**Zero to One** Feb 18 2023 #1 NEW YORK TIMES BESTSELLER • “This book delivers completely new and refreshing ideas on how to create value in the world.”—Mark Zuckerberg, CEO of Meta “Peter Thiel has built multiple breakthrough companies, and Zero to One shows how.”—Elon Musk, CEO of SpaceX and Tesla The great secret of our time is that there are still uncharted frontiers to explore and new inventions to create. In Zero to One, legendary entrepreneur and investor Peter Thiel shows how we can find singular ways to create those new things. Thiel begins with the contrarian premise that we live in an age of technological stagnation, even if we’re too distracted by shiny mobile devices to notice. Information technology has improved rapidly, but there is no reason why progress should be limited to computers or Silicon Valley. Progress can be achieved in any industry or area of business. It comes from the most

important skill that every leader must master: learning to think for yourself. Doing what someone else already knows how to do takes the world from 1 to n, adding more of something familiar. But when you do something new, you go from 0 to 1. The next Bill Gates will not build an operating system. The next Larry Page or Sergey Brin won't make a search engine. Tomorrow's champions will not win by competing ruthlessly in today's marketplace. They will escape competition altogether, because their businesses will be unique. Zero to One presents at once an optimistic view of the future of progress in America and a new way of thinking about innovation: it starts by learning to ask the questions that lead you to find value in unexpected places.

**The Peter Principle** Apr 20 2023 The classic #1 New York Times bestseller that answers the age-old question Why is incompetence so maddeningly rampant and so vexingly triumphant? The Peter Principle, the eponymous law Dr. Laurence J. Peter coined, explains that everyone in a hierarchy—from the office intern to the CEO, from the low-level civil servant to a nation's president—will inevitably rise to his or her level of incompetence. Dr. Peter explains why incompetence is at the root of everything we endeavor to do—why schools bestow ignorance, why governments condone anarchy, why courts dispense injustice, why prosperity causes unhappiness, and why utopian plans never generate utopias. With the wit of Mark Twain, the psychological acuity of Sigmund Freud, and the theoretical impact of Isaac Newton, Dr. Laurence J. Peter and Raymond Hull's *The Peter Principle* brilliantly explains how incompetence and its accompanying symptoms, syndromes, and remedies define the world and the work we do in it.

**Why We Make Things and Why It Matters** Mar 19 2023 In this moving account, Peter Korn explores the nature and rewards of creative practice. We follow his search for meaning as an Ivy-educated child of the middle class who finds employment as a novice carpenter on Nantucket, transitions to self-employment as a designer/maker of fine furniture, takes a turn at teaching and administration at Colorado's Anderson Ranch Arts Center, and finally founds a school in Maine: the Center for Furniture Craftsmanship, an internationally respected, non-profit institution. Furniture making, practiced as a craft in the twenty-first century, is a decidedly marginal occupation. Yet the view from the periphery can be illuminating. For Korn, the challenging work of bringing something new and meaningful into the world through one's own volition - whether in the arts, the kitchen, or the marketplace - is exactly what generates the authenticity, meaning, and fulfillment for which many of us yearn. This is not a "how-to" book in any sense. Korn wants to get at the why of craft in particular, and the satisfactions of creative work in general, to understand their essential nature. How does the making of objects shape our identities? How do the products of creative work inform society? In short, what does the process of making things reveal to us about ourselves? Korn draws on four decades of hands-on experience to answer these questions eloquently, and often poignantly, in this personal, introspective, and revealing book.

**Say Something!** Jul 23 2023 From the creator of the New York Times bestseller *The Word Collector* comes an empowering story about finding your voice, and using it to make the world a better place. The world needs your voice. If you have a brilliant idea... say something! If you see an injustice... say something! In this empowering new picture book, beloved author Peter H. Reynolds explores the many ways that a single

voice can make a difference. Each of us, each and every day, have the chance to say something: with our actions, our words, and our voices. Perfect for kid activists everywhere, this timely story reminds readers of the undeniable importance and power of their voice. There are so many ways to tell the world who you are... what you are thinking... and what you believe. And how you'll make it better. The time is now: SAY SOMETHING!

