God's Gift of Forgiveness Jan 03 2021 Do you long to "wipe the slate clean" and have a fresh start in life? Have you made mistakes you wish you could forget? Are you afraid God can't forgive you for the errors you've made in your life? In his forty-one years of ministry, Larry Yeagley met many people who felt that God could not forgive them. "I discovered that a purely psychological approach to forgiveness didn't work. Introducing people to the forgiving Father in heaven did." Forgiveness is the unconditional grace of God that He offers to the repentant heart, and yet so many have a hard time accepting that gift. But for those who do, it transforms them! God's Gift of Forgiveness seeks to renew your confidence in God's longing to forgive and restore you into His image; the book seeks to teach you how to accept that gift and freely give it to others.

What Color Is Anger? May 19 2022 In this book, Bobbie shares her insights into how some life experiences, that is, other people's words and actions can leave us disquieted in our spirits, fearful and wounded in our emotions and distorted in our

estimation of ourselves and others. Anger is a natural God-given emotion that allows humans to express some of those feelings of displeasure and discomfort. No human is exempt. The effects are not exclusive to any age, race or gender. Therefore, the assertion that the black female is the angry one is a misconception. Bobbie will explore some of those misconceptions then attempt to share bits of a black female's heart when it comes to issues of anger, self-esteem and forgiveness. Anger is all colors, all people. All can exhibit and express this emotion. All must seek to forgive our offenders and be at peace in our spirits. Peace that can only come from forgiveness. Forgiveness that can only come from a transformed heart. A transformed heart that can only come from God.

The Healing Power of Forgiveness Nov 24 2022 Few Christians realize nearly every problem in life stems from an unwillingness to forgive someone. When we hold grudges, seek retribution, and blame others, we end up hurting our relationships with God and people—and short-circuit our ability to live the Christian live the way it's meant to be lived. Why is forgiveness so difficult at times? Must we forgive when it's the other person's fault? How should we handle repeat offenses? What if we feel we can't forgive because we've been hurt so badly? Pritchard answers these questions and more by pointing to God's example as the Supreme Forgiver. When we learn to forgive in the way He forgives, then we'll know true freedom, peace, and emotional healing.

In Search of The Color Purple Feb 13 2022 Mixing cultural criticism, literary history, biography, and memoir, an exploration of Alice Walker's critically

acclaimed and controversial novel, The Color Purple Alice Walker made history in 1983 when she became the first black woman to win the Pulitzer Prize and the National Book Award for The Color Purple. Published in the Reagan era amid a severe backlash to civil rights, the Jazz Age novel tells the story of racial and gender inequality through the life of a 14-year-old girl from Georgia who is haunted by domestic and sexual violence. Prominent academic and activist Salamishah Tillet combines cultural criticism, history, and memoir to explore Walker's epistolary novel and shows how it has influenced and been informed by the zeitgeist. The Color Purple received both praise and criticism upon publication, and the conversation it sparked around race and gender still continues today. It has been adapted for an Oscar-nominated film and a hit Broadway musical. Through archival research and interviews with Walker, Oprah Winfrey, and Quincy Jones (among others), Tillet studies Walker's life and how themes of violence emerged in her earlier work. Reading The Color Purple at age 15 was a groundbreaking experience for Tillet. It continues to resonate with her—as a sexual violence survivor, as a teacher of the novel, and as an accomplished academic. Provocative and personal, In Search of The Color Purple is a bold work from an important

public intellectual, and captures Alice Walker's seminal role in rethinking sexuality, intersectional feminism, and racial and gender politics.

Forgiveness Jul 29 2020 Too many of us feel trapped in stagnant romantic, family, or workplace relationships. Weighed down by toxic thoughts and emotions, we might be quick to judge and slow to pardon, and self-righteous about our feelings as we dwell on memories of what we or others did (or failed to do). In this tradepaper edition, Iyanla Vanzant challenges us to liberate ourselves from the wounds of the past and to embrace the new power of forgiveness. With Iyanla's 21-Day Forgiveness Plan, you'll explore relationship dynamics with your parents, children, friends, partners, co-workers, bosses, yourself, and even God. With journaling work and Emotional Freedom Techniques (also known as "tapping"), you'll learn to live with more love; gain new clarity on your life, lessons, and blessings; and discover a new level of personal freedom, peace, and well-being. Forgiveness doesn't mean agreeing with, condoning, or even liking what has happened. Forgiveness means letting go and knowing that—regardless of how challenging, frightening, or difficult an experience may seem—everything is just as it needs to be in order for you to grow and learn. When you focus on how

things "should" be, you deny the presence and power of love. Accept the events of the past, while being willing to change your perspective on them. As Iyanla says, "Only forgiveness can liberate minds and hearts once held captive by anger, bitterness, resentment, and fear. Forgiveness is a true path to freedom that can renew faith, build trust, and nourish the soul."

