Mad Enchantment Jun 14 2022 Los Angeles Times Book Prize Finalist From bestselling author Ross King, a brilliant portrait of legendary artist Claude Monet and the story of his most memorable achievement, the water lilies. Claude Monet is perhaps the world's most beloved artist, and among all his creations, the paintings of the water lilies in his garden at Giverny are most famous. Seeing them in museums around the world, viewers are transported by the power of Monet's brush into a peaceful world of harmonious nature. Monet himself intended them to provide "an asylum of peaceful

meditation.” Yet, as Ross King reveals in his magisterial chronicle of both artist and masterpiece, these beautiful canvases belie the intense frustration Monet experienced at the difficulties of capturing the fugitive effects of light, water, and color. They also reflect the terrible personal torments Monet suffered in the last dozen years of his life. *Mad Enchantment* tells the full story behind the creation of the *Water Lilies*, as the horrors of World War I came ever closer to Paris and Giverny, and a new generation of younger artists, led by Henri Matisse and Pablo Picasso, were challenging the achievements of Impressionism. By early 1914, French newspapers were reporting that Monet, by then 73 and one of the world’s wealthiest, most celebrated painters, had retired his brushes. He had lost his beloved wife, Alice, and his eldest son, Jean. His famously acute vision--what Paul Cezanne called “the most prodigious eye in the history of painting”--was threatened by cataracts. And yet, despite ill health, self-doubt, and advancing age, Monet began painting again on a more ambitious scale than ever before. Linking great artistic achievement to the personal and historical dramas unfolding around it, Ross King presents the most intimate and revealing portrait of an iconic figure in world culture--from his lavish lifestyle and tempestuous personality to his close friendship with the fiery war leader Georges Clemenceau, who regarded the *Water Lilies* as one of the highest expressions of the human spirit.

The Black Veins Nov 07 2021 A found family of teenage magicians embark on a road trip to save their friend's kidnapped family.

The Garden of Monsieur Monet Oct 26 2020 Describes how

the French painter Claude Monet created the gardens at his home in Giverny and places them in the context of his life and his art.

The Monet Murders Dec 28 2020 The last thing Jason West, an ambitious young FBI special agent with the Art Crime Team, wants—or needs—is his uncertain and unacknowledged romantic relationship with irascible legendary Behavioral Analysis Unit Chief Sam Kennedy. And it's starting to feel like Sam is not thrilled with the idea either. But personal feelings must be put aside when Sam requests Jason's help to catch a deranged killer targeting wealthy, upscale art collectors. A killer whose calling card is a series of grotesque paintings depicting the murders.

Manet Paints Monet Nov 26 2020 Manet Paints Monet focuses on an auspicious moment in the history of art. In the summer of 1874, Édouard Manet (1832–1883) and Claude Monet (1840–1926), two outstanding painters of the nascent Impressionist movement, spent their holidays together in Argenteuil on the Seine River. Their growing friendship is expressed in their artwork, culminating in Manet's marvelous portrait of Monet painting on a boat. The boat was the ideal site for Monet to execute his new plein-air paintings, enabling him to depict nature, water, and the play of light. Similarly, Argenteuil was the perfect place for Manet, the great painter of contemporary life, to observe Parisian society at leisure. His portrait brings all the elements together—Manet's own eye for the effect of social conventions and boredom on vacationers, and Monet's eye for nature—but these qualities remain markedly distinct. With this book, esteemed art historian Willibald Sauerländer describes how Manet, in one instant,

created a defining image of an entire epoch, capturing the artistic tendencies of the time in a masterpiece that is both graceful and profound.

Monet May 25 2023 The life of the great French painter, one of the founders of Impressionism, is narrated in lush comic art reminiscent of his style. From the Salon des Refuses ("Salon of the Rejected") and many struggling years without recognition, money, and yet a family to raise, all the way to great success, critically and financially, Monet pursued insistently one vision: catching the light in painting, refusing to compromise on this ethereal pursuit. It cost him dearly but he was a beacon for his contemporaries. We discover in this comics biography how he came to this vision as well as his turbulent life pursuing it.

