When teen witch Ivy MacTavish changes a lizard into her date for a Halloween dance, everything turns to chaos. And when no one is powerful enough to transform him back except Ivy, it sparks the rumor: Like father, like daughter. Ivy has heard it all before -

that her father, who left when she was seven - was involved with the darkest of magic. Making the rumors worse, someone uses an evil spell book to bring back two of history's most nefarious killers. Ivy's got a simple plan to set things right: find the real dark spell caster, steal the book, and reverse the spell. No problem! But she'll have to deal with something more dangerous than murderous spirits that want her and her friends dead: the school's resident bad boy and hotter-than-brimstone demon, Nick Marcelli. Nick's offering Ivy more than his help with recovering the missing book - he's offering her a way to ditch her scaly reputation as a lizard-lover. Demons are about as hard to handle as black magic, and as Ivy soon discovers, it's going to take more than a lot of luck and a little charm if she wants to survive long enough to clear her status as a dark witch, get a warm-blooded boyfriend, and have her former date back to eating meal worms before the week's end. Mike decided to get up; however, his mind was willing but his body wasn't. He decided to lie there in hopes that whatever was paralyzing him would cease. He peered over to his right and noticed a young woman that was slumped over. By appearance, it looked like she had impaled herself from back to front with a sharp branch. Mike heard the gurgling of this woman's breath as she walked towards him and broke the branch that

impaled her. Grapping his flashlight, he shined it into her eyes. Weirdly, this strange woman had no pupils. All that could be seen were the whites of her eyes. Looking closer, he noticed that an X had been carved in the middle of her skull. He grabbed her wrist to check for a pulse and there was none. This strange woman pulled a large knife and raised it high in the air, which made Mike Smith fear for his life. It was his opinion that she was going to end his life. Guardian of Lost Souls - Lessons in Death is a true story based on events that happened to a mother and her two children. This story tells about the struggles of living with one foot in the physical world and another foot in the spiritual realms. Read the stories of the ups and downs of helping lost souls find their way to the other side. Within the pages of this book the reader will find stories of seeming horror, humor, and strange events that happen to a person when one can feel, hear and see in the spaces in-between. The stories of the lost souls are documented within the pages, and are true life stories of the people, how they died, and how they lived, and most importantly the reason why they became earthbound spirits. The reader is advised to pay close attention to the stories, because one of the lost souls may be someone you knew. "A vivid historical account...Thompson shines in giving a sense of what it means to love a place that's been designated

a 'sacrifice zone.'" —PUBLISHERS WEEKLY

Award-winning investigative environmental journalist Jonathan P. Thompson digs into the science, politics, and greed behind the 2015 Gold King Mine disaster, and unearths a litany of impacts wrought by a century and a half of mining, energy development, and fracking in southwestern Colorado. Amid these harsh realities, Thompson explores how a new generation is setting out to make amends. JONATHAN THOMPSON is a native Westerner with deep roots in southwestern Colorado. He has been an environmental journalist focusing on the American West since he signed on as reporter and photographer at the Silverton Standard & the Miner newspaper in 1996. He has worked and written for High Country News for over a decade, serving as editor-in-chief from 2007 to 2010. He was a Ted Scripps fellow in environmental journalism at the University of Colorado in Boulder, and in 2016 he was awarded the Society of Environmental Journalists' Outstanding Beat Reporting, Small Market. He currently lives in Bulgaria with his wife Wendy and daughters Lydia and Elena. "Ghost story, love story, and mystery in equal measure, Helene Dunbar's Prelude for Lost Souls is filled with unforgettable characters who reveal the many ways a life can be haunted. Perfect for fans of The Raven Boys."—Lisa Maxwell, New York Times bestselling author of The

Last Magician series From acclaimed author Helene Dunbar comes a spellbinding young adult book about a small town filled with spiritualists and one boy who wants out, perfect for readers who want teen ghost books and fans of Maggie Stiefvater, Maureen Johnson, and Nova Ren Suma. In the town of St. Hilaire, most make their living by talking to the dead. In the summer, the town gates open to tourists seeking answers while all activity is controlled by The Guild, a sinister ruling body that sees everything. Dec Hampton has lived there his entire life, but ever since his parents died, he's been done with it. He knows he has to leave before anyone has a chance to stop him. His best friend Russ won't be surprised when Dec leaves—but he will be heartbroken. Russ is a good medium, maybe even a great one. He's made sacrifices for his gift and will do whatever he can to gain entry to The Guild, even embracing dark forces and contacting the most elusive ghost in town. But when the train of Annie Krylova, the piano prodigy whose music has been Dec's main source of solace, breaks down outside of town, it sets off an unexpected chain of events. And in St. Hilaire, there are no such things as coincidences. Perfect for readers looking for: ghost town books young adult lgbt books atmospheric stories Praise for Prelude for Lost Souls: "Dunbar invokes small-town intrigue and plentiful atmosphere

