The Arthurian Archives series of texts and editions in translation, edited by Norris J. Lacy, makes a start on Italian Arthurian material, with a 14c Tristan text. This is the first critical edition with English translation of the prose compilation Tristano panciatichiano, preserved in a unique manuscript in the Biblioteca Nazionale of Florence (MS Panc. 33); it is the first time the Italian text has been published in its entirety in any form. Assembled by the mid-fourteenth century, the manuscript is an original compilation in Italian based on several French models: the Queste del San Graal, Josephd'Arimathie, the Mort Artu, and notably, the Roman de Tristan en prose. While the edition itself will be of great interest, the translation into English is a major opportunity for Arthurians and other medievalists, and furnishes important new evidence for the study of Arthurian material in Italy. Apparatus includes a finding list of Arthurian manuscripts produced, owned or read by Italians; a select bibliography; and an index of proper names found in the narrative. La vendetta è pericolosa, ma l'amore è un gioco ancora più letale. Solo una persona che mi ha tradita è ancora viva: mio padre. Per me non c'è niente che abbia più importanza di fargliela pagare e strappare mia sorella dalle sue mani. Ma i miei tentativi di salvarla lo hanno solo reso paranoico, e ora la ragazza che volevo salvare è costretta a sposare un socio d'affari di mio padre, tutto a causa mia. Ho cercato di tenere a distanza il Quad, i quattro uomini che non riesco a smettere di amare, ma la tentazione che offrono è più forte della mia forza di volontà. Continuo a ripetermi che è solo una cosa fisica e che non mi fido di loro, ma, con il passare dei giorni, mantenere salde le mie convinzioni diventa sempre più difficile. Non sono mai stata così in pericolo e i nemici ormai mi circondano. Non credo ci sarà un lieto fine per me, anzi, più vado avanti e più sono certa che morirò, e questa volta sarà per sempre. Children of the Mists is a story of enduring love. Set in the 1800s, life on Sardinia had barely changed since the time of the Caesars. Two families, the Sannas and the Canus, are united by friendship and

honour; love and laughter; joy and promises; omens and superstitions; youth and experience transcend generations. However, for Raffaella and Antonio, their passionate love becomes entangled with revenge. Death changes devotion. Promises are forgotten. Vendettas cannot be ignored. Ambition clouds judgments. Antonio and Raffaella were promised to each other, nothing would keep them apart, not even family. Committed to each other, they fight for their love against all odds... Children of the Mists is a gripping journey back in time that will make the perfect addition to any romance lover's collection. Now featuring a brand-new design and integration of short film, the newly-revised PONTI: ITALIANO TERZO MILLENNIO provides an up-to-date look at modern Italy, with a renewed focus on helping the second year student bridge the gap from the first year. With its innovative integration of cultural content and technology, the Third Edition encourages students to expand on chapter themes through web-based exploration and activities. Taking a strong communicative approach, the book's wealth of contextualized exercises and activities make it well suited to current teaching methodologies, and its emphasis on spoken and written communication ensures that students express themselves with confidence. Students will also have the chance to explore modern Italy with a cinematic eye through the inclusion of five exciting short films by Italian filmmakers. Audio and video files can now be found within the media enabled eBook. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. The Drama of the Meeting with the Grace for a Young Girl and a Community This is a collection of essays by several authors.