The Magical Garden of Claude Monet Apr 24 2023 Part of the highly-successful Anholt's Artists series about great painters, which tells the stories of real meetings between world-famous artists and the children who knew them. When Julie's dog disappears into a mysterious garden, Julie follows him - and finds herself in a beautiful garden-within-a-garden where the roses grow like splashes of paint and a Japanese bridge bows over a silent pool. There she finds not only her dog, but also Claude Monet. The famous artist introduces her to his work and his garden, giving her encouragement that the young would-be artist will never forget. Set against the romantic, world-famous backdrop of Monet's garden at Giverny, the story is accompanied by reproductions of the artist's most celebrated paintings and a biographical note on Monet.

Claude Monet (Art Colouring Book) Jul 03 2021 Dreaming and relaxing, with Claude Monet's Impressionist designs, this beautiful new book will give you many hours of pleasure, and

calm. Printed on high quality paper, there are 45 classic illustrations for you to colour, with suggestions too on how to start the colouring. This book will give you many hours of pleasure and calm, taking you on an enjoyable journey where the satisfaction of creating stunning artworks is mixed with rediscovering the joy of colouring. You can use a wide variety of pens: from gel and pencil, to pigment and crayons, from ballpoint and rollerball to highlighters, although it's best to avoid the heavy felt pens. Each page is perforated near the spine of the book, so you can tear out and frame or simply place your wonderful creation on the walls of your home, perhaps even send them as a gift to your loved ones. Bring the Ink to life!

Where is the Frog? Feb 27 2021 Based on the beloved series of water lily paintings by Claude Monet, this children's book draws readers into the atmosphere and colors of Monet's garden at Giverny, where a lovely but vain frog tries to insert herself into the artist's work. When Antoinette, a comely young frog, learns that a famous artist is searching for beautiful flowers to paint, she is determined to get in the picture. But once the portrait is painted, it disappears--perhaps forever. This delightfully humorous mystery is accompanied by colorful illustrations that recall Monet's paintings of the pond near his home in Giverny. The final pages of the book feature reproductions of eight of Monet's water lily paintings. As children follow Antoinette's antics on a summer evening in France, they will become entranced by the pond, the painter, the light, and the beauty of Monet's world.

Claude & Camille Aug 28 2023 A vividly rendered portrait of both the rise of Impressionism and of Monet, the artist at the

center of the movement. It is, above all, a love story of the highest romantic order.

Everyday Monet Jun 02 2021 Bring Monet's paintings and gardens to life using this gorgeously illustrated book that will teach you how to create a Monet lifestyle from your living room to your kitchen to your garden—from the documentarian and author of *Monet's Palate Cookbook*, with the support of the American steward and all the head gardeners at Giverny. Aileen Bordman has long been influenced by the work of Claude Monet, one of the founders of French Impressionist painting whose esteemed works capturing the simple beauties of fin de siècle French life—from waterlilies to haystacks—have fetched astonishing sums at private auction houses and can be found in the greatest art museums around the globe. With direct access to Giverny through a pair of insiders—her mother, a steward of the Giverny estate, and its head gardener—she transports you to Monet's garden at Giverny, the third most visited site in France, in *Everyday Monet*. Combining the history, palette colors, and designs of Monet's gardens and paintings in this one-of-a-kind volume, Aileen shows how to encapsulate a home and lifestyle inspired by the artist. Filled with insights, step-by-step instructions, musings, recipes, gorgeous photography, and how-to graphics, *Everyday Monet* teaches how to grow a garden like Monet, preserve a waterlily inside the home, decorate a dining room table or a bathroom inspired by Monet's aesthetic, and prepare foods that inspire your inner-Impressionist. Filled with lush photos of Monet's milieu—from the gardens of Giverny to the streets of Normandy—and reproductions of Monet's most famous paintings, *Everyday Monet* is a practical guide to

finding ways to implement Monet's beautiful designs into any home and garden, whether you live on a country estate or in a city apartment, and is a memorable keepsake Monet devotees will treasure.

