diversity, culture, and gender.

Human Adjustment
Mar 08 2022

Loose Leaf for Children Jul 20 2020 *Children* focuses on providing a systematic, integrative approach that helps students make connections in their learning and practice. The main

goals of this text are to connect with today's students, connect research on children's development, connecting the developmental process, and connecting development to real life.

Human Adjustment with In-Psych CD-ROM

Oct 23 2020 In this new text for Psychology of Adjustment courses, John Santrock presents psychology as a research-based science that can be applied successfully to improving personal adjustment. Providing numerous opportunities for self-evaluation and strategies for adjustment, *Human Adjustment* helps

students cope effectively with the challenges they face.

Adolescence Mar 20 2023 Connecting research and results. As a master teacher, John Santrock connects students to current research and real-world application, helping students see how adolescent psychology plays a role in their own lives and future careers. Through an integrated, personalized digital learning program, students gain the insight they need to study smarter and improve performance.

Life-Span

Development Apr 09 2022 Driven by

learning goals, previous editions of this text have been widely adopted for their accurate, complete, and up-to-date coverage.

While maintaining these hallmarks, this revision includes increased coverage of adulthood and aging, a new "Interlude" feature on applications, and updated research with more 21st-century citations than ever before.

Your Guide to College Success

Jun 30 2021

"Authored by John Santrock, a prominent developmental psychologist, and Jane Halonen, an educational leader in critical thinking, this proven text and CD-ROM package appeal to

instructors who want to emphasize student self-awareness in pursuit of college success goals, as well as active learning strategies. Within the 13-chapter text, the authors develop six themes that impact students' success.

They have developed and refined an innovative visual map, the "Six-Point Model of Success."

Tare introduced The themes include: Develop Meaningful Values; Set Goals, Plan, and Monitor; Get Motivated and Take Responsibility; Think and Learn; Build Self-Esteem and Self-Confidence; and, Explore Careers. Once these themes are introduced Chapter 1, they are

integrated throughout the book, providing students with a guide to success. refers to the A Learning Portfolio concludes every chapter and consists of three self-assessments, a variety of journal activities, and the new summary activity "Applying the Six Strategies for Success" The Learning Portfolio is designed to help students record their reflections, apply the strategies, and track their success through the course. An accompanying CD-ROM is packaged free with every few textbook and is a valuable addition to the learning resources this book offers. The CD-ROM

contains electronic versions of the self-assessments, additional self-assessments, My Journal, and case studies for in-class or journal discussion." -- Publisher.
