Quarters Aug 18 2020 When Americans declared independence in 1776, they cited King George III "for quartering large bodies of armed troops among us." In *Quarters*, John Gilbert McCurdy explores the social and political history behind the charge, offering an authoritative account of the housing of British soldiers in America. Providing new interpretations and analysis of the Quartering Act of 1765, McCurdy sheds light on a misunderstood aspect of the American Revolution. *Quarters* unearths the vivid debate in eighteenth-century America over the meaning of place. It asks why the previously uncontroversial act of accommodating soldiers in one's house became an unconstitutional act. In so doing, *Quarters* reveals new dimensions of the origins of Americans' right to privacy. It also traces the transformation of military geography in the lead up to independence, asking how barracks changed cities and how attempts to reorder the empire and the borderland led the colonists to imagine a new nation. *Quarters* emphatically refutes the idea that the Quartering Act forced British soldiers in colonial houses, demonstrates the effectiveness of the Quartering Act at generating revenue, and examines aspects of the law long

ignored, such as its application in the backcountry and its role in shaping Canadian provinces. Above all, Quarters argues that the lessons of accommodating British troops outlasted the Revolutionary War, profoundly affecting American notions of place. McCurdy shows that the Quartering Act had significant ramifications, codified in the Third Amendment, for contemporary ideas of the home as a place of domestic privacy, the city as a place without troops, and a nation with a civilian-led military.

It covers Church history during the administration of all of its Prophet-Prophets since Joseph Smith. through the administrations of all of the 19th-Century, 20th-Century, and 21st-Century prophets from John Taylor to Thomas S. Monson. We become familiar with the early lives, missions, marriages, and callings of each of these prophets, seeing how the Lord prepared them for the particular time that they led the Church. We finish with a look toward the future as we await the Second Coming of our Lord.