Black Water Lilies Jan 21 2023 From the author of the "wonderfully ingenious" (Marilyn Stasio, The New York Times Book Review) novel *After the Crash*, a thrilling tale of a murder that takes place in Claude Monet's garden and the mystery that surrounds it. Giverny, France. During the day, the town is the home of the famous artist Claude Monet and the gardens where he painted his *Water Lilies*. But once the tourists have gone, there is a darker side to the peaceful French village. This is the story of thirteen days that begin with one murder and end with another. J é me Morval, a man whose passion for art was matched only by his passion for women, has been found dead in the stream that runs through the gardens. In his pocket is a postcard of Monet's *Water Lilies* with the words: Eleven years old. Happy Birthday. Entangled in the mystery are three women: a young painting prodigy, the seductive village schoolteacher, and an old widow who watches over the village from a mill by the stream. All three of them share a secret. But what do they know about the discovery of J é me Morval's corpse? And what is the connection to the mysterious, rumored painting of *Black Water Lilies*?

Monet May 13 2022 -Majestic tribute to one of the most important artists of all time Who doesn't know Claude Monet's (1840-1926) famous *Water Lilies*? His explosions of color on canvas immerse everyone in a sea of reflections, until it is impossible to know where water starts and sky ends. The garden paintings, of which three hundred works depict the lily

pond, are regarded as Claude Monet's chef-d'oeuvre. The artist commenced these works in the 1890s but produced the majority of the paintings during the final two decades of his life. His early paintings of the lily pond embraced the conventional spatial boundaries of water, surrounding land and horizon. Yet the longer Monet worked, the more the boundaries began to blur, until the pond became the universe: its scope immeasurable and defined exclusively by light. Monet's influence was tremendous. His unique color palette, vision and approach changed the course of Western art. Many artists have been influenced by Monet, whose techniques inspired both the Impressionists and Post-Impressionists, including Vincent van Gogh. In terms of form and scale, the artist's work directly influenced Abstract Expressionists such as Jackson Pollock and Mark Rothko. Andy Warhol once attested to the fact that his multiple renditions of a single subject were inspired by the French painter. It is also true to say that Monet laid the groundwork for the Minimalist movement that emerged in the 1960s. Still extremely popular in his own right, Monet continues to define both the public's appreciation of art and the perception of beauty in its purest form. The last major Monet exhibitions in the Netherlands were staged at the Gemeentemuseum in 1952 and the Van Gogh Museum in 1986. The majority of his famous garden paintings, which had a profound influence on Rothko and Pollock, for example, have never been exhibited in the country. High time, therefore, for a majestic tribute at the Gemeentemuseum Den Haag (12 October 2019 until 2 February 2020) and a new accompanying catalogue.

The Life and Works of Monet Oct 18 2022 An expert and

detailed account of the painter Claude Monet, one of the key founders of the Impressionist movement and arguably the most influential painter of modern times. An insightful biography tells the story of his life, the historical context of society at the time, and the relationships with Renoir, Sisley and Manet. Features a beautiful gallery of all Claude Monet's most significant works accompanied by in-depth analysis of his style and technique. Stunningly illustrated with more than 500 reproductions and photographs.

The Monet Murders Oct 06 2021 Hollywood, 1934. Prohibition is finally over, but there is still plenty of crime for an ambitious young private eye to investigate. Though he has a slightly checkered past, Riley Fitzhugh is well connected in the film industry and is hired by a major producer--whose lovely girlfriend has disappeared. He also is hired to recover a stolen Monet, a crime that results in two murders initially, with more to come. Along the way Riley investigates the gambling ships anchored off L.A., gets involved with the girlfriend of the gangster running one of the ships, and disposes of the body of a would-be actor who assaults Riley's girlfriend. He also meets an elegant English art history professor from UCLA who helps Riley authenticate several paintings and determine which ones are forgeries. Riley lives at the Garden of Allah Hotel, the favorite watering place of screenwriters, and he meets and unknowingly assists many of them with their plots. Incidentally one of these gents, whose nom de plume is 'Hobey Baker, ' might actually be F. Scott Fitzgerald . . . Evoking the classic hardboiled style, The Monet Murders is a charmingly cosy murder mystery by a novelist whose books the Wall Street Journal called lucid, beautifully written [and] a pleasure to read.