**SOMETHING SHIFTED** Aug 12 2022 Something Shifted is a nonfiction, inspiring Christian book that acts as a tapestry of different threads brilliantly woven together: first, the thread of author and doctor Peter Osterbauer's life, which went from frequenting strip clubs, to joining an occult order, to having a drinking problem, having an affair, to attempting suicide, all while masking his inner struggles with a successful career in neurology. The second thread is the thread of teaching, from the author's own experience, what it means to shift-that is, crossing that line consciously, going from "maybe" to "yes." This book will teach readers what it means to be forgiven, what it means to be redeemed, what it means to become a new creation in Christ, and learn to shift from shame to grace.

**Island** May 17 2020 DIVA teenage girl follows a mysterious boy to an island with a dark secret /divDIV/divDIVSince she was born, Rachel's whole life has been planned out for her, from prep school to the Ivy League to a job as a doctor or lawyer. Only her grandfather understands that, at thirteen, she would rather just be a kid. Rachel is suffering through a boring yacht party when she catches the eye of a busboy who, like her, doesn't seem to belong. He convinces her to do something impulsive: She jumps off the boat to take a dip in the ocean. It's the biggest mistake she'll ever make./divDIV /divDIVRachel nearly drowns, and wakes up on the beach of a mysterious island called Onieron. It's almost like a theatrical summer camp, with boys and girls in costumes, having fun. Though it's nice at first, soon Rachel just wants to go home. But leaving the island is something the Onieronians will never allow./divDIV /divDIVThis ebook features an illustrated biography of Peter Lerangis including rare photos and never-before-seen documents from the author's personal collection./divDIV /divDIV/div

**Lives Oxymoronic** Apr 27 2021 Lives Oxymoronic by Peter Seadle The characters in these stories all live in reality, or so they believe. Do they

really? Is their world one in which they can meet someone, love someone, wish for something, or fear something? Can it ever turn out how they expect? Not here. Here, they do not need to fear anything or anyone. Happy imaginations shape their realities and satisfy them in ways beyond reality. Are they dreamers? Or are they part of a more sinister game?

**The Trick** Feb 23 2021

The Life You Can Save Jan 25 2021 For the first time in history, eradicating world poverty is within our reach. Yet around the world, a billion people struggle to live each day on less than many of us pay for bottled water. In The Life You Can Save, Peter Singer uses ethical arguments, illuminating examples, and case studies of charitable giving to show that our current response to world poverty is not only insufficient but morally indefensible. The Life You Can Save teaches us to be a part of the solution, helping others as we help ourselves.

**What Things Do** Jun 22 2023 How are all these things affecting us? How can their role in our lives be understood? What Things Do answers these questions by focusing on how technologies mediate our actions and our perceptions of the world.

**Anyone Can Arts...anyone Can Draw** Jul 19 2020 WHY CHOOSE THIS BOOK? IT REALLY WORKS! \*People who think they CAN'T DRAW discover they CAN! You CAN, TOO! FUN, QUICK & EASY lessons reveal the SECRETS: HOW to START, HOW to PROCEED, HOW to FINISH. \* PENCIL, PAPER & ERASER is all you need. \* 100's of Helpful TIPS, HINTS & ILLUSTRATIONS CLEARLY EXPLAIN and SHOW: WHAT to LOOK FOR, WHAT to DO, WHERE, WHEN, WHY and HOW...EVERY STEP OF THE WAY! \* IT'S LIKE HAVING YOUR OWN PERSONAL TEACHER WITH YOU. \* GREAT for AGES 9-90-TERRIFIC for EDUCATORS and HOME SCHOOL. \* CONTAINS ALL the FUNDAMENTALS. ONCE YOU LEARN THEM, YOU CAN DRAW ANYTHING. \* IF YOU THINK YOU CAN'T DRAW (but always wanted to) THIS SELF TEACHING GUIDE IS FOR YOU! HERE'S WHAT STUDENTS SAY... I must admit I was rather skeptical. "Anyone Can...Arts." Yeah, right! Well, am I ever eating crow now. The way Professor Pencil guided me through each step, it was like magic. I actually learned how to create a REAL PICTURE. I am now a true believer that YES! Anyone Can...Arts really does

mean ANYONE CAN! I highly recommend this book to anyone who wants to learn to draw. Patti R. I've taken courses previously in high school, California colleges and universities, yet I learned more by using your instructional book. Many of the exercises I was instructed to complete, that were not clearly explained in college courses, now make sense. The basics that I had always been seeking is now available to me and I intend to dedicate time to the pursuit of creating art, which I have always wanted to do. Trish A.

