**Back Roads** Sep 16 2022 NOW A MAJOR MOTION PICTURE Funny and heartbreaking, this New York Times bestselling debut perfectly captures the maddening confusion of adolescence and the prickly nature of family with irony and unerring honesty. Harley Almyer should be in college having the time of his life. He should be free from the backwards Pennsylvania coal town he calls home, with its lack of jobs and no sense of humor. Instead, he's constantly reminded of just how messed up everything is... Harley's mother is in prison for killing his father, so he's in charge of bringing up his younger sisters and working two jobs to pay the bills—and that doesn't leave a lot of time for distractions. But lately, he's getting more and more sidetracked by lusting after Callie Mercer, his middle-aged neighbor. As he struggles to keep it together, things begin to spin out of control. Soon Harley finds that as shattered as his family is, there are still more crushing surprises in store. "In Harley, O'Dell has created a hero who's heartbreakingly believable; like Holden Caulfield, he uses caustic humor to hide his pain. Readers will care very much about him and his future, if indeed he has one."—St. Petersburg Times

**If Only We Knew What We Know** Sep 04 2021 While companies search the world over to benchmark best practices, vast treasure troves of knowledge and know-how remain hidden right under their noses: in the minds of their own employees, in the often unique structure of their operations, and in the written history of their organizations. Now, acclaimed productivity and quality experts Carla O'Dell and Jack Grayson explain for the first time how applying the ideas of Knowledge Management can help employers identify their own internal best practices and share this intellectual capital throughout their organizations. Knowledge Management (KM) is a conscious strategy of getting the right information to the right people at the right time so they can take action and create value. Basing KM on three major studies of best practices at one hundred companies, the authors demonstrate how managers can utilize a visual process model to actually transfer best practices from one business unit of the organization to another. Rich with case studies, concrete examples, and revealing anecdotes from companies including Texas Instruments, Amoco, Buckman, Chevron, Sequent Computer, the World Bank, and USAA, this valuable guide reveals how knowledge treasure chests can be unlocked to reduce product development cycle time, implement more cost-efficient operations, or create a loyal customer base. Finally, O'Dell and Grayson present three "value propositions" built around customers, products, and operations that could result in staggering payoffs as they did at the companies cited above. No amount of knowledge or insight can keep a company ahead if it is not properly distributed where it's needed. Entirely accessible and immensely readable, *If Only We Knew What We Know* is a much-needed companion for business leaders everywhere.

**Agnes Parker... Girl in Progress** Jun 25 2023 For use in schools and libraries only. As she starts in the sixth grade, Agnes faces challenges with her old best friend, a longtime bully, a wonderful new classmate and neighbor, and herself.

**Our Social World** Oct 17 2022 The Third Edition of *Our Social World: Introduction to Sociology* is truly a coherent textbook that inspires students to develop their sociological imaginations, to see the world and personal events from a new perspective, and to confront sociological issues on a day-to-day basis. Key Features: \* Offers a strong global focus: A global perspective is integrated into each chapter to encourage students to think of global society as a logical extension of their own micro world. \* Illustrates the practical side of sociology: Boxes highlight careers and volunteer opportunities for those with a background in sociology as well as policy issues that sociologists influence. \* Encourages critical thinking: Provides various research strategies and illustrates concrete examples of the method being used to help students develop a more sophisticated epistemology. \* Presents "The Social World Model" in each chapter: This visually-compelling organizing framework opens each chapter and helps students understand the interrelatedness of core concepts. New to the Third Edition: \* Thirty new boxed features, including the innovative 'Engaging Sociology' and 'Applied Sociologists

at Work' features \* Three substantially reorganised chapters (2. Examining the Social World, 3. Society and Culture, and 13. Politics and Economics) \* 315 entirely new references and 120 new photos. **Multiracial Americans and Social Class** Apr 23 2023 As the racial hierarchy shifts and inequality between Americans widens, it is important to understand the impact of social class on the rapidly growing multiracial population. *Multiracial Americans and Social Class* is the first book on multiracial Americans to do so and fills a noticeable void in a growing market. In this book, noted scholars examine the impact of social class on the racial identity of multiracial Americans, in highly readable essays, from a range of sociological perspectives. In doing so, they answer the following questions: Who is multiracial? How does class influence racial identity? How does social class status vary among multiracial populations? Do you need to be middle class in order to be an "honorary white"? What is the relationship between social class, culture, and race? How does the influence of social class compare across multiracial backgrounds? What are multiracial Americans' explanations for racial inequality in the United States? *Multiracial Americans and Social Class* is a key text for undergraduate and postgraduate students, researchers, and academics in the fields of sociology, race and ethnic studies, social stratification, race relations, and cultural studies.

