composed of 55 multiple choice questions questions 1 40 concern supervision and questions 41 55 concern training an answer key is located on page 15 followed by explanations of the correct answers beginning on page 16 good luck minimum regular supervision counselor assistant minimum of weekly administrative supervision by a minimum of a casac level 2 or nysed licensed qhp at least 1 one on one meeting per month

casac trainee minimum of weekly clinical supervision meetings by a casac advanced or master level or nysed licensed qhp at least 2 one on one types of supervision administrative supervision 1 review chw job description to ensure that there are clear job expectations 2 goal setting with the chw 3 professional development including training that will help the chw in their role 4 troubleshoot any administrative barriers that the

chw encounters 5
administrative supervision
program management
oversight may display some
characteristics of supervision
such as technical clearance of
work products or input to
performance reviews however
this is not the full technical and
administrative supervision
required for gssg coverage
vision texts offer general
information about
administration and
management but they rarely
include some of the more
practical strategies and tools
neces sary for day to day
supervisory practice this
handbook is designed to help
address those gaps by
providing supervisors with

critical concepts strategies
presents guidelines for clinical
supervision in the substance
abuse treatment field covers
supervision methods and
models cultural competence
ethical and legal issues and
performance monitoring
includes an implementation
guide for program
administrators clinical
supervision and professional
development
