Bed of Flowers Jun 25 2020 Bonny Reed is beautiful, inside and out. A loyal friend and loving daughter, she's newly engaged to her small town's most eligible bachelor. She's happy for herself--but mostly for her family, who need the security her marriage will bring. An old enemy shatters her illusions. First Baron Loel cost Bonny's family her fortune. Now he's insisting that her fiancé has hidden flaws, secrets so dark that--if she believed him--she'd have to call off the wedding. How will she choose? When the truth comes out, Bonny will have to choose between doing what's right and what's easy. Between her family and her best friend. And hardest of all--between her honor and the love of a man who everyone wants her to hate.

The Princess Trials Mar 27 2023 Thirty young women. A handsome prince. A battle to the death. Water is scarce. Deserts have taken over the land. Nuclear war has devastated humanity. Humans live in walled super cities to keep out the irradiated. The land that was formerly known as America is divided into kingdoms ruled by royal elites. Born into the lowest Echelon of the Kingdom of Phangloria, sixteen-year-old Zea Calico faces a life of hunger, thirst, and toil. The only way out of this drudgery is revolution, and Zea is desperate to help the cause. When the palace calls for candidates to compete to marry Prince Kevon, Zea joins the Princess Trials to search the palace for weaknesses. The trials should be a fairytale of sumptuous meals, ballgowns, and romance, but one misplaced word causes Zea to attract the Prince's attention. When Zea uncovers the man beneath Prince Kevon's public facade, she is at risk of falling in love and losing sight of her mission. But the televised beauty pageant turns deadly, and Zea must fight for survival. Perfect for fans of *The Hunger Games* and *The Selection*, this exciting tale

of courage, intrigue, and betrayal will have you turning pages.

View from the Dock, Diary of a Court Interpreter Jan 25 2023 View from the Dock offers exactly that, a back row seat in a courtroom, next to the defendant and, in this case, their interpreter. Best seat in the house, save possibly, for the judge. The dock is often separated from the rest of the room by a glass panel. This simple security measure can create a peculiar sense of detachment from the proceedings, which in turn allows the dock inhabitants to gain an unusual perspective on what unfolds directly in front of them. View from the Dock invites you to share this unique glimpse into nuances and vagaries experienced by those involved in the implementation of justice.

A Moment of Passion Jan 13 2022 The second sensual book in The Ladies Book of Pleasures series by USA Today Bestselling Historical Romance Author Jess Michaels When Lady Jacinda unwraps a scandalous birthday gift, she's sure the anonymous giver is playing a cruel joke. The Ladies Book of Pleasures may be responsible for one gossiped-about marriage, but for a lady ruined by a rogue and shunned by society, Jacinda is doomed to a lonely, loveless future. The Explorer's Code (Enhanced eBook) May 29 2023 Award-winning CNN journalist Kitty Pilgrim turns her talents to print in *The Explorer's Code*, an exciting international thriller that revolves around the quest for a land deed valuable enough to kill for. This enhanced e-book includes five videos that explain more about oceanography, archaeology, the 1918 flu pandemic, Victorian painting, and the international seed vault. A short interview with Kitty will introduce these videos and provide an introduction to Kitty, how she came to write this book, and set the stage for the videos. These topics are discussed in this entertaining, informative novel filled with action and adventure as well as glamour, romance and international intrigue. When the renowned young oceanographer Cordelia Stapleton receives an invitation to accept an award on behalf of her great-great-grandfather, a famous Victorian polar explorer, she has no idea her life is about to change dramatically. John Sinclair—a dashing, wealthy archaeologist and philanthropist—presents Cordelia with the award at the glamorous Oceanographic Institute Ball in Monaco. He also gives her a journal that her great-great-grandfather wrote in 1908. An orphan with very few family belongings, Cordelia is amazingly touched to have this precious heirloom. Once the journal is in her

possession, Cordelia learns that she is heir to the land on which the Global Seed Vault in Norway sits. The valuable deed for this land, or at least a clue to its whereabouts, may be hidden in the journal. When the journal disappears from Cordelia's stateroom on the Queen Victoria and Cordelia receives threatening e-mails, it becomes clear that she is in danger. John Sinclair comes to Cordelia's aid, helping her search for the missing journal and land deed, and capturing her heart. As they race to find the deed, Cordelia and Sinclair encounter a team of British virologists trying to decode the genome of the 1918 influenza pandemic, but unearthing infected tissue samples may prove more lethal than curative. Cordelia and Sinclair sail through the Mediterranean from Monaco to an archaeological site in Ephesus, Turkey. They travel to a beautiful old Parisian home and a lavish estate in the British countryside. Their search culminates in the high Arctic archipelago of Svalbard, not far from the North Pole. Behind them every step of the way are a consortium of Russian underworld criminals, religious fanatics from Texas, a sinister botanist, and a sexy American spy, all hunting for the deed, all pursuing Cordelia. *The Explorer's Code* is a satisfying blend of historical detail, fast-paced action, scientific discovery, and the thrill of exploration that informs as well as entertains. The breathtaking ending in the high Arctic is as chilling as a polar breeze.