Whose Monet? May 21 2020 This extraordinary paperback provides a highly accessible and appealing orientation to the American legal system and presents basic concepts of civil litigation to first-year law students. Whose Monet? An Introduction to the American Legal System focuses on a lengthy dispute over the ownership of a painting as a vehicle for introducing students to the basic law school tasks of reading analytically, understanding legal materials, and working with the common law. The author and his colleagues have used these materials successfully in their classrooms for many years, ensuring their teachability and effectiveness: Whose Monet? can be used as primary course material in orientation courses or seminars, as well as collateral reading for in-semester Legal Process or Civil Procedure courses The organization is logical and straightforward and the accessible writing style--lucid, descriptive, and conversational--is ideal for incoming students The major events in a lawsuit are considered, and the text sheds light on how the law is applied in a civil dispute, introducing common law and statutory law and the various courts and their interrelationship (trial/appellate, state/federal) The author draws on judicial opinions, litigation papers, transcripts, and selections from commentators and various jurisprudential sources, thereby exposing the first-year student to as broad a spectrum of materials as possible Telling the story of a real lawsuit (DeWeerth v. Baldinger)--from client intake through trial and various appeals--draws students into the legal process by means of an engaging narrative and makes for a truly enjoying teaching experience for professors The lawyer's role is examined in both its functional and moral dimensions: What do

lawyers do? What does society legitimately expect lawyers to do? This book is suitable for both classroom and stand-alone assigned reading

Clawed Monet's Book of Famous Cats Dec 20 2022 In an inside look at cats through the centuries, a savvy feline of the '90s gives us a delightful, yet factual look at the cats who came before in all walks of life: in art, literature, as muse and inspiration for famous owners, and as memorable marketing tools and spokescats for products now an indispensable part of our lives. 75 full-color photos/illustrations.

Monet in the 20th Century Nov 19 2022 This book sets Money's challenges and achievements within personal and historical contexts and carefully reconstructs his painting campaigns and strategies. What unfolds is a complicated story of an aging artist determined to create a new art. This book is the catalogue of a Monet exhibition that opened at the Museum of Fine Arts in Boston on September 23, 1998, before opening at the Royal Academy of Arts in London on January 21, 1999.

Claude Monet Apr 19 2020 "Monet is incontestably one of the greatest Impressionists, as well as being the most popular. Yet hitherto books on this great figure have been partial, concentrating either on aesthetic or on social aspects of his work without attempting a synthesis. Now Virginia Spate restores plenitude of meaning to Monet's paintings, examining the various ways in which they can be read; the tension between image and reality which energizes them; and the mysterious interactions between the work itself, its exhibition, promotion and sale, and its reception both in public and in private." "Based on a complete study of the artist's work - made possible as never before by recently published catalogues of

his oeuvre - his surviving letters (nearly 3,000 in all) and contemporary documentary material, this is the fullest account available of a complex and influential man whose style changed and evolved considerably during his long career. Monet is considered as an intelligent and cultured being, a friend to writers such as Zola, Mallarmé and Octave Mirbeau, fully informed as to the cultural and intellectual tendencies of his time. His often neglected figure paintings, always of family or friends, are analyzed alongside his landscapes, which ranged from timeless river scenes to steam-filled railway stations. Changes in his output in response to shifts in demand are linked to the new system of art dealers and to his financial situation. The France of Monet's youth and maturity is covered in depth, especially the traumatic legacy of the Franco-Prussian war and the Paris Commune; and his famous garden at Giverny is shown to be both a personal Utopia and a vital part of his creative processes. The dialectic of the real world and its representation in art is explored in detail as manifested in his splendid canvases - faithfully reproduced in over 130 colour plates." "This definitive treatment of a hugely important artist makes an indispensable contribution to the art history of Impressionism and the roots of modernism."--BOOK

