Runaway Cowgirl Apr 20 2023 Jorie I was in love with him all my life. I thought we were best friends. I thought he loved me too. The day everything changed between us, I gave myself to him. I thought we'd finally be together. I was his and he was mine. Then I found out it was all a big joke. I meant nothing to him. Never had. That was the day I left Dripping Springs and stopped being silly little Jorie. No one would hurt me like that again. If I never set foot in Dripping Springs again, it would be a day too soon. But now my gran is dying and she wants me home. She's the only one who ever really mattered to me. I can't let her down. The question is: Do I confront the boy who crushed me or do I move on and pretend it never happened, that he meant nothing to me? Tough choice. He's not hurting me again. Nash I know what happened. Jorie heard something she shouldn't have, but I'm not the jerk she thinks I am. She left, taking my heart with her. I tried, but I could never find her. Never heard another word from her. Apparently, I meant nothing to this girl. For five years, I've hurt and let bitterness settle in. I buried myself in saving my family's dying ranch and forgetting her. Now, things are looking up and I'm finally ready to move on. But now, Jorie's back and I'm torn: Do I make things right between us or do I keep moving on, forget our past and the first

love who destroyed my heart? Tough choice. She's not hurting me again.

The Cowgirl Meets Her Match Nov 15 2022 Love takes a special kind of courage . . . Captain Sterling Garlington has faced down enemy fire without losing his nerve. But after a life-altering injury derails his military career, the former US marine is suddenly taking his marching orders from a sexy, edgy beauty at the Elk Heights Ranch. Even more amazing, equine therapist Harper Matthews makes him want to not only embrace life again--but give in to the attraction simmering between them. Her love of horses is Harper's magic bullet--her way of healing the painful past. And in the wounded soldier she recognizes a kindred spirit. Part of her wants to bolt, yet at the same time Sterling is drawing her closer. Maybe it's his courage. Or his mega-watt smile. Or both. Either way, she'll make a cowboy out of the wary war hero yet. It's like getting back on a horse. They'll just have to learn to trust each other--and be

willing to open their hearts . . . "Obsessed. That's how I felt while reading this book, like every page was better than the previous. Just try to put this down, I dare you." --#1 New York Times Bestselling Author Rachel Van Dyken on Heart of a Cowboy

Cowboy Christians May 09 2022 Cowboy Christians examines the long history of cowboy Christianity in the American West, with a focus on the present-day cowboy church movement. Based on five years of historical and sociological fieldwork in cowboy Christian communities, this book draws on interviews with leaders of cowboy churches, traveling rodeo ministries, and chaplains who serve horse racing and bull riding communities, along with the author's first-hand experiences as a participant observer. Marie W. Dallam traces cowboy Christianity from the postbellum period into the twenty-first century, looking at religious life among cowboys on the range as well as its representation in popular imagery and the media. She examines the structure, theology, and perpetuation of the modern cowboy church, and speculates on future challenges the institution may face, such as the relegation of women to subordinate participant roles at a time of increasing gender equality in the larger society. She also explores the cowboy Christian proclivity for blending the secular and the sacred in leisure environments like arenas, racetracks, and rodeos. Dallam locates the modern cowboy church as a descendant of the muscular Christianity movement, the Jesus movement, and new paradigm church methodology. Cowboy Christians establishes the religious significance of the cowboy church movement, particularly relative to twenty-first-century evangelical Protestantism, and contributes to a deeper understanding of the unique Christianity of the American West.

DIY Football Jun 10 2022 The intention of the book is to highlight the development of a type of football organisation that falls outside of the well documented elite professional game, the most recognizable face of the sport. Specifically, the focus here will fall upon community based football clubs which have grown out of the grassroots game. Well known examples of these clubs in Britain are the Bristol organisation, Easton Cowboys and Cowgirls, and the Leeds based Republica Internationale – both of these clubs have forged links with similarly motivated organisations in other countries who regularly come together in tournaments to express solidarity.

Collectively, these clubs have sometimes been referred to as forming a 'DIY culture' in football. Their defining characteristics being variously described as anti-commercial, democratically constituted, advocating social responsibility and inclusiveness, and holding an outlook of solidarity that, in some cases, involves political education. This book was originally published as a special issue of Sport in Society.
