*Los Médici: una dinastía al poder / The Medici: a Dynasty to Power* Sep 01 2023 Primera parte de la saga histórica que recrea la historia de la familia más poderosa del Renacimiento. Novela ganadora del Premio Bancarella 2017. Florencia, 1429. A la muerte del patriarca Giovanni de Médici, sus hijos Cosimo y Lorenzo se encuentran al frente de un auténtico imperio financiero pero, al mismo tiempo, cercados por enemigos acérrimos como Rinaldo degli Albizzi y Palla Strozzi, exponentes de las más poderosas familias florentinas. Valiéndose de su inteligencia y su falta de prejuicios, los dos hermanos conquistan el poder político, hallando el equilibrio entre un implacable sentido de los negocios y el amor por el arte y la cultura. Mientras los trabajos para la construcción de la cúpula de Santa María del Fiore se ejecutan con la dirección de Filippo Brunelleschi, los adversarios de siempre continúan tejiendo sus tramas. Entre ellos se halla también una mujer de infinita belleza, pero de peligroso encanto, capaz de atrapar el corazón de un hombre. Entre homicidios, traiciones e intrigas de palacio, esta novela narra la saga de la familia más poderosa del Renacimiento, el inicio de su ascenso a la Señoría florentina en una sucesión de intrigas y

giros inesperados que tienen como protagonistas a capitanes sin escrúpulos, envenenadoras fatales, sanguinarios mercenarios suizos... y muchos otros personajes que mantendrán al lector pegado a sus páginas. ENGLISH DESCRIPTION This first volume on the Medici family is about Cosimo de Medici, Lorenzo's brother, founder of the Medici dynasty. While Lorenzo takes care of the bank founded by his deceased father with a pragmatic nature for business, Cosimo is dedicated to building relations with the artists of the time.

*The Life of Lorenzo De' Medici, Called the Magnificent* Apr 15 2022

Madame Serpent Jul 27 2020 A fictional account of Catherine de' Medici, the fourteen-year-old reluctant Italian bride to the second son of the King of France, Henry, during the sixteenth-century.

*Poesie* Apr 03 2021 Lorenzo il Magnifico fu il più fulgido esempio del signore rinascimentale: colto, ricco, munifico, protettore di artisti e filosofi come Poliziano, Marsilio Ficino, Pico della Mirandola e molti altri e artista lui stesso. Anche se non fu un grandissimo poeta, a Lorenzo si deve comunque uno dei più ricchi e affascinanti canzonieri quattrocenteschi, in cui coesistono temi e tonalità poetiche disparate e a volte contraddittorie. Così a canti carnascialeschi si alternano laudi religiose, componimenti mitologici e divagazioni neoplatoniche in un singolare amalgama delle suggestioni della cultura del suo tempo e della tradizione poetica precedente, classica e italiana. Questo volume contiene tutte le operette del Magnifico e un'amplessima scelta delle Rime curate dallo specialista Federico Sanguineti, autore anche dell'acuto discorso critico introduttivo.

*The Books of Grand Duke Cosimo I De' Medici* Oct 29 2020 To celebrate the 500 years from the birth of Cosimo I de' Medici, the Biblioteca Medicea Laurenziana shows the grand duke's collection of books, that were partly owned in his private library and partly gathered by him in order to enlarge the collection of the Public Library planned by Michelangelo. Among the manuscripts, all preserved in Biblioteca Laurenziana, are the Vite of the grand duke, texts of polyphonic music as well as scientific works, translations of ancient texts and a Geographia by Ptolemy from which have been extracted the maps created by Egnazio Danti and now posted upon the wardrobes' shutters in the Sala della Guardaroba inside Palazzo Vecchio. Lots of the volumes shown in the second section of the exhibit come from the Biblioteca della basilica di San Lorenzo. By Cosimo's will, other volumes were moved from the Biblioteca di San Marco, from San Gimignano and from the Biblioteca della Badia di San Salvatore a Settimo. All the exhibition catalogue is splendidly illustrated. Furthermore, to go with each manuscript shown is a detailed data sheet. Exhibition: Biblioteca Medicea Laurenziana, Florence, Italy (08.03-18.10.2019).