A Blue Butterfly Jul 23 2020 In a garden of spectacular beauty in Giverny, France, Claude Monet painted flowers. Dazzled by the light, he painted with rich colors of vermilion, emerald, and violet. His poppies, tulips, irises, and waterlilies have awed the world. In her radiant watercolors, Bijou Le Tord uses Monet's own palette of only eight colors. Her magnificent paintings and

poetic words celebrate the extraordinary vision of the beloved impressionist painter, Claude Monet.

Paint Like Monet Sep 17 2022 Monet's revolutionary approach to painting allowed a new understanding of light, composition, and form. By exploring how his paintings were conceived, constructed, and executed, aspiring artists can broaden their technical knowledge and vastly expand their creative horizons. The first in a new series of instructional books, Paint Like Monet takes the reader on a guided journey through the artist's methods, tools, materials, and techniques. Step-by-step exercises and detailed explanations of composition and context are complemented by ideas on developing a personal style and tips on how to check and improve a painting in progress. This hands-on encounter with Impressionist theory is rich with insight and inspiration for anyone interested in art-offering a master class with one of history's greatest artists.

Claude Monet Masterpieces of Art May 01 2021 Part of a new series of beautiful gift art books, Claude Monet Masterpieces of Art features all of the popular works of this insightful and experimental artist, from his first inklings as an Impressionist to his later flirtations with Abstract Expressionism. With a fresh and thoughtful introduction to the life and art of one of the most famous artists in the world, the book goes on to showcase his key works in all their glory.

Dawn of the Belle Epoque Jan 29 2021 A humiliating military defeat by Bismarck's Germany, a brutal siege, and a bloody uprising—Paris in 1871 was a shambles, and the question loomed, "Could this extraordinary city even survive?" With the addition of an evocative new preface, Mary McAuliffe takes the reader back to these perilous years following the abrupt

collapse of the Second Empire and France's uncertain venture into the Third Republic. By 1900, Paris had recovered and the Belle Époque was in full flower, but the decades between were difficult, marked by struggles between republicans and monarchists, the Republic and the Church, and an ongoing economic malaise, darkened by a rising tide of virulent anti-Semitism. Yet these same years also witnessed an extraordinary blossoming in art, literature, poetry, and music, with the Parisian cultural scene dramatically upended by revolutionaries such as Monet, Zola, Rodin, and Debussy, even while Gustave Eiffel was challenging architectural tradition with his iconic tower. Through the eyes of these pioneers and others, including Sarah Bernhardt, Georges Clemenceau, Marie Curie, and César Ritz, we witness their struggles with the forces of tradition during the final years of a century hurtling towards its close. Through rich illustrations and vivid narrative, McAuliffe brings this vibrant and seminal era to life.

Monet, Or, The Triumph of Impressionism Jan 09 2022

Monet and His Muse Feb 10 2022 What sets this study apart from the vast literature on Monet is Gedo's focused, jargon-free, accessible, psychoanalytic assessment of Monet and his relationship with his first wife and mistress, Camille Doncieux, and the impact of this complex relationship on the artist's work. Using this psychobiographical approach in conducting a careful reading of primary source material and Monet's paintings, Gedo (independent scholar) does much to debunk a good deal of the mythology surrounding the artist's life at this period. She offers fresh insights into the content of many of Monet's major paintings, particularly his figurative works that feature Camille

as a model or subject. So, for example, Gedo proposes that Monet's *Camille* (or *The Woman in the Green Dress*) from 1866, via its composition, "functioned as a metaphor for the uncertainty characterizing the relationship between lovers," in addition to exposing publicly Camille as Monet's mistress. As is the danger when applying psychoanalysis to the study of art history, some of Gedo's assertions and interpretations approach the level of implausibility; however, these flights of psychoanalytic fancy are few and far between. The writing is engaging, endnotes are extensive but not oppressive, and the book is sufficiently illustrated with many images in color.

