**Excerpt from Wages in Various Industries and Occupations:  
A Summary of Wage Movements, 1914-1920 The existing  
wage rates for all classes of anthracite mine employees are  
directly based upon the award of the Anthracite Coal Strike  
Commission of 1903. The increases granted by that**

commission were in the form of flat percentage increases. No basic rates were fixed and the existing differentials between companies were maintained. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

**information secured, and here presented, while by no means covering all of the varied lines of employment in the country, is believed to be sufficiently comprehensive to be**

**representative of wage conditions and wage changes among American wage earners. The wage data presented are usually in the form of hourly, daily or piece rates of pay. In some instances, however, it was necessary to use weekly or payroll earnings as a guide to wage trend, and in most of the organized trades, the union scales of wages have been employed as indicative of the actual wage-rates received.**