*The Effective Executive* Apr 08 2022 The measure of the executive, Peter Drucker reminds us, is the ability to 'get the right things done'. Usually this involves doing what other people have overlooked, as well as avoiding what is unproductive. He identifies five talents as essential to effectiveness, and these can be learned; in fact, they must be learned just as scales must be mastered by every piano student regardless of his natural gifts. Intelligence, imagination and knowledge may all be wasted in an executive job without the acquired habits of mind that convert these into results. One of the talents is the management of time. Another is choosing what to contribute to the particular organization. A third is knowing where and how to apply your strength to best effect. Fourth is setting up the right priorities. And all of them must be knitted together by effective decision-making. How these can be developed forms the main body of the book. The author ranges widely through the annals of business and government to demonstrate the distinctive skill of the executive. He turns familiar experience upside down to see it in new perspective. The book is full of surprises, with its fresh insights into old and seemingly trite situations.

Moralizing Technology Nov 03 2021 Technology permeates nearly every aspect of our daily lives. Cars enable us to travel long distances, mobile phones help us to communicate, and medical devices make it possible to detect and cure diseases. But these aids to existence are not simply neutral instruments: they give shape to what we do and how we experience the world. And because technology plays such an active role in shaping our daily actions and decisions, it is crucial, Peter-Paul Verbeek argues, that we consider the moral dimension of technology. *Moralizing Technology* offers exactly that: an in-depth study of the ethical dilemmas and moral issues surrounding the interaction of humans and technology. Drawing from Heidegger and Foucault, as well as from philosophers of

technology such as Don Ihde and Bruno Latour, Peter-Paul Verbeek locates morality not just in the human users of technology but in the interaction between us and our machines. Verbeek cites concrete examples, including some from his own life, and compellingly argues for the morality of things. Rich and multifaceted, and sure to be controversial, *Moralizing Technology* will force us all to consider the virtue of new inventions and to rethink the rightness of the products we use every day.

**The Spiritual Danger of Doing Good** Mar 27 2021 Charity and Service Have a Dark Side You want to live out the Gospel by serving others, and you're willing to sacrifice your time, money, and perhaps even your safety. But do you realize the spiritual dangers you face as you serve? Peter Greer, the CEO of a Christian nonprofit, found that serving others and seeking justice actually did him harm. He shares how something that started with the noblest of intentions got off track--and how he got back on course. His story is a passionate warning for anyone who works in ministry or charitable nonprofits, from CEOs to weekend volunteers.

"Doing good can take its toll on our lives if we aren't careful. *The Spiritual Danger of Doing Good* is an honest look at the dangers we all need to avoid as we seek to make a difference."--Craig Groeschel, senior pastor, LifeChurch.tv

"Peter Greer is a friend and a brother. His newest book is a brilliant reminder that what we do is not nearly as important as who we are--and how much we give is not nearly as important as how much love is in the giving."--Shane Claiborne, author, activist, and lover of Jesus

"In this extremely timely and important book, Peter Greer applies the apostle Paul's teaching to the twenty-first century leader. Readable, humorous, and keenly insightful."--Brian Fikkert, author of *When Helping Hurts*

"This book is a needed message for all leaders interested in social justice, ministry, or simply loving their neighbors as themselves. It is timely and welcomed. So get ready for a challenge. Peter is a thought leader who is changing the world. Read this book!"--Brad Lomenick, president and lead visionary, Catalyst