Summing Up: Highly recommended. Lower-level undergraduates and above; general readers. General Readers; Lower-division Undergraduates; Upper-division Undergraduates; Graduate Students; Researchers/Faculty; Professionals/Practitioners. Reviewed by D. E. Gliem.

Mad Enchantment Mar 23 2023 From bestselling author Ross King, a brilliant portrait of the legendary artist and the story of his most memorable achievement. Claude Monet is perhaps the world's most beloved artist, and among all his creations, the paintings of the water lilies in his garden at Giverny are most famous. Monet intended the water lilies to provide "an asylum of peaceful meditation." Yet, as Ross King reveals in his magisterial chronicle of both artist and masterpiece, these beautiful canvases belie the intense frustration Monet experienced in trying to capture the fugitive effects of light, water, and color. They also reflect the terrible personal torments Monet suffered in the last dozen years of his life. *Mad Enchantment* tells the full story behind the creation of the *Water Lilies*, as the horrors of World War I came ever closer to

Paris and Giverny and a new generation of younger artists, led by Henri Matisse and Pablo Picasso, were challenging the achievements of Impressionism. By early 1914, French newspapers were reporting that Monet, by then seventy-three, had retired his brushes. He had lost his beloved wife, Alice, and his eldest son, Jean. His famously acute vision--what Paul Cezanne called "the most prodigious eye in the history of painting"--was threatened by cataracts. Monet's Cat Sep 05 2021 Join artist Claude Monet as he chases his cat through his greatest works! Claude Monet's iconic house was also home to a small white pottery cat. When this cat awakes from its nap and comes to life, it jumps into one of Monet's famous paintings! The cat can't be caught as it frolicks and meanders through Monet's greatest works, always just too far out of Monet's reach. Inspired by the actual porcelain cat that was prominently displayed in Monet's studio, this book offers a fun feline perspective and is a great way to teach kids about Monet's art.

Claude Monet Mar 31 2021 In May of 2010, Gagosian Gallery presented the most significant gathering of late Claude Monet paintings in New York in more than thirty years. The catalogue for the exhibition that the New York Times described as "a gorgeous 'where on earth did this come from?' show," focuses

on important subjects drawn from the artist's gardens at Giverny. *Nymph é as*, *Le pont japonais*, and *L'all é e de rosiers* are among the most treasured paintings of Monet's long and prodigious career. Reproduced in luscious color are early *Nymph é as* that were first shown in 1909 at the Galerie Durand-Ruel to great critical acclaim. From these delicate, poetic paintings follow the more experimental post-1914 paintings, which were never exhibited during the artist's lifetime. In addition to the 27 sumptuous colour plates, the catalogue is illustrated by numerous colour images of paintings, as well as black-and-white historical photos. It includes a new essay by Paul Hayes Tucker, one of the foremost authorities on Monet and curator of the exhibition; an extract from Michel Butor's seminal 1962 text, "Monet, or the World Turned Upside Down" and a detailed chronology of Monet's life and exhibitions while at Giverny written by leading Monet scholar Charles Stuckey. Also included is a compendium of historical reviews that have been translated from their original French, Italian, or German language and which have been assembled for the first time by Claire Durand-Ruel Snollaerts.

Monet (World of Art) Jun 26 2023 From a world authority on impressionism and nineteenth-century French art comes this new addition to the World of Art series on the art and life of Claude Monet. One of the most famous and admired painters of all time, Claude Monet (1840– 1926) was the architect of impressionism—a revolution that gave birth to modern art. His technique of painting outside at the seashore or in city streets was as radically new as his subject matter: the landscapes and middle-class pastimes of a newly industrialized Paris. Working with unprecedented immediacy and authenticity, Monet

claimed that his work was both natural and true, and therefore, entirely novel. In *Monet*, James H. Rubin, one of the world's foremost specialists in nineteenth-century French art, traces Monet's development, from his early work as a caricaturist to the late paintings of water lilies and his garden at Giverny. Rubin explores the cultural currents that helped shape Monet's work, including the utopian thought that gave rise to his politics, his interest in Japanese prints and gardening, and his relationship with earlier French landscape painters and contemporaries such as E'douard Manet and Pierre-Auguste Renoir. Featuring more than 150 color illustrations of his key works, Rubin establishes Monet as the inspiration for generations of avant-garde artists and a true patriarch of modern art.

