Family Law for Non-Lawyers Aug 08 2021

Family Law for Non-Lawyers uses current events, sometimes with tabloid-style fact patterns or celebrity participants, to illustrate the complexities of and rapid changes in the field of family law while maintaining a high level of student interest. The book also capitalizes on recent United States Supreme Court family law cases to allow the reader to play Justice and try to determine how the cases will be decided. The book surveys family law in general, familiarizing the reader with the similarities and differences in the law throughout the country. Short summaries of the law and related cases bring legal principles to life in an easy-to-use, often humorous way. Contentious issues such as same-sex marriage, birth control, and assisted reproduction share the stage with courtship and divorce, custody and child support, and parental rights in this enlightening read. Family Law for Non-Lawyers raises issues and covers topics that

will challenge both the reader familiar with family law and anyone new to the subject. Student-friendly and straightforward, the book is a perfect tool for courses in family studies, couples and family therapy, paralegal studies, and undergraduate and graduate family law classes. Kerry Weil Tripp, J.D., is a graduate of the Notre Dame Law School and practiced law in San Francisco and Baltimore. Dr. Tripp is the assistant to the chair for special projects and senior lecturer in the Department of Family Studies in the School of Public Health at the University of Maryland, College Park. She teaches undergraduate and graduate law classes, including a comparative family law class in Havana, Cuba.

Landmark Cases in Family Law Dec 24 2022

There are a number of important (landmark) cases in the development of Family Law in England and Wales that deserve detailed

examination and lend themselves particularly well to historical examination. Family law cases tend to raise highly controversial issues, often on striking facts, frequently provoking wider social debate and/or extensive publicity. Consequently, the landmark cases chosen for this collection provide considerable scope, not only for doctrinal analysis and explanation of the importance and impact of the decisions, but also for in-depth examination of the social or policy developments that influenced them. The stories behind the cases provide a fascinating insight into the complexities of family life and the drama that can be found in the family courts. In recent years, Family Law has seen enormous changes in law's engagement with the notion of 'family', with the enactment, for example, of the Civil Partnership Act 2004, the Gender Recognition Act 2004 and, more recently, the Human Fertilisation and Embryology Act 2008. As we begin to move forward into the new millennium, this is an excellent time to engage in detailed

analyses and 'stock-taking' of the landmark decisions, many of which were decided in the 1970s, and which have shaped modern Family Law. This book provides a series of in-depth studies of the key leading cases, and will be of interest to students and lecturers alike.

The Family Lawyer Oct 22 2022 A collection of three thrilling James Patterson stories: a criminal defense attorney investigating a bullying accusation, the NYPD's most brilliant detective facing her darkest fears to prevent a string of crimes, and a woman investigating the murder of her brother-in-law. **The Family Lawyer with Robert Rotstein:** Matthew Hovanes is living a parent's worst nightmare: his young daughter is accused of bullying another girl into suicide. But this loving father is also a skilled criminal defense attorney. And something here doesn't add up . . . **Night Sniper with Christopher Charles:** Cheryl Mabern is the NYPD's most brilliant and troubled detective. Now she must confront her darkest fears to stop a calculating

killer committing random murders. The Good Sister with Rachel Howzell Hall: Her beloved sister's cheating husband has been found dead. Now, Dani Lawrence must decide if she will help the investigation that could put her sister away . . . or obstruct it by any means necessary.

The Psychology of Family Law May 17 2022

Bridges family law and current psychological research to shape understanding of legal doctrine and policy Family law encompasses legislation related to domestic relationships—marriages, parenthood, civil unions, guardianship, and more. No other area of law touches so closely to home, or is changing at such a rapid pace—in fact, family law is so dynamic precisely because it is inextricably intertwined with psychological issues such as human behavior, attitudes, and social norms. However, although psychology and family law

may seem a natural partnership, both fields have much to learn from each other. Our laws often fail to take into account our empirical knowledge of psychology, falling back instead on faulty assumptions about human behavior. This book encourages our use of psychological research and methods to inform understandings of family law. It considers issues including child custody, intimate partner violence, marriage and divorce, and child and elder maltreatment. For each topic discussed, Eve Brank presents a case, statute, or legal principle that highlights the psychological issues involved, illuminating how psychological research either supports or opposes the legal principles in question, and placing particular emphasis on the areas that are still in need of further research. The volume identifies areas where psychology practice and research already have been or could be useful in molding legal doctrine and policy, and by providing psychology researchers with new ideas for legally relevant research.