"If you're ready to take an honest look at your leadership then read this work with a continual prayer on your lips: 'Lord, show me how this might be true in my life.' Too often Christian leaders gloss over these issues at their own peril. Read it, take heed, and become

liberated from the hero who must die in order to live--you."--Dr. Scott C. Todd, senior vice president, Compassion International "Anchored in personal, gut-honest experience, *The Spiritual Danger of Doing Good* is a clarion call to all of us. Peter and Anna discuss how to change the world without sacrificing what is most important. I deeply resonate with the principles found in this book.."--Stephan Bauman, president and CEO, World Relief "Peter has nailed it. He has uncovered unique signs and situations we overlook as leaders that cause serious harm to ourselves and to others--particularly those we love most. Want to be a great leader? This is a must read."--David Spickard, president & CEO, Jobs for Life "Peter helps us in practical ways to serve Jesus with a pure heart, pure love and no applause necessary. I believe this book will get you in your gut and you'll be forever changed."--Anne Beiler, founder of Auntie Anne's, Inc. "I wish I could have read *The Spiritual Danger of Doing Good* as a young pastor. My idealism has often been my greatest strength and my most catastrophic weakness. Peter understands this, and his stories and insights would have saved me from heartache and major mistakes.."--Chris Seay, pastor, Ecclesia Houston "Provides a powerful wake-up call for Christians. The discussion questions and suggested videos on a variety of topics make this excellent for group studies. *The Spiritual Danger of Doing Good* should be required reading for all Christians whether they are involved in overseas missions or work in their own neighborhoods."--Congregational Libraries Today "Greer outlines many of the dangers that go along with serving others, including an inflated ego, a judgmental heart, and serving the poor at the neglect of one's spouse and family. He offers insight and points readers to the God who asks us to love others, and to do it with a heart that is open to Him. This book is a great resource for anyone who serves others, whether as a pastor, nonprofit leader or volunteer at the local food bank."--Youthworker Journal

**Things I Do with My Friends** Nov 22 2020 Student Book

*Peter Lombard* Jul 31 2021 Peter Lombard is best known as the author of a celebrated work entitled *Book of Sentences*, which for several centuries served as the standard theological textbook in the Christian West. It was the subject of more commentaries than any other work of Christian

literature besides the Bible itself. The Book of Sentences is essentially a compilation of older sources, from the Scriptures and Augustine down to several of the Lombard's contemporaries, such as Hugh of Saint Victor and Peter Abelard. Its importance lies in the Lombard's organization of the theological material, his method of presentation, and the way in which he shaped doctrine in several major areas. Despite his importance, however, there is no accessible introduction to Peter Lombard's life and thought available in any modern language. This volume fills this considerable gap. Philipp W. Rosemann begins by demonstrating how the Book of Sentences grew out of a long tradition of Christian reflection—a tradition, ultimately rooted in Scripture, which by the twelfth century had become ready to transform itself into a theological system. Turning to the Sentences, Rosemann then offers a brief exposition of the Lombard's life and work. He proceeds to a book-by-book examination and interpretation of its main topics, including the nature and attributes of God, the Trinity, creation, angelology, human nature and the Fall, original sin, Christology, ethics, and the sacraments. He concludes by exploring how the Sentences helped shape the further development of the Christian tradition, from the twelfth century through the time of Martin Luther.

Key Words with Peter and Jane #4 Things We Do a Series May 21 2023  
Key Words with Peter and Jane uses the most frequently met words in the English language as a starting point for learning to read successfully and confidently. The Key Words reading scheme is scientifically researched and world renowned. In book 4a, Peter and Jane explore different activities in 42 new words including 'then', 'house', 'make' and 'read'. Once this book has been completed, the child moves on to book 4b. The Key Words with Peter and Jane books work because each of the key words is introduced gradually and repeated frequently. This builds confidence in children when they recognise these key words on sight (also known as the 'look and say' method of learning). Examples of key words are: the, one, two, he. There are 12 levels, each with 3 books: a, b, and c. Series a: Gradually introduces new words. Series b: Provides further practise of words featured in the 'a' series. Series c: Links reading with writing and phonics. All the words that have been introduced in each 'a' and 'b' book are also reinforced in the 'c' books.