Chaos in Color Jan 27 2023 From a young age, Layla Salek has experienced some people as colors—her mother brown, her father green, her husband rainbow. As she notes, sometimes, when words fail, colors speak. Chaos in Color is the captivating story of Layla's journey from childhood to adulthood with a mother who suffered from untreated bipolar disorder. Each chapter paints a vivid, heartbreaking picture of the abuse, neglect, and trauma that she experienced as she grew up at the mercy of her mother's bipolar swings, an incompetent mental health system, and the strangers with whom she was often left. But dissipating those times of darkness were moments of love, joy, and happiness that she felt while being

cared for by others in her life. These moments inspired her to start her own family, complete a doctorate in psychology, and work with children with mental illness and severe behavior disorders. Layla's story traces how personal and familial trauma is carried into adulthood and how it can be released through forgiveness. This honest, provocative memoir offers a relatable account for others who have experienced similar trauma, as well as hope for healing and a future full of light.

Forgiveness Confronts Race, Relationships, and the Social* Mar 17 2022 *'Forgiveness Confronts Race, Relationships, and the Social', Volume V of Vernon Press's The Philosophy of Forgiveness series, is an exercise in listening. Listening to others, and not just waiting for them to stop speaking, requires a

willingness to recognize the worth of the other and to believe that what they say is worthy of consideration. Much like reading a book, one must strive to quiet the constant voice in one's head in order to hear and process the information communicated. Listening is not always easy, and it takes considerable practice, but it is one of the most effective means for developing understanding and growing as an intellectual and moral person. Literature dealing with forgiveness lacks many important voices, including those from First Peoples, African American, LatinX, and LGBTQ+ , and many others, and the authors of 'Forgiveness Confronts Race, Relationships, and the Social' begin the task of closing these gaps, discussing topics from folk and other social and political issues to racism, systems of oppression, and religion. The authors were asked to explore forgiveness from their own understandings of underrepresented aspects of forgiveness, and readers will hopefully be enlightened and inspired to make their own diverse voices of forgiveness heard, creating a true dialogue of diversity and wisdom.

We've heard the public voice of His Holiness--now we are invited to listen in on his personal explorations, and to take instruction on the Tibetan art of living.

Soaring Above the Ashes on the Wings of Forgiveness Jun 07 2021 I finally realized that no matter how much I wanted to, I could not protect my family. Though I daydreamed of ways for us to escape, I knew it was impossible. Dad had warned us too many times to not go mouthing off to anyone about things that are none of their business, or I'll put you all out of your misery. The oldest of three, Kitty Chappell did her best to shield her brother and sister from their fathers abuse, but little could stand in the way of his beatings and vicious remarks. None of them escaped his brutality. As a well-respected family man in their Texas community in the 1950s, her father enjoyed a sure confidence in his control over his family. His assurance proved correct when he attacked her mother and turned friends against her, aiming shocking accusations at his wife and daughter. Everyone thought her father was

wonderful including the jury that gave him the minimum sentence for trying to kill Kitty's mother as she lay sleeping. Only three-and-a-half years for premeditated attempted murder! It just wasn't fair. Kitty loved God but disagreed with Him on the subject of forgiveness. Many people were in her corner, for who hasn't debated this issue with God? She didn't want to forgive, she wanted revenge! But as Kitty developed her relationship with Christ, she realized she needed to forgive the man who had caused her so much pain. Soaring Above the Ashes on the Wings of Forgiveness will keep you riveted to your seat with its twists and turns. You will be enraged and terrified with the author through her difficult journey. Ultimately, you will rejoice with her as she walks through the door of forgiveness and breathes in the fresh air of freedom. Soaring Above the Ashes on Wings of Forgiveness reveals Kittys remarkable story of courage and faith and how she developed the attitude that enabled her to overcome rather than merely survive. This touching story will inspire you to overcome your difficulties and experience your own freedom and joy as you learn to forgive when everything in you screams for revenge.

Forgiveness and Atonement Oct 31 2020 This book analyzes the relationship between forgiveness, atonement, and reconciliation from a Christian theological perspective. Drawing on both theological and philosophical literature, it addresses the problem of whether atonement is required for forgiveness and considers important related concepts such as sin and justice. The author develops a sacrificial model of atonement that connects an understanding of Christian forgiveness with the biblical narrative of Christ's sacrifice and makes reconciliation between God and humanity possible. Offering a fresh and coherent argument, the book will be relevant to scholars of Christian theology, biblical studies, and the philosophy of religion.
