Pages for You Oct 15 2022 A wry, tender novel of sexual and intellectual awakening. Something made her risk a look at the reader, who took a sip of black coffee. And another. She turned the pages. She pursed her lips. Flannery abandoned her breakfast and watched the woman drink her coffee. It wasn't that she wanted the coffee herself. That wasn't it. Rather, she wanted to be the coffee: she envied the dark drink its chance to taste those lips. In a steam-filled diner in a college town, Flannery Jansen catches sight of something more beautiful than she's ever seen: a graduate student, reading. Flannery, a seventeen-year-old, new to everything around her -- college, the East Coast, bodies of literature, and the sexual flurries of student life -- is shocked by her own desire to follow this beauty wherever it takes her. By chance she finds herself enrolled in a class taught by the remote, brilliant older woman; intimidated at first, she gradually becomes Anne Arden's student outside class as well. Whatever the subject -- Baudelaire, lipstick colors -- Flannery proves an eager pupil, until one day she learns more about Anne than she ever wanted to know. A bittersweet, exhilarating, sentimental education, *Pages for You* confirms Sylvia Brownrigg as "one of the most exuberantly agile minds among younger American writers" (Dan Cryer, *Newsday*) and is her sexiest, most poignant work to date.

Summary of Captivated by You Jun 11 2022 *Captivated by You: Crossfire Series, Book 4*, is built using alternating chapters from the two main characters', Gideon's and Eva's, first-person perspectives. *Captivated by You* uses a unique and most refreshing literary device for romance genre, and one which proves emotionally anchoring for the reader and the couple. Also, unlike many other romance flicks, this book attempts to bring in and deal with some weightier, real-life issues. The narrative in this book is female focused, as every attention is given to what we know about female readership preferences. Our male hero, Gideon, is attentive, rich, good-looking - and (bonus, cherry-on-top) yes ladies he cooks in the kitchen - not just in bed! Eva and most female readership will resonate with his continual doting. Gideon is very needy on the love he both gives to and gets from Eva. This is so much so, that the book's title *Captivated By You* is understated and might be better renamed, *Can't Live an Hour Without You*. (Yes, it's a tongue in cheek title - or at least his tongue in her cheek(s) title.) The two main characters are, Gideon, the book's central character, and Eva, the protagonist. Gideon and Eva are two professional 20-somethings and painfully needy. Largely, their neediness stems from their abusive sexual pasts. While, both characters come from prior dysfunction, they meet their codependent states mostly with boxers down and skirts up. In this novel, sex is the glue that holds all chapters together. There is Monday-night sex, early morning sex, wet shower sex, dry sex, make-up sex, midday sex, weekend sex, after work sex, and sex after sex And, yes, this sex starts to wear thin (as likely so do the sheets) about chapter 10 or 11. However, somewhere between psychosis and gratification, the two seem to truly love one another, as even the primal nature of the page garners Gideon's "Angel mine," and reflective poetry. The softness of Gideon's poetic times provide balance for the violent foreshadowing which may be occurring in Day's narrative. Download your copy today! for a limited time discount of only \$2.99! Date Me Like You Mean It May 18 2020 I'm good at hiding my feelings. Having to pretend I'm not in love with my best friend? Pfft. That's child's play. Here's how I do it: I avert my eyes when he walks out

of his room, shirtless in all his toned glory. I squash the butterflies that fill my stomach every time he slowly unfurls a dimpled smile. And, most importantly, I keep an arsenal of "personal massagers" in my bedside drawer. Wink. Not to brag, but Aiden Smith isn't hard to resist if you've been doing it for as long as I have. In fact, we might have continued as best friends forever if not for the fact that I needed him to play the part of my fake boyfriend. Date me like you mean it, I told him. Nudge nudge. C'mon, just go along with a little lie, help a girl out, and then we can all return to life as we know it. Except he veered from the plan. He crossed the line. Flirting with me when no one else was around? Pinning me down and kissing me like that? Okay, how exactly is taking off my bra part of the ruse, Aiden?! I'd ask him about it if I could, but well...things got ugly and we're not best friends anymore. In fact, we're the exact opposite. Now, I have to play nice even though I want to crush his heart in the palm of my hand. Pretending not to love Aiden was the easy part. Pretending not to hate him? Well...I might need a little more practice.

