Complete with illustrations, the book presents a wonderful combination of vast truths, complex details, and bits of humor about Presbyterian understanding of the Christian life. This unique and incredibly handy resource is perfect for Presbyterian youth, adults, students, families, and all those interested in learning about much of what encompasses life in the church. A guide from the late 19th century instructing people in the etiquette of the church. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork. The author, head usher at the Tabernacle of Hope Seventh-day Adventist Church in Indianapolis, is actively involved with the training and development of the ushers and believes that the Holy Spirit inspired her to put into print these "guidelines" for church ushers everywhere. Detailed guidance on training and how to handle special services. Material on junior ushers and greeters. Church leaders understand that managing the day-to-day operations of a church can be challenging because of limited resources, managing volunteer labor, and supporting the needs of the congregation. Smart Church Management: A Quality Approach to Church Administration, Third Edition is an updated guide for managing the resources of a church - which is people, time and money. This book provides tools and examples for decision making and problem-solving for church administration that is easy to understand and more importantly, quick to implement! This book also includes discussion questions to provoke thought and discussion for church teams. This book is ideal for ministry

students, church boards, church leadership and church administrators. C.1 ST. AID B & T. 03-18-2008. \$7.99. 90% of the churches in the world have less than 200 people. What if that's not a bad thing? What if smallness is an advantage God wants us to use, not a problem to fix? I started writing this book in 1994. That was the year the LORD graciously commissioned me to raise for Him Quality leaders. I started with Ministers' and Pastors' workshop. Training for ushers was the second assignment I handled among the three fold mandates the LORD gave me in 1994. But, no book was written by me back then, neither did I come across any specialized book on Ushers, Greeters and Protocols in one volume, 20 years ago. I have been privileged to conduct Training courses across the length and breadth of Nigeria on Ushering ministry for 20 years. I have interacted with over 400 churches from over 280 denominations in conferences and seminars but I never wrote a book on this topic. Our outfit, Christian Leadership Skills, have been involved in mass training for ushers in churches that counted 120,000 on Sundays with Ushers' workforce of about 4,000. I have written 36 books todate, but none on Ushers, Protocol and Greeters until now. A particular mega church invited us to deliver training for ushers and crowd controllers twice within three months in their headquarters church. Their invitation came a bit late I could not be there physically. I didn't have a book on Ushers or crowd control. Only a manual. Churches get confused on the role of ushers as different from protocol officers. I have witnessed ushers and protocols fight for territories in churches. A particular church head usher insists that he must stay side by side with the protocol officer by the altar, very close to the anointed. There was no book to show where each belong. A particular ministry scrapped the word "Ushers" from the list of ministries. The General Overseer banned the entire ushers from officiating in the length and breadth of the church. His reason? Brethren have the Holy Spirit to direct them. No need for Ushers and the church went on "smoothly thereafter". I had no book to give to the man of God. No book I could give, until 20 years later! Who are Ushers? Who are Protocol officers? Who are Greeters? Who are Traffic Controllers? I didn't write any

book to explain. I only explain during workshop session. Now the explanation has become handy. The 'Hospitality Minister,' including ushers, do more than just seat people and take up the offering; they are the first point of contact with guests and

potential members, and are the first ones to make a first (and lasting) impression. Hospitality Ministers, which are ushers, greeters, information booth attendants, parking lot volunteers, and more, are just that: "ministers." They represent God and God's House, and are key team members to making sure that the worship experience brings honor and glory to God and builds up the people God loves. These pages are written to you, a church usher, as though we were talking face-to-face. The ideas in this book have been shared with me through the years by ushers like you. Some ideas will be familiar; a few will be new; but all will need to be translated into the way you do things in your church. What is an usher? He is the can do, will do, go-to guy for his pastor during the services at his church. He sets aside his personal desires to serve his pastor, the congregation, and the guests in attendance. He is the smile and extended hand of welcome as you enter the doors to his church. He's the guy ready with the answers to your questions or he knows where to get the answers. The professional manner in which he conducts himself creates a smooth and seamless worship experience for all those in his building. He's the watchman at the gate, keeping an eye out for dangers. He has a plan for when unforeseen circumstances arise. He is prepared to act decisively when called upon. He's the man who will show you to your seat and is entrusted to take up the offering. The decision to write this booklet came from the careful study of the somewhat-antiquated handout I have been giving my new ushers to read when they begin their role as an usher at our church. I ordered several more books on the subject to search for a book that embodied everything I wanted to instill in my team of ushers, but my search came up lacking. While these handouts and books were great literature, they did not quite offer the depth that I was looking to give to my ushers. Through this search, I found some to be more ritual than helpful, while others were very heavy on the theology of ushering and church boards but less practical. I wanted something practical and more to the point of how to deal with everyday circumstances in the role of an usher. I wanted to find a book that speaks more directly to the reader. Since my search result came up empty, I decided to write one myself. I approach

