Tranquility Jan 25 2021 Andor Weer, a 36-year-old writer, lives in a small apartment with his reclusive mother, Rebeka, who was once among the most celebrated stage actresses in Budapest. Unable to withstand her maniacal tyranny but afraid to leave her alone, he finds himself caught in a web of bitter interdependence which spirals into a Sartrean hell of hatred, lies and appeasement. Tranquility is a living seismograph of the internal quakes and ruptures of a mother and son trapped within an Oedipal nightmare amidst the suffocating totalitarian embrace of Communist Hungary. A masterwork.

The Prague Spring, 1968 Apr 08 2022 This is the first ever documented account of a Cold War crisis as seen from both sides of the Iron Curtain. Based on unprecedented access to the previously closed archives of each member-state of the Warsaw Pact, this book offers a unique look at a deeply divisive intra-bloc crisis. Presented in a highly readable form, the book offers top-level documents from Kremlin Politburo meetings, multi-lateral sessions of the Warsaw Pact leading up to the decision to invade, and even transcriptions of KGB-recorded phone conversations between Leonid Brezhnev and Alexander Dubcek. Once highly classified American documents from the National Security Council, CIA, and other relevant agencies acquired through the U.S. Freedom of Information Act have also been included. In order to provide a historical and political context, the editors have included an introductory essay for each section of the volume. A chronology, glossary, and bibliography offer further background information for the reader. As members of the commission appointed by Václav Havel to investigate the events of 1967-1970, the editors have a unique Czech-Slovak perspective to offer to foreign audiences.

The Thief, the Cross and the Wheel Oct 14 2022 Christ's Crucifixion is one of the most recognized images in Western culture, and it has come to stand as a universal symbol of both

suffering and salvation. But often overlooked is the fact that ultimately the Crucifixion is a scene of capital punishment. Mitchell Merback reconstructs the religious, legal, and historical context of the Crucifixion and of other images of public torture. The result is a fascinating account of a time when criminal justice and religion were entirely interrelated and punishment was a visual spectacle devoured by a popular audience. Merback compares the images of Christ's Crucifixion with those of the two thieves who met their fate beside Jesus. In paintings by well-known Northern European masters and provincial painters alike, Merback finds the two thieves subjected to incredible cruelty, cruelty that artists could not depict in their scenes of Christ's Crucifixion because of theological requirements. Through these representations Merback explores the ways audiences in early modern Europe understood images of physical suffering and execution. The frequently shocking works also provide a perspective from which Merback examines the live spectacle of public torture and execution and how audiences were encouraged by the Church and the State to react to the experience. Throughout, Merback traces the intricate and extraordinary connections among religious art, devotional practice, bodily pain, punishment, and judicial spectatorship. Keenly aware of the difficulties involved in discussing images of atrocious violence but determined to make them historically comprehensible, Merback has written an informed and provocative study that reveals the rituals of medieval criminal justice and the visual experiences they engendered.

My War Dec 04 2021 An underemployed, skateboarding party animal, Colby Buzzell traded a dead-end future for the army—and ended up as a machine gunner in Iraq. To make sense of the absurd and frightening events surrounding him, he started writing a blog about the war—and how it differed from the government's official version. But as his blog's popularity grew, Buzzell became the embedded reporter the Army couldn't control—despite its often hilarious efforts to do so. The result is an extraordinary narrative, rich with unforgettable scenes: the Iraqi woman crying uncontrollably during a raid on her home; the soldier too afraid to fight; the troops chain-smoking in a guard tower and counting tracer rounds; the first, fierce firefight against the "men in black." Drawing comparisons to everything from Charles Bukowski to *Catch-22*, *My War* depicts a generation caught in a complicated and dangerous world—and marks the debut of a raw, remarkable new voice.

Ballet Danced by Louis XIII in 1617 Jul 19 2020 The story of Rinaldo and Armida, where love conflicts with duty, magic plays a role, and morality wins the day, lends itself to being dramatised, and a number of librettists adapted it for the stage in the 17th and 18th centuries. In France, where the ballet de cour was the prime dramatic entertainment, the earliest adaptation of Tasso for the theatre was the Ballet du Roy danced by Louis XIII and his courtiers in the Salle du Louvre on Sunday, 29 January 1617. The fifteen-year-old King chose the subject from several proposed to him by Etienne Durand, the designer placed in charge of the occasion. La Delivrance de Renaud. The present publication is dedicated entirely to the study of a single ballet de cour. Its centrepiece is a modern edition of the complete livret, compiled by Etienne Durand, his Discours au vray du ballet danse par le Roy, le dimanche XXIXe jour de janvier 1617, avec les desseins, tant des machines et apparences differentes, que de tous les habits des Masques (Paris, Ballard, 1617) In the first group of articles we look at the kind of historical evidence provided by the main sources for the ballet de cour, the Vers and the livret, and the noble participants are introduced ; the second group deals with the sources of inspiration for the ballet; in the third group, we consider the music of our ballet; the fourth group deals with the scenography and other visual aspects of the performance; at the end, the last group of articles is dedicated to the dance.