with this haunting, romantic tale."—Publishers Weekly
"A quietly compelling story."—Kirkus Reviews
"Mesmerizing and haunting, Dunbar invites readers into a world of family secrets, anxious ghosts and a society's ruthless grasp for power that will leave you wanting more."—The Nerd Daily

Also by Helene Dunbar: We Are Lost and Found

The suspense is relentless in #1 New York Times bestselling author Lisa Jackson's gripping thriller, set on a college campus and featuring the daughter of New Orleans Detective Rick Bentz—a resilient young woman whose two-time survival of a serial killer has left her fascinated with the criminal mind, determined to become a true-crime writer—and drawn her once more her into a twisted psychopath's unspeakable crimes. Stunningly repackaged, this is the fifth novel in the New Orleans series. Will appeal to all fans of thrillers and suspense fiction, and readers of Sandra Brown and Iris Johansen. All twenty-seven-year-old Kristi Bentz needs to fulfill her writing dreams is one case that will take her to the top. When she learns that four girls have disappeared from All Saints College in two years, Kristi decides to enroll and re-trace their steps. The once-stodgy Catholic school now boasts edgy professors and provocative classes, and there are whispers of a campus inner-circle whose members engage in dark rituals to which only the elite have

access . . . All four girls were “lost souls”—troubled, vulnerable, with no one to care or come looking for them when they disappeared. The police think they’re runaways, but Kristi senses there’s something that links them—something terrifying. As Kristi delves deeper into her investigation, she gets the feeling she’s being watched, followed—studied, even. Then the bodies start turning up in ways that frighten even hardened cops like Bentz and his partner, Reuben Montoya. And Kristi realizes she is playing a game with a killer who has selected her for membership in a cult of death from which there will be no escape . . .

“Solidifies Jackson’s status as the queen of the modern-day suspense thriller.”—The Providence Journal

“Expect the unexpected.” —The Clarion Ledger “Dark and disturbing.” —The Roanoke Times

The American presidency is not what it once was. Nor, Stephen F. Knott contends, what it was meant to be. Taking on an issue as timely as Donald Trump’s latest tweet and old as the American republic, the distinguished presidential scholar documents the devolution of the American presidency from the neutral, unifying office envisioned by the framers of the Constitution into the demagogic, partisan entity of our day. The presidency of popular consent, or the majoritarian presidency that we have today, far predates its current incarnation. The executive office as James Madison, George

Washington, and Alexander Hamilton conceived it would be a source of national pride and unity, a check on the tyranny of the majority, and a neutral guarantor of the nation's laws. The Lost Soul of the American Presidency shows how Thomas Jefferson's "Revolution of 1800" remade the presidency, paving the way for Andrew Jackson to elevate "majority rule" into an unofficial constitutional principle—and contributing to the disenfranchisement, and worse, of African Americans and Native Americans. In Woodrow Wilson, Knott finds a worthy successor to Jefferson and Jackson. More than any of his predecessors, Wilson altered the nation's expectations of what a president could be expected to achieve, putting in place the political machinery to support a "presidential government." As difficult as it might be to recover the lost soul of the American presidency, Knott reminds us of presidents who resisted pandering to public opinion and appealed to our better angels—George Washington, John Quincy Adams, Abraham Lincoln, and William Howard Taft, among others—whose presidencies suggest an alternative and offer hope for the future of the nation's highest office. From the tyranny of Stalin through the desperation of World War II, this is a story of struggle and survival, of devotion, duty, and family, and of love lost and sometimes found again. June 1941. Hitler's armies

