Containing authentic biographies of New Yorkers who are leaders and representatives in various departments of worthy human achievement including sketches of every army and navy officer born in or appointed from New York and now serving, of all the congressmen from the state, all state senators and judges, and all ambassadors, ministers and consuls appointed from New York. Presents brief profiles of over three thousand undergraduate, graduate, and postdoctoral nursing programs in the U.S. and Canada, listing nursing student resources and activities, degree programs, and full-time, part-time, and distance learning options. Nursing Programs 2011 profiles nearly 3,200 undergraduate, graduate, and postdoctoral options at more than 700 institutions in the United States and Canada. A special section, The Nursing School Advisor, includes indepth articles about degree and career options, the admissions process, and specialized programs for professions such as nurse practitioner and clinical specialist. The patrolman has the most difficult, complex, and least understood task in the police department. Much less is known of him than of his better publicized colleague, the detective. In this important and timely book, James Q. Wilson describes the patrolman and the problems he faces that arise out of constraints imposed by law, politics, public opinion, and the expectations of superiors. The study considers how the uniformed officer in eight communities deals with such common offenses as assault, theft, drunkenness, vice, traffic, and disorderly conduct. Six of the communities are in New York State: Albany, Amsterdam, Brighton, Nassau County, Newburgh, and Syracuse. The others are Highland Park, Illinois, and Oakland, California. Enforcing laws dealing with common offenses is especially difficult because it raises the question of administrative discretion. Murder, in the eyes of the police, is unambiguously wrong, and murderers are accordingly arrested; but in cases such as street-corner scuffles or speeding motorists, the patrolman must decide whether to intervene (should the scuffle be stopped? should the motorist be pulled over?) and, if he does, just how to intervene (by arrest? a warning? an interrogation?). In most large organizations, the lowest-ranking members perform the more routinized tasks and the means of accomplishing these tasks are decided by superiors, but in a police department the lowest-ranking officer--the patrolman--is almost solely responsible for enforcing those laws which are the least precise, the most ambiguous. Three ways or "styles" of policing--the watchman, the legalistic, and the service styles--are analyzed and their relation to local politics is explored. In the final chapter, Mr. Wilson discusses if and

how the patrolman's behavior can be changed and examines some current proposals for reorganizing police departments. He observes that the ability of the patrolman to do his job well may determine our success in managing social conflict and our prospects for maintaining a proper balance between liberty and order. Table of Contents: 1. Introduction 2. THE PATROLMAN The Maintenance of Order Justice as a Constraint Some Organizational Consequences 3. THE POLICE ADMINISTRATOR Managing Discretion Critical Events 4. POLICE DISCRETION The Determinants of Discretion The Eight Communities The Uses of Discretion 5. THE WATCHMAN STYLE The Organizational Context Some Consequences 6. THE LEGALISTIC STYLE The Organizational Context Some Consequences 7. THE SERVICE STYLE The Organizational Context Some Consequences 8. POLITICS AND THE POLICE Politics and the Watchman Style Politics and the Service Style Politics and the Legalistic Style Some Findings from National Data 9. CONCLUSIONS AND POLICY IMPLICATIONS Reviews of this book: [This book] is a departure from the traditional treatise...and actually does take a large and long-awaited step toward revitalizing an exciting and important but inexcusably weak area of political science. --The American Political Science Review Reviews of this book: This book "must unquestionably become an indispensable study of politics in the American city. It is based on enormous and detailed research ... The material is presented in a controlled and disciplined no-nonsense style. --New York Review of Books Reviews of this book: This is surely one of the most informative books about the police ever written Varieties of Police Behavior is a rich, sophisticated book by an author unusually able to tackle the comprehensiveness and interdependence of the issues which affect police performance, and his analysis and conclusions have much to teach. --Times Literary Supplement It is, without doubt, the finest book on the American police ever written, and Professor Wilson is one of our best-known scholars of urban affairs...Rich...full to the brim with increasing details and shrewd insight. Anyone who wants to have an informed opinion about the policeman's relations to law and order ought to read it. --Irving Kristol A complete restatement of the entire American law as developed by all reported cases. The vital statistics are included in the annual report. The Emergency Medical Specialist Trainee Passbook(R) prepares you for your test by allowing you to take practice exams in the subjects you need to study. It provides hundreds of questions and answers in the areas that will likely be covered on your upcoming exam, including but not limited to: reasoning maps and spatial orientation; written comprehension and expression; and more.