Family Law in a Changing America Jan 25

2023 Family Law in a Changing America is a new casebook that highlights law and family patterns as they are now, not as they were decades ago. By focusing on key changes in family life, the casebook attends to rising equality and inequality within and among families. The law, formally at least, accords more equality and autonomy than ever before, having repudiated hierarchies based on race, gender, and sexuality. Yet, as our society has grown more economically unequal, so too have family patterns diverged—with marriage and marital child-rearing becoming a mark of privilege. A number of developments—mass incarceration, the privatization of care, and reproductive technologies—have also contributed to disparities based on race, class, and gender. The casebook reflects the law's continuing emphasis on marriage, but also treats nonmarital families as central. Rather than privilege the marital heterosexual family, the casebook organizes the

presentation of the law around 1) adult relationships and 2) parent-child relationships. Professors and students will benefit from: Text that includes dramatic changes in family patterns in contemporary society, including: declining marriage rates, with differential rates based on race and class; increasing rates of nonmarital cohabitation and nonmarital parenting; the use of assisted reproduction and its challenge to biological understandings of parentage; tensions between women's increasing education and employment and the perseverance of the gendered division of labor in families; the inclusion of same-sex couples in marriage and parenthood An approach that decenters the marital heterosexual family and instead is structured around the general topics of adult relationships and parent-child relationships Focus on the scope of family law, including extensive coverage of crucial sites of family regulation, such as the child welfare system, that are traditionally neglected

Emphasis on multiple modes of legal interpretation (common law, constitutional, statutory) and multiple actors in the legal system (judges, legislators, lawyers, experts, social workers) Practical problems and exercises, often based on actual cases or events, that illuminate the gaps, tensions, and implications of existing doctrine; some of the problems include postscripts explaining how the issue was resolved by a court or legislature An approach that draws on more recent cases and cutting-edge issues and that includes extensive coverage of assisted reproduction (including IVF, surrogacy, and gamete donation), parentage (including intentional parenthood, functional parenthood, and multi-parent arrangements), adoption, child welfare, and family support New York Family Law Sep 20 2022 The only legal text to focus specifically on family law in the State of New York, this one-of-a-kind resource covers both matrimonial law--including annulment, separation, divorce, and equitable

distribution of marital property--and Family Court proceedings, such as family offenses, child protection, termination of parental rights, and adoption. Drawing on 25 years of experience as a New York Family Court judge, author Sara P. Schechter provides a detailed overview of state-specific procedures, substantive law, and terminology, as well as relevant federal legislation and family law issues of national importance. This proven guide combines in-depth content with an engaging, reader-friendly style and abundant features to support learning. Examples include Basics Boxes introducing varieties of family law litigation, Practice Tips to help students apply what they learn, cases and examples to illustrate the real-world relevance of key concepts, and current New York legal forms. Now thoroughly revised and updated to reflect current law and legal issues in the state--including key developments in same-sex marriage legislation, child support law, no-fault divorce law, and child protective laws--NEW

YORK FAMILY LAW, Third Edition, is an ideal resource to prepare paralegal and undergraduate legal students for success in the exciting field of family law. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

California Family Law 2021 Edition Apr 15 2022

This is a comprehensive California family law book and THERE IS A COMPANION WORKBOOK. The California family law book contains ONLY CURRENT California statutes, California caselaw and California rules of Court. Unlike other textbooks on this subject, ALL OUTDATED material has been removed. The statutes are the actual current California laws and they are presented throughout the book in bold print. The California Rules of Court provide essential information about family law forms and court room procedures, yet most textbooks contain very little about these rules. This CALIFORNIA FAMILY LAW book is different

because many California Rules of Court are included. They are also presented throughout the book in bold print. The cases in each chapter are actual current cases. They provide judicial interpretation of the laws and key family law concepts in an easy to understand format. "The author's style and organizational technique make this book easy to read, as well as interesting." Hon. C. K. Goldsmith, Judge of the California Superior Court (retired). Almost every chapter has its own topic. And each chapter includes a brief summary of that chapter on the first page. Professors and students will appreciate this prudently constructed pedagogy. Judicial Council forms are essential in California family law and the Judicial Council is already preparing many INFO forms with completion instructions. While there are some forms included, this book discusses the different kinds of forms. California State Court Commissioner Alan B. Clements (Retired) said: "I'm utterly stunned with the thoroughness of the book. Your