*Lorenzo De' Medici and the Art of Magnificence* Aug 20 2022 "Historian F.W. Kent offers a new look at Lorenzo's relationship to the arts, aesthetics, collecting, and building - especially in the context of his role as the political boss (maestro della bottega) of republican Florence and a leading player in Renaissance Italian diplomacy. Kent's approach reveals Lorenzo's activities as an art patron as far more extensive and creative than previously thought. Known as "the Magnificent," Lorenzo was broadly interested in the arts and supported efforts to beautify Florence and the many Medici lands and palaces. His expertise was well regarded by guildsmen and artists, who often turned to him for advice as well as for patronage. Lorenzo was educated in the arts by such men, and Kent explores his aesthetic education and taste, taking into account what is known of Lorenzo's patronage of music and manuscripts, and of his own creative works as a major Quattrocento poet."

*Scandal and Reputation at the Court of Catherine de Medici* Feb 23 2023 *Scandal and Reputation at the Court of Catherine de Medici* explores Catherine de Medici's 'flying squadron', the legendary ladies-in-waiting of the sixteenth-century French queen mother who were alleged to have been ordered to seduce politically influential men for their mistress's own Machiavellian purposes. Branded a 'cabal of cuckoldry' by a contemporary critic, these women were involved in scandals that have encouraged a perception, which continues in much academic literature, of the late Valois court as debauched and corrupt. Rather than trying to establish the guilt or innocence of the accused, Una McClvanna here focuses on representations of the scandals in popular culture and print, and on the collective portrayal of the women in the libelous and often pornographic literature that circulated information about the court. She traces the origins of this material to the all-male intellectual elite of the parlementaires: lawyers and magistrates who expressed their disapproval of Catherine's political and religious decisions through misogynist pamphlets and verse that targeted the women of her entourage. *Scandal and Reputation at the Court of Catherine de Medici* reveals accusations of poisoning and incest to be literary tropes within a tradition of female defamation dating to classical times that encouraged a collective and universalizing notion of women as sexually voracious, duplicitous and, ultimately, dangerous. In its focus on manuscript and early print culture, and on the transition from a world of orality to one dominated by literacy and textuality, this study has relevance for scholars of literary history, particularly those interested in pamphlet and libel culture.

*Los Medici II Un hombre al poder/ The Medici Chronicles II Jan 30 2021 Segunda parte de la saga histórica que recrea la historia de la familia más poderosa del Renacimiento. Florencia, 1469. Lorenzo de Médici está ganando el torneo en honor de su esposa, Clarice Orsini, apenas llegada a Florencia para su boda con el hombre que se convertirá en el Magnífico. Este matrimonio no es un paso fácil para Lorenzo: su corazón -está convencido- pertenece y siempre pertenecerá a Lucrezia Donati, mujer fascinante y de extraordinaria belleza. Sin embargo, se avendrá a la voluntad de su madre y reforzará la alianza con una poderosa familia romana. Llamado a gobernar la ciudad y aceptar los costes y los compromisos de la política, dividido entre amor y poder, Lorenzo subestima a los formidables adversarios que están tramando contra él para arrancarle el liderazgo de Florencia, Girolamo Riario, sobrino del papa Sixto IV, concibe una conjura cuyo resultado será terrible para Lorenzo. Y desde ese momento comenzará un período de violencia y venganza de cuyas consecuencias muy pocos se librarán... Reseña: «Imponente serie histórica... Enorme el trabajo de investigación histórica de Strukul, que ha compuesto sus libros como los thrillers en los que él es maestro. Mucha adrenalina, narración envolvente, con una pizca de trama negra que redondea la historia.» Corriere della Sera ENGLISH DESCRIPTION Second part of the historical saga which tells the story of the most powerful family during the Renaissance period. Florence, 1469. Lorenzo de Medici is winning the tournament in honor of his wife, Clarice Orsini, who just arrived in Florence for her wedding with the man who will soon become The Magnificent. This marriage is not an easy step for Lorenzo: he is convinced that his heart belongs, and will always, belong to Lucrezia Donati, a fascinating and extraordinarily beautiful woman. However, he will succumb to his mother's will of marriage to Clarice in order to strengthen their alliance with a powerful Roman family. Called to his duty to govern the city, and divided between love and power, Lorenzo underestimates his adversaries who are plotting against him to bring him down as Florence's leader. It is then that a period of violence and revenge will begin, with grave consequences from which very few will be spared.*