**Race Policy and Multiracial Americans** Jul 02 2021 *Race Policy and Multiracial Americans* looks at the impact of multiracial people on race policies—where they lag behind the growing numbers of multiracial people in the USA and how they can be used to promote racial justice. This much-needed book is essential reading for anyone interested in race relations and social justice.

**Black Star, Bright Dawn** Jun 13 2022 Bright Dawn must face the challenge of the Iditarod dog sled race alone when her father is injured. Soon she realizes that the race and her life depend on how much she can rely on her lead dog, Black Star.

**Music Therapy Research** Aug 23 2020 This is the first and most comprehensive textbook on music therapy research to be published, with 24 chapters, edited and authored by eminent researchers and scholars. The book begins with an overview of issues in music therapy research, followed by a survey of the current literature; then different types of quantitative and qualitative research designs are described in detail, including philosophical and historical modes of inquiry. Several chapters describe the actual process of doing research, and throughout the book, numerous examples of music therapy research are provided. This is a standard reference for students and professionals in the field.

**Actress: A Novel** Aug 03 2021 Longlisted for the 2020 Women's Prize for Fiction One of Time's 100 Must-Read Books of 2020 "A critique, a confession, a love letter—and another brilliant novel from Anne Enright." —Ron Charles, Washington Post Katherine O'Dell is an Irish theater legend. Every moment of her life is a performance, with her daughter, Norah, standing in the wings. With age, alcohol, and dimming stardom, however, Katherine's grip on reality grows fitful. Fueled by a proud and long-simmering rage, she commits a bizarre crime. As Norah's role gradually changes to Katherine's protector, caregiver, and finally legacy-keeper, she revisits her mother's life of fiercely kept secrets; and Norah confronts in turn the secrets of her own sexual and emotional coming-of-age. With virtuosic storytelling, *Actress* weaves together two generations of women with difficult sexual histories, touching a raw and timely nerve.

**Measure What Matters** Nov 25 2020 In an online and social media world, measurement is the key to success. If you can measure your key business relationships, you can improve them. Even though relationships are "fuzzy and intangible," they can be measured and managed—with powerful results. *Measure What Matters* explains simple, step-by-step procedures for measuring customers, social media reputation, influence and authority, the media, and other key constituencies. Based on hundreds of case studies about how organizations have used measurement to improve their reputations, strengthen their bottom lines, and improve efficiencies all around. Learn how to collect the data that will help you better understand your competition, do strategic planning, understand key strengths and weaknesses, and better respond to

customer preferences Author runs a successful blog and serves as a measurement consultant to companies such as Facebook, Southwest Airlines, Raytheon, and Allstate Don't draw conclusions or make key decisions based on guesswork. Instead, Measure What Matters and the difference will show in the most important measure: your bottom line.

*From Black to Biracial* Aug 15 2022 Is a person with both a white and African American parent black? Thirty years ago in American society the answer would have been yes. Today, the answer most likely depends on whom you ask. According to the U.S. Census, a person with both a black and a white parent is, in fact, black. However, most young persons who fit this description describe themselves as biracial, both black and white. Most young Americans, whatever their racial background, agree. Since the Voting Rights Act of 1965 signaled the culmination of the Civil Rights Movement, a transformation has occurred in the racial self-definition of Americans with both an African American and a white parent. This book describes the transformation and explains why it has occurred and how it has come about. Through extensive research and dozens of interviews, Korgen describes how the transformation has its roots in the historical and cultural transitions in U.S. society since the Civil Rights era. A ground breaking book, *From Black to Biracial* will help all Americans understand the societal implications of the increasingly multiracial nature of our population. From affirmative action to the present controversy over the U.S. Census 2000, the repercussions of the transformation in racial identity related here affect all race-based aspects of our society. Students and faculty in sociology and multicultural studies, business leaders, and general readers alike will benefit from reading this work.