race toward vulnerable Leningrad. In a matter of weeks, the Nazis surround the city, cut off the food supply, and launch a vicious bombardment. Widowed violinist Sofya Karavayeva and her teenage granddaughter, Yelena, are cornered in the crumbling city. On Leningrad's outskirts, Admiral Vasili Antonov defends his homeland and fights for a future with Sofya. Meanwhile, Yelena's soldier fiancé transports food across the Ice Road—part of the desperate effort to save Leningrad. With their help, the two women inch toward survival, but the war still exacts a steep personal price, even as Sofya's reckoning with a family secret threatens to finish what Hitler started. Equal parts war epic, family saga, and love story, *Lost Souls of Leningrad* brings to vivid life this little-known chapter of World War II in a tale of two remarkable women—grandmother and granddaughter—separated by years and experience but of one heart in their devotion to each other and the men they love. Neither the oppression of Stalin nor the brutality of Hitler can destroy their courage, compassion, or will in this testament to resilience. The final installment in the *Fluorescence Tetralogy*, *Lost Souls*, tears to shreds everything you thought you knew about the *Fluorescent Ones*. David's been hiding something from the group, but it's nothing compared to what the ghoulish, grey Savivors have been keeping from them

all. The disease is spreading and people are dying. With a new ally at their side, and David's life hanging in the balance, the group must put their lives on the line to find a cure. In a unique genre all its own, Fluorescence is a striking blend of paranormal romance, fantasy and sci-fi. Each full-length novel in the series is narrated by a different character, driving the story forward in an exciting way. It evolves from a quiet beginning into a gripping saga exploring the real-life limitations encountered while harboring a volatile secret. Novels in the complete Fluorescence series: Book 1: Fire Starter Book 2: Contagious Book 3: Fallout Book 4: Lost Souls Vampires . . . they ache, they love, they thirst for the forbidden. They are your friends and lovers, and your worst fears. "A major new voice in horror fiction . . . an electric style and no shortage of nerve."—Booklist At a club in Missing Mile, N.C., the children of the night gather, dressed in black, look for acceptance. Among them are Ghost, who sees what others do not; Ann, longing for love; and Jason, whose real name is Nothing, newly awakened to an ancient, deathless truth about his father, and himself. Others are coming to Missing Mile tonight. Three beautiful, hip vagabonds—Molochai, Twig, and the seductive Zillah, whose eyes are as green as limes—are on their own lost journey, slaking their ancient thirst for blood, looking for supple young

flesh. They find it in Nothing and Ann, leading them on a mad, illicit road trip south to New Orleans. Over miles of dark highway, Ghost pursues, his powers guiding him on a journey to reach his destiny, to save Ann from her new companions, to save Nothing from himself. . . . "An important and original work . . . a gritty, highly literate blend of brutality and sentiment, hope and despair."—Science Fiction Chronicle

I'm so much more than meets the eye. One world sees me as a successful business man. Owen Mason, an upstanding pillar of the community. My brothers back home know the real me. Brick, a member of the Lost Souls MC. One of the last people you want to see come through your door. I'm no good for her and nine years too old, but I've had a thing for Eva Kennedy for way longer than I'll admit. One night is all it takes for me to lose focus and take what I've always wanted. I know I owe my pound of flesh for what I've done, but it's done now and she's mine. I don't care about anyone that thinks they're going to stand in the way of that. I'll put you to ground for coming between me and my woman. I've been in love with Brick since I was a little girl, but he doesn't know it. I didn't think he knew I existed in the first place. However, I find out a lot during one of my epic Eva situations, that Brick is sent to get me out of. I'm stuck in a bathroom the night Brick bursts the little bubble I live in. Now I don't

know which way is up from down. I just know that everywhere I turn he's there. I just hope he makes it when I really need him. This one moment is the only one that counts. *Lost Souls Abridged Version* is a prolific and mind-bending story filled with action and attention-grabbing suspense. It gives the readers a new outlook on the legendary and infamous Jack the Ripper. A gripping account of Mike Smith dealings with a supernatural force that consumes the souls of innocent victims. Jack, the most prolific serial killer of all time, carves an X in the foreheads of his victims... a must-read novel.. *Becoming pregnant as a senior in high school wasnt in Jackies plans, but it happened anyway. With a mother who chose drugs, lead her figuring out life for herself. Based on her true story, each journal chapter represents a month of pregnancy, giving insight into why life on the Westside of Chicago is the way it is. Her life is transformed from bad to worse and then a life-changing church changed her life forever. With two unlikely mentors teaming up, a lost soul was found. Included in the book are her ultra-sound pictures, newspaper clippings, and poems illustrating the daily struggles that growing up in the hood can bring when Christ is at the center. For two decades, William Baldwin has been a pioneer in the ever-expanding therapeutic fields of Spirit Releasement, Past Life Regression, and Soul-Mind*