tenacity in drawing everything together is simply unmatched by any effort that I have seen within the family law umbrella. I would think that your book should be used in every classroom in the state of California. Of significant interest to me was your Chapter on discovery. With all of the discovery issues I heard while sitting on the bench, your analysis supersedes the P's and A's that I have read and makes discovery crystal clear." None of the other books on the market today provide all of this CURRENT information. This is the one California Family Law book to have in your library. This is the only California Family Law book you will need.

New York Family Law Strategies Jan 30 2021

New York Family Law Strategies is an authoritative, insiders perspective on the best practices for handling matrimonial and family law cases in the state of New York. Featuring partners and founders from some of the states leading family law firms, these experts guide the reader through the most common family law

issues, including divorce, child custody, and child support and alimony, and the approaches that lead to success in overseeing these cases. Emphasizing the role mediation and collaborative law can play in the process of family law disputes, the authors examine the steps involved in preparing clients for divorce proceedings and working toward agreements on child custody and financial assets. From utilizing expert witnesses and law guardians to communicating with the spouses counsel, these leaders illustrate the strategizing process a New York family law attorney must go through in order to best serve a client. The different niches represented and the breadth of perspectives presented enable readers to get inside some of the great legal minds of today, as these experienced lawyers offer up their thoughts around the keys to navigating this sensitive area of law.

Family Law Across Borders Jun 17 2022 This casebook provides a comprehensive, accessible,

and up-to-date analysis of family law from comparative and private international law perspectives. It emphasizes the need to examine complex cross-border family situations by comparing legal systems and understanding the jurisdictional overlay, with a particular focus on the United States. The casebook addresses some of the most intimate and legally complicated situations in which cross-border families find themselves, including the validity of foreign marriages, simultaneous divorce proceedings in multiple countries, the changing law in creating families using adoption and assisted reproductive technology, and how to remedy an international parental child abduction. In addition, the book dives into the importance of judicial assistance treaties and laws when understanding the legal issues, including the necessity to have proper service in a foreign country, obtaining evidence overseas, and authenticating foreign public documents. This book is a superb companion for law students and

practitioners alike, and can readily be used in a traditional theory-based class and in practicum courses. It provides substantive material for a course on International Family Law, or can supplement a course on Family Law, International Law, or Comparative Law.

Family Law Mar 03 2021 This On-line component is meant to complement the textbook, activities, discussions and any instructor lectures (classroom or On-line)

The Family Law Guide to Appellate Practice Aug 20 2022 "Family law matters are intimate, personal and touch upon people's most private treasures and issues. This perspective directly affects all aspects of domestic relations, including appellate practice. Serving as a practical guide on whether to appeal a family court decision, and then how to proceed with the appeal, this [book] is a valuable resource for both the newer and more seasoned family lawyer, and it fills a void in the literature by focusing on the unique issues involved in

appealing a family law case."--

The Unique Family Law in the State of

Israel May 05 2021 In the State of Israel, the unique family law derives from ancient Jewish law, halakhic traditions, and an extensive legal tradition spanning many centuries and geographic locations. This book examines Israeli family law in comparison with the corresponding law in the United States and illuminates common issues in legal systems worldwide. The Israeli system is primarily controlled by the religious law of the parties. Thus, religious courts were also established and granted enforcement powers equivalent to those of the civil courts. This is a complex situation because the religious law applied in these courts is not always consistent with gender equality and civil rights practiced in civil court. This book seeks to clarify that tension and offer solutions. The comprehensive analysis in this book may serve as a guide for those interested in family law: civil court judges, rabbinical court judges, lawyers,

mediators, arbitrators, and families themselves. Topics central to the book include issues subject to modification, the right of a minor to independent status, extramarital relationships, and joint property.