**Kathleen, Please Come Home** Feb 21 2023 Originally published: Boston: Houghton Mifflin, c1978.

**Miss O'Dell** Dec 07 2021 CHRIS O'DELL WASN'T FAMOUS. SHE WASN'T EVEN ALMOST FAMOUS. BUT SHE WAS THERE. \* She was in the studio when the Beatles recorded *The White Album*, *Abbey Road*, and *Let It Be*, and she sang in the "Hey Jude" chorus. \* She lived with George Harrison and Pattie Boyd and unwittingly got involved in Pattie's famous love story with Eric Clapton. \* She's the subject of Leon Russell's "Pisces Apple Lady." \* She worked for the Rolling Stones on their infamous 1972 tour and did a drug run for Keith Richards. \* She's "the woman down the hall" in Joni Mitchell's song "Coyote," the "mystery woman" pictured on the Stones album *Exile on Main Street*, and the "Miss O'Dell" of George Harrison's song. The remarkable, intimate story of an ordinary woman who lived the dream of millions—to be part of rock royalty's inner circle—Miss O'Dell is a backstage pass to some of the most momentous events in rock history.

**Full of Beans** Apr 11 2022 Winner of the Scott O'Dell Award Five Starred Reviews! A New York Public Library Best Book for Kids, 2016 Grown-ups lie. That's one truth Beans knows for sure. He and his gang know how to spot a whopper a mile away, because they are the savviest bunch of barefoot conchs (that means "locals") in all of Key West. Not that Beans really minds; it's 1934, the middle of the Great Depression. With no jobs on the island, and no money anywhere, who can really blame the grown-ups for telling a few tales? Besides, Beans isn't anyone's fool. In fact, he has plans. Big plans. And the consequences might surprise even Beans himself. Return to the wonderful world of Newbery Honor Book *Turtle in Paradise* through the eyes of Turtle's cousin Beans! "A surprising coming-of-age story with a remarkably honest message." —The New York Times "[Holm] captures this colorful slice of Depression history with her usual vivacious wit. . . . Children will love Beans." —Shelf Awareness, Starred "A novel as entertaining as the motion pictures [Beans] loves to see."—The Horn Book Magazine, Starred "Inspired by actual events, Holm's talent for writing historical fiction is on full display. . . . Interesting family and small-town dynamics further enrich this fascinating account of a young boy's life in Florida's 'Recovery Key.'" —Booklist, Starred "Filled with humor, heart, and warmth." —Kirkus Review, Starred "Entertaining and illuminating historical fiction." —Publishers Weekly, Starred

**At the Stroke of Madness** Feb 26 2021 Revisit the dark and twisted world of profiler Maggie O'Dell, in book four of the acclaimed series by Alex Kava. FBI Special Agent Maggie O'Dell is just starting a vacation when she gets a call from her friend, psychologist Dr. Gwen Patterson. One of Gwen's patients is missing on a trip to Connecticut. Can Maggie look into Joan Begley's disappearance? At first Maggie dismisses Gwen's concern. But when the body of a woman is discovered in an abandoned rock quarry in Connecticut, Maggie heads to the small town on "unofficial" business. Soon the shocking news surfaces that more bodies have been discovered, and Maggie is drawn into a case that confounds

both local law enforcement and a seasoned criminal profiler like herself. But where is Joan Begley? Is she in fact the woman discovered buried in the quarry? Or is she the unwilling guest of a killer obsessed with possessing an unimaginable prize from his victims? Originally published in 2003

*Cursed (Cursed Magic Series, Book One)* Nov 06 2021 The night Claire Tanith's small village is attacked, her mother sends her alone into the cursed forest, the one she'd been forbidden to enter all her life with these mysterious words: 'They will protect you.' On the run from her attackers, she soon finds the forest is not as abandoned as she'd once thought. Beautiful and elegant, the elves seem to be everything the legends said they would be. But legends sometimes forget the true history of things and Claire's eyes are soon opened to a world she never knew. One that has been kept from her for most of her life. All Claire wants to do is return home and start looking for her mother, the only family she ever had. But the elves have different plans. The mysterious mark that appeared on her arm isn't a curse, at least not to them anyway, and before she knows it, she is whisked away on a mission she never agreed to, unless they help her in return. Now she is stuck on an adventure with the perverted elf, Aeron, and one with an attitude, Farron. But there is more to this adventure than she'd ever hoped for.

**The Healing** May 20 2020 Plantation mistress Amanda Satterfield's intense grief over losing her daughter crosses the line into madness when she takes a newborn slave child as her own and names her Granada. Troubled by his wife's disturbing mental state and concerned about a mysterious plague that is sweeping through the plantation's slave quarters, Master Satterfield purchases Polly Shine, a slave woman known as a healer who immediately senses a spark of the same gift in Granada. Soon, a domestic battle of wills begins, leading to a tragedy that weaves together three generations of strong Southern women. Rich in mood and atmosphere, *The Healing* is a powerful, warmhearted novel about unbreakable bonds and the power of story to heal.

