Karate Dojo Jun 15 2020 Learn the background of Japanese Karate along with the ins and outs of belonging to a dojo with this readable martial arts guide. The Japanese martial art of Karate is not only a means of self-defense; it is also a sport and a philosophy. The *Karate Dojo: Traditions and Tales of a Martial Art* examines each of these aspects—through the colorful legends, tales, and traditions that are associated with the art—and explains why educators and parents are becoming increasingly interested in karate. This karate book shows how karate training can change the lives of those who practice it, by giving them health, self-confidence, both physical and mental discipline, as well as calm maturity. This martial arts book includes information about: the dojo, the belt system, kata and jiu-kumite, potential and goals, famous dojo stories, Okinawan martial arts fighters, ninjutsu, and more!

Cashflow Dojo May 15 2020 Cash Flow Dojo Book Summary Cash Flow Dojo is a comprehensive guide to financial freedom. For the first time ever, you can finally unleash your full financial potential by learning exactly how to build multiple income streams that you can use to grow your bottom line faster and more passively than ever before. In today's world, it isn't unlikely to rely on two streams of income in order to sustain your lifestyle. In fact, it's almost a given! Written by a dedicated and professional speaker, thought leader, real estate investment coach, and best-selling author with years of experience as a self-made entrepreneur and successful real estate investor, Martin Saenz is proud to unlock the secret strategies, tips, and tactics that you need to expand your cash flow quickly. Through this comprehensive guidebook, you'll learn how to craft a custom road map for your future, how to build a brand that attracts great deals, how to cultivate and immerse yourself in a supportive community of investors, and how to leverage a Win/Win situation while building additional income streams. For Martin, nothing is more important than ensuring that he's able to convey his experience, his knowledge, and his strategies in a clear and succinct manner, so that people from all walks of life can benefit from what he has to share. This book assumes that there's simply no such thing as a one size fits all solution, because everyone's situation is different. With that in mind, Martin provides a thoughtful skills-building guidebook that allows you to develop the knowledge, skills, and experience required to generate cash flow through multiple income streams. From there, you can finally give yourself the chance that you deserve to live your life financially free and financially independent! About Martin Saenz Throughout an extensive and accomplished career, Martin has demonstrated a proven ability to grow asset value, income, and knowledge not just for his company, but for his investors, borrows, proteges, and readers as well. Along with his best-selling books, Martin also offers a number of online courses to educate those interested in learning more about investing, business building, and financial freedom. Constantly committed to providing the right knowledge and resources to readers to help them reach their success goals with passive income strategies, Martin remains cutting-edge in his research and tactics. Martin's track record speaks for itself, and he continues to write books under his new publisher, NIME Publishing House.

Small Dojo Big Profits Feb 04 2022 For over a decade, Small Dojo Big Profits has guided martial arts instructors through the risky yet highly rewarding process of starting and running a highly successful and profitable martial art school. Eschewing the conventional wisdom that says you must have a huge school with 300 or more students to be financially successful, the author instead shows you how to take on less risk while working smarter and not harder by running a lean, mean, efficient martial arts studio operation. Author Mike Massie has started three successful martial arts studios from scratch, and has the distinction of opening his first studio with no start-up capital, zero credit, and in a town where he was a complete stranger. Yet, he was able to go from teaching in part-time locations to running his own full-time studio in under a year, and he achieved this while staying in profit from month one. The process he followed is the same one this book is based upon, and this updated version of Small Dojo Big Profits also draws on the author's experience in starting and growing two more successful studios during the recent mortgage crisis and economic recession. A common sense martial arts school start-up and business operations manual, this completely updated version of the classic martial arts business guide is perfect for anyone who wants to maintain their integrity while building a successful martial art school. If you're looking for the best source of complete information for starting, launching, growing, and running a martial art school from scratch, this is it.

The Leadership Dojo Feb 21 2021 History is filled with accounts of great leaders, but how did they become so? Written for emergent leaders in any endeavor, this new work from renowned consultant Richard Strozzi-Heckler offers a new approach to leadership. The first book of its kind to base business and management strength on integral body awareness, the book presents key principles such as shugyo, or self-cultivation, as crucial in developing the individual responsibility, social commitment, and moral and spiritual vision required to lead with authority and efficacy. The Leadership Dojo is based on three questions: What does a leader do? What are the character values most essential to exemplary leadership? How do you teach these values? Drawing on the wisdom of ages from Plato to the Bhagavad-Gita, from Thucydides to the Abidharma, the book asserts that understanding and answering these questions holds the key to superior leadership skills. Strozzi-Heckler teaches with real-world examples based on his wide experience training decision-makers at companies like AT&T and Microsoft. The book's multifaceted approach helps readers establish a powerful Leadership Presence, a platform from which they can take ethical action with compassion and pragmatic wisdom.