*Monet's Cathedral* Aug 24 2020 Now, for the first time, all 33 paintings in this series--which has never yet been exhibited or reproduced completely, are brought together. Each is presented in full color on a double spread and shows the magnificent Rouen Cathedral at a different time of day--in different lights, weathers and moods.

*My Life as an Ice Cream Sandwich* Sep 24 2020 National Book Award-finalist Ibi Zoboi makes her middle-grade debut with a moving story of a girl finding her place in a world that's changing at warp speed. Twelve-year-old Ebony-Grace Norfleet has lived with her beloved grandfather Jeremiah in Huntsville, Alabama ever since she was little. As one of the first black engineers to integrate NASA, Jeremiah has nurtured Ebony-Grace's love for all things outer space and science fiction—especially *Star Wars* and *Star Trek*. But in the summer of 1984, when trouble arises with Jeremiah, it's decided she'll

spend a few weeks with her father in Harlem. Harlem is an exciting and terrifying place for a sheltered girl from Hunstville, and Ebony-Grace's first instinct is to retreat into her imagination. But soon 126th Street begins to reveal that it has more in common with her beloved sci-fi adventures than she ever thought possible, and by summer's end, Ebony-Grace discovers that Harlem has a place for a girl whose eyes are always on the stars. A New York Times Bestseller

The Paintings of Claude Monet Jun 21 2020 Claude Monet (1840-1926) was a founder of French impressionist painting, and the most consistent and prolific practitioner of the movement's philosophy of expressing one's perceptions before nature, especially as applied to 'plein-air' landscape painting. The term Impressionism is derived from the title of his painting *Impression, Sunrise* (Impression, 'soleil levant'). This book is the most comprehensive collection of Claude Monet's Paintings ever published, covering the artist's entire 64 years of creation; a keepsake for the connoisseur of fine art. On 484 pages, this book includes a detailed biography, a resume written by Monet himself (in English and French), and over 900 paintings on 460 colour plates (large format 8½ x 11 inches), as well as a special section of Monet's famous Water Lilies Series, and the Series of the London Parliament Buildings and Bridges. Monet's paintings obtain record prices at auctions. 'Le Pont du chemin de fer à Argenteuil,' an 1873 painting of a railway bridge spanning the Seine near Paris, was bought for a record \$41.4 million at Christie's auction in New York on 6th May 2008. The previous record for Monet's painting stood at \$36.5 million. 'Le bassin aux nyph é as' (from the water lilies series) sold at Christie's 24 June 2008 for £ 40,921,250

(\$80,451,178) setting a new auction record for the artist.

Monet at Étretat Aug 04 2021 One understudied aspect of the life and works of Oscar-Claude Monet (1840-1926) is the artist's engagement with the town of Étretat on the Normandy coast of France during the mid-1880s. Monet traveled there twice for extended painting sojourns and eventually created over eighty works, more than he painted of any other site away from his home. Through these visits, Monet witnessed Étretat's shift from a quiet fishing village in a dramatic natural setting to a tourist destination. In this focused study, Chiyo Ishikawa places Monet's Étretat works within the context of his artistic ambition and frustration at a key moment in his life and career. She also explores the changing relationship between society and landscape in late nineteenth-century France. The book features sixteen paintings by Monet and his contemporaries Gustave Courbet, Camille Corot, and Eugène Boudin, supplemented by photographs and ephemeral material to bring to life Monet's experience in the region. The biographical context, in addition to the immersive visual experience, offers a vivid account of this significant aspect of Monet's artistic progression.