Reflected in You Mar 20 2023 The sensual saga of Eva and Gideon continues in the second novel in the #1 New York Times bestselling Crossfire series. Gideon Cross. I didn't want to. He was my addiction...my every desire...mine. My past was as violent as his, and I was just as broken. We'd never work. It was too hard, too painful...except when it was perfect. Those moments when the driving hunger and desperate love were the most exquisite insanity. We were bound by our need. And our passion would take us beyond our limits to the sweetest, sharpest edge of obsession...

Fathoming the Ocean Dec 25 2020 “[An] amiable, in-depth examination of the most critical era for the development of modern oceanography” (Publishers Weekly). In a history at once scientific and cultural, Helen Rozwadowski shows us how the Western imagination awoke to the ocean's possibilities?in maritime novels, in the popular hobby of marine biology, in the youthful sport of yachting, and in the laying of a trans-Atlantic telegraph cable. The ocean emerged as important new territory, and scientific interests intersected with those of merchant-industrialists and politicians. Rozwadowski documents the popular crazes that coincided with these interests?from children's sailor suits to the home aquarium and the surge in ocean travel. She describes how, beginning in the 1860s, oceanography moved from yachts onto the decks of oceangoing vessels, and landlubber naturalists found themselves navigating the routines of a working ship's physical and social structures. *Fathoming the Ocean* offers a rare and engaging look into our fascination with the deep sea and into the origins of oceanography?origins still visible in a science that focuses the efforts of physicists, chemists, geologists, biologists, and engineers on the common enterprise of understanding a vast, three-dimensional, alien space. “Rozwadowski greatly expands our own understanding, all while telling a story that is original, wide-ranging, and illuminating.” —Margaret Deacon, Southampton Oceanography Centre, author of *Science and the Sea: The Origins of Oceanography* “Required reading for anyone wanting to understand how the oceans have come to play the role that they do in Western knowledge.” —Eric L. Mills, Dalhousie University and author of *Biological Oceanography: An Early History, 1870-1960* “Chronicles the birth of deep-sea oceanography, from early observations by Benjamin Franklin to the voyage of HMS Challenger in the 1870s. [Rozwadowski] weaves a rich narrative from the world of renowned as well as lesser-known oceanographers.” —Nature

Afterburn / Aftershock Apr 09 2022 Never mix business with pleasure. Never bring politics into the bedroom. In a way I did both when I took Jackson Rutledge as a lover. I can't say I wasn't warned. Unlike the last time we'd drifted into each other's lives, I knew exactly what I was dealing with... and how addictive his touch could be. The inner circle of glamour, sex, and privilege was Jax's playground--but this time, I knew the rules of the game. In the cutthroat business world, one adage rules all: keep your enemies close and your ex-lovers closer...