**With God and Love You Can Do Anything** Jan 05 2022 WITH GOD (JESUS) AND LOVE YOU CAN DO ANYTHING. I WROTE THIS BOOK TO HONOR GOD AND THE LOVE OF MY LIFE MY WIFE ANGELA F.CAREY. I CERTAINLY DIDN'T DESERVE EITHER IN MY LIFE AS I STARTED DRINKING AT 13 YEARS OLD AND CONTINUED UNTIL I WENT TO A.A. AT 39. I BELIEVE THERE ARE NO COINCIDENCES IN LIFE BUT ARE ORCHESTRATED BY A LOVING GOD (JESUS). FIRST ON SEPTEMBER 8TH 1962 HE SENT ME ANGELA F. PEYTON IN ROCKAWAY N.Y. EVEN THOUGH I WAS DRUNK THAT NIGHT SOMEHOW WE GOT TOGETHER. THEN 19 YEARS LATER AFTER HAVING 4 CHILDREN HE KNEW I NEEDED MORE HELP SO HE HELPED ME FIND A.A.ON JUNE 23RD 1981. THAT STARTED MY RECOVERY ALSO BECOMING A BETTER PERSON. SO THAT'S WHEN ANGIE GOT REALLY SICK AROUND 1997 WITH RHEUMATOID LUNG, I BECAME HER FULL TIME CAREGIVER FOR THE LAST 11 YEARS OF HER LIFE. SHE DESERVED THAT AND MORE SINCE SHE WAS A SUPER WIFE, MOM, NANA, FRIEND, NEIGHBOR AND SISTER! I AM ETERNALLY GRATEFUL TO GOD, ANGELA AND DR. JESSIE WILT AND THE C.P.H. LUNG TX. PROGRAM WHERE ANGIE RECEIVED A LUNG TX. ON MAY 20TH 2007. THE BEST JOB I HAD IN MY LIFE WAS CAREGIVING FOR ANGELA SHE DESERVED MUCH MORE THAN ME.

**Routines and Orgies** Jul 11 2022 Peter Cundill (1938-2011) was highly regarded as one of the greatest value investors of his time, but he was also a teacher and mentor who was generous with his knowledge and shared the wealth of his experience with many aspiring investors. He was taken with Aldous Huxley's words that the "rhythm of human life is routine punctuated by orgies," and spent his life shaking off the quotidian tasks that dulled thought and striving for the excitement of new experiences. Supported by four decades of Cundill's meticulously kept daily journals, which are intimate, frank, self-admonishing, and confessional, *Routines and Orgies* covers all aspects of what Cundill referred to as his "wonderful life" - commercial, artistic, romantic, and adventurous. As he would have wished, the exposure of his investment approach has been carefully continued in this biography by close friend and confidant Christopher Risso-Gill, who initially explored Cundill's professional life in *There's Always Something to Do*. *Routines and Orgies* acquaints the reader with a generous and complex man. Spanning over seventy years, and covering most corners of the globe, it is a tale of hard-

won professional development and extraordinary challenges faced and survived. Although not meant to be an investment manual, those seeking perspective from an expert mind in finance will find a great deal in its pages.

Peter Powers and His Fantastic Family! Oct 02 2021 If you like the Avengers, Justice League, or The Incredibles, then you'll love this family of superheroes! This new chapter book series is perfect for reluctant readers. For a long time, Peter Powers thought he had the lamest super powers ever. All he could do was make ice cubes with his fingers. But after lots of practice, Peter grew better and stronger. He's finally on his way to being a real superhero ... Now, his family's treating him with the respect he deserves. In fact, they've never been nicer. So why does Peter feel like something's wrong? And what does it have to do with Grandpa's new ex-girlfriend, Lady Diablo? Peter and his super-powered friends better figure it out fast, or this might be the end of the Powers family! This title is the eighth chapter book in a new series of exciting stories about a young boy who has some rather crummy (and hilarious!) superpowers. Each story is full of humor, action, and fun, but the charm can be found in the heartfelt message about the power of family, friends, and having confidence. '2018 by Hachette Book Group, Inc.

**The Book That's Sweeping America!** Dec 24 2020 The world's greatest business consultant takes the business book down to a whole new level Not to take anything away from E.F. Hutton, but when Stephen Michael Peter Thomas(r) talks, people really listen. (Or at least they turn their heads in his general direction). And what they hear astounds them. The ideas are so simple. The wisdom so pure. And the concepts as familiar as they are obvious. Stephen Michael Peter Thomas is one of the rare thinkers who can make timeless half-truths sound refreshingly new. (Or maybe it's just that he charges so much that clients have deluded themselves to believe that he is really onto something!) Packed with knowledge, insight, and sometimes even a kernel of wisdom, The Book That's Sweeping America! gives readers what Fortune 100 companies have paid millions for. Stephen Michael Peter Thomas's every word mints a new batch of buzz phrases destined to be bandied about everywhere. "Layered Niche Reengineering (LNR)" "Shaker Benchmarking" "Open-Book Reading" We'd call it Stephen Michael Peter Thomas-ese if his name wasn't so impressively lengthy. In The Book That's Sweeping America!,