this subject from over twenty years of ushering experience and thirteen years as a head usher. I also draw from my twenty-five years of working in industrial construction as what is called a Millwright and, for a time, as an Ironworker. During most of my time working in construction, I was the foreman on the job. Years later, I would take from these experiences and apply them in my role being the head usher of my church. After more than twenty years of being involved with various ministries in my church, all the while being a greeter and an usher, I can tell you that in my opinion and experience, being a greeter or being an usher is one of the most important ministries you can take part in at your church. Being an usher and/or a greeter is very rewarding and brings a substantial amount of joy if you approach it the right way. It can also be frustrating, heartbreaking, and at times, very intense. I have been the head usher in my church since 2007. I'm in charge of ushering, greeting, and security. I get to see many aspects of the ministry from various perspectives, and I will touch on all three areas in this book. My life verse is Psalms 84:10. It reminds me, every day, of where I want to be in my life and why I do what I do. "For a day in Thy courts is better than a thousand. I had rather be a doorkeeper in the house of my God, than to dwell in the tents of wickedness." Psalms 84:10 KJV Most church members don't see their churches clearly. In almost all of Thom S. Rainer's consultations, church members perceive their church to be friendly. But as he surveyed guests, he found that the guests typically saw church members as unfriendly. The perception chasm existed because the members were indeed friendly . . . to one another. The guests felt like they crashed a private party. Bestselling author Thom Rainer (I Am a Church Member, Autopsy of a Deceased Church) has a game plan for churches to become more hospitable. In a format that is suitable for church members to read individually or study together, Rainer guides readers toward a practical framework for making a difference for those who visit their church. Churches may use *Becoming a Welcoming Church* to assess and audit where they are on a spectrum between welcoming and wanting. Additionally, churches can use the companion book *We Want You Here* to send guests home with a compelling vision for

what pastors want every guest to know when they visit. *Guide for Ushering in the 21st Century* is an autobiographical narrative/exposition of ushering that presents actual experiences behind God-guided usher team developments. However, this is no ordinary "How To" Christian book. It is a real story, with real characters in real-life situations that take place on a small church campus. The conflict and climax encountered through an effort to train ushers as key point people in church reflects a challenge that every church go through. The plot thickens with explicit detail that describes real events that happen behind the corridors of the church when leadership seeks to change structures. An update to 2005's *The Usher's Book: Creating a Welcoming and Safe Environment for Worship, The Greeter and Usher Handbook* provides a guide to the responsibilities of those who are generally the first faces visitors encounter in church: the usher and the greeter. Intended for training use by church staff or volunteers, the text covers responsibilities related to all aspects of creating a welcoming atmosphere for visitors and new members. When is the best time to seat a latecomer? How can you be friendly to visitors without overwhelming them? What should you do if someone faints during the worship service? It's natural to have these questions as an usher or greeter. You can find the answer to these questions and more in *Welcome to Our Church*. This book will help ushers and greeters learn how to make visitors and members feel welcome, handle large crowds of people and noisy children, prepare for emergencies and problem situations, and usher special services like weddings and funerals. How to be a GREAT Church Usher is an easy to use, exciting, workbook. It contains; Teaching Plans, Guidelines, and an Evaluation Form. Student Handouts, Diagrams, and Exercises. Perfect for anyone new to ushering, or to refresh those who might be a little jaded. It's underpinned by biblical principles including conflict management. From USCCB Publishing, this revision of the General Instruction of the Roman Missal (GIRM) seeks to promote more conscious, active, and full participation of the faithful in the mystery of the Eucharist. While the *Missale Romanum* contains the rite and prayers for