*Streams to the River, River to the Sea* Sep 23 2020 A young Indian woman, accompanied by her infant and her cruel husband, experiences joy and heartbreak when she joins the Lewis and Clark expedition seeking a way to the Pacific.

**One of Us** Jan 28 2021 "Smart, polished, successful, Dr. Sheridan Doyle is the go-to forensic psychologist for the Philadelphia DA's office and the scandal-hungry local news. But beneath his public image, he's still Danny Doyle, the bookish boy from a blue-collar family, plagued by night terrors and a tragic history. Returning to a hometown grappling with its own ghosts, Doyle finds a dead body at the infamous gallows where a band of rebellious Irish miners was executed a century earlier. Strangely, the body is connected to the wealthy family responsible for the miners' deaths. Danny teams up with veteran detective Rafe, a father-like figure from his youth, to build a profile of the killer - and comes dangerously close to uncovering startling truths about his own family, his past, and himself"--Back cover.

*Agnes Parker... Keeping Cool in Middle School* May 24 2023 Agnes Parker is going to middle school, and there's plenty of drama! Middle school is going to take some getting used to. Agnes's best friend, Prejean, has jumped in and decided to run for class president, but Agnes would rather try to be invisible. That'll be difficult now that Prejean has asked Agnes to be her campaign manager. And then there's Aram, a boy in Agnes's art class who seems to have a crush on her. He's smart and funny, and Agnes feels comfortable around him. But is he such an odd duck that she'll seem odd by association? "O'Dell's writing perfectly captures the painful and sometimes funny middle-school years. Agnes will once again charm readers with her sweet and generous nature, even as she navigates the new and scary world of seventh grade. Thoughtful and captivating."—Kirkus Reviews, starred review

**Contract with the Skin** Jan 20 2023 Having oneself shot. Putting out fires with the bare hands and feet. Biting the body and photographing the marks. Sewing one's own mouth shut--all in front of an audience. What do these kinds of performances tell us about the social and historical context in which they occurred? Fascinating and accessibly written, *CONTRACT WITH THE SKIN* addresses the question in relation to psychoanalytic and legal concepts of masochism. 34 photos.

*The View from Delphi* Apr 18 2020 In pre-civil rights era in Mississippi, two young mothers--one white and one black--have only two things in common: the devastating loss of their sons, and a deep loathing for one another. Now, they reluctantly start to see the other as her last chance at personal redemption.

**Ophie Out of Oz** Nov 18 2022 Fourth-grader Ophelia Peeler has always felt that she was, just like Dorothy in Oz, skipping down the yellow brick

road. A move to Oregon, away from her best friend, sends her on a different path.

Angels Burning Jun 01 2021 "On the surface, Chief Dove Carnahan is a true trailblazer who would do anything to protect the rural Pennsylvanian countryside where she has lived all fifty of her years. Traditional and proud of her blue-collar sensibilities, Dove is loved by her community. But beneath her badge lies a dark and self-destructive streak, fed by a secret she has kept since she was sixteen. When a girl is beaten to death, her body tossed down a fiery sinkhole in an abandoned coal town, Dove is faced with solving the worst crime of her law enforcement career. She identifies the girl as a daughter of the Truly family, a notoriously irascible dynasty of rednecks and petty criminals. During her investigation, the man convicted of killing Dove's mother years earlier is released from prison. Still proclaiming his innocence, he approaches Dove with a startling accusation and a chilling threat that forces her to face the parallels between her own family's trauma and that of the Trulys" --

Bad Tickets Jul 26 2023 She's left her good Catholic girl ways behind . . . mostly. It is 1967, the Summer of Love, and Mary Margaret Hallinan has that itchy, squirmy feeling that there must be something more out there for her. Her new best friend, the glamorous Jane, says that boys are the ticket to a spectacular future. Her ex-best friend Elizabeth is sure she's going to hell. "Say yes!" commands Jane, and Mary Margaret has tried to follow her c'mon-it'll-be-fabulous friend into the psychedelic swirl. But can she fit any of her old self to this new life she's trying on? This is it, this is gonna be the summer. Mary Margaret Hallinan, former good Catholic girl, is clutching her ticket. Friendship, faith, family, feminism, and 1960s counterculture all contribute to the heartfelt, thoughtful pages of *Bad Tickets*.