Fragmentation. In his Florida practice, he uses these therapies routinely to help patients who suffer from Dissociative Trance and Dissociative Identity (formerly called Multiple Personality) Disorders. Healing Lost Souls explains the attributes of each therapy in everyday language, and provides dozens of case studies to illustrate its clinical use. Likening his work to the ancient practice of shamanism, Baldwin has found that psychological disorders are often rooted in past life traumas, the interference of attached entities of various origins, and the fragmentation of one's soul. Baldwin stresses the importance of active patient participation throughout the stages of regression, as well as the need to treat encountered entities with respect, since they are often mere lost souls as bewildered and frightened as the patients themselves. For one charismatic kid, the dangerous world of the Forest of the Dead becomes the setting for the ultimate escape trick in this exciting debut novel. Jack Carr has been shuttled from foster home to group home to foster home his entire life. The only constant has been his interest in magic, especially handcuff escapes like those mastered by his hero, Harry Houdini. When he's placed with the Professor, however, he feels like he's finally found a home—but his new guardian is hiding a dangerous secret. Years ago the Professor bartered his soul to the undead

magician Mussini, and when the payment is due, he sends Jack in his place. Jack must travel with Mussini to the Forest of the Dead, a place in between the real world and the afterlife, where he's forced to perform in Mussini's traveling magic show. If he stays in the Forest long enough, he'll die himself. To find his way home, he'll have the help of Mussini's other "minions"—kids stolen just like Jack—and his wits, nothing more. Can he follow the example of his hero, Houdini, and escape the inescapable? Kaylie Hart has finally accepted that she can't run from her past any longer. The monsters in her life aren't the kind that vanish when you turn on the light. But she's had a harder time accepting that the brother she thought had been killed two years ago might still be alive. She needs to dust off her old Hunter skills if she's going to find him and learn the truth about what killed her family. In addition to hunting again, Kaylie has also decided to open her heart to a fellow Hunter, Rafe. But when Rafe becomes a Siren's latest victim, Kaylie's two worlds collide and she is forced to face both of her deepest fears- love and loss. Just when she starts to accept their situation, her friend, Hope, is pulled into the deadly Hunter world and Kaylie helplessly faces the possibility that she may have to kill her best friend. Most kids would do anything to pass the Iron Trial. Not Callum Hunt. He wants to fail.

All his life, Call has been warned by his father to stay away from magic. If he succeeds at the Iron Trial and is admitted into the Magisterium, he is sure it can only mean bad things for him. So he tries his best to do his worst - and fails at failing. Now the Magisterium awaits him. It's a place that's both sensational and sinister, with dark ties to his past and a twisty path to his future. The Iron Trial is just the beginning, for the biggest test is still to come . . . From the remarkable imaginations of bestselling authors Holly Black and Cassandra Clare comes a heart-stopping, mind-blowing, pulse-pounding plunge into the magical unknown. Teenage grim reapers Max and Kody are still growing into their destiny—to guide lost souls to heaven—when they face a mass school shooting and must bring love and faith to those who need it most. 'Absolutely brilliant. The most twisted story I've ever read.' NetGalley Reviewer, 5 Stars A MISSING GIRL. A RACE AGAINST TIME. Your curse is your biggest strength. I just didn't know it yet. Jamie Hunt's the high school quarterback in his senior year. He's popular, smart, got the prettiest girl in the school chasing him. Everything couldn't be more perfect. But a single mistake changes everything. His new "ability" puts in the middle of a war he doesn't want to be a part of, protecting a girl he barely knows and running from the one thing he loves—his family. Never give up.

Never give in. Aligned to Common Core Standards and correlated to state standards. Chapter Books is an imprint of Spotlight, a division of ABDO. What is the state of contemporary American morality? From their original conception in Christian scripture to their assimilation into Western culture, the 'Seven Deadly Sins' - lust, greed, envy, pride, and all the rest - have guided human morality, steering human behavior and*

psychology away from evil and toward a full embrace of the good. But their hold on modern life is increasingly tenuous. Indeed, one may observe that these days, deadly sin is far more common and more commonly practiced than its virtuous counterparts - humility, charity, kindness, industriousness, and chastity. Without greed, there is no economy; without anger, no politics; and without pride and envy, surely less motivation and competition would exist. James D. Wright carefully examines the complexities and ambiguities in modern society in the context of the seven deadly sins and their corresponding virtues. Are we all lost souls, condemned by our immoral deeds, or are the trappings of older sin deteriorating? Is it time, finally, to reconsider the classifications of evil and good? Wright uses each chapter to consider how the social sciences have operationalized each 'sin', how they have been studied, and what lessons have been learned over time. He reviews recent trends and contemplates the societal costs and benefits of the behaviors in question. Lost Souls emerges, then, as a meditation on contemporary sin, concluding that the line between guilt and innocence, right and wrong, is often very thin. Door into the Dark, Seamus Heaney's second collection of poems, first appeared in 1969. Already his widely celebrated gifts of precision, thoughtfulness, and musicality were everywhere