Deliver Modern UI for IBM BPM with the Coach Framework and Other Approaches Dec 22 2020 IBM® Coach Framework is a key component of the IBM Business Process Manager (BPM) platform that enables custom user interfaces to be easily embedded within business process solutions. Developer tools enable process authors to rapidly create a compelling user experience (UI) that can be delivered to desktop and mobile devices. IBM Process Portal, used by business operations to access, execute, and manage tasks, is entirely coach-based and can easily be configured and styled. A corporate look and feel can be defined using a graphical theme editor and applied consistently across all process applications. The process federation capability enables business users to access and execute all their tasks using a single UI without being aware of the implementation or origin. Using Coach Framework, you can embed coach-based UI in other web applications, develop BPM UI using alternative UI technology, and create mobile applications for off-line working. This IBM Redbooks® publication explains how to fully benefit from the power of the Coach Framework. It focuses on the capabilities that Coach Framework delivers with IBM BPM version 8.5.7. The content of this document, though, is also pertinent to future versions of the application.

The Aikido Student Manual Apr 06 2022 Why should you try Aikido? What's the purpose of traditional martial arts today? At my age - should I be getting into martial arts? What should my kids expect from a dojo? Reuven Lirov, a veteran of martial arts of over 29 years, gives an overview of his take on what Aikido means today, how it impacts hundreds of thousands of lives around the world, and what you should look for in a dojo at any age. The goal of this book is to help the wider public gain an understanding of Aikido's basic message of traditional martial arts training as a way to bring peace on Earth. Reuven's unique history in Judo, Muay Thai, Hwa Rang Do, Escrima, JKD, and other arts, is brought to bear as a way to help anyone, regardless of age, choose a dojo that will serve them throughout their lives. Martial arts is a journey meant for our entire lives - but often in America, we lose sight of that because of endless competitions and fear of injury. Through these pages, Reuven hopes you will glean the endless benefits of a consistent traditional martial arts practice, especially those benefits that extend beyond the mat and into our work, friendships, and families. Together, let's make the world a better place, one throw at a time. Osu!

Dojo Dec 14 2022 Dojo offers Web developers and designers a powerful JavaScript toolkit for rapidly developing robust Ajax applications. Now, for the first time, there's a complete, example-rich developer's guide to Dojo and its growing library of prepackaged widgets. Reviewed and endorsed by the Dojo Foundation, the creators of Dojo, this book brings together all the hands-on guidance and tested code samples you need to succeed. Expert Web developer James E. Harmon begins by demonstrating how to "Ajax-ify" existing applications and pages with Dojo, adding Ajax features such as client- and server-side validation as quickly and nondisruptively as possible. Next, he presents in-depth coverage of Dojo's user interface, form, layout, and specialized Widgets, showing how they work and how to use them most effectively. Among the Widgets, he covers in detail: Date Pickers, Rich Text Editors, Combo Boxes, Expandable Outlines, and many others. In conclusion, Harmon introduces the Dojo toolkit's powerful capabilities for simplifying Ajax development. He thoroughly explains Dojo's helper functions, shortcuts, and special methods, illuminating each feature with examples of the JavaScript problems it can solve. This section's far-ranging coverage includes strings, JSON support, event handling, Ajax remoting, Dojo and the DOM, testing, debugging, and much more. All source code examples are provided on a companion Web site,

including source code for a complete tutorial case study application.

Agile Conversations Sep 30 2021 A successful digital transformation must start with a conversational transformation. Today, software organizations are transforming the way work gets done through practices like Agile, Lean, and DevOps. But as commonly implemented as these methods are, many transformations still fail, largely because the organization misses a critical step: transforming their culture and the way people communicate. Agile Conversations brings a practical, step-by-step guide to using the human power of conversation to build effective, high-performing teams to achieve truly Agile results. Consultants Douglas Squirrel and Jeffrey Fredrick show readers how to utilize the Five Conversations to help teams build trust, alleviate fear, answer the "whys," define commitments, and hold everyone accountable. These five conversations give teams everything they need to reach peak performance, and they are exactly what's missing from too many teams today. Stop focusing on processes and practices that leave your organization stuck with culture-less rituals. Instead, unleash the unique human power of conversation.

An American Ronin's Field Guide to MEDITATION Jan 23 2021 An American Ronin's Field Guide to MEDITATION When did we give up the idea that the warrior, the poet, and the mystic were the same man? Spirituality and meditation have always possessed aspects of being really, really bad ass in my mind. Growing up with Kung Fu movies has a tendency to do that. I began my study of meditation with books and progressed to dojo floors, Hindu ashrams, Trappist monasteries, and Buddhist Zendos, and I began to understand what Kwai Chang Caine was doing when he sat on a rock minding his own business. And here you can get that same understanding, applicable to every walk of life, but especially the warrior: Here's your no-bullshit, Quick and Dirty Field Guide on Meditation.