*The Engaged Sociologist* Oct 05 2021 This fully updated edition of *The Engaged Sociologist* by Kathleen Odell Korgen carries the public sociology movement into the classroom, while at the same time providing an engaging overview of the entire field. It demonstrates how to think sociologically, to develop a sociological eye, and to use sociological tools to become effective participants in a democratic society. Perfect as a supplement for an introductory course, or as a main text for any course that has public sociology at its roots, this inspiring book will serve as a guidebook to any student who is passionate about applying sociological concepts to the world around them.

*Finding Sarah* Oct 25 2020 Being robbed at gunpoint wasn't part of Sarah Tucker's business plan. Neither was falling in love with the detective who arrived to solve the case. All Sarah wants is success for her gift boutique, the one she and her husband created. Now, she's living a hand-to-mouth existence. Her husband died a year earlier in a car accident - an accident that was ruled suicide, denying her his life insurance money. Burdened by guilt that she was somehow to blame for his death, Sarah faces one business setback after another. She's determined to succeed on her own, fending off a meddling sister-in-law as well as offers of financial assistance from a former boyfriend. Unaware someone is setting her up for failure, she's totally unprepared to find herself fighting for survival. Police Detective Randy Detweiler thinks the crook is a thief who's been evading cops all over the state. A routine robbery investigation turns into the biggest challenge of his career when he falls in love with the victim and he starts crossing professional boundaries. When Sarah disappears, he's afraid all his detective skills might not be enough to find her in time to save her life.

*Lost in the City* Apr 30 2021 In 1970's San Francisco, Julie is excited to take care of Ivy's talking parrot while her friend is on vacation, but strange things are happening at Ivy's house and an old friend of Julie may be to blame.

**Tales from the Back Row** Feb 09 2022 "Hilarious, insightful and smart. A must-read for anyone who wears clothes." —Chelsea Handler \*US Weekly, "Riveting Reads for Labor Day"\* \*Bustle, "2015 Books Every Funny Woman Should Read" and "September 2015's Best Books"\* \*Refinery29 "Fall's Most Highly Anticipated Nonfiction Reads"\* \*theSkimm, "Skimm Reads"\* \*Popsugar, "Motivational Books You Should Read this Fall"\* \*AM NY, "New Books for New Yorkers to Read This Fall"\* The Lowdown on High Fashion Cosmopolitan.com editor Amy Odell knows what it's really like to be a young woman working in the fashion industry. In *Tales from the Back Row*, Amy—funny and

fearless—takes readers behind the stage of New York's hottest fashion shows to meet the world's most influential models, designers, celebrities, editors, and photographers. But first, she has to push her way through the crowds outside, where we see the lengths people go to be noticed by the lurking paparazzi, and weave her way through the packed venue, from the very back row to the front. And as Amy climbs the ladder (with tips about how you can, too), she introduces an industry powered by larger-than-life characters: she meets the intimidating Anna Wintour and the surprisingly gracious Rachel Zoe, not to mention the hilarious Chelsea Handler, and more. As she describes the allure of Alexander Wang's ripped tights and Marchesa's Oscar-worthy dresses, Amy artfully layers in something else: ultimately this book is about how the fashion industry is an exaggerated mirror of human fallibility—reflecting our desperate desire to belong, to make a mark, to be included. For Amy is the first to admit that as much as she is embarrassed by the thrill she gets when she receives an invitation to an exclusive after-party, she can't help but RSVP "yes."

**How to Do Nothing** May 12 2022 \*\* A New York Times Bestseller \*\* NAMED ONE OF THE BEST BOOKS OF THE YEAR BY: Time • The New Yorker • NPR • GQ • Elle • Vulture • Fortune • Boing Boing • The Irish Times • The New York Public Library • The Brooklyn Public Library "A complex, smart and ambitious book that at first reads like a self-help manual, then blossoms into a wide-ranging political manifesto."—Jonah Engel Bromwich, *The New York Times Book Review* One of President Barack Obama's "Favorite Books of 2019" Porchlight's Personal Development & Human Behavior Book of the Year In a world where addictive technology is designed to buy and sell our attention, and our value is determined by our 24/7 data productivity, it can seem impossible to escape. But in this inspiring field guide to dropping out of the attention economy, artist and critic Jenny Odell shows us how we can still win back our lives. Odell sees our attention as the most precious—and overdrawn—resource we have. And we must actively and continuously choose how we use it. We might not spend it on things that capitalism has deemed important ... but once we can start paying a new kind of attention, she writes, we can undertake bolder forms of political action, reimagine humankind's role in the environment, and arrive at more meaningful understandings of happiness and progress. Far from the simple anti-technology screed, or the back-to-nature meditation we read so often, *How to do Nothing* is an action plan for thinking outside of capitalist narratives of efficiency and techno-determinism. Provocative, timely, and utterly persuasive, this book will change how you see your place in our world.