Family Law Boot Camp Apr 27 2023 Are you going through a divorce, custody or other family law case? Are you representing yourself or wishing you understood the process? Family Law Boot Camp explains every step of the process without all the legal jargon at a fraction of the cost of calling an attorney. This thorough and eminently helpful guide takes you from the very start of your case choosing which forms you need through your closing argument in trial, with citations to real law you will need to use. You will learn how to draft legal documents, select witnesses, object, and enter evidence at trial. While the author of this book is based in Colorado and uses Colorado law as the premise of this book, Family Law Boot Camp will help you understand every step of your case so you

can prepare and present it in the most effective way possible. A must-have for anyone involved in a family law matter. In this book you will find: -A helpful glossary of legal terms -Sample legal documents such as witness disclosure -Tips on dealing with a difficult opposing counsel -Advice from other attorneys and judges -A sample trial plan, trial outline, opening statement, closing argument, and objections! This concise, easy-to-understand guide will help you navigate your case effectively and painlessly.

Family Law and Practice Mar 27 2023

California Family Law Handbook for

Paralegals Mar 15 2022 This is the First Edition of the California Family Law Handbook. It has been endorsed by two California judges who agree that this book is easy to read and understand and a great book for paralegals. It was written by an attorney who practiced family law for 25 years and currently teaches family law to paralegals. The companion workbook

(California Family Law Workbook) has questions for every chapter and student assignments. This textbook is a comprehensive family law book and the only book on the market today that includes all of the important family law cases, codes and California Rules of Court. The Table of Contents is detailed enough to use for research and it has a large, extensive index. This is the book that family law paralegals and instructors have been wishing for. There is an Instructor's Manual that can be requested. It contains syllabi for 10, 12 and 15 week courses and a substantial test bank. A workbook at a special price can also be requested. Make all requests at the book's website.

Practical Guide to Family Law Jul 07 2021 This paralegal-specific introduction to family law provides current coverage of legal topics. The chapter format is designed to be practical and approachable offering students experience with real cases and exposure to forms and checklists they will use on the job. Edited cases provide

real-world examples. The brief paperback format gives you flexibility in course organization and opportunities for supplemental readings tailored to your needs.

Family Law: The Essentials Dec 12 2021

FAMILY LAW: THE ESSENTIALS, Third Edition, provides a concise, accurate introduction to key legal concepts and practical paralegal skills, along with excerpts from real-world cases, forms and checklists you can apply on the job, and tips and techniques for professional success. The Third Edition includes new and updated material on current trends and topics in this dynamic field, including legal ethics, technology, domestic violence, fertility and reproductive science, stem cell research, adoption, domestic partnerships, same-sex marriage, and changing definitions of family. Supported by a full range of available learning supplements, this trusted guide is an ideal resource for formal courses or self-study, and a reliable reference for practicing paralegals. Important Notice: Media content

referenced within the product description or the product text may not be available in the ebook version.

Nolo's Essential Guide to Child Custody and Support May 29 2023 Custody and Support: Get the Answers You Need When you're getting divorced, you can make a tough time easier for yourself and your children if you work with the other parent to agree on a custody plan and child support. If you can't resolve these issues, you'll have to head to court and ask a judge to decide for you. Either way, Nolo's Essential Guide to Child Custody & Support can help. You'll learn: how negotiation and mediation can keep costs down and improve future dealings with your ex where to find your state's child support guidelines how judges make custody decisions how to enforce and change custody and support orders how court trials work how Covid-19 is affecting custody arrangements and family court hearings, and when you need a lawyer and how to work with one. You'll also find

specifics about each state's laws, including what factors courts consider when they rule on custody arrangements and what happens when one parent wants to move away with the children.

Massachusetts Family Law Sourcebook & Citator Oct 10 2021

Assisted Reproductive Technology Jun 05

2021 As more people turn to assisted reproduction, the legal issues surrounding it have become increasingly complex. Beyond representing patients or clinics, numerous legal problems are arising from the technology's application. Disputes in divorce are the most common, but this technology impacts the law in other areas, including personal injury, insurance, criminal law, and estate planning. Drawing from multiple legal sources, this book presents complex information in a direct, balanced and fair manner. It includes glossary, sample forms and checklists, and bibliography.

The Oxford Introductions to U.S. Law Feb 23

2023 A book about family law is necessarily a book both about family life and the role law can and should take in regulating family life.