Show Me the Monet Jul 15 2022

Monet Feb 22 2023 Monet was the most typical and the most individual Impressionist painter. But while the painter was faithful and persevering in the pursuit of his motifs, his personal life followed a more restless course. Parisian by birth, he discovered painting as a youth in the provinces, where one of his homes, Argenteuil, has come to represent the artistic flowering and official establishment of Impressionism as a movement.

Monet Apr 12 2022 As one of the oldest costume jewelry companies still in existence, Monet has, for almost 70 years, made jewelry that cannot be surpassed for its quality, craftsmanship, and audacious design. *Monet: The Master Jewelers* is a long overdue, in-depth look at this innovative and enduring company. Through comprehensive research, little known facts about Monet and its founders, Michael and Joseph Chernow, as well as the people behind it, are revealed for the first time. Misconceptions about the company's origins and its early years are finally corrected. This is also a visual celebration of the artistry of Monet jewelry throughout the decades. Delving well beyond basic gold necklaces and earrings, you will be overwhelmed by the diversified and unique styling of the many bracelets, charms, earrings, and necklaces Monet pioneered throughout their long history. The Monet experience is further explored through vintage magazine and newspaper advertisements, patents, rare company and family photos, as well as never-before-published memorabilia from the early Monocraft years. Collectors, dealers, designers, stylists, and anyone with an appreciation of costume jewelry and its history will find this book to be a valuable and must-have reference.

*The Magical Garden of Claude Monet* Dec 08 2021 When her dog runs away while visiting a beautiful country garden in France, Julie asks asks a friendly gardener to help her find her pet, unaware that he is the impressionist painter Claude Monet.

*Mornings with Monet* Aug 16 2022 A new picture book about the iconic artist Claude Monet, from the Caldecott-Award winning team that created *The Noisy Paint Box*. Claude Monet is one of the world's most beloved artists--and he became

famous during his own lifetime. He rejected a traditional life laid out clean and smooth before him. Instead he chose a life of art. But not just any art: a new way of seeing that came to be called impressionism. Monet loved to paint what he saw around him, particularly the Seine River. He was initially rejected for using bright colors, tangled brushstrokes--condemned for his impressions. But soon art dealers and collectors were lining up each morning to see as Monet saw. Monet, however, waited only for the light. The changing light...each morning he had a dozen canvases on hand to paint a dozen different moments. His brush moved back and forth, chasing sunlight--putting in the arduous work to create an image that seemed to contain no effort at all. The stellar team that brought you the Caldecott Honor book *The Noisy Paint Box* explores another influential painter, in a moving tribute to creativity, commitment, and new ways of seeing the world around you.

Claude & Camille Jul 27 2023 A vividly-rendered portrait of both the rise of Impressionism and of the artist at the center of the movement, *Claude and Camille* is above all a love story of the highest romantic order. In the mid-nineteenth century, a young man named Claude Monet decided that he would rather endure a difficult life painting landscapes than take over his father's nautical supplies business in a French seaside town. Against his father's will, and with nothing but a dream and an insatiable urge to create a new style of art that repudiated the Classical Realism of the time, he set off for Paris. But once there he is confronted with obstacles: an art world that refused to validate his style, extreme poverty, and a war that led him away from his home and friends. But there were bright spots as well: his deep, enduring friendships with men named Renoir,

C é zanne, Pissarro, Manet—a group that together would come to be known as the Impressionists, and that supported each other through the difficult years. Even more illuminating was his lifelong love, Camille Doncieux, a beautiful, upper-class Parisian girl who threw away her privileged life to be by the side of the defiant painter and embrace the lively Bohemian life of their time. His muse, his best friend, his passionate lover, and the mother to his two children, Camille stayed with Monet—and believed in his work—even as they lived in wretched rooms and often suffered the indignities of destitution. But Camille had her own demons—secrets that Monet could never penetrate—including one that when eventually revealed would pain him so deeply that he would never fully recover from its impact.