Mass, the GIRM provides specific detail about each element of the Order of Mass as well as other information related to the Mass. This is an usher's manual to be used in the Negro churches of the United States. Dr. Hill demonstrates how contemporary ushering in the Negro church is preceded by the Biblical Porter of the Old Testament and that this work was performed by a Levitical Priest. Thus, the work of the usher in the church is akin to allowing entrance into the Holy Place wherein dwells the presence of God. Updated 2022 Edition In this highly useful book, Earl S. Johnson, Jr. explores the role of the deacon in the Presbyterian Church (U.S.A.). The author explains the freedom for churches to define the roles of deacons while also supplying many helpful suggestions. Johnson examines the ministry as it is described in sections of the Book of Order and analyzes how the word "deacon" is used in Scripture. In addition, Johnson provides historical information regarding the inclusion of women and offers innovative ways to incorporate the ministry of deacons into the larger ministry of the church. Fully revised based on the new Form of Government of the Presbyterian Church (U.S.A.), this book is invaluable for new deacons preparing for their roles, while also helping pastors and leaders who are training prospective deacons. As we enter our church, the first person we often see is the usher. While many may look at the position of usher as simply a social one, it can be so much more. In "Ushering with a Mission," author Victor L. Davis presents the first comprehensive guide specifically addressed to the needs of the usher. The traditional approach to ushering focused on the task of meeting, seating, and greeting worshippers. The typical training manual addressed techniques ushers should use in carrying out those duties. Davis's "Ushering with a Mission" goes a step further and emphasizes the importance of disciplining the individual usher. Ushering is viewed as a ministry rather than a committee or board activity. The ministry of ushering is approached from a Christ-centered, biblical perspective. Ushering is not something we simply do because, "It's our Sunday to usher." We do it because it is a lifestyle, resulting from the overflow of the Spirit-filled life. "Ushering with a Mission" stresses the importance of Bible study, prayer,

and personal evangelism with nonbelievers. Ushers will find fellowship with other believers in the Body of Christ as they explore ways to fulfill the great commission and commandment of our Lord and Savior, Jesus Christ. Ministry of Hospitality provides a process that can be used and adapted by any parish to enliven its Sunday gatherings through effective ministry of hospitality. The Ministry of Helps Handbook by Buddy Bell is a unique combination of teaching, seminar guidelines and answers to often-asked questions. This useful and complete book provides pastors, and members with the tools and insights to restore the ministry of helps to their church. Every church is driven by something. Tradition, finances, programs, personalities, events, seekers, and even buildings can each be the controlling force in a church. But Rick Warren believes that in order for a church to be healthy it must become a purpose driven church by Jesus. Now the founding pastor of Saddleback Church shares a proven five-part strategy that will enable your church to grow. . . - Warmer through fellowship - Deeper through discipleship - Stronger through worship - Broader through ministry - Larger through evangelism. Discover the same practical insights and principles for growing a healthy church that Rick has taught in seminars to over 22,000 pastors and church leaders from sixty denominations and forty-two countries. The Purpose Driven Church® shifts the focus away from church building programs to emphasizing a people-building process. Warren says, "If you will concentrate on building people, God will build the church." Dr. Buddy Bell, founder of Ministry of Helps International, combines humor with informative teaching and practical tips to help ushers realize the importance of serving people with excellence in the local church. Dr. Buddy Bell, Ministry of Helps specialist, gives church greeters humor and instruction on how to carry out one of the most important areas in church ministry—; the first impression of greeting. Ushers and greeters—ministers of hospitality—are vital to parishes so they need strong formation to comfortably and graciously respond to the needs of everyone who comes through the doors of your church. Solid training helps them become models of hospitality for the whole parish. This guide helps you train new and

returning ministers of hospitality by providing knowledge, skills, and attitudes that are practical, theologically and liturgically-informed, and spiritually inspiring. With its new title, design, and added content, this revised edition is more helpful than ever. To Fr. Paul Turner's foundational chapters on the meaning and history of the ministry and on the ministry's spiritual dimensions, a brief chapter on the liturgy by liturgist Corinna Laughlin has been added. To Karie Ferrell's practical and wise advice on the many detailed duties of the ministry, psychiatrist and spiritual director Thomas Welch has contributed some additional perspectives. Updates to frequently asked questions, the annotated list of recommended resources, and the glossary have added yet more value to the book, and questions for reflection and discussion continue to accompany each chapter. Let this guide help you open wide the doors of your church so that it can be, as Pope Francis has called for, a spiritual field hospital for our needy world. This guide includes: Theological and historical reflections on the liturgy and the ministry; Practical skill-building and advice for serving in this role; Ways to deepen your spirituality and call to discipleship; Answers to frequently asked questions; Recommended resources; A glossary; Questions for discussion and reflection