Creating Your Dojo Nov 13 2022 Transforming a company's digital product development capabilities is a monumental task that can leave even the most seasoned leaders feeling completely overwhelmed.

Traditional approaches to training often fail to have their desired impact. Instead of transformation, you get piecemeal improvements that don't lead to significant change. Here's the truth: if you want learning that sticks, you need a dojo. In *Creating Your Dojo*, experienced dojo coaches Joel Tosi and Dion Stewart guide you through creating a dojo--an immersive learning environment-- within your organization. A dojo enables your teams to learn new skills within the context of their real-world work. You'll create a thriving product development culture where team members feel empowered to solve their own problems. Your organization will improve the quality of the products they deliver, reduce delivery cycle time, and create innovative products with better product/market fit.

Kendo Nov 20 2020 Master the art of Kendo—Japanese Swordsmanship with this illustrated and comprehensive martial arts guide. Kendo or the "Way of the Sword" holds a special place within the martial arts as one of the few practices tracing back directly to Japan's ancient samurai heritage. Modern students flock to kendo for physically—and mentally—challenging activity that combines traditional martial arts values with strenuous physical activity. Author Geoff Salmon has over 40 years of kendo experience gained in and outside of Japan. His goal in this kendo guide is to dispel many misconceptions about the sport and to make kendo training accessible and effective for anyone. His simple, straightforward writing style is especially helpful for beginning students and martial artists from other disciplines who wish to add kendo training to their repertoire. The core of this kendo book is a series of detailed instructional sequences demonstrating the basic kendo techniques. The author also presents the fundamental principles and philosophy that make kendo as much an exercise of the mind as of the sword. For many adherents, the goal is to train your mind to achieve a state of mushin (no-mind). Beyond that, this book also shows you how to win competitions and integrate kendo into your personal fitness routines. This is the first book to clearly link the philosophical and mental elements of kendo to the physical techniques, thereby enabling readers to gain a holistic understanding of the martial art. It offers a comprehensive training program similar to those given by leading kendo teachers in Japan, past and present.

Ajax: The Definitive Guide Mar 25 2021 Is Ajax a new technology, or the same old stuff web developers have been using for years? Both, actually. This book demonstrates not only how tried-and-true web standards make Ajax possible, but how these older technologies allow you to give sites a decidedly modern Web 2.0 feel. Ajax: The Definitive Guide explains how to use standards like JavaScript, XML, CSS, and XHTML, along with the XMLHttpRequest object, to build browser-based web applications that function like desktop programs. You get a complete background on what goes into today's web sites and applications, and learn to leverage these tools along with Ajax for advanced browser searching, web services, mashups, and more. You discover how to turn a web browser and web site into a true application, and why developing with Ajax is faster, easier and cheaper. The book also explains: How to connect server-side backend components to user interfaces in the browser Loading and manipulating XML documents, and how to replace XML with JSON Manipulating the Document Object Model (DOM) Designing Ajax interfaces for usability, functionality, visualization, and accessibility Site navigation layout, including issues with Ajax and the browser's back button Adding life to tables & lists, navigation boxes and windows Animation creation, interactive forms, and data validation Search, web services and mash-ups Applying Ajax to business communications, and creating Internet games without plug-ins The advantages of modular coding, ways to

optimize Ajax applications, and more This book also provides references to XML and XSLT, popular JavaScript Frameworks, Libraries, and Toolkits, and various Web Service APIs. By offering web developers a much broader set of tools and options, Ajax gives developers a new way to create content on the Web, while throwing off the constraints of the past. Ajax: The Definitive Guide describes the contents of this unique toolbox in exhaustive detail, and explains how to get the most out of it.

In the Dojo Jul 21 2023 Beginning students in Japanese martial arts, such as karate, judo, aikido, iaido, kyudo, and kendo, learn that when they are in the dojo (the practice space), they must don their practice garb with ritual precision, address their teacher and senior students in a specific way, and follow certain unwritten but deeply held codes of behavior. But very soon they begin to wonder about the meaning behind the traditions, gear, and relationships in the dojo. In this collection of lively, detailed essays, Dave Lowry, one of the most well-known and respected swordsmen in the United States, illuminates the history and meaning behind the rituals, training costumes, objects, and relationships that have such profound significance in Japanese martial arts, including • the dojo space itself • the teacher-student relationship • the act of bowing • what to expect—and what will be expected of you—when you visit a dojo • the training weapons • the hakama (ceremonial skirt) and dogi (practice uniform) • the Shinto shrine Authoritative, insightful, and packed with fascinating stories from his own experience, In the Dojo provides a wealth of information that beginning students will pore over and advanced students will treasure.