**Black Friday** Dec 27 2020 Plunge into a thrilling adventure tracking domestic terrorists in book 7 of the acclaimed Maggie O'Dell series, from New York Times bestselling author Alex Kava. On the busiest shopping day of the year, a group of idealistic college students believe they're about to carry out an elaborate media stunt at the largest mall in America. They think the equipment in their backpacks will disrupt stores' computer systems, causing delays and chaos, disrupting capitalism, if only for a moment. What they don't realize is that instead of jamming devices, their backpacks contain explosives. And they're about to become unwitting suicide bombers. FBI profiler Maggie O'Dell must put her own political troubles aside to work with Nick Morrelli and figure out who's behind this terrorist plot—a massacre that's all the more frightening when a tip reveals that Maggie's brother is one of the doomed protestors. **The Cambridge Handbook of Sociology** Jul 22 2020 Whether a student, an instructor, a researcher, or just someone interested in understanding the roots of sociology and our social world, *The Cambridge Handbook of Sociology, Volume 1* is for you. This first volume of the Handbook focuses on core areas of sociology, such as theory, methods, culture, socialization, social structure, inequality, diversity, social institutions, social problems, deviant behavior, locality, geography, the environment, and social change. It also explains how sociology developed in different parts of the world, providing readers with a perspective on how sociology became the global discipline it is today. Each essay includes a discussion of how the respective subfield contributes to the overall discipline and to society. Written by some of the most respected scholars, teachers, and public sociologists in the world, the essays are highly readable and authoritative.

Thunder Rolling in the Mountains Mar 30 2021 Through the eyes of a brave and independent young woman, Scott O'Dell tells of the tragic defeat of the Nez Perce, a classic tale of cruelty, betrayal, and heroism. This powerful account of the tragic defeat of the Nez Perce Indians in 1877 by the United States Army is narrated by Chief Joseph's strong and

brave daughter. When Sound of Running Feet first sees white settlers on Nez Perce land, she vows to fight them. She'll fight all the people trying to steal her people's land and to force them onto a reservation, including the soldiers with their guns. But if to fight means only to die, never win, is the fight worth it? When will the killing stop? Like the author's Newbery Medal-winning classic *Island of the Blue Dolphins*, Scott O'Dell's *Thunder Rolling in the Mountains* is a gripping tale of survival, strength, and courage.

**Agnes Parker, Happy Camper** Jan 08 2022 When the girls are separated at science camp and the rumors about Prejean's incredible beauty begin to take over the general conversation, Agnes fears that all the attention may give Prejean a big head and make her impossible to deal with when the summer is over. Reprint.

**English Collocations in Use Intermediate** Jun 20 2020 This book presents and practises hundreds of collocations in typical contexts and is ideal for intermediate level students and above who want to take their English to the next level. **The Engaged Sociologist** Dec 19 2022 The authors are proud sponsors of the 2020 SAGE Keith Roberts Teaching Innovations Award—enabling graduate students and early career faculty to attend the annual ASA pre-conference teaching and learning workshop. This concise text carries the public sociology movement into the introductory sociology classroom. While teaching students to think sociologically and to develop a sociological eye, it also demonstrates how sociology can be used as a tool for improving society. As they explains the discipline's basic theories and concepts, the authors provide many examples of "engaged" sociologists who are working to solve some of society's most intractable problems. Through a number of exercises and projects in every chapter, students are encouraged to become engaged in their own communities. The authors put their own commitment to public sociology into action by donating 10% of their royalties to a non-profit organization that works to alleviate social injustice.

**The Aviary** Aug 27 2023 Twelve-year-old Clara Dooley has spent her whole life in the crumbling Glendoveer mansion, home to a magician's widow, a cage full of exotic birds, and a decades-old mystery. Clara loves old Mrs. Glendoveer, but the birds in the aviary frighten her—they always seem to screech and squall whenever she's near. And then one day, the mynah bird speaks, and a mystery starts to unravel. Clara discovers dark secrets about the family, and about her own past. Somehow the birds in the aviary seem to be at the center of it all, and Clara can't shake the feeling that they are trying to tell her something. . .