Stephen Michael Peter Thomas taps into his visionary gift to provide a road map of all the latest concepts steering business around the world. Leadership. Competition. Strategy. Wardrobe. Stephen Michael Peter Thomas tackles each topic one by one. And *The Book That's Sweeping America!* comes with a bona fide guarantee--not a single idea is new or different enough to challenge or make you feel uncomfortable. Competing in business is tough enough these days without having to worry about tackling new material. \* Fascinating case stories and interviews from the world's most successful organizations (like all business books there will most likely be cases from Xerox) \* Eye-catching photos, charts, and graphics that make even the most obvious ideas easy to grasp \* Learning summaries, Q&As, and exercises to implement in the odd chance that something new or original strikes you

STEPHEN MICHAEL PETER THOMAS (The Sphere of Influence, USA) describes himself as "the most talked about and influential business consultant the world has ever seen." The confidante of CEOs and the darling of the academic set, he is never referred to as "Steve."

**Peter and Mary** Jun 10 2022 Peter and Maria are two friends who are inseparable, but they must learn that they need to divide their time together with other people and although they might have other things to do or other people to meet and attend to, their friendship is something that will always be, and it's unbreakable.

drops out of school and moves in with her funeral director dad, forcing her to examine life, death, and the boy she thought she knew and loved in a brand new light"--

Soul Strength Aug 20 2020 Does controlled chaos describe your everyday life? Have the deep hurts of your past paralyzed your ability to forgive? Has your addiction tried to give you one last knockout punch to ensure you never again try another recovery? Or is it that your tank is just on empty from auto-pilot living and life without purpose? This amazing journey we're on dishes out unexpected twists and turns that jump out at us like thieves in the night, robbing us of every last ounce of joy and strength we possess. Dark days of turmoil and regret loom over us like ominous storm clouds that never give way to the sun. Minor setbacks that were once easy to maneuver can become mountains that all too often are impossible to scale. Let's face it, life can go from a whisper to a roar in a New York second leaving us reeling and muttering, or at times screaming at the top of our lungs, "I can't do this anymore!" If what I'm describing here is what your life looks like right now, be of good cheer. Believe it or not, it is here that there is hope and strength; here, where God's very voice cries out to you. It says, "There is an answer to your problem, and there is freedom from the bondage!" There is a peace in the midst of this raging storm! You are worth it! God says in His Word, there will be trials and temptations, struggles and setbacks, but He has the answer, in fact, He is the answer! There is something your Creator has placed in the deepest core of your being that, honestly, not many ever tap into, but it contains the very life you were meant to live! I call it Soul Strength! Imagine never having to stay in the constant season of sorrow or be taken by temptation. God wants you to be unleashed from the beast of burden that continues to hold you captive. This is not pie in the sky thinking or the good life every late night infomercial offers, and it's not the false hope sold on every corner packaged in self-help books or Hollywood propaganda. Those, at best, are temporary emotional highs that lead you on a short trip to disappointment, and at worst, will leave you with deep regret, picking up pieces of one bad decision after another. In short, they don't work! Let me be clear about this book. This book is not a method or another in a long line of "how to" manuals. It's about the voice and power of the living God, your Creator, the One who knit you together in your mother's womb. He sees, He understands, He comforts,

He heals! If you're not a believer, I welcome you to this journey with open arms, and I have a grateful heart that you're here! You are like a deep mine where there are priceless, precious gems, but to find them you must dig deep and have patience. When they are finally found, you will be able to enjoy true riches that have eternal value and fill you with joy beyond compare! My prayer is that this book will provoke your spirit, press your buttons, push you beyond your limits, and propel your life from the sidelines to the frontlines. One last thing before we begin our sojourn from the inside out: I believe in being completely honest, so I will tell you the truth. I stole much of this book, even the very idea from another author. His name is Jesus, the Author of life, the Author of soul strength! The heartbeat of my life is to lead others to know Him and to experience the abundant life He offers. Getting to know Him has turned my tragedy into triumph and my adversity into advantage. So...let's begin, and get better together! -Peter