Individually and together, these are vast topics. American family law is ever-changing and affects every facet of our lives. The Oxford

Introductions to U.S. Law: Family Law provides a critical introduction to the enduring topics in the field, including not only an overview of the basic rules, but also the history and principles underlying them. In this short and accessible volume, Brian Bix gives the necessary legal background for understanding current media coverage and political debates in family law. He explores the general principles and fundamental themes that currently dominate legislation and case law in the area while marking trends for change. Topics covered include same-sex marriage, divorce reform, surrogacy, open adoption, domestic violence, and the standards applied to custody battles. Ultimately, The Oxford Introductions to U.S. Law: Family Law

illuminates our collective struggle to shape the proper role for individuals, families, and government in U.S. family life and family law, providing an essential introduction to the richness and complexity of the subject.

Family Law in California Sep 01 2023 If you want to know about family law in California or have questions about California family laws, cases or Rules of Court, this is the book for you. If you want to know the rules of professional responsibility that attorneys must follow, there is a special chapter that has been approved for publication by the California State Bar Association containing these rules. This book has it all - the most important family law cases, family law codes and California Rules of Court. The cases that are included have been shortened so that they are easier to read and understand; there are no boring cases that go on and on in this book. Most are interesting and/or amusing that will make you smile and maybe even laugh. At the beginning of each chapter there is a

summary; a real summary of the information that is included in that chapter, not a list or incomprehensible set of codes and rules. There are several charts that present the cases, codes and Rules of Court in an interesting way for those who prefer visual aids. The Table of Contents is very detailed and the index is extensive making this a great reference book. This comprehensive family law book is the book to buy to learn about family law.

The Family Law Jul 31 2023 Now a major SBS television series! Meet the Law family - eccentric, endearing and hard to resist. Your guide: Benjamin, the third of five children and a born humorist. Join him as he tries to answer some puzzling questions: Why won't his Chinese dad wear made-in-China underpants? Why was most of his extended family deported in the 1980s? Will his childhood dreams of Home and Away stardom come to nothing? What are his chances of finding love? Hilarious and moving, The Family Law is a linked series of tales from a

beloved Australian writer. 'A vivid, gorgeously garish, Technicolour portrait of a family. It's impossible not to let oneself go along for the ride and emerge at the book's end enlightened, touched, thrilling with laughter.' --Marieke Hardy 'Benjamin Law manages to be scatagogical, hilarious and heartbreaking all at the same time. Every sentence fizzes like an exploding fireball of energy.' --Alice Pung 'Law is a writer of great wit and warmth who combines apparently artless and effortless comedian's patter with a high level of technical skill.' -- Sydney Morning Herald 'An addictive read.' -- Courier-Mail 'Very funny...you may find yourself at times almost barking with laughter' --the Monthly 'An engaging read.' --West Weekend Magazine, West Australian 'Wonderful. Everyone should run to their nearest bookshop and buy a copy.' --Defamer 'Simultaneously weird and instantly recognisable, the Laws are an Australian family it's well worth getting to know' --the Enthusiast 'Enjoyable, easy reading ... Law

is a considerable talent with a long future ahead of him.' --Literary Minded 'The eccentric, clever and beautifully resonant *The Family Law*. It's sharply written, brilliantly observed and infused with an authenticity that makes it compelling.' -- Saturday Age Benjamin Law is the author of *The Family Law* and *Gaysia*, and a frequent contributor to the *Monthly*, *frankie* and *Good Weekend*. Benjamin writes for publications, businesses and agencies worldwide, and co-wrote the TV adaptation of *The Family Law* for SBS and Matchbox Pictures.

Family Law in Perspective Jan 13 2022 Law school casebook intended as an introduction to the field of family law, both at the abstract level of theory and at the concrete level of doctrine. It is an introduction as much for experienced lawyers and scholars who come to this field with a thorough knowledge of other aspects of the law as for law students who have just begun preparing for their careers.