apparent. From one of Granta's Best of Young British Novelists, a stunning novel illuminating Somalia's tragic civil war *It is 1987 and Hargeisa waits*. Whispers of revolution travel on the dry winds, but still the dictatorship remains secure. Soon, through the eyes of three women, we will see Somalia fall. Nine-year-old Deqo has left the vast refugee camp where she was born, lured to the city by the promise of her first pair of shoes. Kawsar, a solitary widow, is trapped in her little house with its garden clawed from the desert, confined to her bed after a savage beating in the local police station. Filsan, a young female soldier, has moved from Mogadishu to suppress the rebellion growing in the north. As the country is unraveled by a civil war that will shock the world, the fates of these three women are twisted irrevocably together. Nadifa Mohamed was born in Hargeisa and was exiled before the outbreak of war. In *The Orchard of Lost Souls*, she returns to Hargeisa in her imagination. Intimate, frank, brimming with beauty and fierce love, this novel is an unforgettable account of ordinary lives lived in extraordinary times. Katie is plagued with dreams and visions she can't understand. It's not until her dad goes missing and she enters the spirit realm to find him that the pieces start to fall into place. A reaping of souls has begun, and Semonic, the ruler of Dylonia, will stop at nothing until every soul

*belongs to the darkness. While the souls of men rally to defeat him, Katie must decide whether her soul can accept her destiny-and whether her heart can survive the two men sworn to protect her. Only the Destiny Maker knows if she will lose her life and possibly her heart. Just weeks after four students cross the threshold of the derelict Fischer House, one of them has committed suicide and the other three are descending into madness. Nick Mason's sister is one of them. To save her, Nick must join ranks with Paul Seaton—the only person to have visited the house and survive. But Paul is a troubled man, haunted by otherworldly visions that even now threaten his sanity. Desperate, Nick forces Paul to go back into the past, to the secret journal of beautiful photographer Pandora Gibson-Hoare and a debauched gathering in the 1920s, and to the dark legacy of Klaus Fischer—master of the unspeakable crime and demonic proceedings that have haunted the mansion for decades. Because now, the Fischer House is beckoning, and some old friends have gathered to welcome Paul back. . . . In her groundbreaking book, *Soul Whisperer: Releasing Lost Souls*, author Annette Rugolo presents a new perspective into the world of spirits, past lives, and soul retrieval. Through the sharing of her real-life experiences, she offers a glimpse into a world that exists around us, which few*

are open and willing to see. She presents an introduction to spirits of the deceased that remain in this world, how we encounter them, and how to help free them from being stuck here. Through her stories, Rugolo gives a clear sense of what these encounters are like, what we can learn from them, and how to recognize and deal with them if they happen. She also demonstrates the value of soul retrievals, freeing spirits, understanding karmic history, and other related subjects. Rugolo's purpose and passion in life has been to take others from a place of fear to one of understanding and compassion for the souls trapped among us. In *Soul Whisperer*, she guides you to embrace both yourself and others as a soul who exists beyond the physical construct of our reality. When Jace vanishes with Sebastian, Clary and the Shadowhunters struggle to piece together their shattered world and Clary infiltrates the group planning the world's destruction. *Lost Souls* is the story of a 13 year old boy named Coby in the summer before his freshman year. The summer starts out like any other, he hangs out at the lake and spends time with his two best friends, but when new neighbors move in across the street Coby makes a friend that will change his life forever. **New Cover, Same Edition** Spin-off of the *Fallen Star Series*. My name is Gemma Lucas and my life is good. Alex and I

