DePaul Business & Commercial Law Journal

Throughout its 80 years of existence, *Business Law: The Ethical, Global, and Digital Environment* has been a leader and an innovator in the fields of business law and the legal environment of business. This textbook was the first to inject regulatory materials into a business law textbook, defining the legal environment approach to business law and over the years, has also been a pioneer, introducing materials on business ethics, corporate social responsibility, global legal issues, and e-commerce law. One reason for the book's success is its clear and comprehensive treatment of the standard topics that form the traditional business law curriculum, providing all business majors with a firm understanding of law in the context of business. It engages students with cases that are

current and relevant, but also maintains “landmark” cases, as well as cases from the past, that are superior to more current cases in teaching students a particular topic. The program also provides content topics that address accreditation standards set by the AACSB with a focus on ethical issues and global issues with Ethics in Action boxed features and chapters covering international topics like corporate inversions. The 18th edition will continue to be an innovator in business law preparing your students for the real world. Using an innovative storytelling style to bring cases and legal concepts to life,

INTRODUCTION TO BUSINESS LAW, 5E presents a full range of business law topics in a series of brief, quick-reading chapters. The text delivers succinct coverage of core business law topics, emphasizes the business applications of chapter concepts, and includes summarized cases to illustrate the point of law. The fifth edition includes all-new chapters on LLCs and employment discrimination, new Case Questions, and a new emphasis on social media issues throughout.

Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. Trust the briefer version of the business law market’s #1 summarized case that presents exceptionally clear discussions of the law at just the right level of detail. The 23rd Edition of **ANDERSON'S BUSINESS LAW & THE LEGAL**

ENVIRONMENT - STANDARD VOLUME is updated throughout for proven coverage that does not overwhelm readers with unnecessary detail. You'll find an incredible wealth of integrated examples and applications that feature current events and familiar situations to clarify key legal concepts. Special "For Example" brief examples and applications further emphasize the relevance of what you are learning. In addition, clear and thorough insights help you prepare for success on today's CPA exam.

Delivering the material in their signature engaging style, the authors pepper their writing with a focus on human conflict that illustrates legal issues from the business manager's perspective. While more brief than traditional business law texts, **ESSENTIALS OF BUSINESS LAW, 5TH Edition** provides solid coverage of the core topics, especially contracts. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. This book criticizes prevailing corporate law in the United States and articulates reforms aimed at making corporations more socially responsible. This is the 17th UCC Edition (and the twenty-second overall edition) of a business law text that first appeared in 1935. Throughout its 80 years of existence, this book has been a leader and an innovator in the fields of business law and the legal environment of business. One reason for the book's success is its clear and comprehensive treatment of the standard topics that form the traditional business law curriculum. Another reason is its responsiveness to changes in these traditional subjects and to new views about that curriculum. In 1976, this textbook was the first to inject regulatory materials into a business law textbook, defining the "legal environment" approach to business law. Over the years, this textbook

has also pioneered by introducing materials on business ethics, corporate social responsibility, global legal issues, and e-commerce law. The 17th Edition continues to emphasize change by integrating these four areas into its pedagogy. This summarized case version of the best-selling title, **BUSINESS LAW, ALTERNATE EDITION** offers a comprehensive, authoritative, and student-friendly delivery of classic black-letter law blended with coverage of contemporary issues and cases. The cases, content, and features of the 12th edition have been thoroughly updated to represent the latest developments in business law. Excellent assortments of cases are included, ranging from precedent-setting landmarks to important recent decisions. Ethical, global, and corporate themes are integrated throughout. Numerous critical-thinking exercises challenge students to apply what they've learned to real-world issues. In addition, the text offers an unmatched range of support materials including innovative online teaching and learning resources.

Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. Discover the business law book you'll actually enjoy reading. Time after time, readers like you have commented that this is the most interesting introduction to law they've ever read. **BUSINESS LAW AND THE LEGAL ENVIRONMENT, STANDARD EDITION, 8E** is packed with current

examples and real scenarios that bring law to life for today's business learner or professional. Extremely reader-friendly, this engaging presentation uses conversational writing to explain complex topics in easy-to-understand language. Memorable real-world stories help the authors illustrate how legal concepts apply to everyday business practice. This edition emphasizes the digital landscape with new information on privacy and intellectual property. An updated ethics chapter offers a practical approach, using the latest research to explain why people make unethical decisions.