Illinois Practice of Family Law Apr 23 2020

Contemporary Family Law Nov 30 2020 In the fourth edition, all 17 chapters are fully updated to reflect the latest family law developments. Developments based on *Obergefell v. Hodges* are treated fully throughout the new edition. This popular family law casebook engages students with the significant changes to the American family and the corresponding evolution of family law doctrine and policy. The book emphasizes that contemporary families take a variety of forms, including marital and nonmarital relationships, and that constitutional considerations play an increasingly important role in family law. The fourth edition preserves and builds on the approach of the earlier editions: presenting core substantive family law doctrine while also exploring ongoing and emerging policy debates and discussing the importance of cross-disciplinary collaborations with experts in fields such as psychology and accounting. The book introduces the myriad issues central to family law practice and to a

lawyer's ethical and professional responsibilities. New cases have been substituted where appropriate, and the notes following each lead case, statute or article have been thoroughly updated. In addition, new Problems expand the number of opportunities for actively engaging students. Contemporary Family Law highlights the issues of professional and ethical responsibility that arise in family law, not only by using Problems that invite students to engage in role playing, but also by devoting separate chapters to legal ethics, alternative dispute resolution, and private ordering. While providing a grounding in the historical and contemporary regulation of marriage, the book also devotes chapters to nonmarital couples and to establishing parenthood. The book also emphasizes concrete aspects of legal practice and professional responsibility by, for example, including material at the end of the first chapter on shifting paradigms within family law practice and the

roles of family lawyers, by addressing jurisdictional issues in one integrated chapter, and by presenting problems for discussion in each chapter that enable students to apply doctrine in real-life settings that lawyers face. Moreover, because child custody arrangements lead to some of the most acrimonious family disputes, this casebook devotes two chapters to custody: the first treats the initial custody decision, and the second explores continuing litigation concerning visitation, custody, and key childrearing decisions after the initial disposition, including disputes involving third parties such as cohabitants and grandparents. Both custody chapters include disputes involving nonmarital children. New and expanded material in the fourth edition includes full treatment of *Obergefell v. Hodges* (2015), the Supreme Court's ruling on the fundamental right of same-sex couples to marry and to have every state recognize their marriage, and its ramifications throughout family law. This edition has added a

separate chapter on nonmarital couples, including a section on domestic partnerships, civil unions, and other legal statuses in the wake of *Obergefell*; extensive coverage of debt and family finances, reflecting the current economic climate, as well as new material on how taxes affect families; substantially updated discussion of the impact of gender in child custody decisions and the current legal status of shared parenting; an expanded Section on the Hague Convention; detailed discussion of new and emerging reproductive technologies; and major revisions to the chapter on child support (including recent data on the central role of child support in low-income families). The chapter on private ordering integrates the new Uniform Premarital and Marital Agreements Act. Finally, the comprehensive 700-page teachers manual presents explanations and pedagogical strategies, including extended exercises, that will help new adopters design a rich course that meets their students' needs and aspirations. For

professors who have already used the book, the manual provides support on how to integrate new material into their existing lectures. The co-authors will share their Power Point slides with professors who adopt the book.

Family Law in America Nov 22 2022 This volume examines the state of family law in America.

Among its themes is the tension between individual autonomy and governmental regulation in all aspects of family law. It examines both conventional and new definitions of formal and informal domestic relationships.

Family Law in the World Community May 24 2020 The second edition of this casebook has been updated and trimmed, although it retains a wide range of topics and materials. It covers a variety of private international law issues, including child abduction, child custody, adoption, child support enforcement, and recognition of marriages and divorces. The book also explores the impact of public international law on both domestic and international

regulation of the family, using topics such as family violence and the rights of the child. Finally, the book uses comparative law materials to examine traditional family law topics, such as the regulation of marriage, the rights of same-sex couples, adoption, reproductive freedom, and more.

From Partners to Parents Sep 08 2021 Examining the changes that have occurred in families, family research, and family law in the late 20th century, this volume describes a paradigm shift in the legal and social regulation of the family to an emphasis on parents' relationships to their children, rather than to each other.

Family Law and Personal Life Oct 29 2020 How should our most intimate personal relationships be governed in a liberal society? Should the state encourage a particular model of family life, or support individuals in their pursuit of personal happiness? To what extent do people have the right to shape the lives of their

offspring? This book examines the questions at the heart of family law, rethinking the ideas that shape our understanding of the family as a social unit, its purpose, and the obligations and rights that belong to family members. The book explores how the governance of personal relationships has depended on the exercise of power, from the traditional assumptions of patriarchy, where the male head of the family enjoyed full control over his dependents and descendents, to the ideology of welfarism, where state institutions protect the interests of the vulnerable at the expense of their close relations. Emerging from these conflicting ideologies comes today's rights-based culture, where traditional expectations for behavior within a family sit within a new emphasis on the ability of minorities and traditional dependents to determine the shape of their own lives. Against this background of shifting power relations, the book explores the inter-relationship between the legal regulation of

