Tocatta and Fugue in D Minor, Bwv 565 Dec 12 2021 This is one of the most famous pieces of music ever written. There have been various arrangements done including several for orchestra, wind ensemble, brass quintet and now for 2 trumpets and organ. This version still utilizes the power and majesty of the organ but adds the brilliant sound of two trumpets above that sound. The organ pedal work has been greatly reduced to be more accessible to more organists and so that this arrangement could be learned more quickly by all. The trumpet parts are for 1 e-flat and 1 b-flat.

Symphony in D minor Mar 27 2023 Franck's only symphony was a late composition, first performed in Paris in February 1889, a year before his death. It splendidly reveals the great Belgian composer's musical individuality, and echoes powerfully the glories of the late French Romantic style. Today, a century after its first presentation, the Symphony in D Minor is one of the most performed and recorded symphonic works in the repertoire. This authoritative Dover edition makes it available in full score in a sturdy, yet inexpensive format designed to bring you a lifetime of pleasurable study. Although he was deeply influenced by Bach's contrapuntal technique and by Wagner's chromatic harmonies, Franck achieved a highly distinctive musical identity in his work. His pupil Dukas commented: "Franck's language is strictly individual, of an accent and quality hitherto unused, and recognizable among all other idioms." He was influenced not only as a composer but as an organ virtuoso and a teacher, numbering among his students and followers d'Indy, Chausson, and a host of other important modern French composers. His greatest works, among them the Symphony in D Minor, combine depth and monumentality with a sweeping, almost mystical lyricism qualities that underlay his importance as a leading figure of 19th-century French musical life."

Concerto in D minor, opus 47, for violin and piano Apr 27 2023

Requiem in D Minor by Wolfgang Amadeus Mozart for Solo Piano (1791) K.626 Aug 27 2020 Mozart showed amazing talent from early in childhood. Already competent on the keyboard and violin, he started composing from the age of five and performed before European royalty. At 17, he was enlisted as a court musician in Salzburg, but grew restless of this and decided to travel in search of a better position, always composing abundantly. The Requiem Mass in D minor was composed in Vienna in 1791 and was left unfinished when Mozart died on December 5th 1791. A completion dated 1792 by Franz Xaver Süssmayr was delivered to Count Franz von Walsegg, who had anonymously commissioned the piece for a requiem mass to commemorate the February 14th anniversary of his wife's death. A facsimile sheet of music from the Dies Irae movement of the "Requiem Mass in D Minor" (K. 626) in Mozart's own handwriting. It is located at the Mozarthaus in Vienna.