Discrete Mathematics Using a Computer Aug 08 2021 Several areas of mathematics find application throughout computer science, and all students of computer science need a practical working understanding of them. These core subjects are centred on logic, sets, recursion, induction, relations and functions. The material is often called discrete mathematics, to distinguish it from the traditional topics of continuous mathematics such as integration and differential equations. The central theme of this book is the connection between computing and discrete mathematics. This connection is useful in both directions:

- Mathematics is used in many branches of computer science, in applications including program specification, datastructures, design and analysis of algorithms, database systems, hardware design, reasoning about the correctness of implementations, and much more;
- Computers can help to make the mathematics easier to learn and use, by making mathematical terms executable, making abstract concepts more concrete, and through the use of software tools such as proof checkers. These connections are emphasised throughout the book. Software tools (see Appendix A) enable the computer to serve as a calculator, but instead of just doing arithmetic and trigonometric functions, it will be used to calculate with sets, relations, functions, predicates and inferences. There are also special software tools, for example a proof

checker for logical proofs using natural deduction.

Testosterone Rex: Myths of Sex, Science, and Society Jun 17 2022 " Beliefs about men and women are as old as humanity itself, but Fine ' s funny, spiky book gives reason to hope that we ' ve heard Testosterone rex ' s last roar. " —Annie Murphy Paul, New York Times Book Review Many people believe that, at its core, biological sex is a fundamental force in human development. According to this false-yet-familiar story, the divisions between men and women are in nature alone and not part of culture. Drawing on evolutionary science, psychology, neuroscience, endocrinology, and philosophy, *Testosterone Rex* disproves this ingrained myth and calls for a more equal society based on both sexes ' full human potential.

WELL DONE ME! May 05 2021 To say that life has been unfair to Cordelia Feldman would be a colossal understatement. A gifted, gregarious student, her life was derailed at 19 when she developed an extreme form of bipolar disorder that severely limited her career aspirations, her social activities and her love life. Aged 34, in an unbelievably cruel double whammy, she was diagnosed with breast cancer that was soon pronounced incurable and spread inexorably around her body. *WELL DONE ME* is a frank, fearless and often funny memoir of her struggles with both illnesses, including no-holds-barred descriptions of the myriad treatments she has endured and their sometimes horrific side effects. It is also an inspiring account of her many startling achievements in the face of a death sentence, not least publishing her first novel *In Bloom*, followed by this memoir. Now aged 42 she has outlived her predicted life expectancy by several years. Well done her! **ABOUT THE AUTHOR:** Cordelia Feldman lives in Hertfordshire with her hugely

supportive parents, and a beloved ginger cat named Spitfire. Notwithstanding long term medical treatment for her bipolar disorder and cancer, Cordelia manages to keep fit with her passion for gym sessions with a personal trainer. She enjoys knitting, dog walking and Tarot, and her more recent studies include astrology.

King Lear Aug 27 2020 This collection of inter-related stories about a sixteenth-century Prague rabbi and the golem he created became an immediate bestseller upon its publication in 1909. So widely popular and influential was Yudel Rosenberg's book, it is no exaggeration to claim that the author transformed the centuries-old understanding of the creature of clay and single-handedly created the myth of the golem as protector of the Jewish people during times of persecution. In addition to translating Rosenberg's classic golem story into English for the first time, Curt Leviant also offers an introduction in which he sets Rosenberg's writing in historical context and discusses the golem legend before and after Rosenberg's

contributions. Generous annotations are provided for the curious reader. The book is full of adventures, surprises, romance, suspense, mysticism, Jewish pride, and storytelling at its best. The Chief Rabbi of Prague, known as the Maharal, brings the golem Yossele to life to help the Jews fight false accusations of ritual murder - the infamous blood libel. More human, more capable, and more reliable as a protector than any golem imagined before, Rosenberg's Golem irrevocably changed one of the most widely influential icons of Jewish folklore.