*Barbie Sogna Caterina De' Medici May 24 2020 "The volume explains, in a rich and detailed way, the transformation of Barbie ... into Caterina de' Medici by means of the wedding dress she wore when she married Enrico di Valois on October 27, 1533. The dress was recently recreated in both life-size and a scale model ... with extraordinary accuracy and couture skill; it was then presented on January 18th, 2008 at Palazzo Medici Riccardi on the occasion of the event "Pitti Bimbo." The volume comes complete with a large introduction on the symbolism of Barbie, the history of Palazzo Medici Riccardi and the figure of Caterina de' Medici, court life and other curiosities such as beauty treatments used during the Renaissance."--Taken from Publisher's website.*

*Catherine de Medici Jun 25 2020 The inspiration for the STARZ original series, The Serpent Queen, premiering September 11. "A beautifully written portrait of a ruthless, subtle and fearless woman fighting for survival and power in a world of gangsterish brutality, routine assassination and religious mania. . . . Frieda has brought a largely forgotten heroine-villainess and a whole sumptuously vicious era back to life. . . . This is The Godfather meets Elizabeth." —Simon Sebag Montefiore, author of Stalin: The Court of the Red Tsar Poisoner, besotted mother, despot, necromancer, engineer of a massacre: the dark legend of Catherine de Medici is centuries old. In this critically hailed biography, Leonie Frieda reclaims the story of this unjustly maligned queen of France to reveal a skilled ruler battling extraordinary political and personal odds. Based on comprehensive research including thousands of Catherine's own letters, Frieda unfurls Catherine's story from her troubled childhood in Florence to her tumultuous marriage to Henry II of France; her transformation of French culture to her reign as a queen who would use brutality to ensure her children's royal birthright. Brilliantly executed, this enthralling biography goes beyond myth to paint a very human portrait of this remarkable figure.*

*Catherine De' Medici and the French Reformation Mar 15 2022*

*Catherine de'Medici Apr 23 2020 Catherine de' Medici (1519-89) was the wife of one king of France and the mother of three more - the last, sorry representatives of the Valois, who had ruled France since 1328. She herself is of preeminent importance to French history, and one of the most controversial of all historical figures. Despised until she was powerful enough to be hated, she was, in her own lifetime and since, the subject of a "Black Legend" that has made her a favourite subject of historical novelists (most notably Alexandre Dumas, whose Reine Margot has recently had new currency on film). Yet there is no recent biography of her in English. This new study, by a leading scholar of Renaissance France, is a major event. Catherine, a neglected and insignificant member of the Florentine Medici, entered French history in 1533 when she married the son of Francis I for short-lived political reasons: her uncle was pope Clement VII, who died the following year. Now of no diplomatic value, Catherine was treated with contempt at the French court even after her husband's accession as Henry II in 1547. Even so, she gave him ten children before he was killed in a tournament in 1559. She was left with three young boys, who succeeded to the throne as Francis II (1559-60), Charles IX (1560-74) and Henry III (1574-89). As regent and queen-mother, a woman and with no natural power-base of her own, she faced impossible odds. France was accelerating into chaos, with political faction at court and religious conflict throughout the land. As the country disintegrated, Catherine's overriding concern was for the interests of her children. She was tireless in her efforts to protect her sons' inheritance, and to settle her daughters in advantageous marriages. But France needed more. Catherine herself was both peace-loving and, in an age of frenzied religious hatred, unbigoted. She tried to use the Huguenots to counterbalance the growing power of the ultra-Catholic Guises but extremism on all sides frustrated her. She was drawn into the violence. Her name is ineradicably*

*associated with its culmination, the Massacre of St Bartholomew (24 August 1572), when thousands of Huguenots were slaughtered in Paris and elsewhere. To this day no-one knows for certain whether Catherine instigated the massacre or not, but here Robert Knecht explores the probabilities in a notably level-headed fashion. His book is a gripping narrative in its own right. It offers both a lucid exposition of immensely complex events (with their profound impact on the future of France), and also a convincing portrait of its enigmatic central character. In going behind the familiar Black Legend, Professor Knecht does not make the mistake of whitewashing Catherine; but he shows how intractable was her world, and how shifty or intransigent the people with whom she had to deal. For all her flaws, she emerges as a more sympathetic - and, in her pragmatism, more modern - figure than most of her leading contemporaries.*