eliminated the star and Stephan and the Death Walkers. Finally I can relax and focus on freeing my father from the Room of Forbidden. At least that's what I thought. But things are never that easy. Just when I've put the past behind, Lost Souls cross over into the Real World. Then Alex disappears without a trace. As I desperately search for him, I discover secrets I wish I could forget-secrets Alex has been keeping for me. And I'm not sure what to do. Or who I can trust. America has now been at war in Afghanistan for 17 years. Most of us who have served or are currently serving in the Armed Forces have lost friends, family...brothers and sisters-in-arms. The journey of this book and the reflections of the writing within are but a small dedication to all those who have served, currently serving and the ones who will serve this great nation in the future. Some of the poems within are purely fictitious in nature. Some on the other hand, were written in light of circumstances that were occurring around me. Although some of the writings are fictitious, this book has been deeply personal for me write. It did not start out that way. But as reflected in the writings, it morphed into something much bigger than initially intended. It is my sincere hope that this book will be well received. Ladies and Gentlemen, my second book: "For All The Lost Souls." An adoption disruption brings the relationship

between John and Laura Berg to a critical point. The accidental connection with a startup Travel agency will change their lives forever as they rescue a lost soul. This astonishing story links first-contact encounters in New Guinea with laboratory experiments in Bethesda, Maryland; sorcery with science; cannibalism with compassion; and slow viruses with infectious proteins, reshaping our understanding of what it means to do science. Emily Windsnap finds herself caught between worlds in a dramatic new episode of the New York Times best-selling series. A field trip to a mysterious island quickly turns into an adventure when Emily Windsnap and Aaron discover a secret lookout point from which they spot a ghostly ship that no one else seems to be able to see. The ship appears and disappears only at certain times of day—growing fainter each time. Searching for answers only leads to more questions until Emily and her friends confront the island’s keeper, uncovering the incredible story of a ship caught between land and sea, day and night . . . life and death. Only Emily, with her ability to transform from mermaid to human, can enter Atlantis to try to bring the ship’s passengers back before the portal is closed forever. Emily knows that if she fails, not only will the passengers never see their loved ones again, but Emily won’t be able to return either. Will she be

able to resist the allure of Atlantis and return home before it's too late? Once more, David's life has fallen apart. Bantong conspired against him -- he had no choice but to fail. He knows who ruined him. He has nothing left, but he will avenge himself against Bantong and the priesthood which turned its back on him. Only the Inevitable: Book 3 Broken Spirits Lost Souls provides a rare, valuable look at a silent yet potentially deadly problem plaguing families today, Reactive Attachment Disorder (RAD). Children born into crisis or ambivalence are vulnerable to attachment disturbances because the roots of this horrendous disorder occur when basic life enhancing needs of newborns and infants go unnoticed or unmet. Consequently, children who are victims of early neglect or trauma are at grave risk. The candid stories in Broken Spirits Lost Souls, told by parents of disturbed youngsters, paint a clear picture of their chilling, dangerous behavior. Attachment disorder may be demonstrated by out-of-control children as young as three years old. By their teens, these kids predictably defy authority and challenge every accepted familial and societal norm. At their best, individuals with RAD represent the embryonic stages of an antisocial personality, at their worst they are full-blown psychopaths consumed by the search for another victim. RAD is not a rare phenomenon and is

primarily preventable through early identification and by employing simple, sound parenting skills. #1 New York Times bestselling author Dean Koontz raises the stakes—and the suspense—taking his Frankenstein saga to a dynamic new level with the riveting story of a small town under siege, where good and evil, destruction and creation, converge as the fate of the world hangs in the balance. *FRANKENSTEIN: LOST SOULS* The war against humanity has begun. In the dead hours of the night, a stranger enters the home of the mayor of Rainbow Falls, Montana. The stranger is in the vanguard of a wave of intruders who will invade other homes . . . offices . . . every local institution, assuming the identities and the lives of those they have been engineered to replace. Before the sun rises, the town will be under full assault, the opening objective in the new Victor Frankenstein's trajectory of ultimate destruction. Deucalion—Victor's first, haunted creation—saw his maker die in New Orleans two years earlier. Yet an unshakable intuition tells him that Victor lives—and is at work again. Within hours Deucalion will come together with his old allies, detectives Carson O'Connor and Michael Maddison, Victor's engineered wife, Erika Five, and her companion Jocko to confront new peril. Others will gather around them. But this time Victor has a mysterious, powerful new backer, and he and his army

are more formidable, their means and intentions infinitely more deadly, than ever before. This book takes you on a thrilling and emotional journey of one man's burning passion for lost souls behind bars. This beautiful journey is seen through the eyes of a daughter which she narrates in the form of poetry that uplifts and warms your soul. As you go on this journey, you will also experience the unfailing and everlasting love of Christ which is revealed in the life-changing testimonies of prisoners. May you be blessed as you journey on...