Grit Nov 04 2021 In this instant New York Times bestseller, Angela Duckworth shows anyone striving to succeed that the secret to outstanding achievement is not talent, but a special blend of passion and persistence she calls “grit.” “Inspiration for non-genius everywhere” (People). The daughter of a scientist who frequently noted her lack of “genius,” Angela Duckworth is now a celebrated researcher and professor. It was her early eye-opening stints in teaching, business consulting, and neuroscience that led to her hypothesis about what really drives success: not genius, but a unique combination of passion and long-term perseverance. In Grit, she takes us into the field to visit cadets struggling through their first days at West Point, teachers working in some of the toughest schools, and young finalists in the National Spelling Bee. She also mines fascinating insights from history and shows what can be gleaned from modern experiments in peak performance. Finally, she shares what she’s learned from interviewing dozens of high achievers—from JP Morgan CEO Jamie Dimon to New Yorker cartoon editor Bob Mankoff to Seattle Seahawks Coach Pete Carroll. “Duckworth’s ideas about the cultivation of tenacity have clearly changed some lives for the better” (The New York Times Book Review). Among Grit’s most valuable insights: any effort you make ultimately counts twice toward your goal; grit can be learned, regardless of IQ or circumstances; when it comes to child-rearing, neither a warm embrace nor high standards will work by themselves; how to trigger lifelong interest; the magic of the Hard Thing Rule; and so much more. Winningly personal, insightful, and even life-changing, Grit is a book about what goes through your head when you fall down, and how that—not talent or luck—makes all the difference. This is “a fascinating tour of the psychological research on success” (The Wall Street Journal).

I was drawn to him as I'd never been to anything or anyone in my life. I craved his touch like a drug, even knowing it would weaken me. I was flawed and damaged, and he opened those cracks in me so easily... Gideon knew. He had demons of his own. Love the One You Hate Nov 23 2020 Nicholas Hunt is the man I hate. For good reason. His opinion of me is tainted by prejudice even before my arrival at his grandmother's estate, and my first impression of him is just as abysmal. His arrogance and icy demeanor make it clear that he's the type of man who's best handled at a distance. Fortunately, space shouldn't be an issue inside this Gilded Age mansion and its lush gardens. If I stick with the servants and he keeps to his sailboat and vintage Porsche, we should hardly cross paths at all. Unfortunately, at Rosethorn, I find that all roads eventually lead to Nicholas Hunt. Sparks fly as we spar at the dinner table. Fighting words are flung in the shadows of the palatial halls. We hang suspended in our hatred of one another, painfully oblivious to the heat and tension that build with every moment we're left alone. We're liable to kill one another, I think...right up until my eyes land on his lips and a new feeling grips hold of me: lust. What's worse? He knows it. They say you should keep your enemies close, but when Nicholas tightens his grip on my waist and draws me near, I'm not sure if it's out of loathing or love. One thing's for sure—I intend to find out.

Captivated by You May 10 2022 Captivated by You: Crossfire Series, Book 4, is built using alternating chapters from the two main characters', Gideon's and Eva's, first-person perspectives. Captivated by You uses a unique and most refreshing literary device for romance genre, and one which proves emotional-ly anchoring for the reader and the couple. Also, unlike many other romance flicks, this book attempts to bring in and deal with some weightier, real-life issues. The narrative in this book is female focused, as every attention is given to what we know about female readership preferences. Our male hero, Gideon, is attentive, rich, good-looking - and (bonus, cherry-on-top) yes ladies he cooks in the kitchen - not just in bed! Eva and most fe-male readership will resonate with his continual dotting. Gideon is very needy on the love he both gives to and gets from Eva. This is so much so, that the book's title Captivated By You is understated and might be better renamed, Can't Live an Hour Without You. (Yes, it's a tongue in cheek title - or at least his tongue in her cheek(s) title.) The two main characters are, Gideon, the book's central character, and Eva, the protagonist. Gideon and Eva are two professional 20-somethings and painfully needy. Largely, their neediness stems from their abusive sexual pasts. While, both characters come from prior dysfunction, they meet their codependent states mostly with boxers down and skirts up. In this novel, sex is the glue holds all chapters together. There is Monday-night sex, early morning sex, wet shower sex, dry sex, make-up sex, midday sex, weekend sex, after work sex, and sex after sex And, yes, this sex starts to wear thin (as likely so do the sheets) about chapter 10 or 11. However, somewhere between psychosis and gratification, the two seem to truly love one another, as even the primal nature of the page garners Gideon's "Angel mine," and reflective poetry. The softness of Gideon's poetic times provide balance for the violent foreshadowing which may be occurring in Day's narrative. Download your copy today!