**The Peter Principle** Dec 16 2022 In a hierarchy, every employee rises to the level of their own incompetence. This simple maxim, defined by this classic book over 40 years ago, has become a beacon of truth in the world of work. From the civil service to multinational companies to hospital management, it explains why things constantly go wrong: promotion up a hierarchy inevitably leads to over-promotion and incompetence. Through barbed anecdotes and wry humour the authors define the problem and show how anyone, whether at the top or bottom of the career ladder, can avoid its pitfalls. Or, indeed, avoid promotion entirely!

**Mrs. Peter Rabbit** Sep 20 2020 Peter Rabbit had lost his appetite. Now when Peter Rabbit loses his appetite, something is very wrong indeed with him. Peter has boasted that he can eat any time and all the time. In fact, the two things that Peter thinks most about are his stomach and satisfying his curiosity, and nearly all of the scrapes that Peter has gotten into have been because of those two things. So when Peter loses his appetite or his curiosity, there is surely something the matter with him. Ever since Old Man Coyote had come to live on the Green Meadows, Peter had been afraid to go very far from the dear Old Briar-patch where he makes his home, and where he always feels safe. Now there wasn't any reason why he should go far from the dear Old Briar-patch. There was plenty to eat in it and all around it, for sweet clover grew almost up to the

very edge of it, and you know Peter is very fond of sweet clover. So there was plenty for Peter to eat without running any risk of danger. With nothing to do but eat and sleep, Peter should have grown fat and contented. But he didn't.

*Ethics in the Real World* Oct 22 2020 Provocative essays on real-world ethical questions from the world's most influential philosopher Peter Singer is often described as the world's most influential philosopher. He is also one of its most controversial. The author of important books such as *Animal Liberation*, *Practical Ethics*, *Rethinking Life and Death*, and *The Life You Can Save*, he helped launch the animal rights and effective altruism movements and contributed to the development of bioethics. Now, in *Ethics in the Real World*, Singer shows that he is also a master at dissecting important current events in a few hundred words. In this book of brief essays, he applies his controversial ways of thinking to issues like climate change, extreme poverty, animals, abortion, euthanasia, human genetic selection, sports doping, the sale of kidneys, the ethics of high-priced art, and ways of increasing happiness. Singer asks whether chimpanzees are people, smoking should be outlawed, or consensual sex between adult siblings should be decriminalized, and he reiterates his case against the idea that all human life is sacred, applying his arguments to some recent cases in the news. In addition, he explores, in an easily accessible form, some of the deepest philosophical questions, such as whether anything really matters and what is the value of the pale blue dot that is our planet. The collection also includes some more personal reflections, like Singer's thoughts on one of his favorite activities, surfing, and an unusual suggestion for starting a family conversation over a holiday feast. Now with a new afterword by the author, this provocative and original book will challenge—and possibly change—your beliefs about many real-world ethical questions.

*Peter Powers and His Fantastic Family!* Jun 29 2021 If you like the Avengers, Justice League, or The Incredibles, then you'll love this family of superheroes! This new chapter book series is perfect for reluctant readers. For a long time, Peter Powers thought he had the lamest super powers ever. All he could do was make ice cubes with his fingers. But after lots of practice, Peter grew better and stronger. He's finally on his

way to being a real superhero... Now, his family's treating him with the respect he deserves. In fact, they've never been nicer. So why does Peter feel like something's wrong? And what does it have to do with Grandpa's new ex-girlfriend, Lady Diablo? Peter and his super-powered friends better figure it out fast, or this might be the end of the Powers family! This title is the eighth chapter book in a new series of exciting stories about a young boy who has some rather crummy (and hilarious!) superpowers. Each story is full of humor, action, and fun, but the charm can be found in the heartfelt message about the power of family, friends, and having confidence. ©2018 by Hachette Book Group, Inc.

*The Dot* Mar 07 2022 Vashti believes that she cannot draw, but her art teacher's encouragement leads her to change her mind and she goes on to encourage another student who feels the same as she had.