people's personal lives and the values of friendship, truth, respect and responsibility. In doing this, a variety of controversial issues are examined in the light of those values: including the legal regulation of gay and unmarried heterosexual relationships; freedom of procreation; state supervision over the exercise of parenthood; the role of fault in divorce law; the way parenthood is allocated; the rights and responsibilities of parents to control their children; the place of religion in the family; the rights of separated partners regarding property and of separated parents regarding their children. Throughout, the book offers a new picture of the intimacy at the center of personal relationships and argues that only by understanding this intimacy, and its role in human happiness, can we arrive at a true framework for respecting, and governing, the personal lives of other people.

Onward and Upward Jan 01 2021 This comprehensive divorce and family law book is

truly one-of-a-kind. It offers the perspectives of attorneys and professionals on a myriad of family and matrimonial law topics, including issues regarding:* CHILDREN (e.g., custody, visitation, support, paternity, child protective proceedings, adoptions, kidnapping)* MARITAL DISSOLUTION (e.g., grounds for a divorce/annulment, spousal maintenance, equitable distribution, religious issues)* SPECIAL COURT ACTIONS (e.g., family offense proceedings, conciliation proceedings, Persons In Need of Supervision)* CONTRACTS (e.g., prenuptial/postnuptial agreements, cohabitation agreements, pet agreements, surrogacy agreements)* ESTATE PLANNING THROUGH LIFE'S TRANSITIONS* DISPUTE RESOLUTION PROCESSES (e.g., litigation, mediation, collaborative law, neutral evaluation)What makes this book especially unique are the diverse viewpoints from non-lawyer professionals who aid people through these various life changes. To illustrate, the book's

authors include a parent coordinator, parenting coach, nutritionist, image consultant, mindfulness and lifestyle coach, personal trainer, credit repair professional, professional organizer, insurance professional, private investigator and real estate professional. This diverse approach adds invaluable depth and perspective to the reader. This book also offers information on social media, courtroom decorum, keeping legal fees down, choosing a qualified attorney, and community resources. There is truly something for everyone who is going through a family law dispute or transition. To illustrate, the book's authors include a parent coordinator, parenting coach, divorce coach, life coach, relationship coach, psychotherapist, financial advisor, accountant, dating coach, nutritionist, image consultant, mindfulness and lifestyle coach, personal trainer, credit repair professional, professional organizer, insurance professional, private investigator and real estate professional.

Christianity and Family Law Nov 10 2021 A comprehensive analysis of Christian influences on Western family law from the first century to the present day.

How to Build and Manage a Family Law Practice

It takes a no-nonsense approach in explaining the most critical issues for developing a successful career. Examples and practice tips show how to gain experience, understand the business aspects of a practice, develop and maintain the ideal client mix, and manage staff and finances. CD-ROM with forms and related materials.

Transgender Family Law Feb 11 2022

Transgender people have unique needs and vulnerabilities in the family law context. Any family law attorney engaged in representing

transgender clients must know the ins and outs of this rapidly developing area of law. *Transgender Family Law: A Guide to Effective Advocacy* is the first book to comprehensively address legal issues facing transgender people in the family law context and provide practitioners the tools to effectively represent transgender clients. The chapters address a broad range of topics, including: Culturally Competent Representation, Recognition of Name and Sex, Relationship Recognition and Protections, Protecting Parental Rights, Relationship Dissolution, Parental Rights after Relationship Dissolution, Custody Disputes Involving Transgender Children, Protections for Transgender Youth, Intimate Partner Violence, Estate Planning and Elder Law. Written by attorneys with expertise in both family law and advocacy for transgender clients, including: Kylar W. Broadus, Patience Crozier, Benjamin L. Jerner, Michelle B. LaPointe, Jennifer L. Levi, Morgan Lynn, Shannon Price Minter, Elizabeth

E. Monnin-Browder, Zack M. Paakkonen, Terra Slavin, Wayne A. Thomas Jr., Deborah H. Wald, and Janson Wu, *Transgender Family Law* is a must-have, practical guide for attorneys interested in becoming effective advocates for their clients. It is also a valuable resource to consult for any transgender person who is forming, expanding, or dissolving a family relationship.