As You Wish Sep 08 2021 Born into a magical family, Reggie Scott is content to live out her life as a normal human until the moment she's informed that she's a newly appointed fairy godmother. Rock Bottom Treasure Apr 15 2022 She partied with rock'n'roll royalty. They'll kill to keep their crowns. Cordelia Dean danced in the rain at Woodstock, drank with Jimi Hendrix in Paris, practiced yoga with John and Yoko at the Dakota, shared a room with Patti Smith at the Chelsea Hotel. Or so she says. Now Cordy Dean is a washed-up rock journalist living off Social Security in a crumbling house

in Palmyrton, NJ. Estate sale organizer Audrey Nealon must sift through Cordy's trove of rock memorabilia and find some saleable items to keep the aging hippie solvent. The collector's items Cordy boasts about might be figments of her imagination...or might be valuable enough to kill for. When a man turns up murdered in Palmyrton, Audrey discovers the freaks and misfits who surround Cordy aren't as harmless as she thought. And her search for rock and roll treasure takes on new intensity. Because the objects that lie concealed in Cordy's house just might rewrite the history of rock 'n' roll. Everyone knows history is written by the winners. After the losers get killed.

Cordelia's Honor Jan 01 2021 When Enemies Become More than Friends -- THEY WIN In her first trial by fire, Cordelia Naismith captained a throwaway ship of the Betan Expeditionary Force on a mission to destroy an enemy armada. Discovering deception within deception, treachery within treachery, she was forced into a separate peace with her chief opponent, Lord Aral Vorkosigan -- he who was called "The Butcher of Komarr" -- and would consequently become an outcast on her own planet and the Lady Vorkosigan on his. Sick of combat and betrayal, she was ready to settle down to a quiet life, interrupted only by the occasional ceremonial appearances required of the Lady Vorkosigan. But when the Emperor died, Aral became guardian of the infant heir to the imperial throne of Barrayar -- and the target of high-tech assassins in a dynastic civil war that was reminiscent of Earth's Middle Ages, but fought with up-to-the minute biowar technology. Neither Aral nor Cordelia guessed the part that their cell-damaged unborn would play in Barrayari's bloody legacy.

Mining for Love Nov 30 2020 Cordelia Watson is ready to start over. Her husband didn't return from the war, her fiancé jilted her, and she's had enough. J.B. Wood agrees to help Delia start anew in Virginia City, even though all he really wants to do is mine his claim for gold. When bad things start happening, J.B. realizes he'd do anything to protect Delia. But, Delia has a secret that could put their future - and lives - at stake.

A Husband for Cordelia Jul 31 2023 Cordelia Jameson is left alone after her brother's death. He left her with \$5000 which she knows won't last forever and she doesn't want to be alone. She wants a husband and children. She decides to become a mail-order bride and goes to Brides for the West to sign up. David Thomas survived his sociopath wife's machinations. She was hung for attempted murder and kidnapping, though he would have divorced her in any case. He'd do anything to protect his four-year-old daughter Margie. But now that he's moved out west, he realizes he needs someone to care for Margie and he needs a wife for

himself since he wants more children, too. He 's vowed he won 't allow his emotions to get involved, not after what he went through with his first wife. While Cordelia is living at the boarding house, waiting for her mail-order groom, her brother 's former partner, Richard Lynch, finds her. He demands the money that her brother left her. She refuses and he backhands her sending her to the floor. If not for the interference of another of the brides, he might have beat her to death. When Cordelia leaves to marry David, she believes she 's left Richard behind her. But like a bad penny, he shows up in her new town making the same demands only this time he threatens Margie. Cordelia knows he won 't go away and even if she does give him the money, when he finds out that David is rich, he 'll be back again and again, blackmailing them. He has to be stopped. Now. But how?

Watch Your Back Jul 27 2020 When a cold case is reopened, a murderer re-emerges deadlier than ever in this thriller in New York Times bestselling author Karen Rose 's Baltimore series. Baltimore Homicide Detective Stevie Mazzetti has suffered losses no woman should have to endure. And, despite it all, she 's still a fighter. When she learns that her ex-partner might have miscarried justice, she 's determined to put the past to rights, even when she becomes a target. It 's former Marine Clay Maynard 's job to see the risk in every situation, but he doesn 't have to look hard to find the danger surrounding Stevie. Since the minute he first

saw her, Clay has wanted to protect the wounded officer, and he started loving her not long after that. So when Stevie attracts the attention of a vicious psychopath, Clay will do whatever it takes to keep her alive. That is, if he can stay ahead of a killer with everything to lose—and something terrifying to hide...
